

MAIN STORY WALKTHROUGH V 0.26

This guide is useful for getting through the main story content quickly; try making new saves and experimenting with other choices for entertaining results!

INTRODUCTION

- Wake up and finish talking to the servo skull.

- Exit your apartment, then exit your apartment building.
- Go the Headquarters.
- Talk to the Imperial Guardsman to confirm your ID, and give these responses to his questions:
 - Your name is: Heidi Eltfmann
 - Your rank is: Acolyte

- You are here to: See Inquisitor Cordelia

- Go to the Inquisitors Office.

- Talk to the Inquisitor and begin the Interview. Each answer has a hidden score associated with it; a high enough score will allow you to continue the story. The answers with the best scores are:
 - Occupation: Prostitute
 - Xenos culture familiarity: Dark Eldar
 - Daemonette body part: Breasts
 - Chaos God fear: Slaanesh
 - What to do with heretics: Strip them naked

- After the sex scene, leave the building and return to your apartment, masturbate, and sleep.

Missing Daughter Quest Part 1 (The introduction of the case)

- Wake up and talk to the servo skull. You will automatically be sent to the Palace in the upper spire.

- Talk to the Inquisitor. She will take you to the throne room for a talk with the Governor. After you exit the throne room, you can start your investigation.

- Investigate the bedchamber. You will meet Lirieth in this room.

- After Lirieth is gone, click these options to acquire information on the case:
 - Talk to Thalia three times.
 - Look for clues three times.

Missing Daughter Quest Part 2 (The Undercity)

- See the Governor again after you finish looking for clues in the chamber. Talk to him to get the access key to the Undercity.

- After you get the access key, go to the Undercity from the main map screen.

- Go inside the bar and talk to the friendly Ork bartender Vugnog.
 - Talk to him the first time to introduce yourself to him.
 - Talk to him the second time and he will tell you more about the Undercity. You also ask him about Lirieth.
 - Talk to him the third time and he will tell you that Tyranids have come here and have been making a lot of children.
 - Talk to him the fourth time and he will tell you about where he came from.
 - Talk to him the fifth time to ask him if he knows any other news. He will say he has nothing for now.

- Go back to the main map screen and wait until evening if necessary. You can do this by clicking the time icon on the bottom left of the screen. Once it's evening, Return to the Undercity.

Missing Daughter Quest Part 3 (The Lirieth Dungeon)

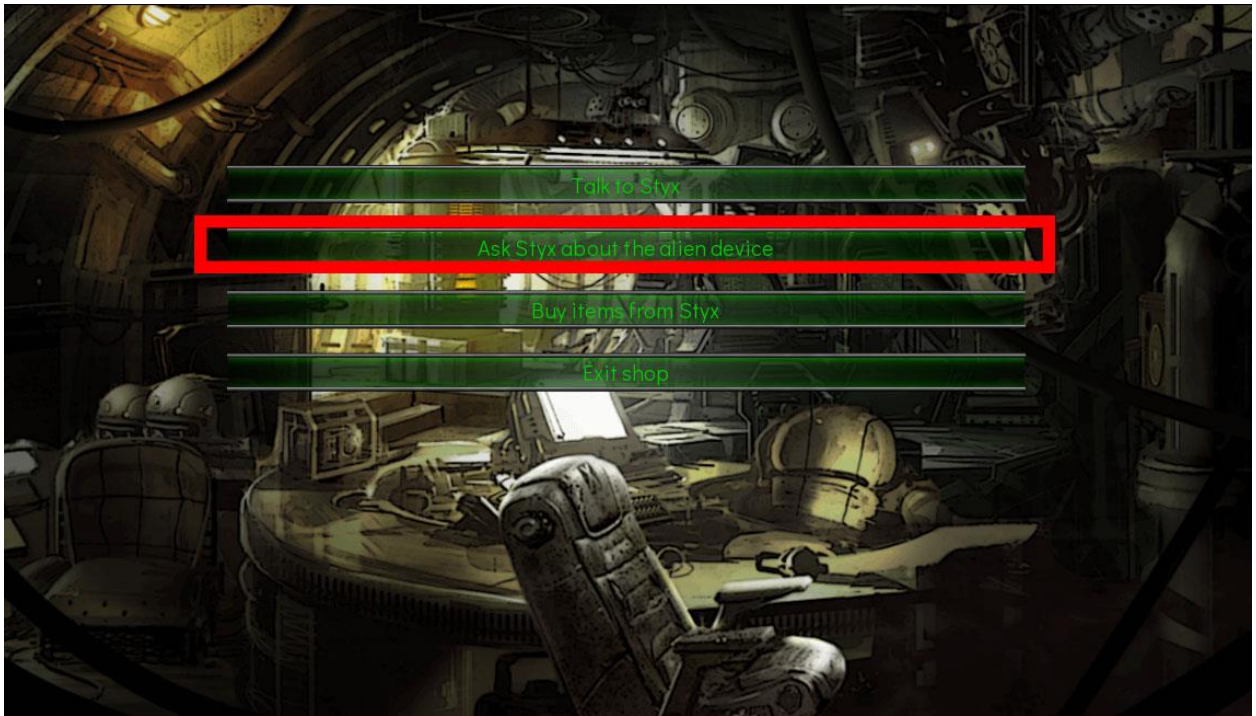

- Go to the alley in the Undercity at the evening and look around.

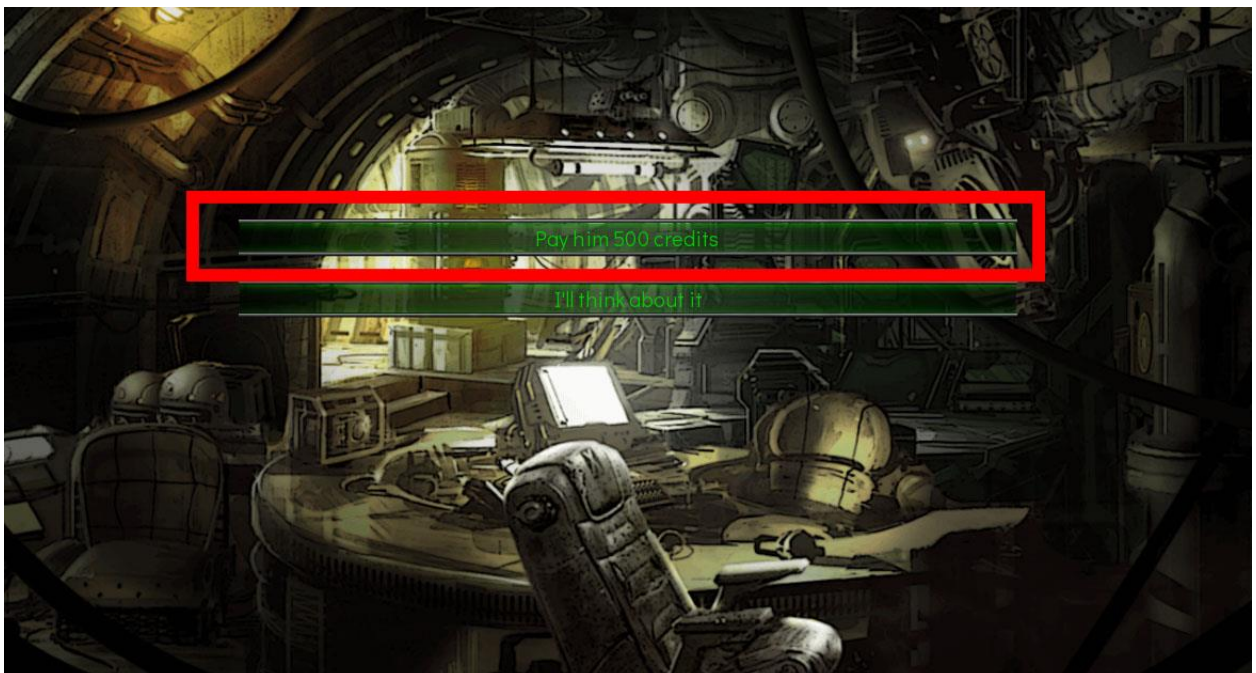

- Go to the bar and ask Vugnog about the Dark Alley behind the bar. He will tell you someone saw Lirieth had activated purple portal in Undercity.

- Go back to the alley. You will find some debris on the ground and a strange purple substance.
- Go to the shop in the Undercity and ask about the debris that you've found.

- Pay him 500 credits to fix the broken device that you found in dark alley. You can get credits by working at Vugnog's bar as a bartender or a stripper.

- Get the device from him and go back to the alley to activate the device.

- You will be teleported to Lirieth's dungeon. Ask her about the missing daughter and what she was doing in the chamber. She will then tell you that she doesn't know anything, but will give you a picture of the missing daughter.

Missing Daughter Quest Part 4 (Chasing the Creeper Cultist)

- Wake up and there will be another incoming transmission from Inquisitor Cordelia. She wants an update regarding the status of the investigation.

- You will directly go to see Inquisitor Cordelia to report your progress and see her Servitors. Tell her that you believe that the daughter was kidnapped by the Undercity gang or a Xenos cult. Cordelia will ask you to follow these leads.

- Go to the bar and ask Vugnog where to find the gang and the cults in Undercity. After paying 400 credits, Vugnog will give you a broken datapad. Bring it to Styx's shop to decrypt it.

- Purchase better weapons and armor from Styx for good measure, then and go to the alley and choose "Enter the maze alley to look for the secret location". You will meet the cult and fight them.

- Win the fight and they will run away.

- Ask the servo skull to detect where they might run. Follow the cultists into their hideout, and into their storage area.

Missing Daughter Quest Part 5 (Finding The Missing Daughter)

- Rescue the girls and go back to your apartment. Go to sleep.

- The next day, go to the palace and report that you have found the cultist hideout to the governor; in response, he will tell you to stop the investigation. Your servo skull will tell you there's something fishy about the governor and encourage you to continue the investigation. Go back to your apartment and go to sleep.

- In the morning, there will be an incoming message from the girl that you rescued. She will ask you to go to the church to get the key. Talk to the priest at church to get it. Go back to the Undercity and enter the cultist hideout again.

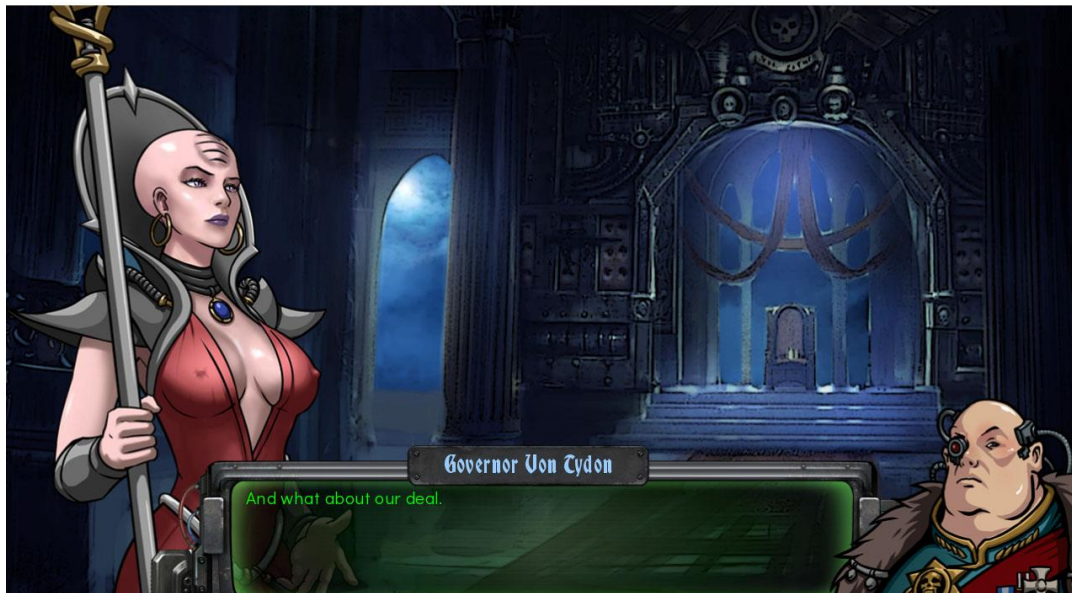

- You'll find the missing daughter

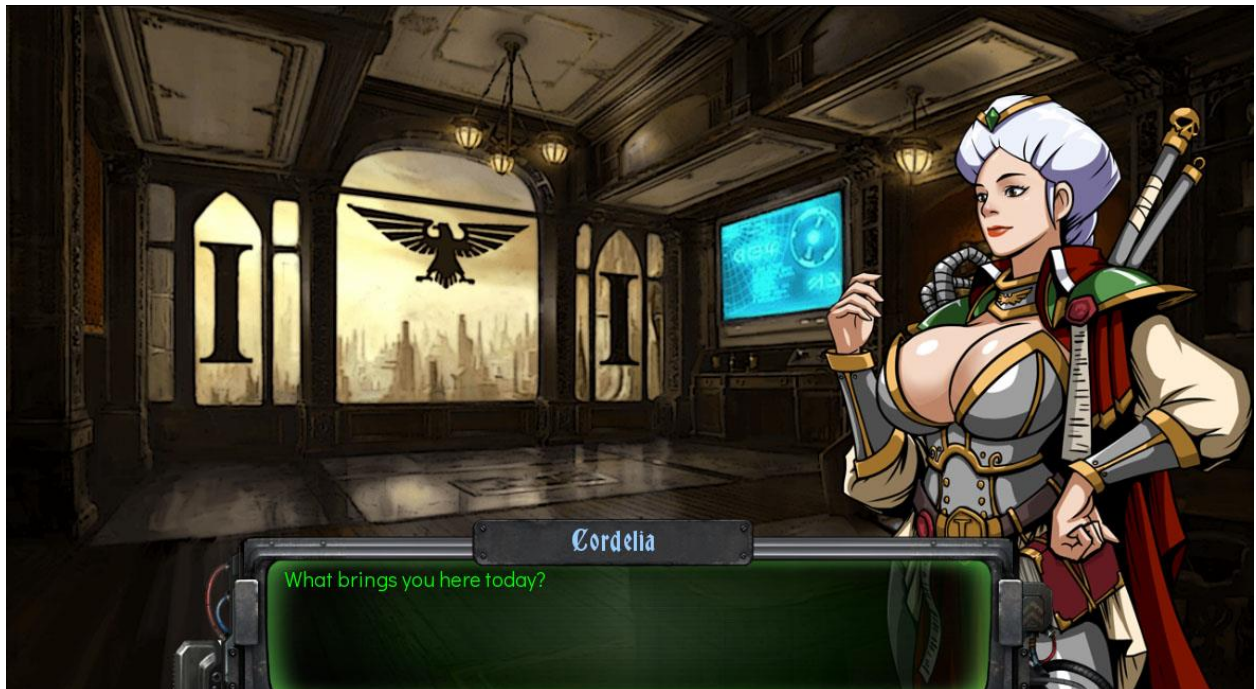

Missing Daughter Quest Part 6 (The Governor's Plot)

- At the palace, you'll notice some suspicious activity. After witnessing it, go to sleep.

- Wake up and go to the Inquisitor's Office. Report to her and choose the option **"They look different than human"** and suggest to Cordelia to rescue the daughter to get more information about the alien threat.

Note: Don't choose the option "They look like human". This triggers a game over.

- Go to the Governor's palace (You need enough perversion level to talk to him; by visiting the library, you can boost these skills.) to confront the governor. Choose "Seduce him" to escape from the situation without triggering a game over.
