

Nightly training with the commander.
Today it's four of my favorite
Maestrale class.

The Admiral's cock is
covered with skin.
I'll peel it off for you♥

I'm sleepy... but sniffing
the Admiral's balls makes
me feel naughty...

What?
You want to kiss me?

Grimace

Four young girls
surrounding a
man's penis...!

Let's start the training
with my male organ♥

You want to
kiss a child?
Admiral,
you're so
naughty...♥

Please look forward
to the Japan-Italy
joint training tonight♥

Oh Oh

The Admiral's cock is erect and eager to cum in no time.

Smelly but tasty... ♡

Admiral is so cute with his tongue.
