

# 3d\_luxe

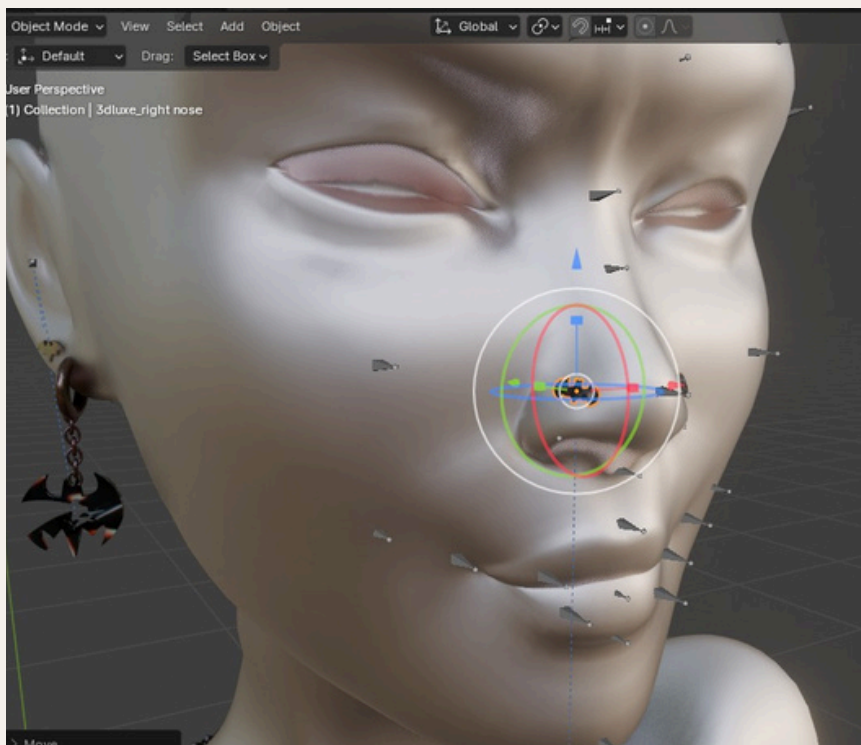

Apply the jewelry in blender easily

*-Anastasia (3d\_luxe)*

**simple guide**

# STEP 1

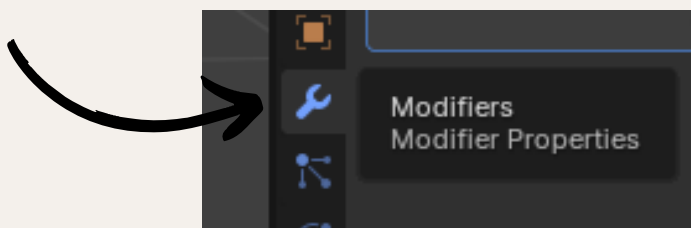

Choose the product, adjust it in the right place of your Sims. Like for example a nose ring for the position of the nose

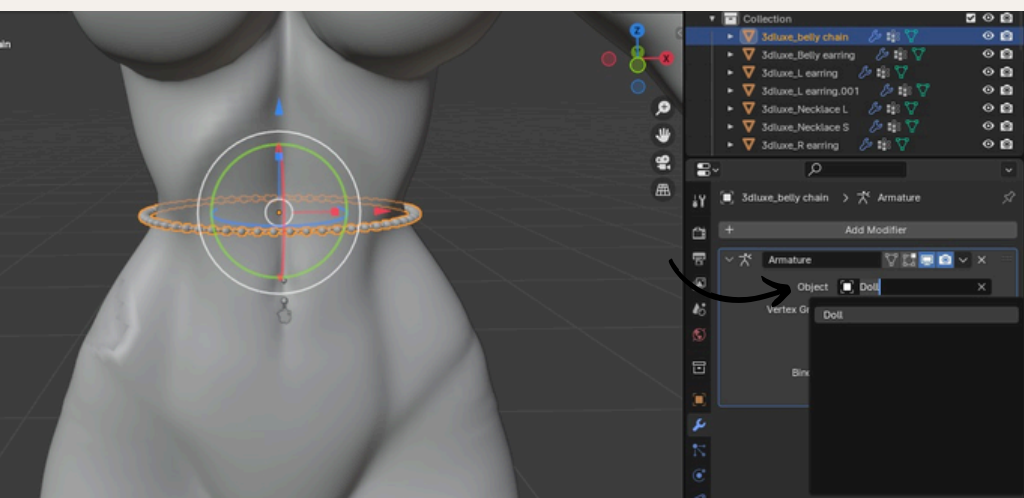

*-Anastasia (3d\_luxe)*

# STEP 2

Click here on Modifiers

Choose your rig here

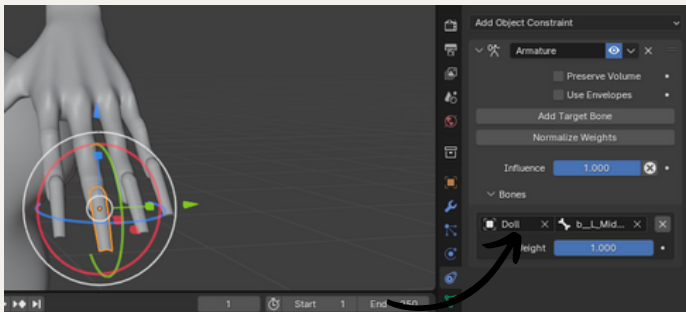

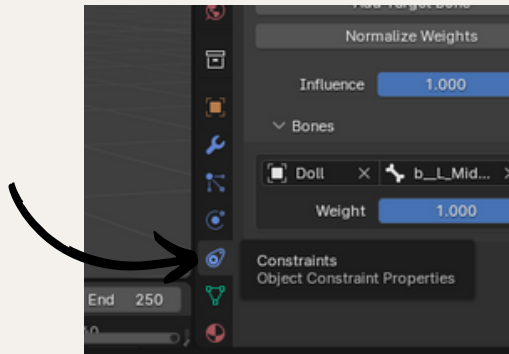

And that's all, check in pose mod that it works :)

*-Anastasia (3d\_luxe)*

# FOR NAILS

Click here on constraints

Choose the rig on each nail !

IF SOMETHING DIDN'T WORK AND YOU HAVE
