

Today Twilight asked me to meet her in the school library. Apparently she has something important to tell me about my grades at school... hmm, although her voice sounded a bit anxious. She's not planning something, is she?

She specified that it has to be at 6:00 pm. So I decide to wait for her in the library, while I grab a comic book that was near my desk to read it, it's a good way to kill time until I see Twilight.

Almost all the students of the school had gone home, only a few students stayed to continue doing their things, studying in their classrooms, or the athletes in physical education class.

Just in the best part of the comic, I hear the library door open... it's Twilight!!!

**You:** hey Twi, sup ☺

**Twilight:** oh... hey... ^^

*----awkward silence-Xd*

**You:** sooooo... you wanted to see me here, is something wrong?

Twilight looks at me with a determined expression... then she says:

**Twilight:** i'm so confused because of you! >\_<

**You:** excuse me?! O\_o

**Twilight:** Since I went to Camp Everfree and meeting Timber, I always thought that I liked that boy... but since you came to this school, I'm very confused about my feelings! >\_<

**You:** woah... hey, I don't understand what you're trying to tell me, do you want to be more specific?

**Twilight:** I don't know if I like Timber, or if I like you!

**You:** !!

**Twilight:** besides, I know about you and girls!

**You:** My whats?! ...

**Twilight:** Rarity won't stop talking about it. The other day we had an all-girls sleepover, and she was saying how happy she was about... well... you know... you and her at that picnic....

Damn!!! I knew Rarity wasn't to be trusted!

### **-in that sleepover...-**

**Rarity:** that's right girls ^^ . My Darling was very nice to me... the truth is that he felt really good, and finally I can say that I'm a woman thanks to him ^^.

**Rainbow Dash:** even so, was it necessary to record that video? e.e

**Rarity:** well, I wanted to remember that moment, so I recorded it for me teehee.. although I think I sent that video to you by mistake.. oopsie ^^

**Sunset:** yeah, by mistake... sure >\_>.

**Rarity:** oh come on Sunset, you should be happy too :D

**Twilight:** Sunset?!

**Sunset:** ahm... ehem... o\_o .. yeah well....

**Rarity:** and don't forget about Fluttershy ^^

**Fluttershy:** ahem... well... yes. I... I'm a woman too... thanks to him hehe ^^ . With me he was very gentle too... we did it at my work place... fortunately I was on my break time ^^'

**Rainbow Dash:** heh, good thing the next one will be me :D

**Pinkie:** and how do you know that! Next can be me ^^

**Rainbow Dash:** hmm... I don't think so e.e

### **-in library again xD...-**

**You:** yeah well... I don't know what to say right now! I...

**Twilight:** I don't judge you, in the end the girls said they really wanted to do it with you. And besides, they said you were really nice to them.

**You:** ahm... yeah... what an awkwardness x\_x ...

**Twilight:** the reason why I told you to come here, is because I want you to help me... to clarify my feelings!

**You:** and how can I help you?

At that moment, Twilight jumps on me and hugs me, then kisses me on the lips!!!!!! WOAH!!!

**You:** hmmm?????!!!!!!

**Twilight:** come with me...

Twilight takes my hand and leads me to the back of the library... then again she starts kissing me as she slowly moves her hand down and touches my crotch!!!!!!

**You:** hey easy Twilight, what are you doing!

**Twilight:** this is the proof I need... please... do it with me now!

**You:** WHAT?!!!!

Twilight notices that I have a... well... erection!!!!

**Twilight:** oh... so this is it. That's what you put inside Rarity, Fluttershy and Sunset to give them pleasure? Interesting...

*\*she touches it with her hand...\**

**Twilight:** it's very big and hard... it means it's a reaction of your excitement, right?

**You:** I... I'm not going to answer that! Dx

Twilight starts to unzip my pants, and with her hand she pulls out my... you know... e.e

**Twilight:** I see... you're in the pre-cum phase... it's your natural lubricator, to make penetration easier....

Bad time for biology class Twilight!!!! With her other hand, she starts touching her crotch, and I notice that under her skirt drops start falling to the floor... OOOOOOOHHHHHH!!!!

**Twilight:** me too... this is my reaction of excitement... now I understand.

**You:** understand? What are you talking about...

**Twilight:** some nights I've dreamt about you and Timber. When I dream about Timber it seems all very normal... but when I dream about you... at dawn, my underwear is wet... it means that every time I dream about you, my body reacts...

Twilight turns around and lifts her butt... O\_\_\_\_\_o'!

**Twilight:** we're both ready, our bodies are asking for it! Please, I can't take it much longer, put it inside me....

It doesn't take long, but I finally decide to do what my body is asking for.....

**Twilight:** AAHHH!!! *\*moan\**

I slowly insert my South African jungle python inside Twilight... the sensation again runs through my whole body! This isn't the first or second time I've done this... it's the fourth! And this time it's Twilight! One of the prettiest girls in school!

I start to wiggle as Twilight looks at me with an innocent smile....

*\*smack\* \*smack\* \*smack\**

**Twilight:** aahh... ahh... yeah... it feels so good... the girls were right....

I know this is a really bad time to think these things, but I wonder what things girls say about me at those sleepovers... hmmm....

**Twilight:** this confirms it... I am in love with you... aaah... I would never let Timber do these things... you... you have made me into a woman.. you are my first time and I am so happy... aaah... ahh,,, *\*moan\**.

Twilight's butt is so soft that I can't stop touching it!!! I can never get tired of this, it really feels amazing! However... right in the middle of the action me and Twilight, we both hear the library door open..!!!!

**Student #1:** boring!!! Seriously after a fun P.E. class, we have a theory test in here?

**Student #2:** This is necessary... I guess. Let's get this over with so we can get back to playing soccer!

No way! Just at the best moment when I'm having sex with Twilight, these idiots show up to ruin it! Dx ...

**Twilight:** no no no no! I made sure no one came here now!

**You:** An exam? Here?!

Just when we were panicking, I make a deeper move, making Twilight moan loudly!!!!

*\*smack\*!!!*

**Twilight:** aaah!!! *\*moan\**

...

**Student #1:** hmm? What was that? :O ..

**Student #2:** a scream? A ghost?!!! DX

**Student #1:** come on, really? It must be some mouse... I'll go investigate....

Twilight and I heard the footsteps coming closer and closer to us!!!

**You:** sorry Twilight! We'll have to take a rain check!

**Twilight:** What? No! Wait!

I quickly pull out my... you know, and even with an erection I try to zipper up my pants. Twilight on the other hand fixes her clothes and pretends nothing happened.

**Student #1:** oh... Twilight and the guy no one is talking about... what are you guys doing here?

**You:** well... you see... I need to improve my grades... so Twilight helps me to study hehe

**Student #1:** and that scream... was that you Twilight? :O

**Twilight:** ahm... yeah, sorry. It's just that I hit myself with a book that's all hehe ^^

**Student #1:** hmm I see... suspicious hehe. Anyone in any other situation would suspect you guys were having sex hahahahaha!!!!

**You:** hahahaha!!! XD ..

**Twilight:** ha- ha... ㄟ\_ㄟ'

**Student #1:** anyway, see you later. I have to take a theory exam here... Dx.  
Bye.

...

...

I look at Twilight but she seems to be very angry Dx ... hey, it's not my fault!

**Twilight:** you and I aren't done here. This is just an interruption... tonight I'll go to your house and we'll finish there what we started here. Goodbye  
~\_~'

**You:** ahm... sure :S .

**Twilight:** he was about to cum, and that guy interrupted us! Dx..  
nooooooooooooooooooooo!!!!
