# *Hate that I Like You*

Story & Art: Halley D  
Proofread: Rujin

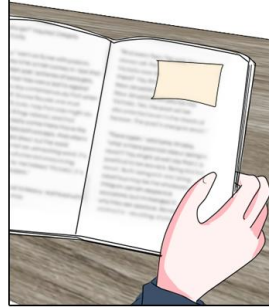

Many misunderstood  
we are girlfriends

Because of how  
nice she's been  
treating me

Even the kinds of books  
I usually read,

She takes time to  
read them first,  
leaving notes at  
all parts that may  
get me confused

I always  
thought we share the  
same feelings

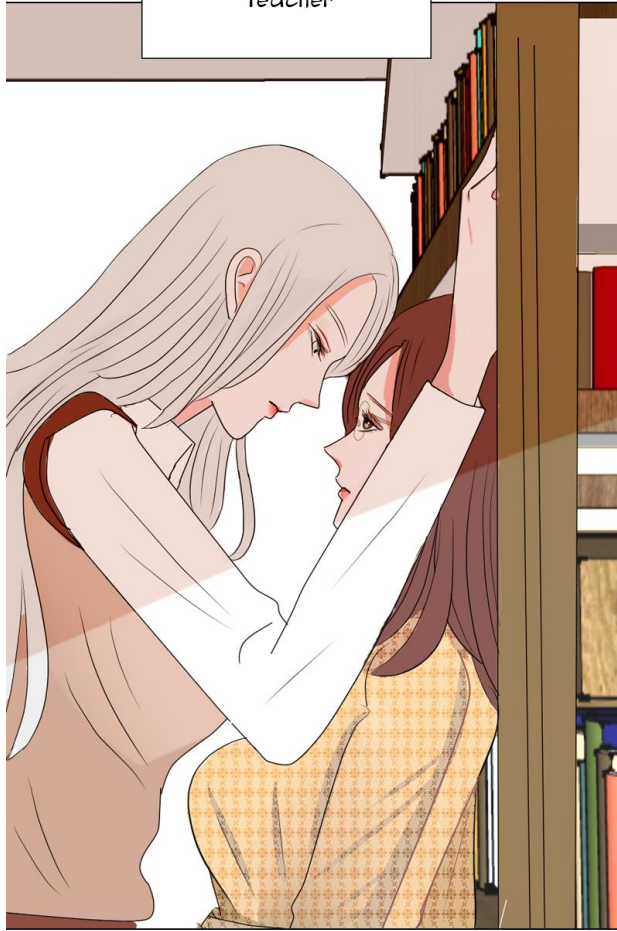

Until the day  
we entered high school,

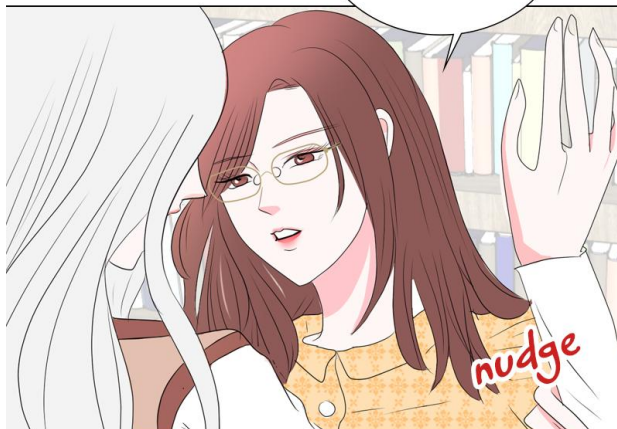

I saw her with the  
new homeroom  
teacher

What do you think  
you're doing?  
I'm your teacher

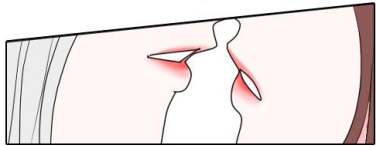

What's your name?

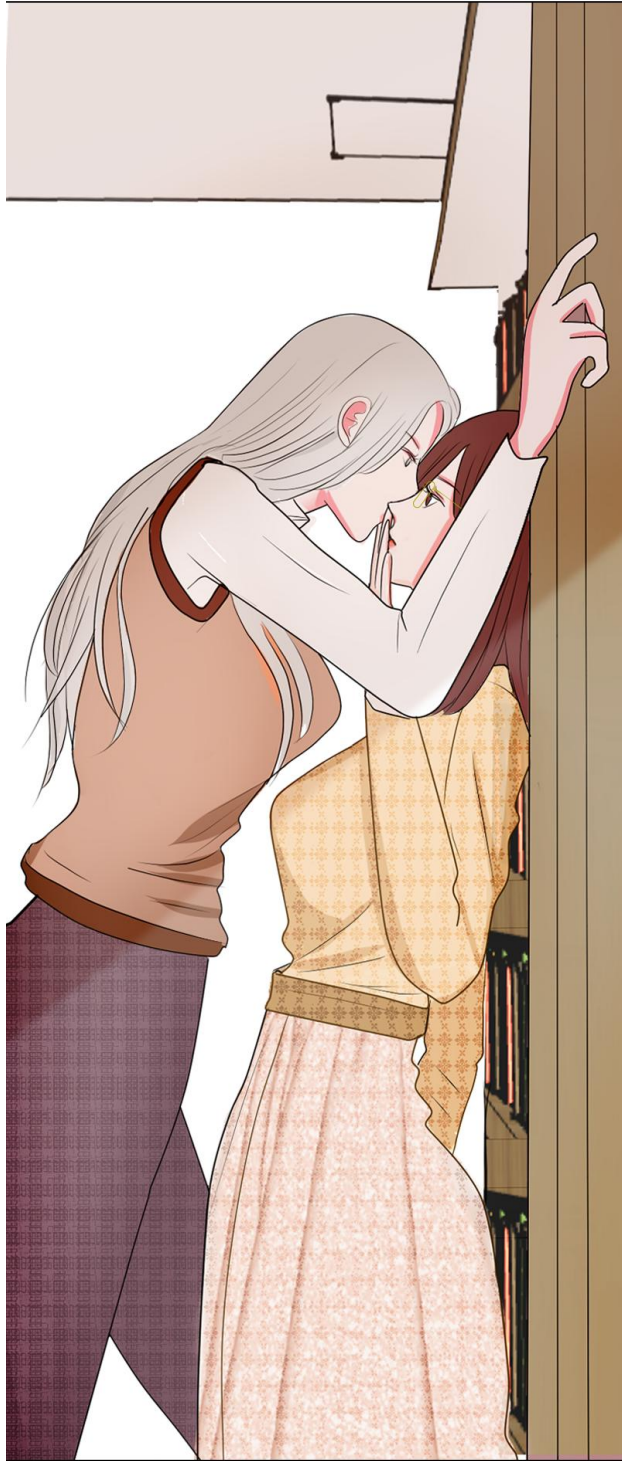

It's Kwang Jihyun

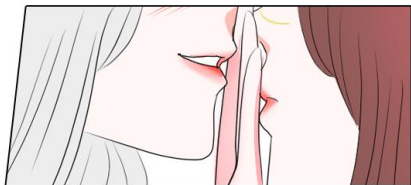

I will report this to the princip-

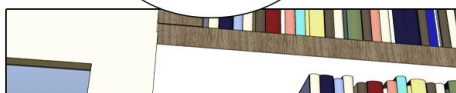

They all know I like women

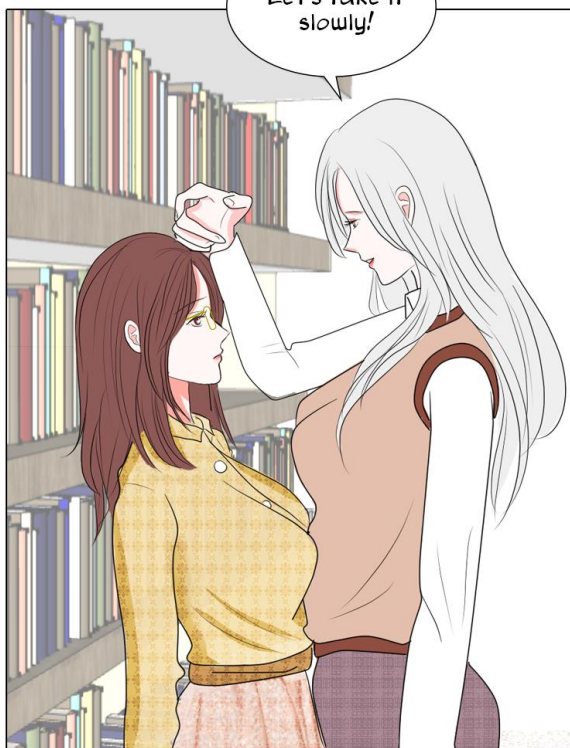

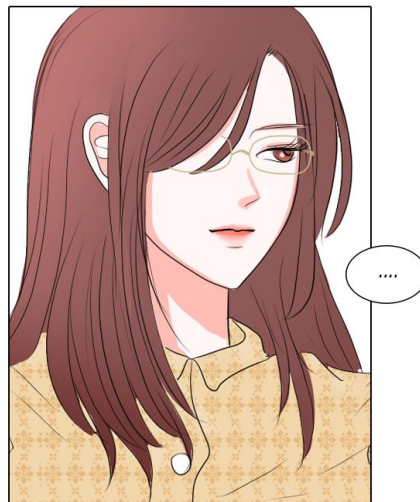

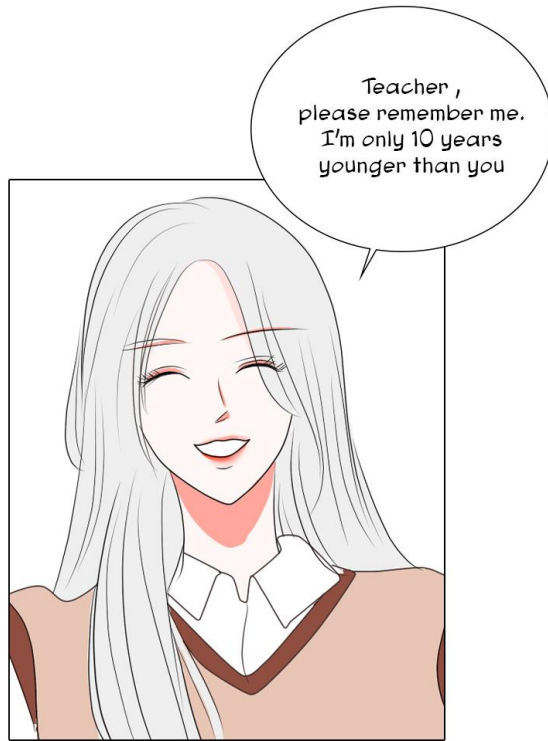

Alright

I understand.

Let's take it slowly!

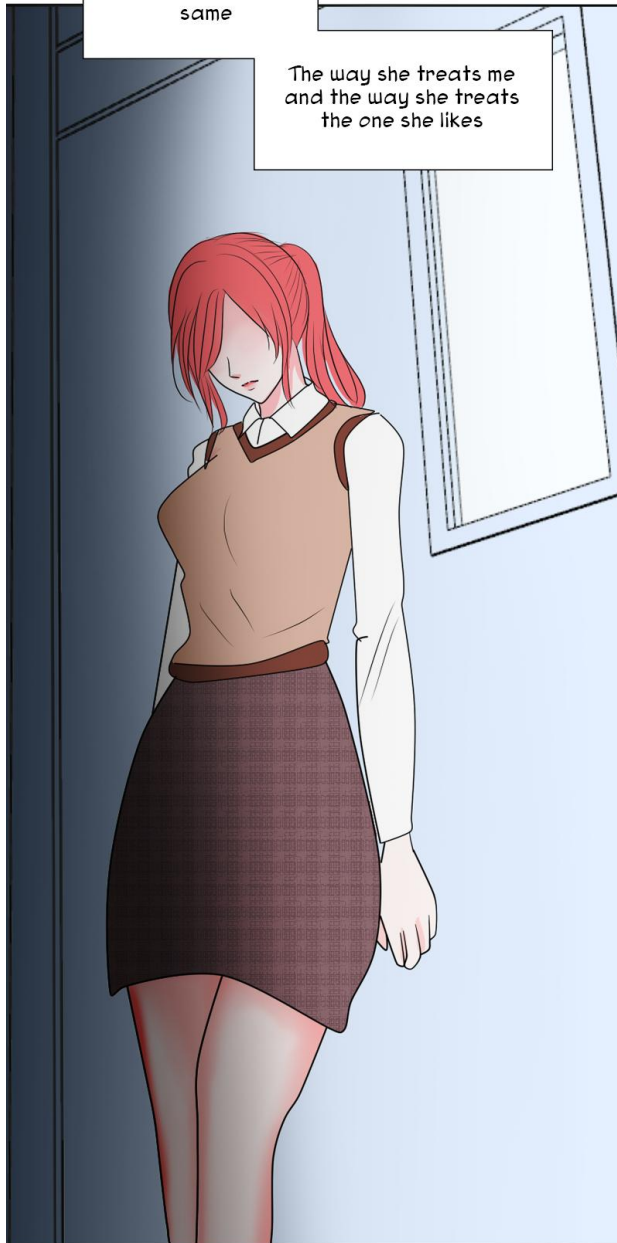

It's like waiting for an airplane  
at a train station

From the beginning,  
it's never been the  
same

The way she treats me  
and the way she treats  
the one she likes

You're so naive

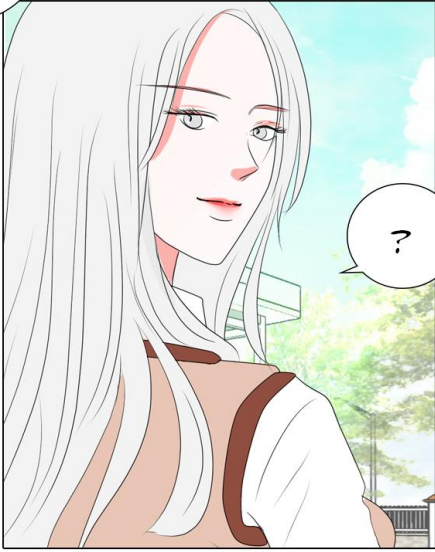

Even if I met you before her,

I'm still unable to make you  
look at me differently

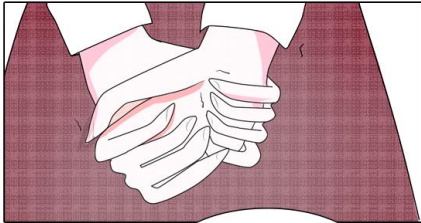

Unnie,

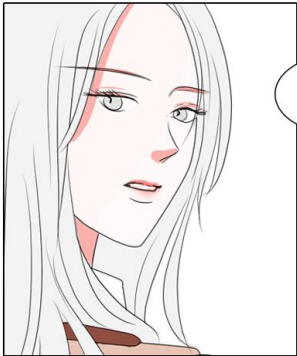

?

I...

I...  
I like..

....

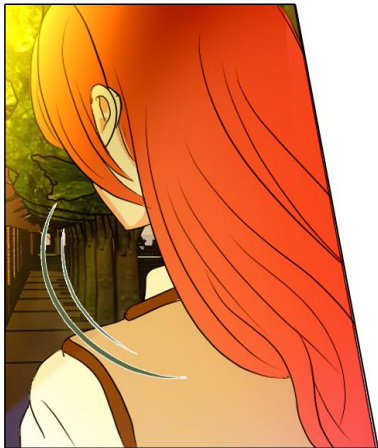

IF I said it out loud,  
you may not want to see me anymore

Jisoo,

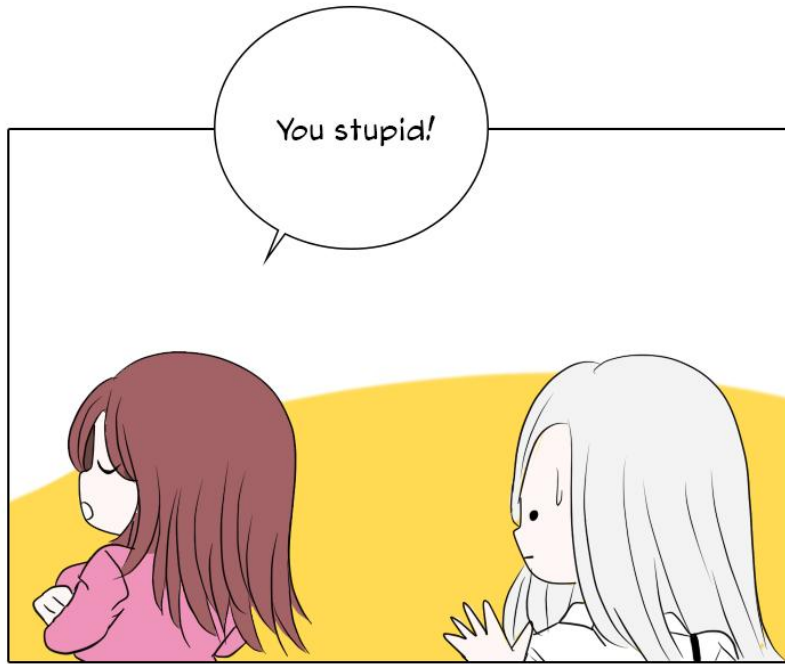

Let's go

You stupid!
