

New personality 2

18+ Skinsuit themed comic

Chapter called
Weekend at home

Author: Mavluck
Proofread: Kevin

A woman with short, light-colored hair is standing in a room. She is wearing a black lace bodysuit with a floral pattern. The room features a green tufted sofa, a closet with clothes, and a sink area. A speech bubble is next to her.

Ohh!

Such a lovely body!

A woman with short, dark hair is standing in a dressing room. She is wearing a black, lace-trimmed bodysuit with a large cutout on the chest. She has her right hand on her hip and her left hand near her neck. The room features a green tufted bench, a wooden wardrobe with clothes, and a window with blinds. A speech bubble is positioned to her left.

*I don't want to count the time
I have spent in this suit.*

Because...

A scene from a video game showing two identical-looking women with short grey hair and dark eye makeup. They are both wearing black lace bodysuits with a mesh-like texture. They are in a well-lit closet with white shelves and drawers. One woman is leaning towards the other, and they appear to be in a intimate or sensual interaction. A speech bubble is positioned between them, containing text.

*...with every second
in this skinsuit,
I have been
granted pleasure.*

*It brings out my
deepest desires...*

I've spent a lot of time in that skin

I will definitely return to this life...

...to the life of a sexy bombshell woman.

Now it's time
to try something new.

And finally
I'm ready for it!

For the first time
in a long time,
I feel like my skin is tearing

Ouch!

I'm already so used
to the suit
that I already feel
that it is like my skin

A woman with short dark hair, wearing a black lace dress, stands in a modern, well-lit closet. She is holding a large, crumpled grey fabric bundle. The closet features a green tufted bench, a large framed abstract artwork, and various clothing items on shelves and racks. A speech bubble is overlaid on the image.

But it's good that the unpleasant feeling changes to the feeling of just a suit on your body.

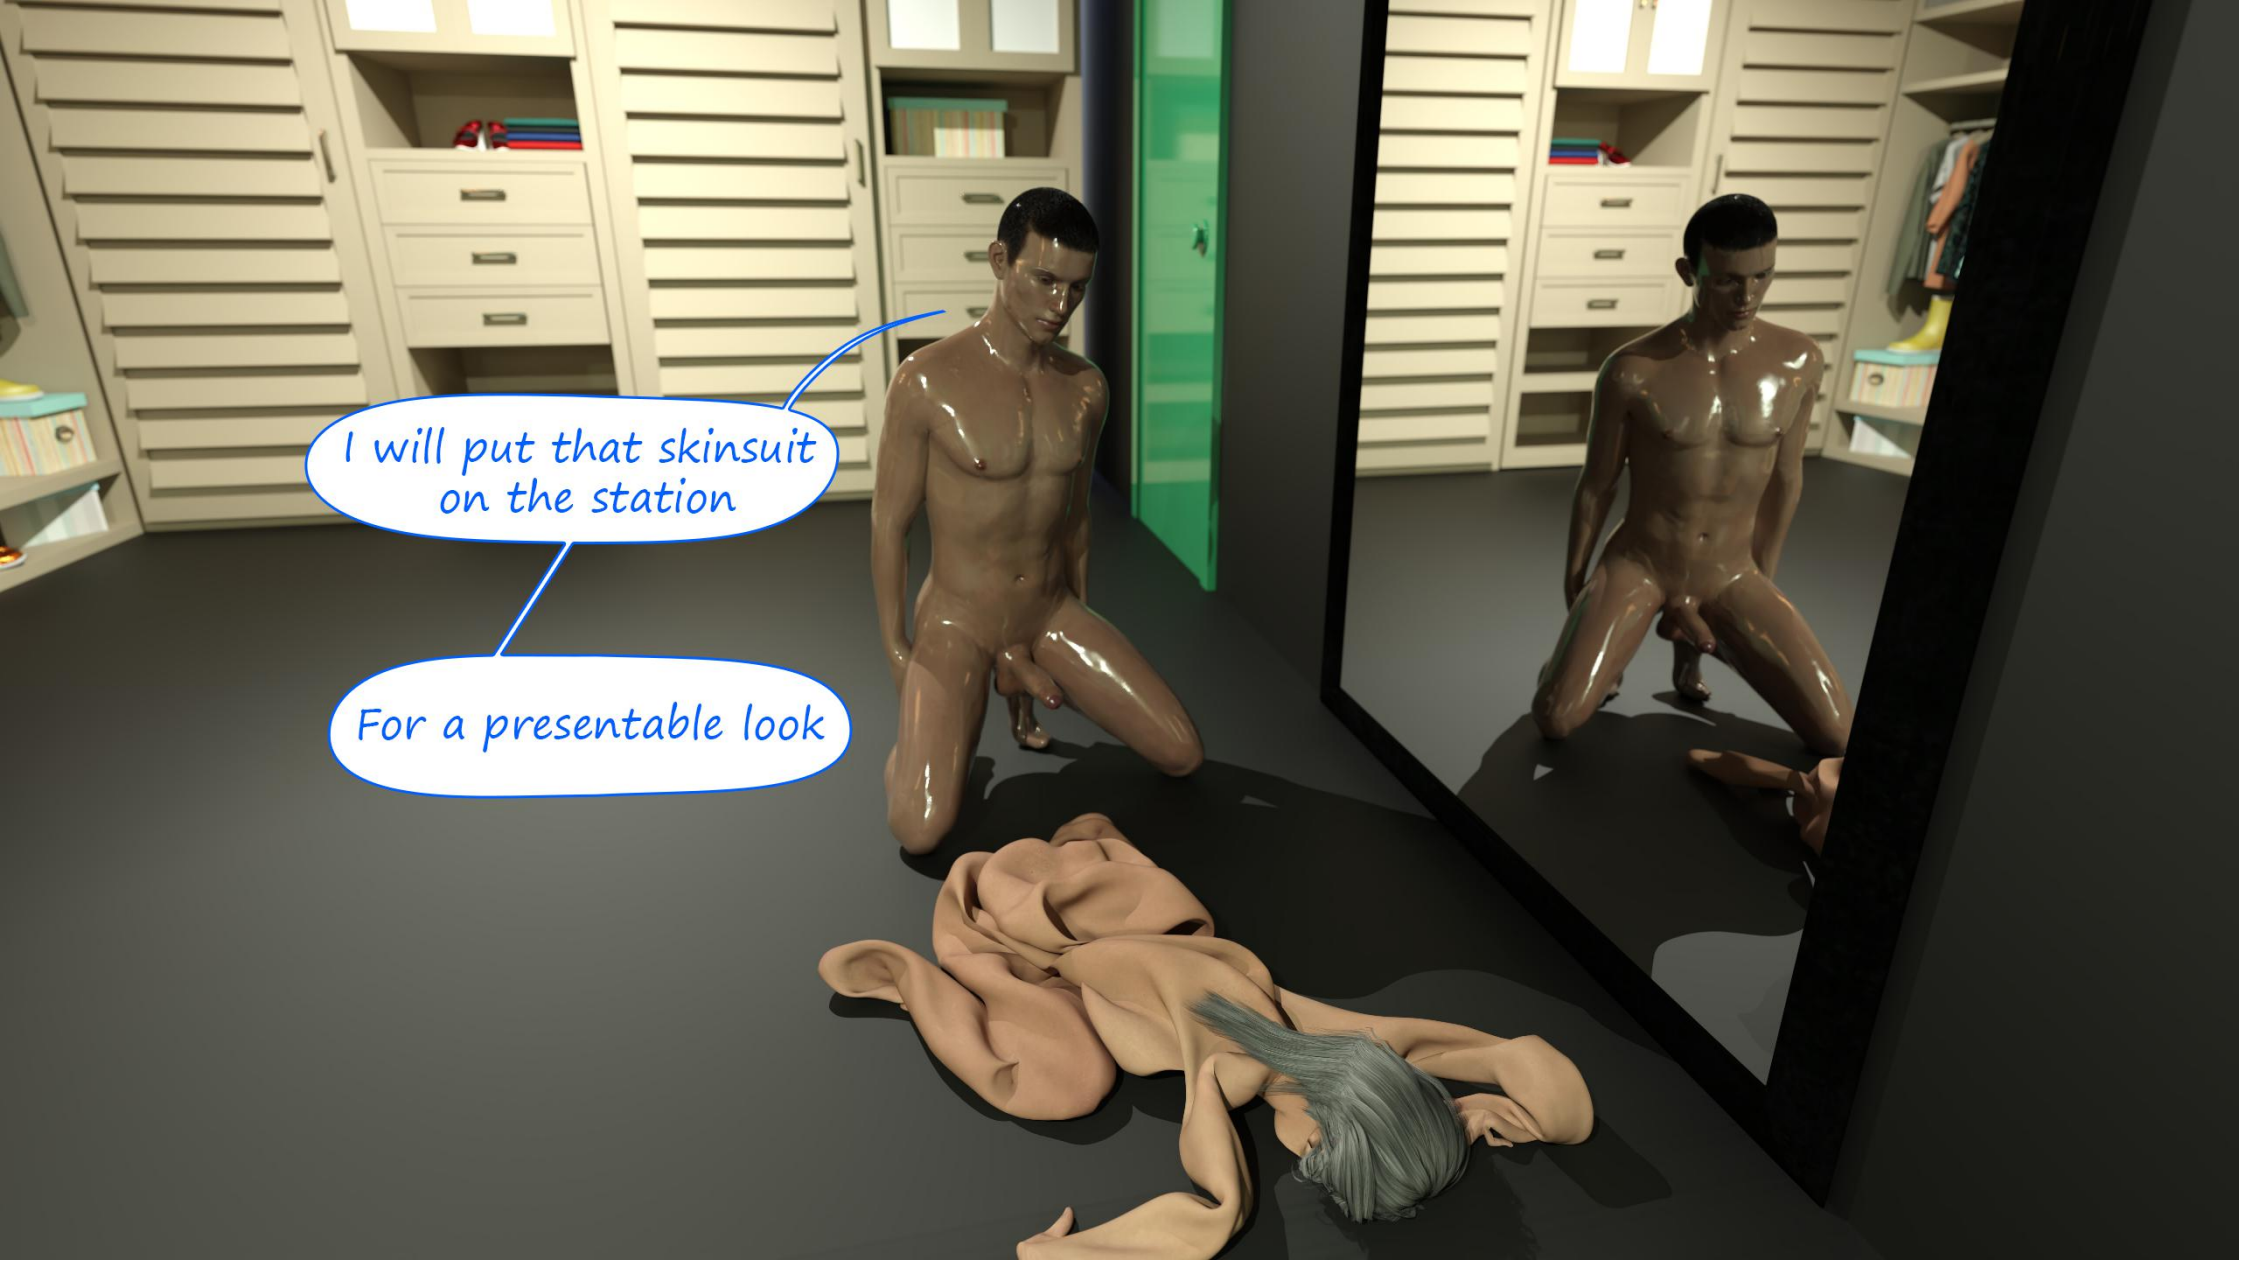

Damn, I got so sticky

Probably before the next suit
I'll stay a little by myself,
take a shower...

I will put that skinsuit
on the station

For a presentable look

Oh yeah!

I feel that
I will like it no less

I wonder how long the suit will be in shape after the station

Well, scientifically

This station is such cool thing, I must admit.

Fuck, I can't resist...

But nothing stops me from trying it.

Damn, how real!

The pussy is tight,
which means the pussy
also keeps its shape.

I do not think that the creator of this station did not foresee such a scenario of use

He is a genius!

For too long I have not
had a male orgasm,
I remembering how pleasant it is,
but how it passes quickly

Ohhh!

But maybe it depends on the skin...

It will be necessary to conduct such a big experiment somehow.

Hehe!

A 3D rendered male bodybuilder with a highly muscular physique, shown in a living room setting. He is standing in the center of the frame, facing slightly to the left. The room features a white armchair to the left, a large television on a stand to the right, and a wooden floor. A speech bubble is positioned to the left of the bodybuilder, containing the text "What a sweet ass is standing by the stove!".

*What a sweet ass
is standing by the stove!*

A woman with dark hair, wearing a black bikini, is leaning over a kitchen counter, cooking a sandwich in a frying pan. In the background, a highly muscular, metallic robot stands in a modern living room, gesturing towards the woman. The scene is set in a bright, contemporary home with wooden floors and modern decor.

*I'm making us
some sandwiches
to have a snack...*

...and the coffee is reaaaddyy!

Hey!

Now I'm going to take a quick shower,
after that I need to put on a skinsuit,
I don't want it to lie for a long time.
Then I'll come to you sweetheart.

Finally, you wanted
to change the skin,
what did you choose?

You will see

Ahh!

You got a little...
ohhh... distracted...
you wanted... ahh... to
go to the shower...
ahh...

*I will be
back soon!*

*Take your time,
maybe I'll change
the skinsuit too.*

A woman with short, dark hair is standing in a modern kitchen. She is wearing a dark, shiny, form-fitting outfit that appears to be a jumpsuit or a bodysuit. She is looking towards the camera with a slight smile. The kitchen has white cabinets, a black range hood, and a wooden floor. There is a white dining table and chairs in the background. A thought bubble is visible on the left side of the image.

*I'll see what he chose first,
I hope he didn't choose
a skinsuit that
I need for work*

*Damn, I told him that
I will need this suit clean soon,
what an asshole!*

A 3D rendered female character with short brown hair, nude, standing in a locker room. She has her right hand on her head and her left hand on her hip. In the background, another person is lying on the floor, and a green locker is visible on the right. A speech bubble is positioned to the left of the character.

*If this suit needs to be cleaned,
then there is no reason that
I can't make it more dirty.*

Let the fun begin!

Come on,
quicker...

I've only been wearing this suit for a couple of days. But it has already become difficult to remove it, damn!

*Sperm, although synthetic,
but it cannot be
distinguished from real*

*So my dear,
I will give you
a new experience*

*Without any doubt,
I have more semen
in these balls*

A woman with short, dark hair, wearing a black, shiny, form-fitting, two-piece outfit, stands in a room. She is looking towards the left. A speech bubble is positioned to her left, containing text. In the background, there is a large wardrobe with white doors and drawers. A woman is lying face down on the floor in the foreground. A green circular object is visible on the left side of the frame.

Well, let him wear my skinsuit,
I swear he will try to
wear 2 layers of suits

I don't have to get used
to the layers of suits.
For him this is the first time.
He will appreciate
how does it feel.

He hasn't come out yet,
that's good. He won't find
my big surprise penis before.
I hope.

A woman with short dark hair, wearing a grey, form-fitting, backless bodysuit, stands in a modern kitchen. She has her left hand on her hip and is looking towards the camera. In the background, a man in a white bodysuit stands in a hallway. The kitchen features a white countertop with a frying pan containing a slice of toast, a sink, and a coffee maker. A dining table with four white chairs is visible in the background. A thought bubble with a pink border contains the text "And here he is." in pink cursive.

And here he is.

The sandwiches
will get cold, hurry up!
Otherwise I will have to
warm it up again!

Okay, I will try
to wear my
skinsuit faster!

*Do not worry. I'm sure
you won't be in time,
because my surprise
awaits you.*

*You will immediately
find him on the sofa in
the wardrobe room.*

A woman with short dark hair, wearing a black latex halter top and shorts, stands in a modern living room. She has her arms crossed and is looking towards the camera. A thought bubble is positioned to her left, containing text. The room features light wood flooring, white furniture, and large windows with sheer curtains. A kitchen counter with a plate of food is visible in the foreground.

*Apparently he did
not see my penis,
it will be a good
another surprise.*

*She want to
have sex with twin?*

What a perverted idea.

*I don't mind...
But first I'll wear
her skinsuit.*

I'm interested
in her skinsuit

More precisely, what are the sensations in it?

A man with short dark hair is standing in a well-lit closet, wearing a transparent, form-fitting bodysuit. He is looking down at his chest with a slight smile. To his left is a green tufted bench. In the background, there are shelves with various items and a closet door with horizontal slats. On the floor to the right, a woman is lying face down, and another woman is lying on her back nearby. A speech bubble is positioned above the man's chest.

They're not as big as in the previous skinsuit, but I still love the feel of the boobs as hell.

*Half woman, half man,
strange feeling. But I find
it interesting for fun.*

Hey, now it is my sweet ass too!

Fuck, was I always so lewd or have I become this way recently?

OHhh!

Damn, my mind is in like a fog.

I see no reason to resist the desire to enjoy myself a little!

A 3D rendered scene in a bedroom. A woman with short, dark hair is leaning over a man who is lying on his back. She is looking at his back with a slightly distressed or apologetic expression. A speech bubble is positioned above her head, containing text. The room features a closet with clothes, a green door, and a window with blinds.

*What a mess I've made.
I need to clean.*

Hmm...
Fortunately, I got an idea
how to do it right now.

Mhmmhmmhm!

Everything is clean,
now I can
put on the suit.

Although before,
nothing prevented
me from doing it.

What a dirty
bitch would I be.

Just a little more

A 3D rendered woman with short blonde hair is standing in a futuristic wardrobe. She is nude. The wardrobe features a green tufted bench, a white shelving unit with drawers, and a hanging rack with various colorful clothes. Two speech bubbles with purple outlines and text are positioned around her. The first speech bubble is on the left, and the second is on the right, containing two lines of text.

*Wearing another layer
of suit is useful, I think.
All time you have
reserve skin underneath.*

*Moreover, I feel this
second layer like the first*

*That means stop at
2 layers is just silly*

But now it's hard
for me to decide
which breast size
I like more.

After 3 different
skinsuit of girls,
I'm only ready to say
that I like everything.

I love my life!

A woman with blonde hair tied back, wearing heavy eye makeup, stands in a well-lit closet. She is nude, with her arms raised behind her head. The closet contains various items: clothes on hangers, a green tufted bench, and storage bins. Two speech bubbles are overlaid on the image, containing text.

We have a whole wardrobe with massive amounts of clothes. Surely I can choose their something to my taste.

I'll throw something over myself. I will not go to her naked. It's trite somehow.

What to wear?

A 3D rendered female character with blonde hair, wearing a blue bra, stands in a room with dark walls and a grey carpet. She has a speech bubble above her head. The room contains a large green door on the left, a smaller green door in the background, and white louvered closet doors on the right. A round green table with a black object on it is in the foreground.

let's try this

Looks sexy.
That's what I want.

A woman with blonde hair in a bun, wearing a red one-piece swimsuit, stands in a well-lit, modern closet. She has her hands on her hips and is looking directly at the camera. The closet features light-colored wood cabinetry, shelves with various items, and a green tufted bench behind her. A purple speech bubble is positioned to her left, containing text.

*I hit the bull's-eye
on the first try.
She will like this outfit,
I'm sure.*

*I can't see my skin on you.
Did you put it on at all?*

*I'm wearing your skin
underneath this luscious body.*

*I thought you liked
bigger tits because
of your lesbian
preferences.*

*Are you not
attracted
to this body?!*

A 3D rendered woman with short brown hair, wearing a black, shiny, form-fitting dress, is sitting in a white armchair. She is looking down and to the right, with her right hand near her face. A large, realistic-looking dildo is inserted into her vagina. The scene is set in a room with a white wall, a light switch, a floor lamp, and a white armchair. A speech bubble points to her.

*You have no idea
how I like it now!*

*Don't you notice
a change in me?*

I assume you've changed your skin and ... wait... what's that between your legs?

Is this what I think about?

*Come closer and
dispel your doubts*

Futanari with a big dick, woah!

This is the first time I see this close up and already want to try this juicy cock!

Yes, it will help.

Will this look help
you get your
penis erection?

I feel your cock
getting harder
and bigger.

I'm making
you horny...
Mhmm...

*And your cock has
made me so horny...*

*Let's go to a more
secluded place.*

I will lead you to the room I have prepared for us.

For us?

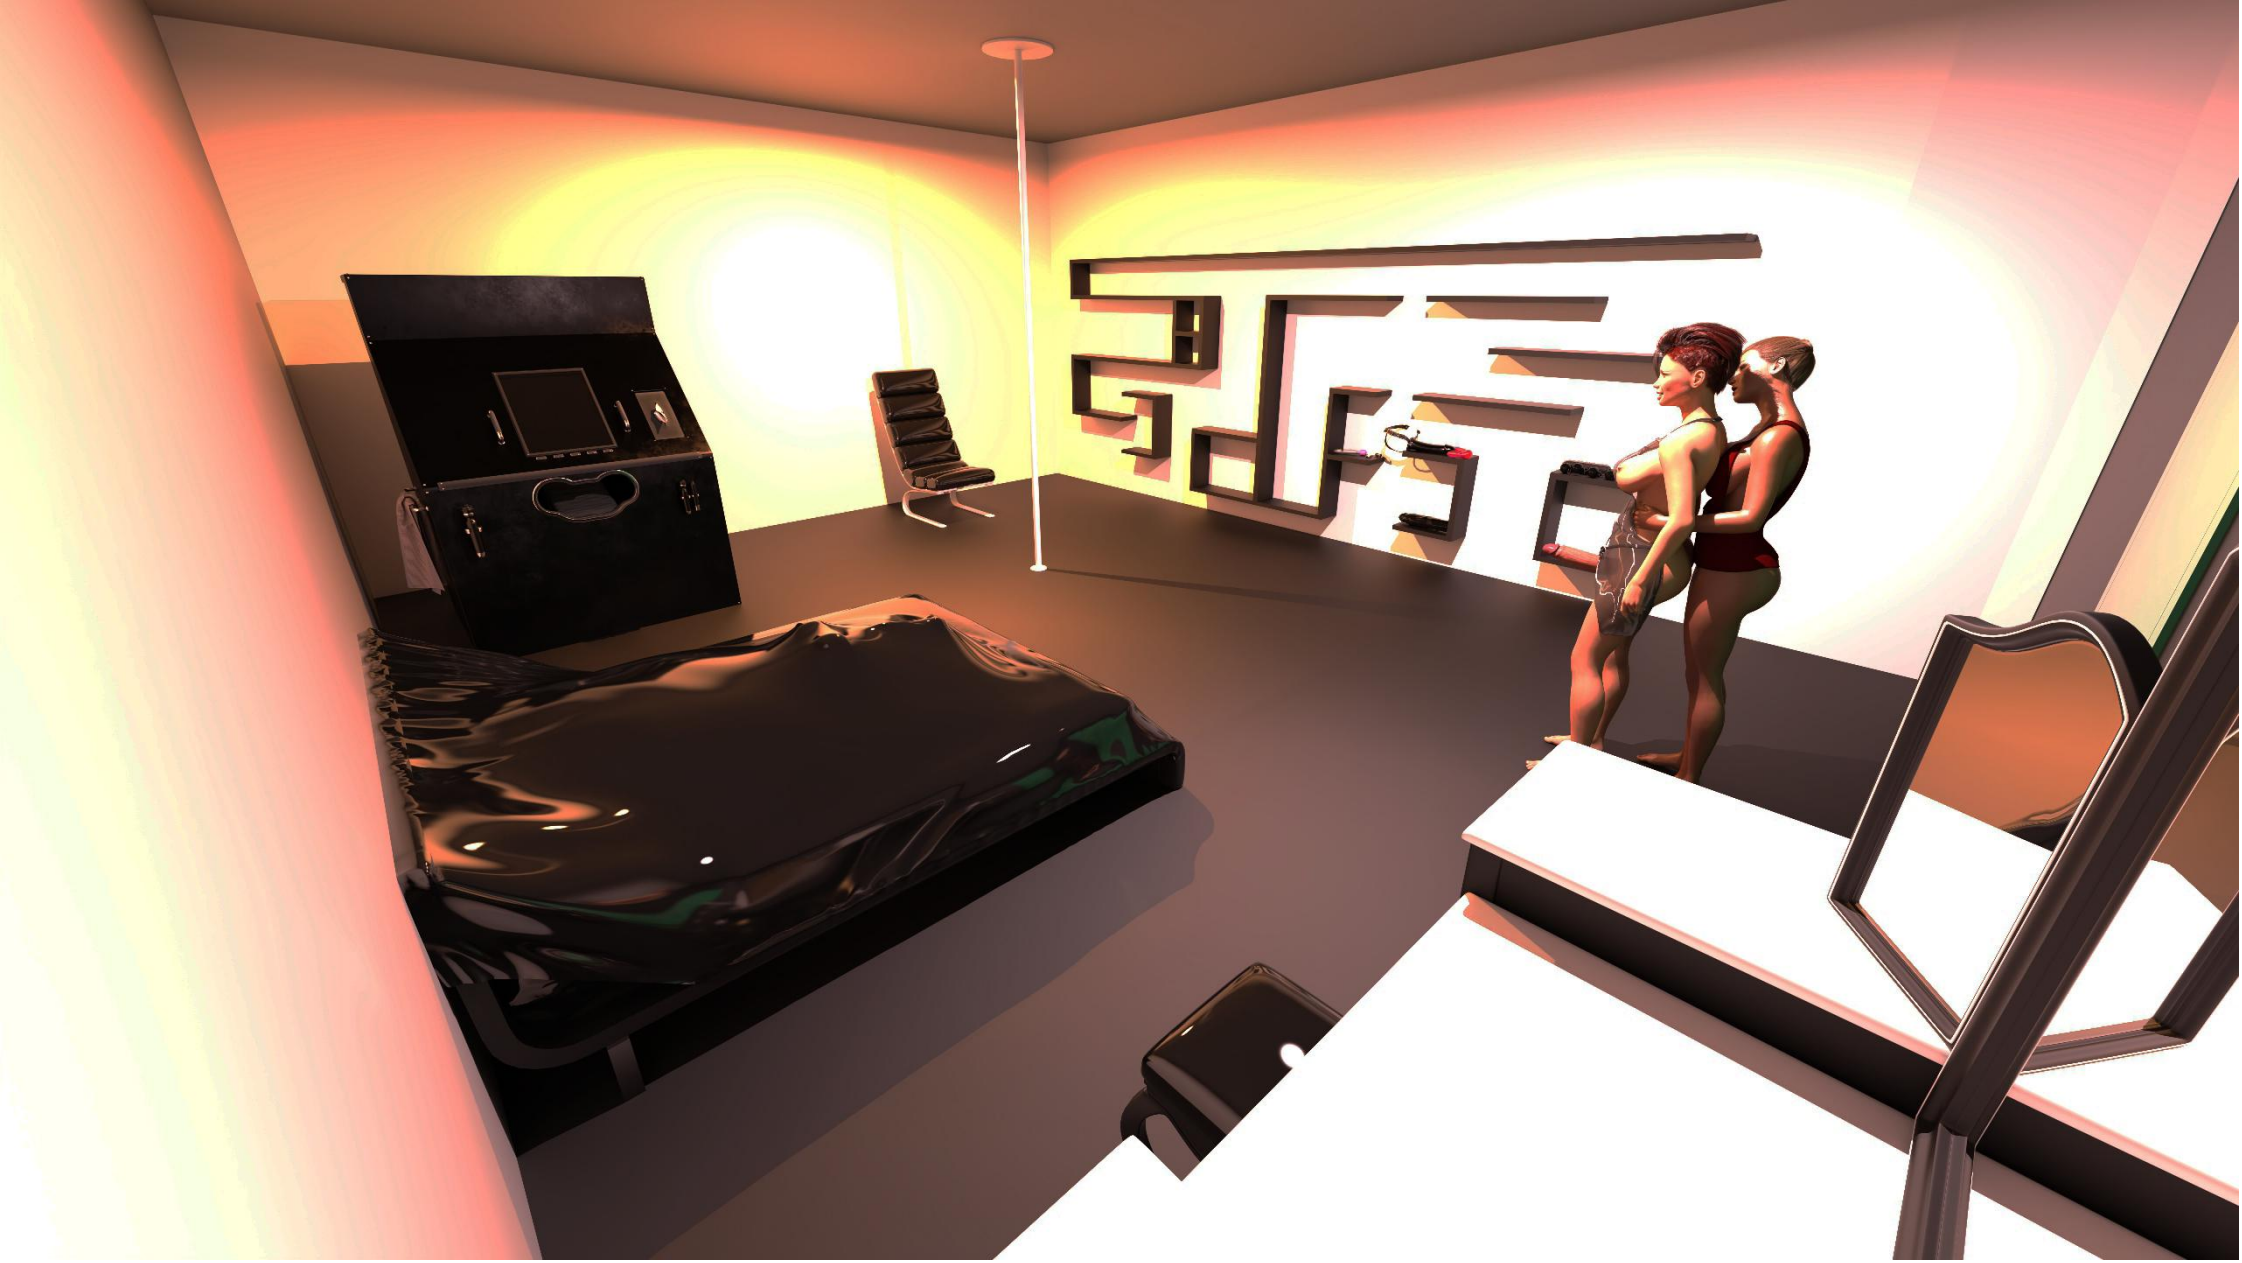

Yeap, I want you to appreciate it.

So what
do you say?

I don't mean to offend you,
but the room doesn't
look very good...

It looks unfinished

I know, I wanted to ask you to help me with this. But we both disappear at work. We very rarely see each other and when we see each other we have no time to discuss how to equip some kind of room.

Lately I've been thinking about how we can be together more time.

And I have a few thoughts on how we can do this.

I promise you that in the near future we can be in the vicinity all day long.

But now let's have sex with passion

Do you have
any cool sexy
outfits in mind?

Well, there are
a few in mind.
I will bring them.

Mhhh...

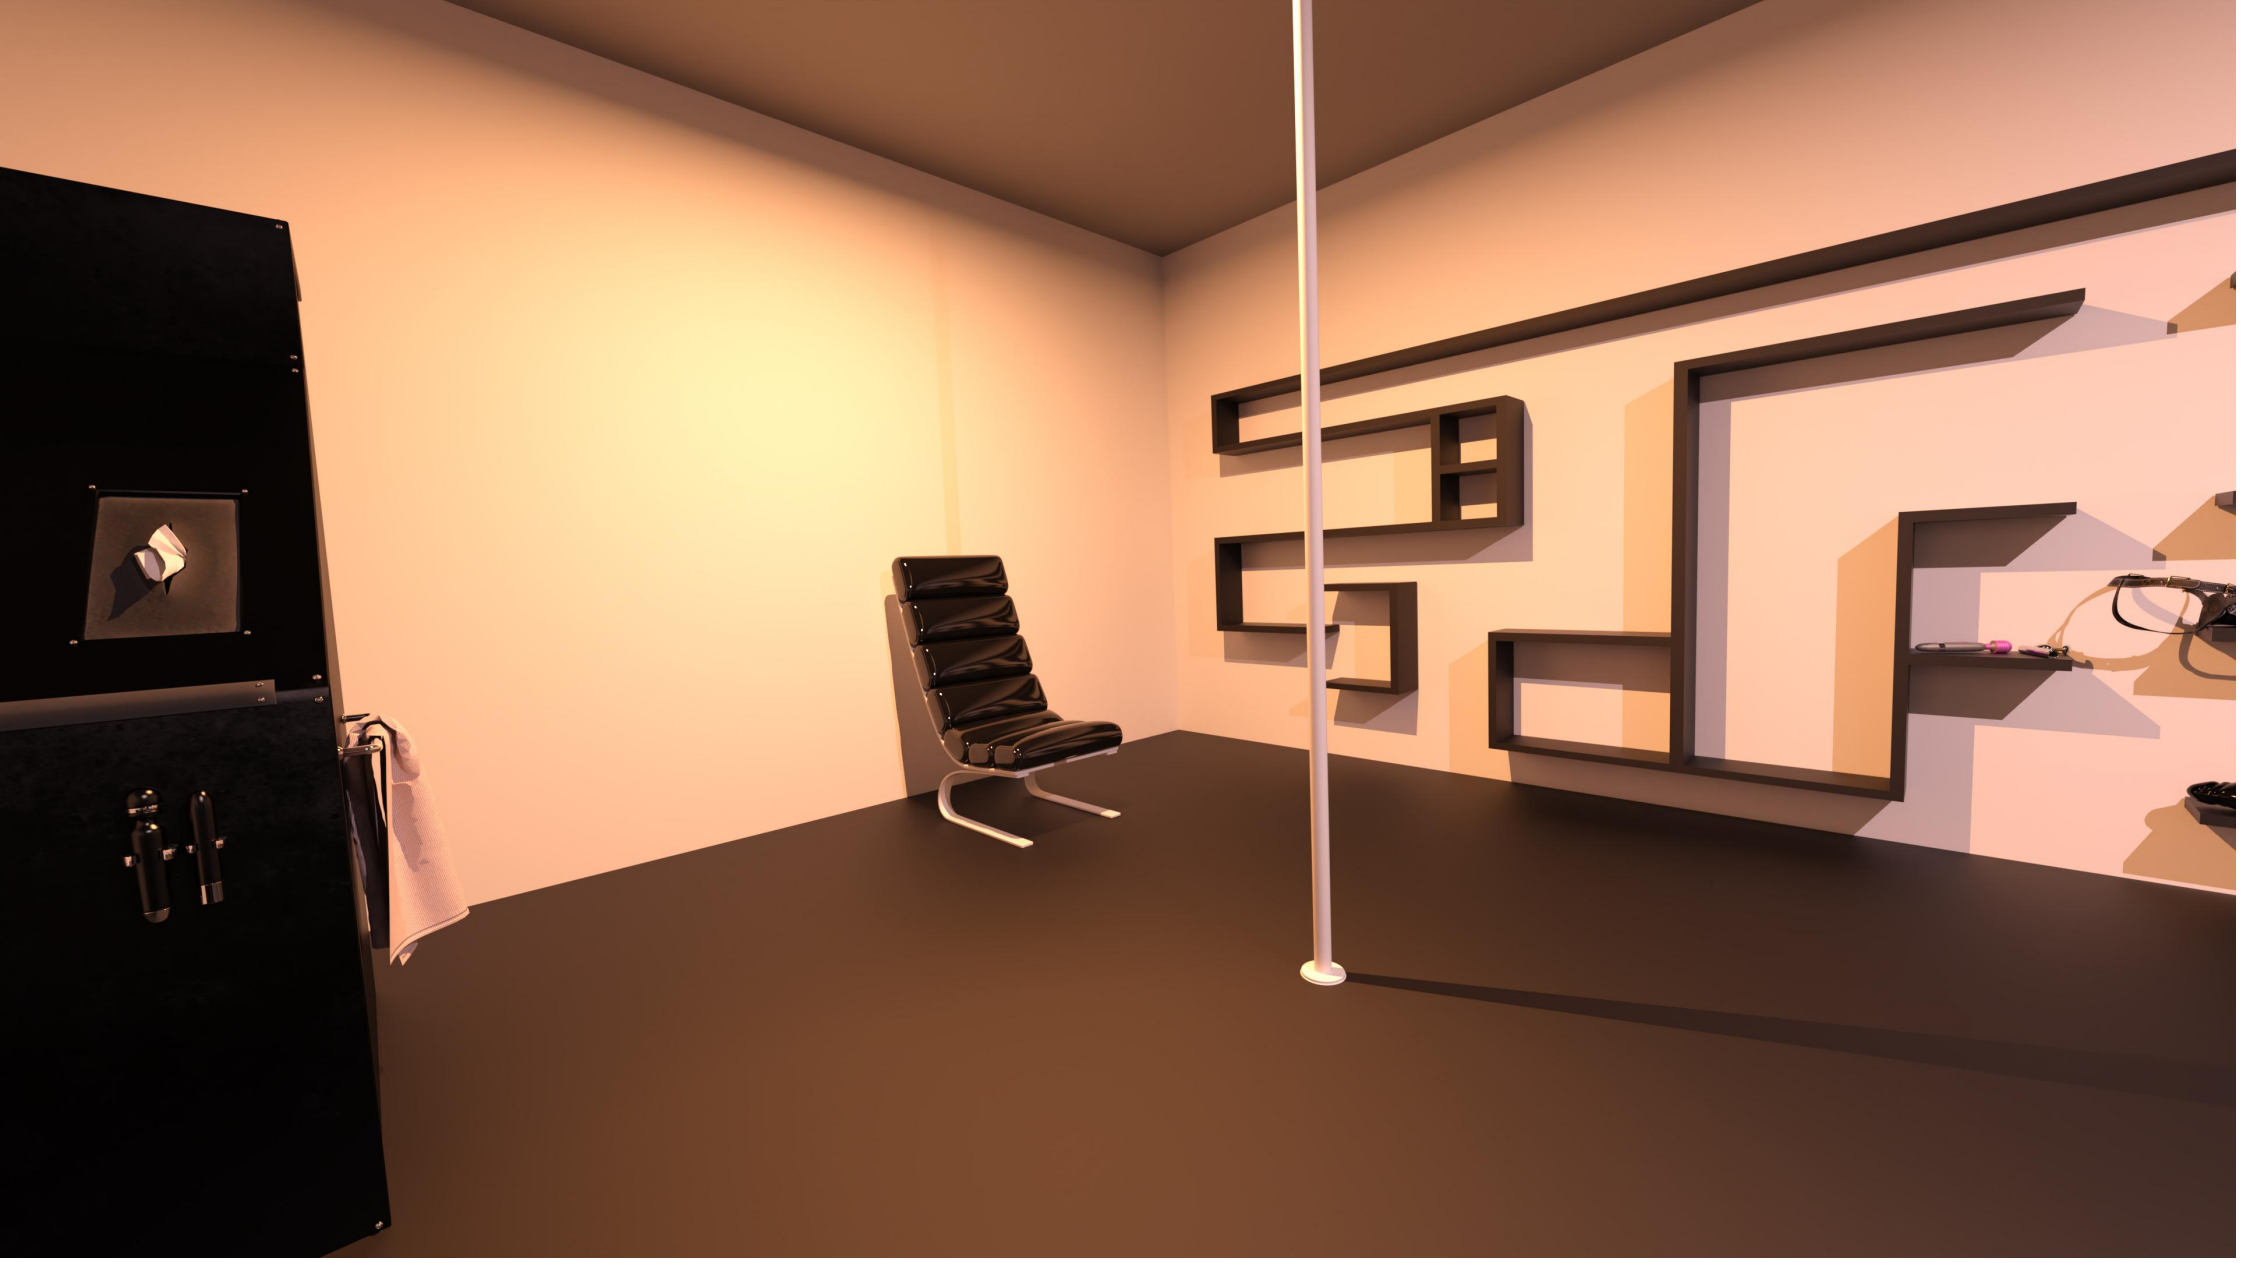

*I don't need
this toy today*

*It seems that there is something superfluous,
but it seems that something is missing*

I'm so horny,
I can't contain myself!

A 3D rendered scene featuring a nude woman with a speech bubble and a black anatomical model. The woman is positioned in the center-left, with her right hand on her chest and her left hand on her hip. She has a surprised or pleased expression. To her right is a large, black, glossy anatomical model of a female torso, showing the breasts and pelvic region. The background is a dark, gradient surface. A speech bubble with a purple border and tail points to the woman, containing the text "Damn, its so good! Ahh...".

*Damn,
its so good!
Ahh...*

Ahh...
Here you are...

Check this out!

It looks very good
and sexy on you.

*I see that you like
this outfit on me*

Let's start
the action!

Uhnmmmm...

I can't deal with it,
dick is too big
for my mouth

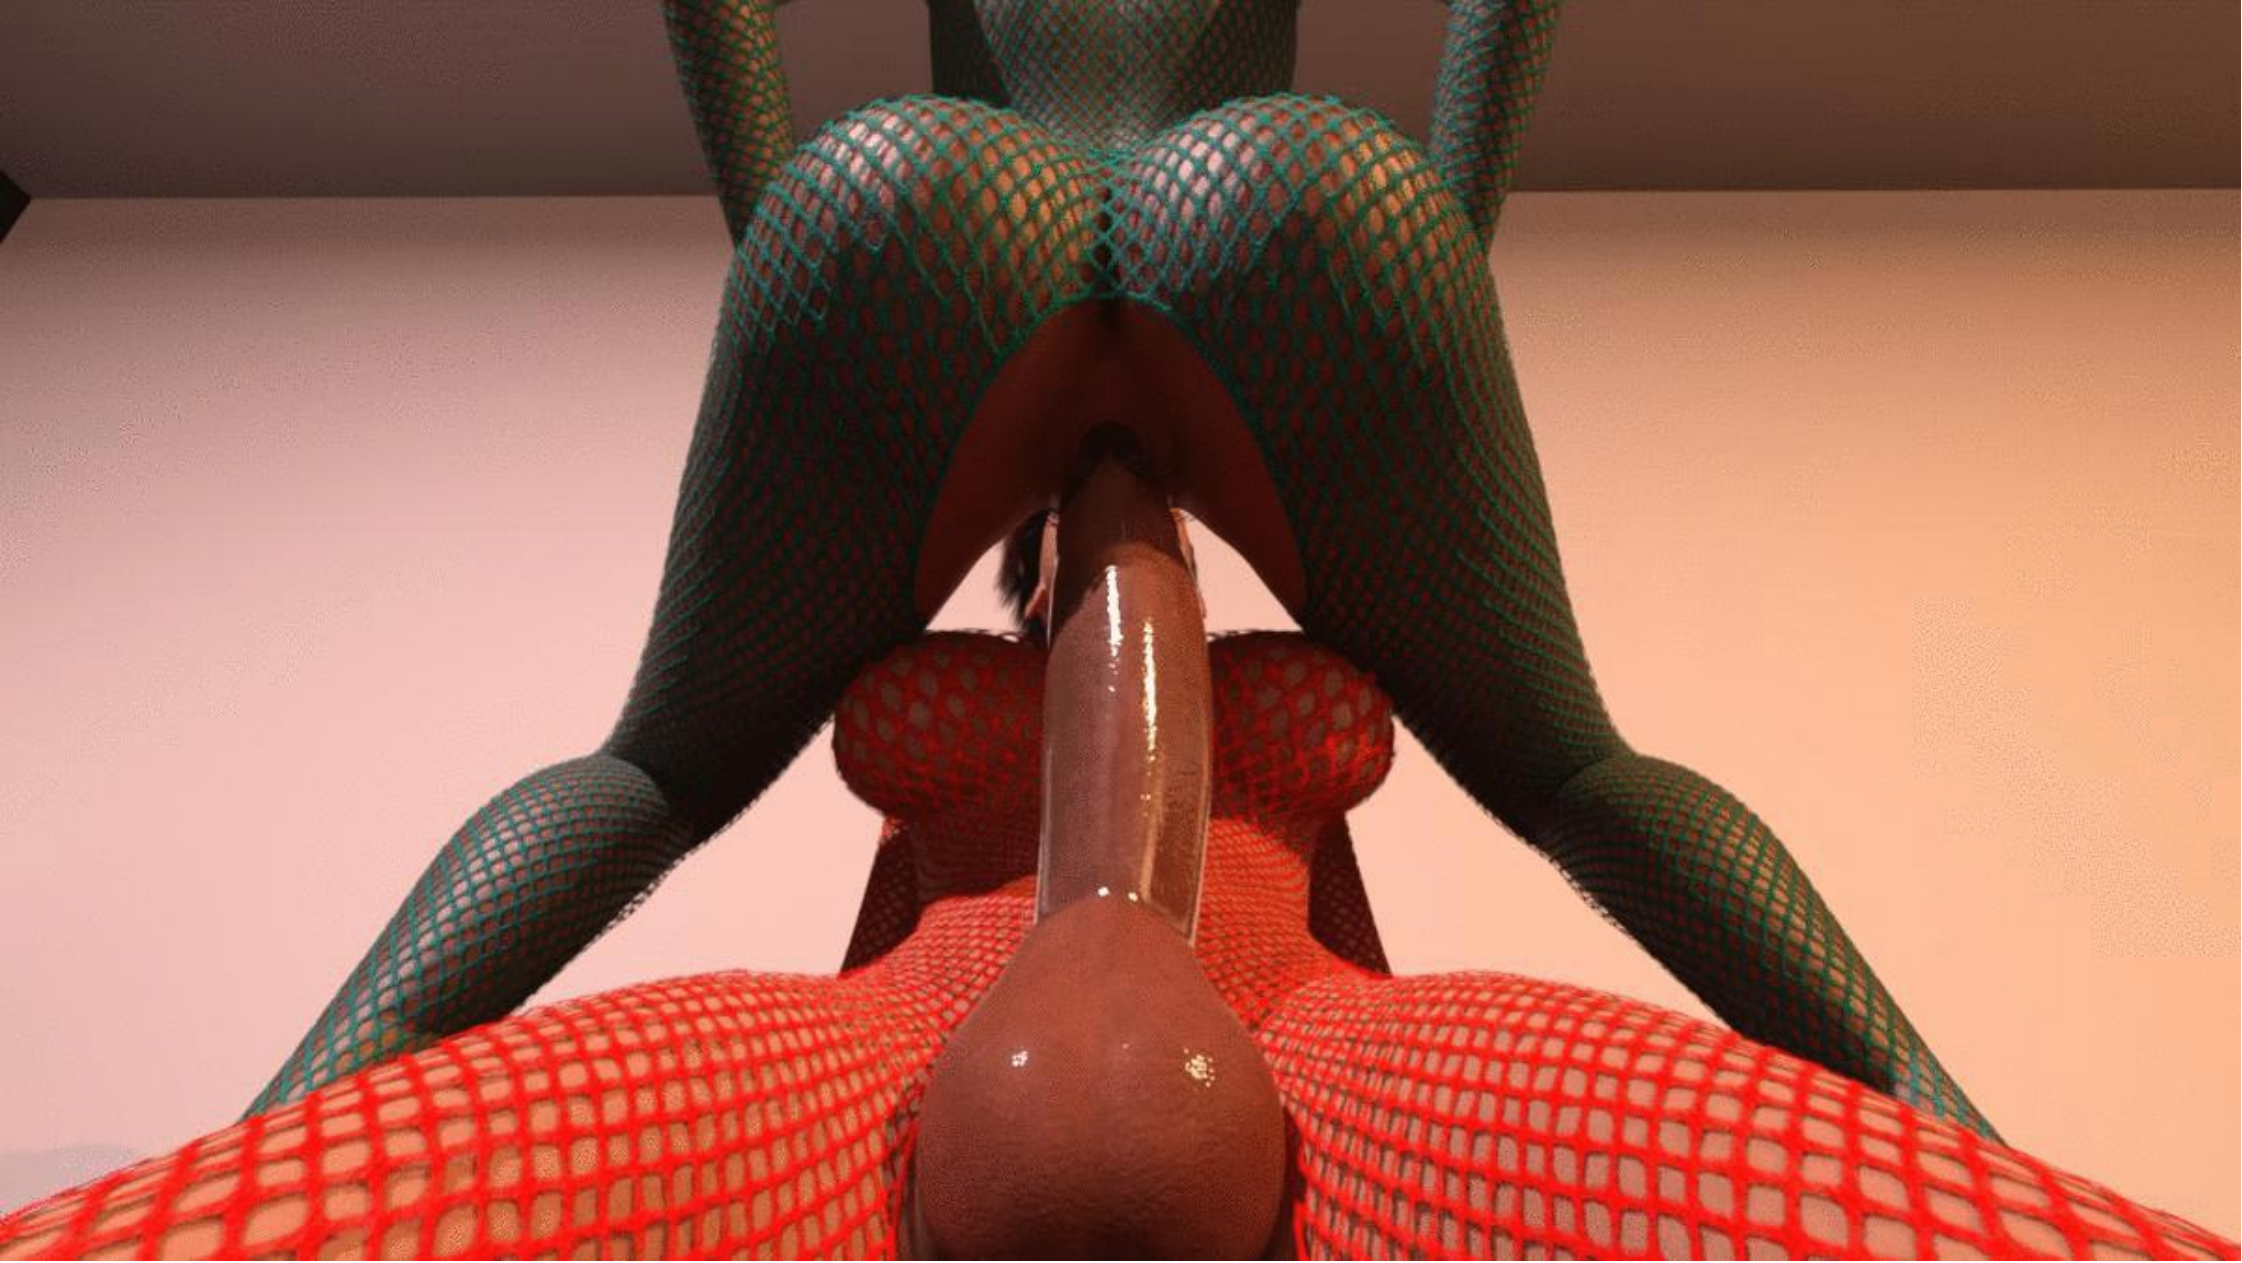

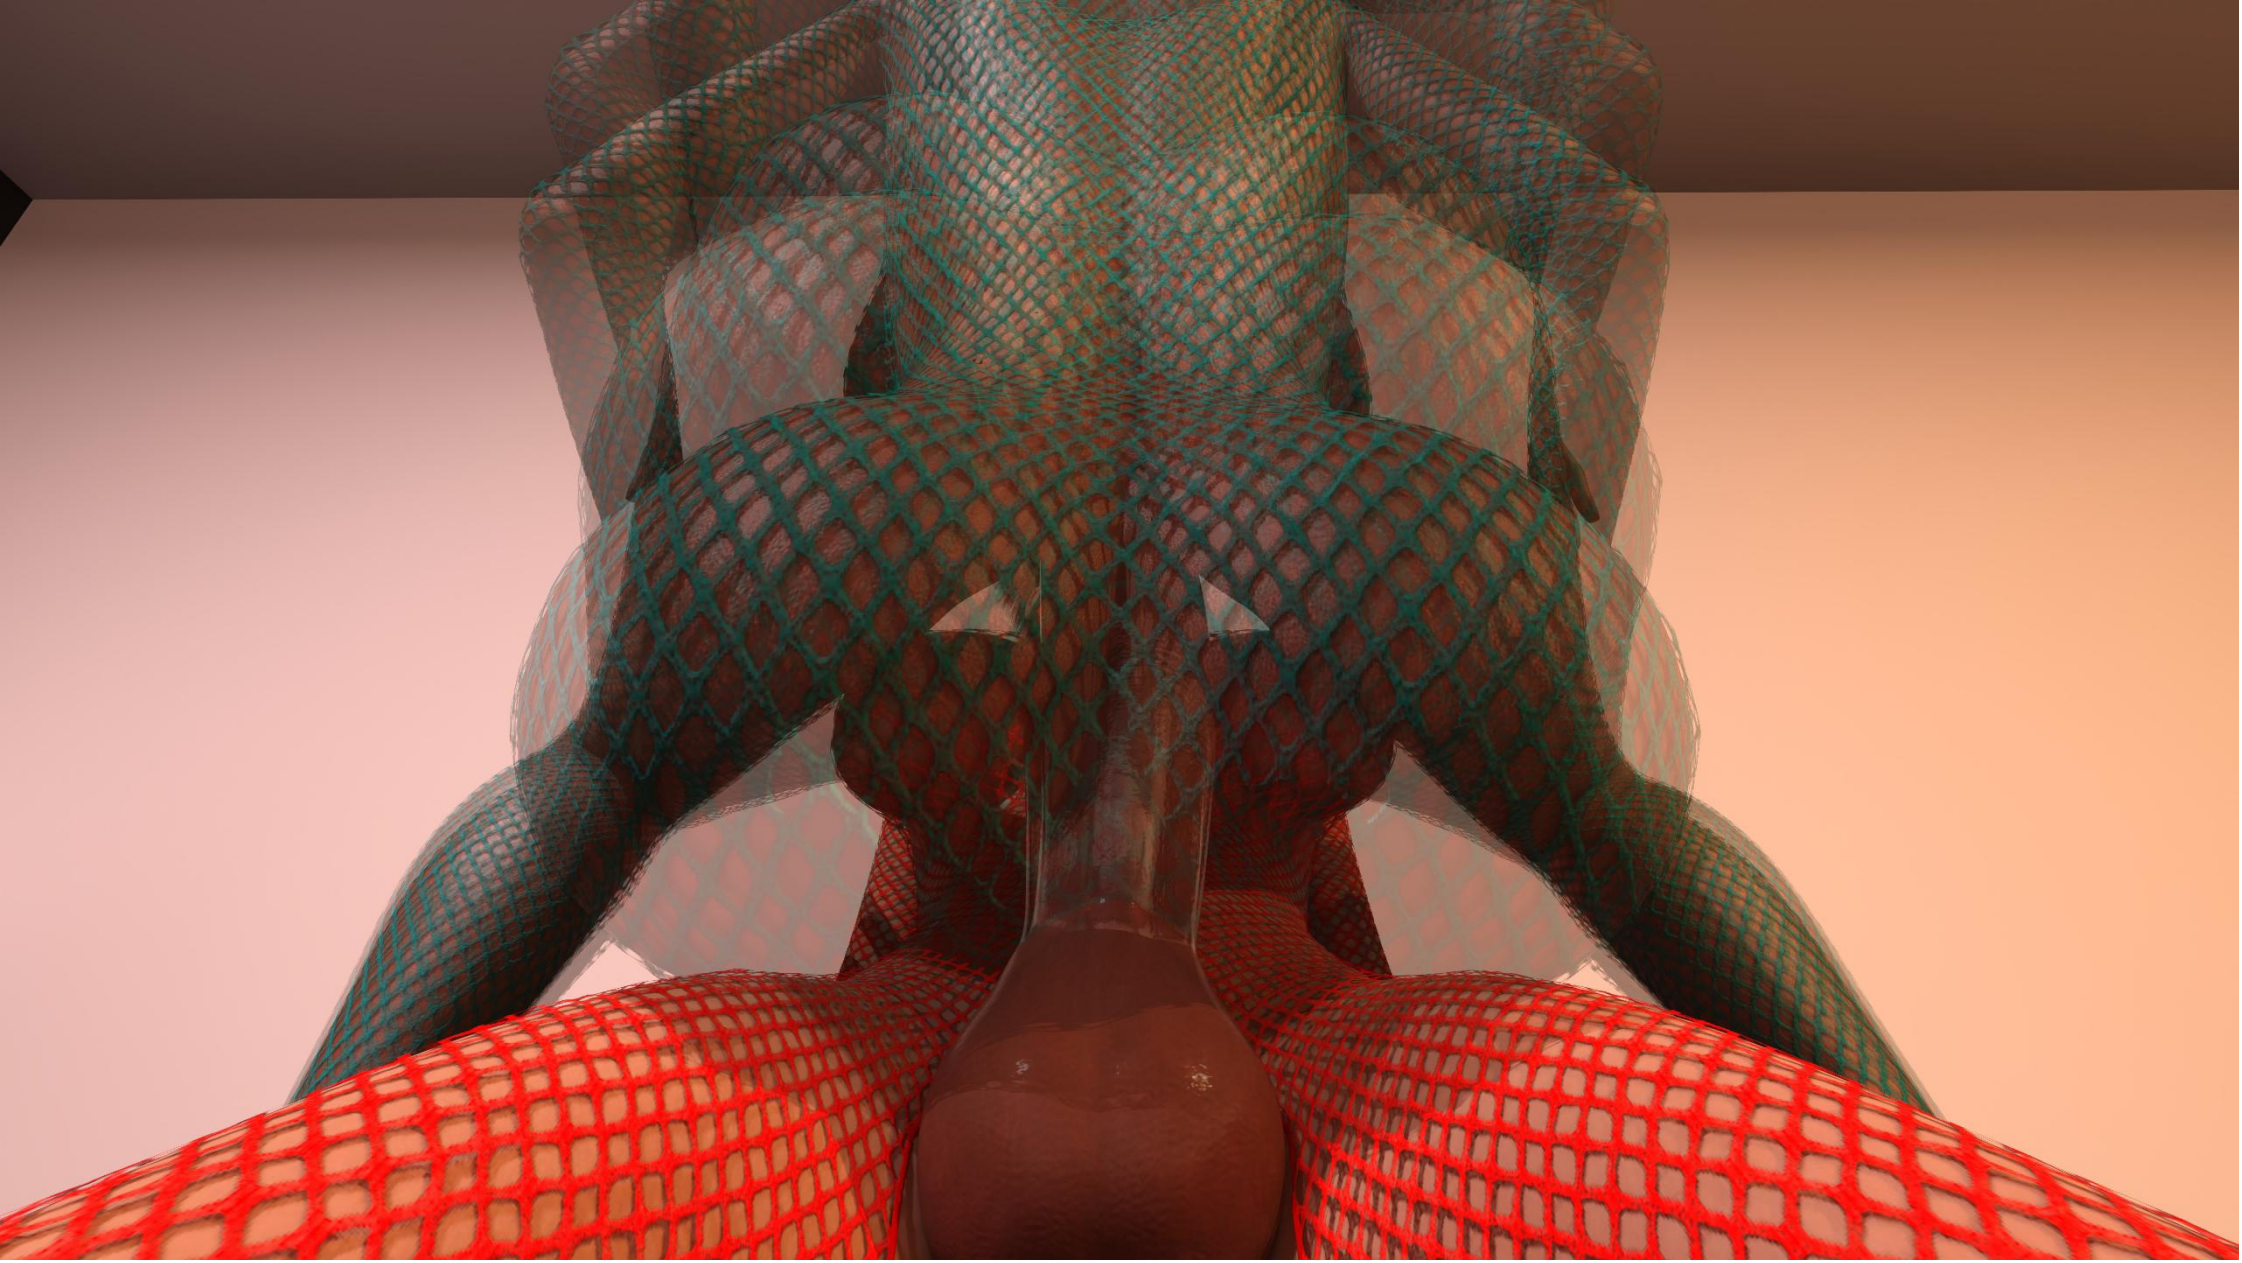

*I can't help
you, Babe.
You will need to
train for this size.*

*I won't be offended
if you don't want
to do a blowjob.*

You alright?

Yes, ah... everything is alright.
Continue even if I moan
at the top of my lungs.

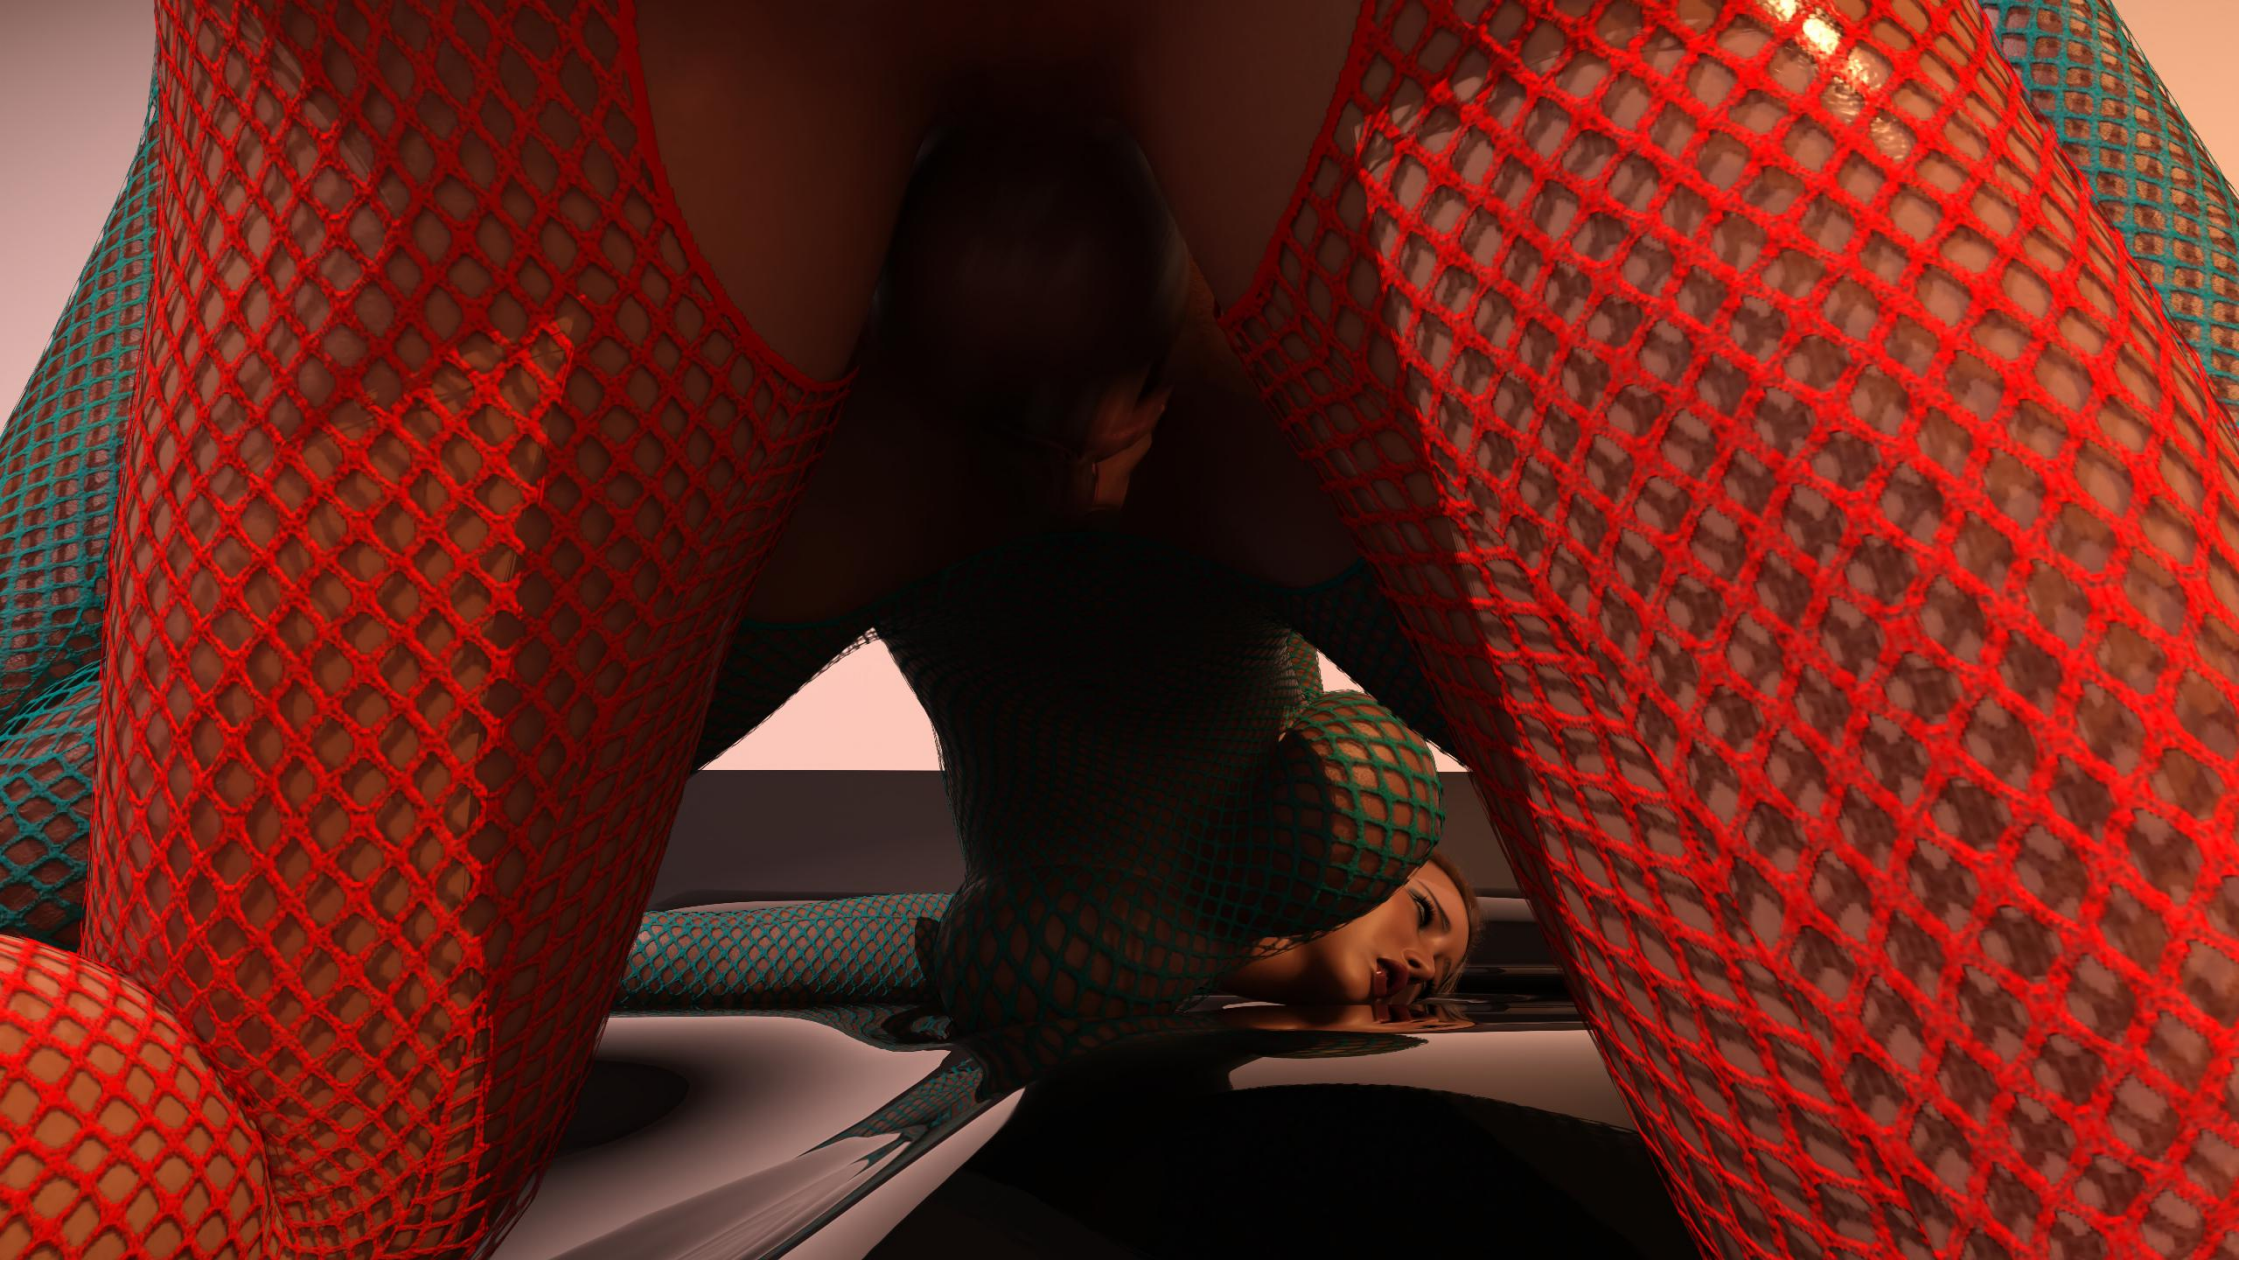

Are you sure?

Yes, I enjoy
the process

You take so long to cum

Feel like a whore who gets fucked 5 times in a row

The skinsuit you are wearing
now is of the old model.

They gave it to
me to replace
the employee next week.

Then it will be thrown
for processing, because
it is no longer suitable.
Its time has passed.

*I will help you
get some new
skinsuit models.*

*Newer models of skinsuits
can do unbelievable things like,
a fantasy creature,
the sensations of that type
of skin can be so surreal
that it can make
you feel unimaginable
feelings of pleasure.*

A 3D rendered scene featuring two female characters in a dark, possibly underground, setting. The character on the left is wearing a teal fishnet bodysuit and has her right arm raised, with her hand resting on the head of the character on the right. The character on the right is wearing a red fishnet bodysuit and has her left hand on the chest of the teal character. Both characters have a glossy, realistic skin texture. The lighting is dramatic, highlighting the characters against the dark background.

*It doesn't matter to
me at the moment*

*All this can be
solved later.*

So what
are you
thinking
about now?

I'm thinking about what
two twin sisters kissing
would look like.

Ohh,
you playful sister,
come here!

*I have interesting
skinsuit under my skin,
wanna see?*

*Slightly improved version
of a famous person*

Why is it interesting?

Do you
recognize her?

*I made her
more seductive
and curvier, and
this all for you*

*We can now
make our own films*

But those films
weren't for adults,
tee-hee!

It finally activated

What is it?

I present to you one more of our development, in combination, my plan is how you and I can spend more time together.

Is it something like a robot?

Look!

What can he do?

Wow, it's me,
isn't it?

Yes, it's you.

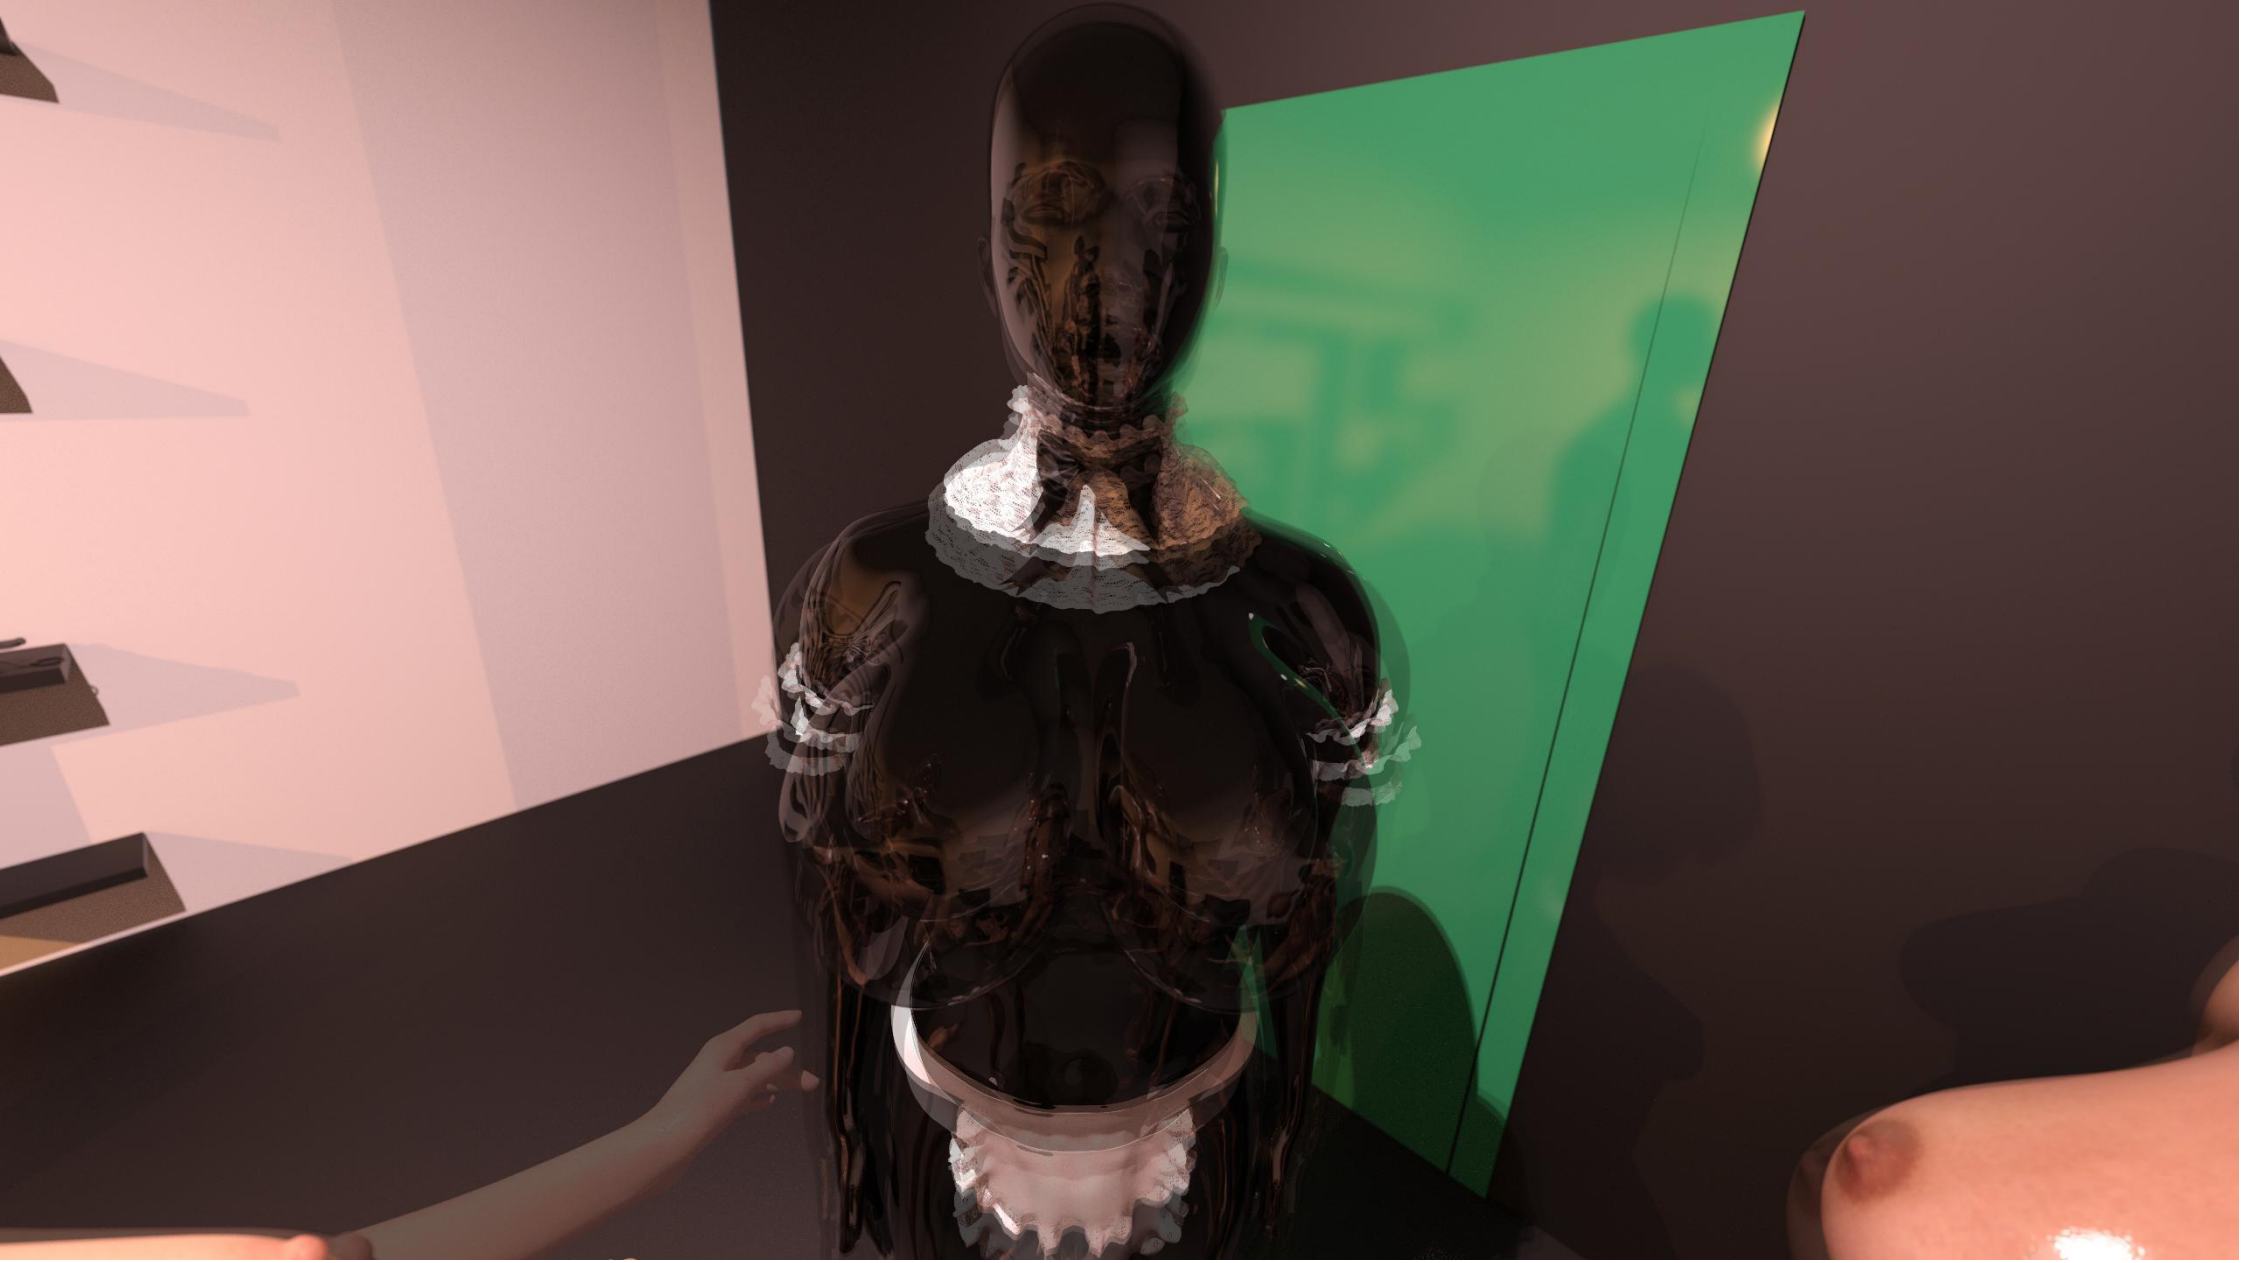

It can change its shape between those that were integrated here.

Also, it simulates a person very well and it recreates their muscles, adipose tissue, and basically any human muscle. Generally, it cannot be distinguished by touch.

Let me show you
with a clear example

Well, how do you like these big examples?

*Play around.
I will go away for
the time being
because of my need.*

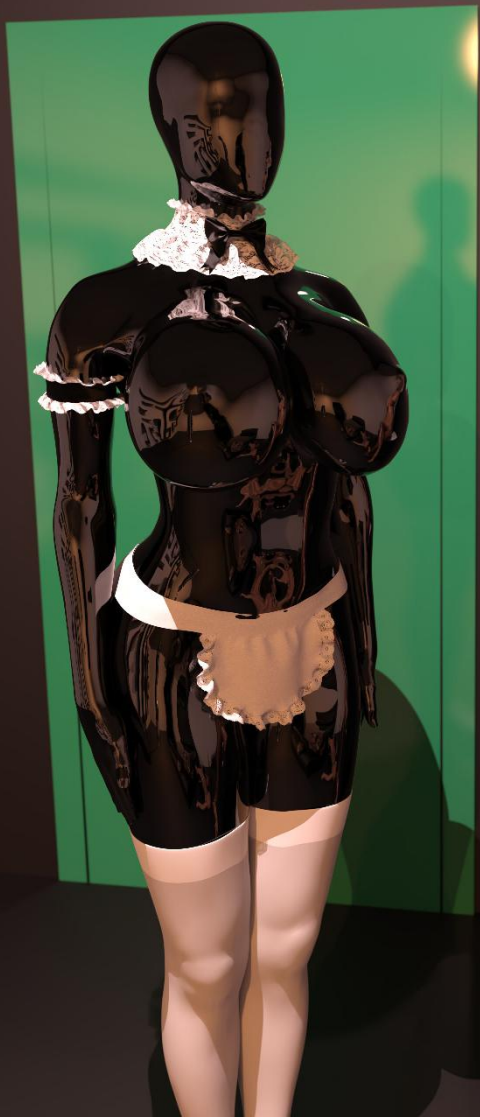

This breast is so soft,
this is my new
favorite toy. Hehe!

So hot!

Is there something wrong
with this skinsuit,
am I wearing
too many layers?

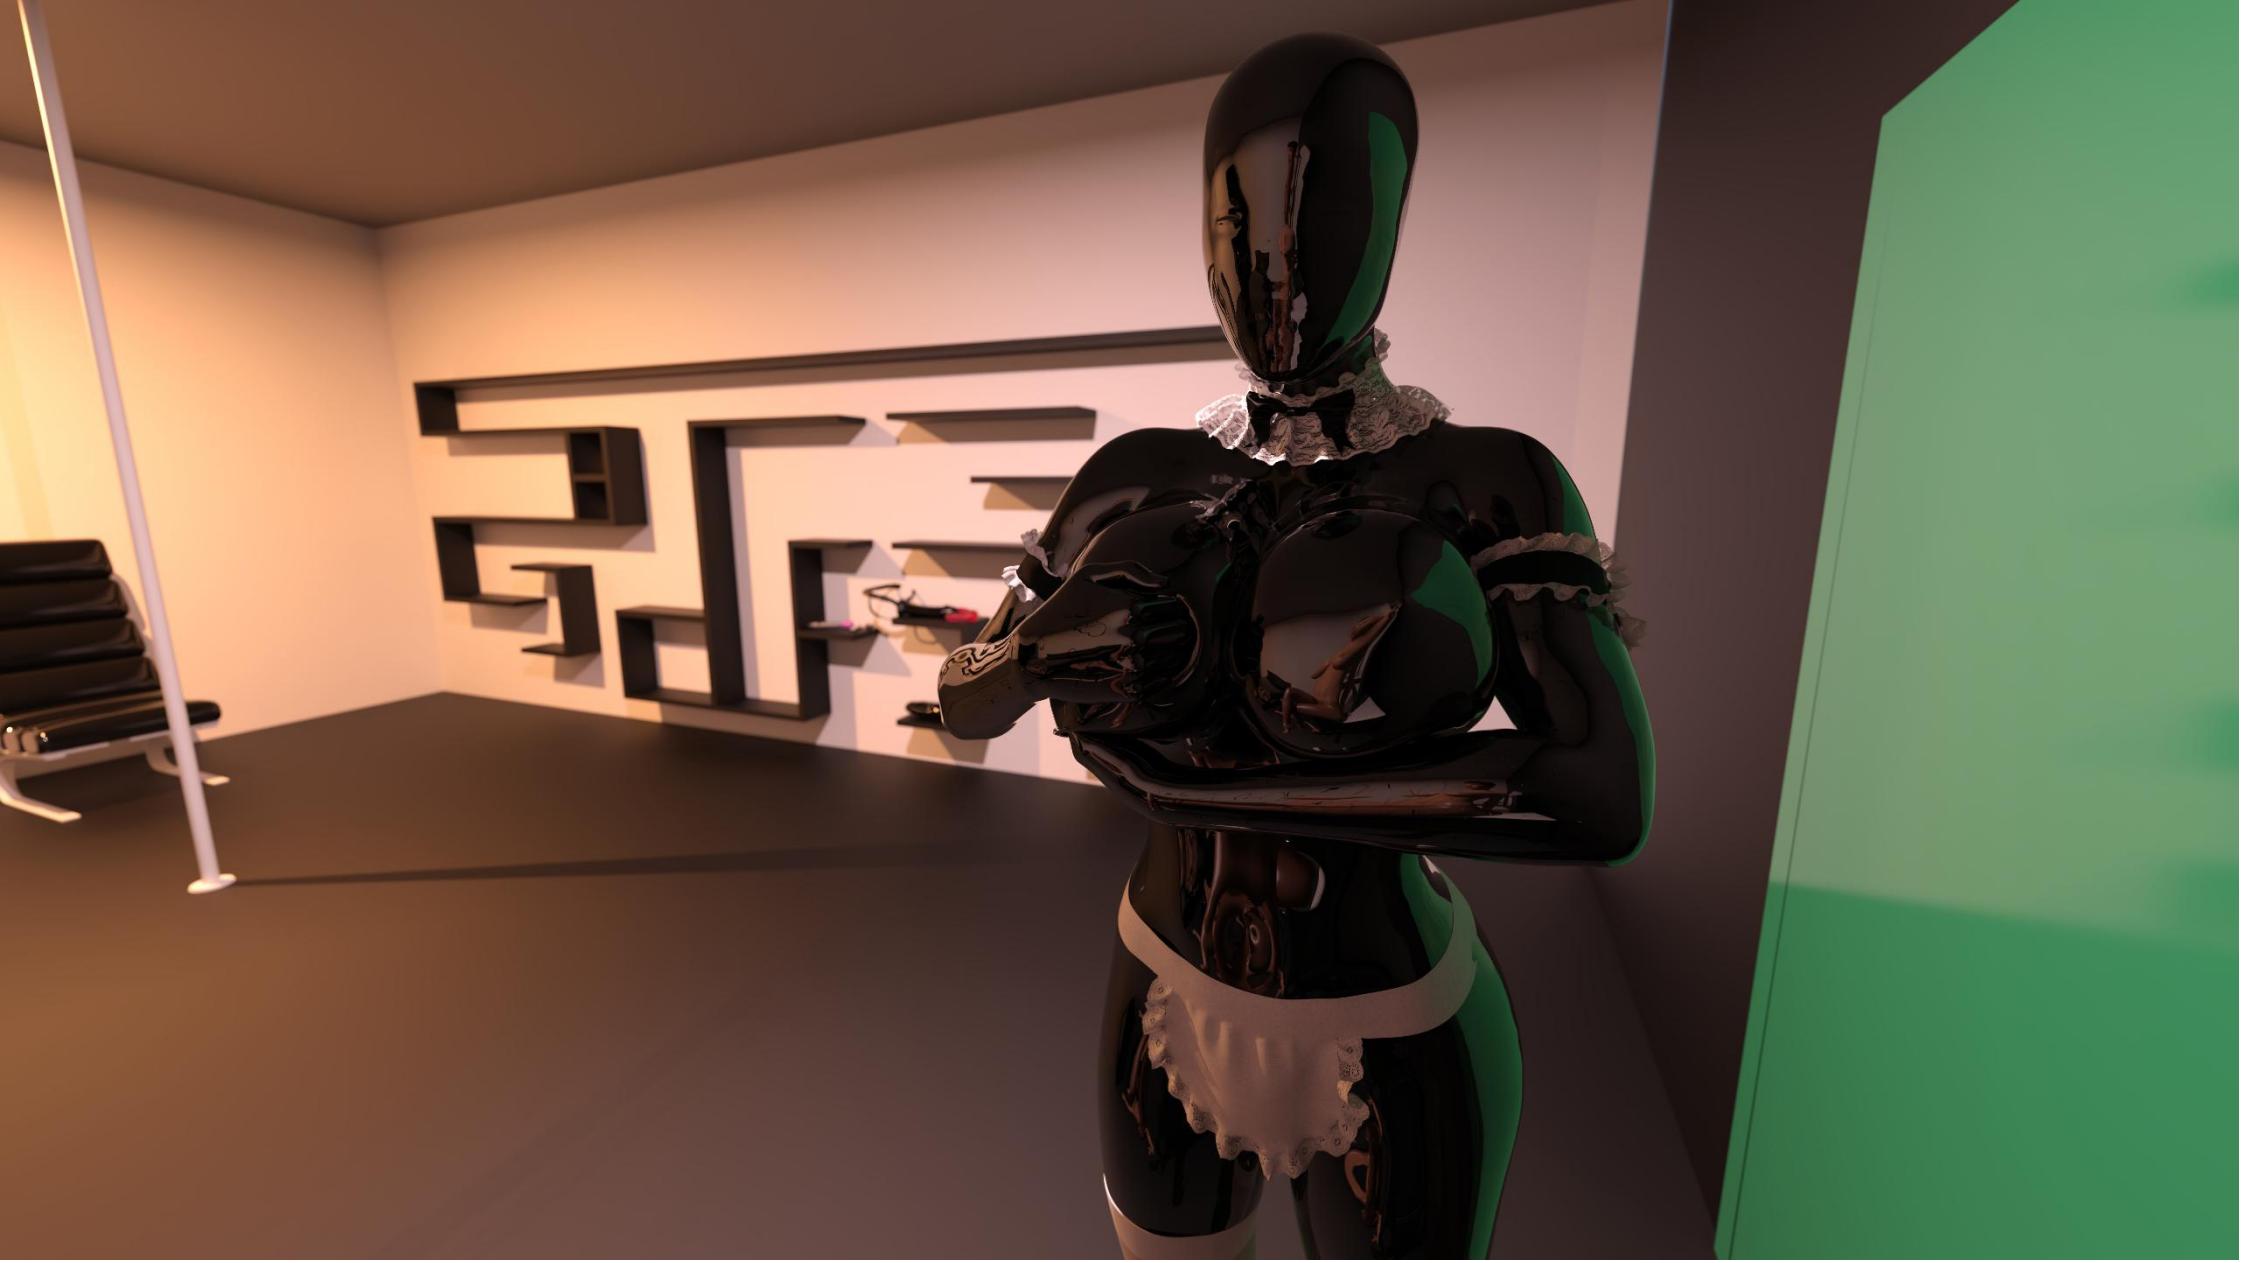

Maybe you can take
voice commands

hmm...

Squeeze your boobs
like a pornstar

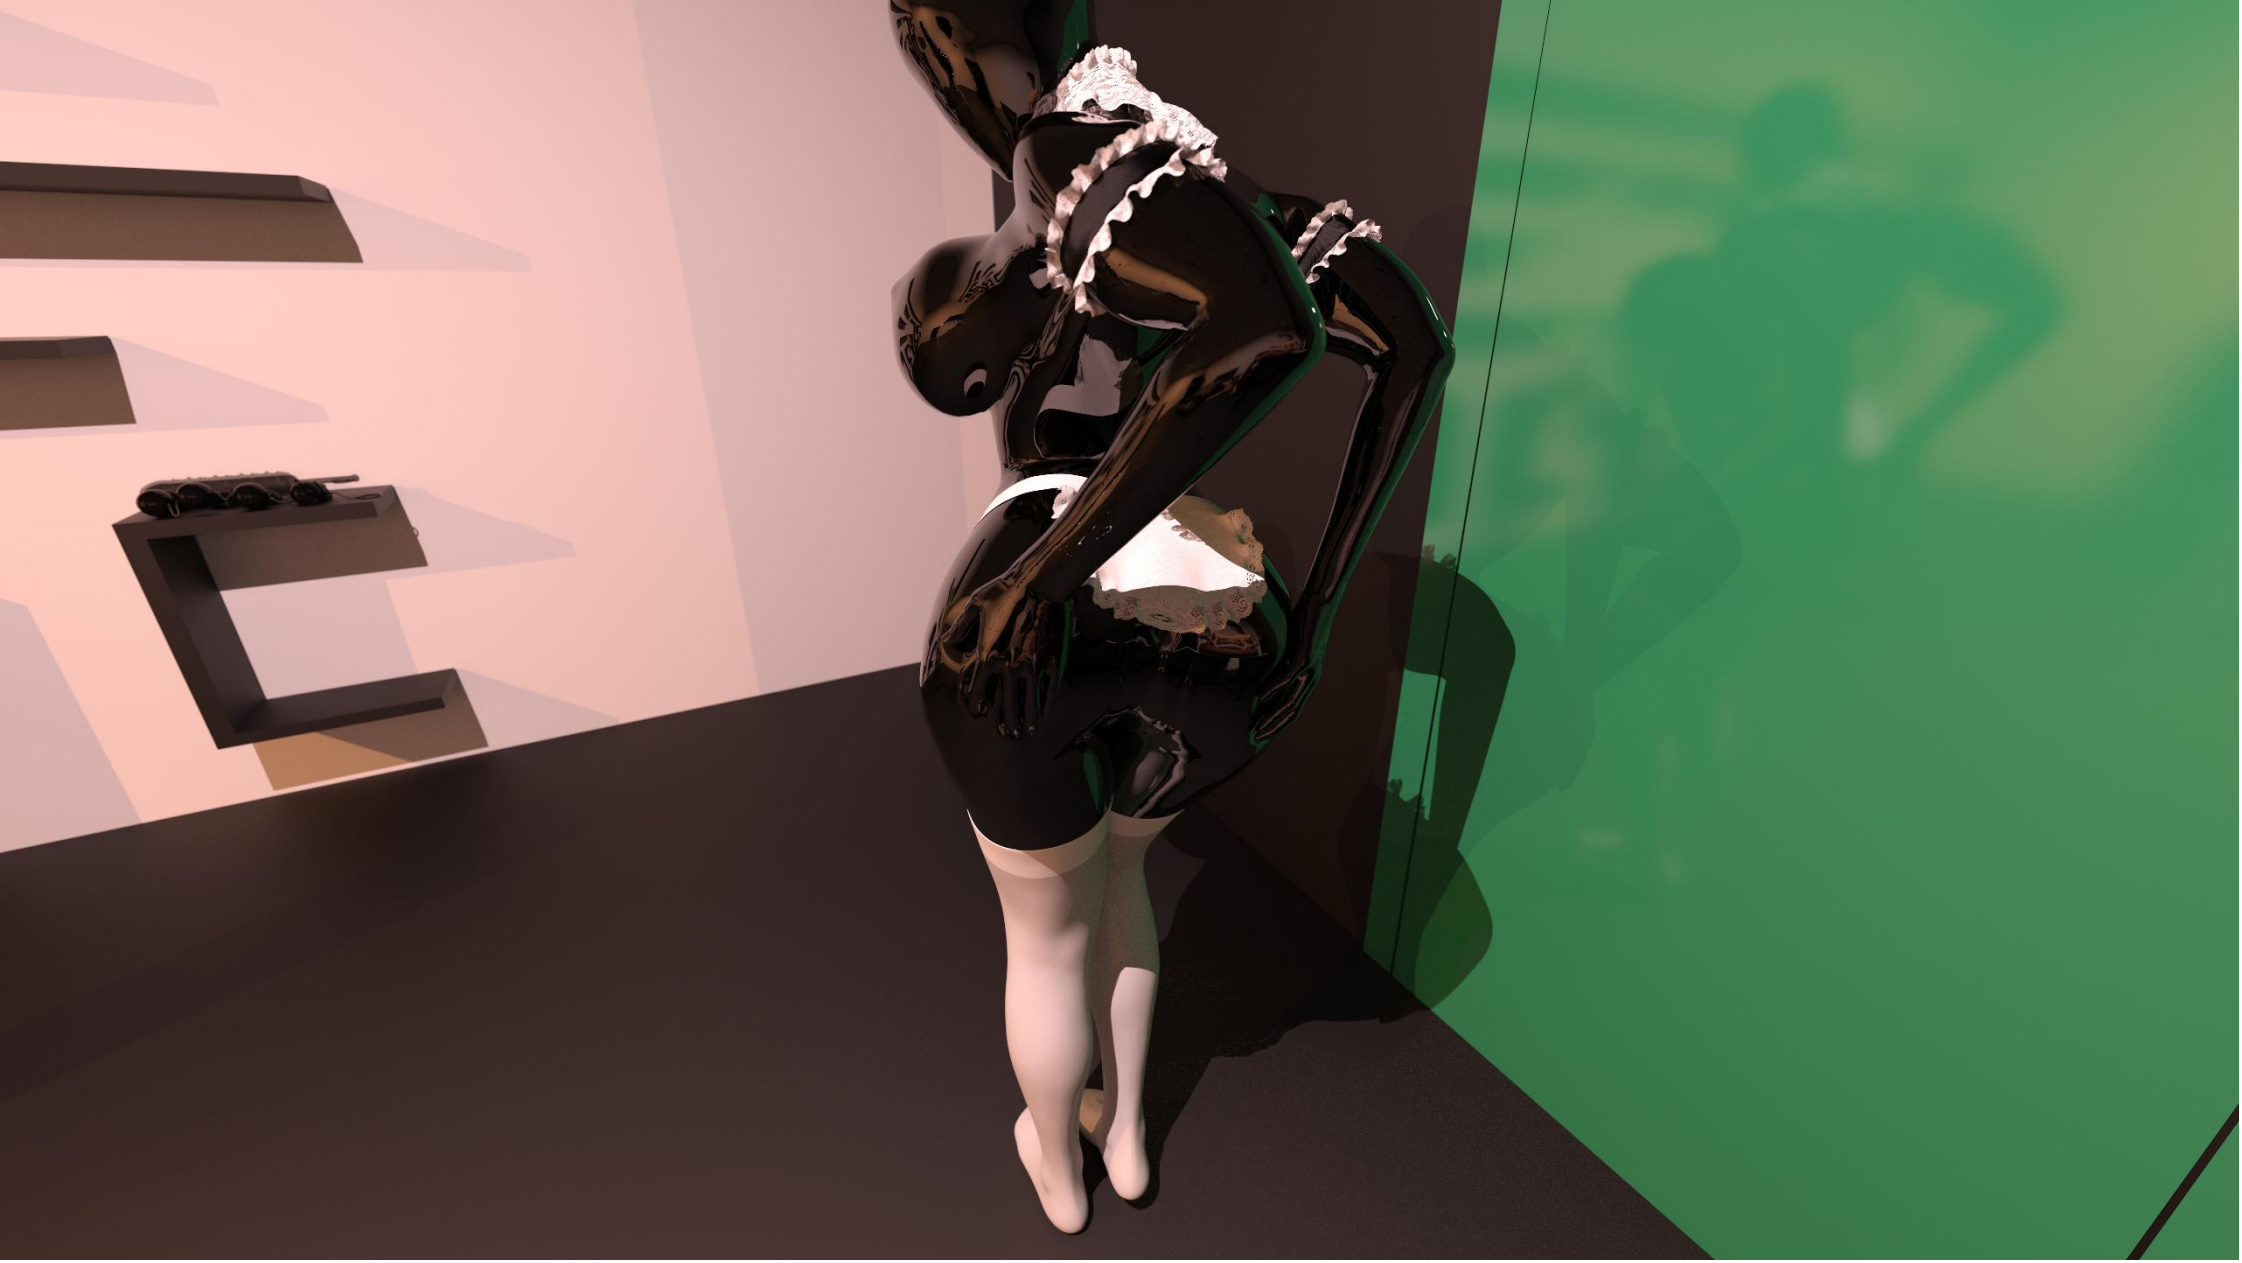

*These movements
are not robotic.
So damn natural!*

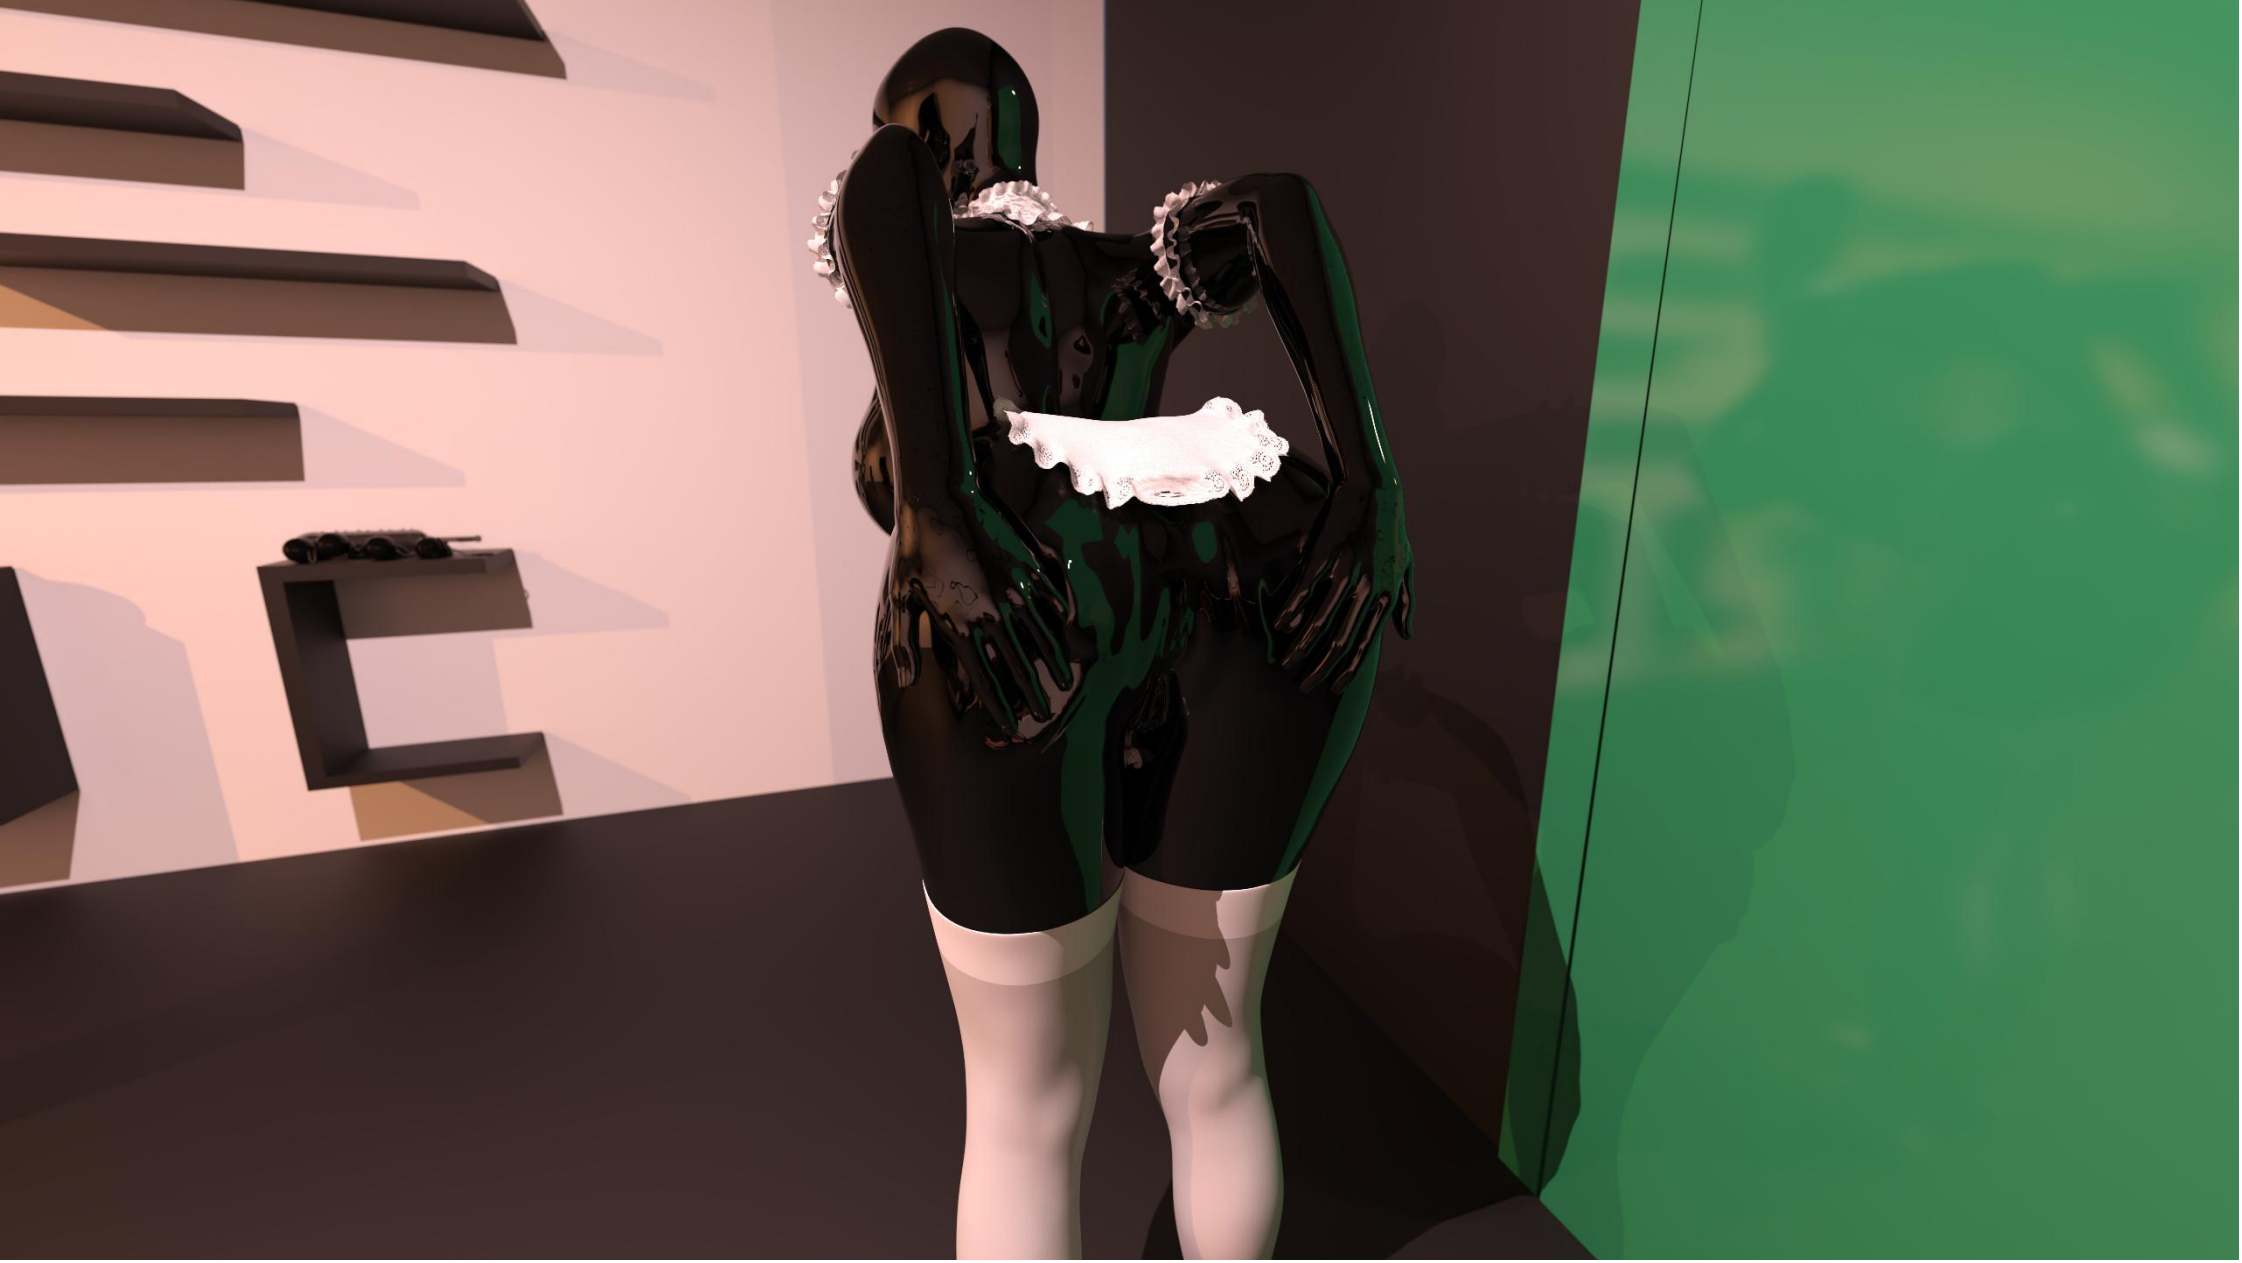

Looks inviting,
mhhm!

What's wrong with this suit?

I have no time to do something with it.

I'll give it later to someone that can sort it out.

Hehe, let's see if you can handle such a task right now.

I'm feeling so kinky!

Hey, this is
a character from
The Witcher.

*I bet he has never
seen such a Triss*

So...

Hey, this is Triss from the witcher with special an addon.

Having fun
without me?

I can multiply it
if you let me join

I think in this scenario you will show what you are capable of.

Get ready for a threesome!

Threesome sex...
So is this a
sex robot?

Not really.
I'll tell
you later.

It's a good idea to put a mask on the robot.

A mask should work in it.

I have no doubt...

The robot is
so good at sex,
you'll see
for yourself

Hell yeah!

Damn good,
this tongue
drives me
crazy!

Ohh!

It can vibrate
like thaaat?!

Aaahhh!

I seem to be done.

He squeezed me like a lemon

Ahh

Aaaahhhh!

Afterword

Thanks for reading. Hope you enjoyed it.

If you like my work, then you can support me on patreon.

Becoming my patreon, you will give me the opportunity to continue working on the content.

I express my gratitude to all my patreons for their support.

Special thanks to Kevin for proofreading.
