Oh I remember.  
I always had a slight

# Bazira - the Succubus

Andrew, now Andrea, could not believe her day. He just went out to the selling party and did it in time... He reactet to so many unspoken wishes that his body became fully female...and she is ready to bring pleasure and damnation in one single joyment... And now a party with mostly elder and or frustated single Girls are waiting...and with it so many possible ways to become...more.

# Bazira - the Succubus

Hello there.  
I am Andrea. Are you  
Mrs. James? You inveted me  
to your Fapper Party  
today.

Oh, yes..  
I am Martina James.  
nice to meet you Miss.

But I must say...  
your clothes are very...  
revealing...haven't said that  
childs are here  
too?

Oh I am very  
sorry for my mistake.  
By the way it is just Andrea  
please. I...um...came from  
a modell shooting right  
now and...

Wow!!!

Jason! pst!

Thank you  
buddy... But I am truly  
very sorry. Someone took  
my clothes while I was on stage...  
and all I had was this here.  
I am a Modell and we had  
the newest summer  
collection...

# Bazira - the Succubus

Of course...  
you are just another  
young Slut...

No Problem  
Andrea...this could happen  
to us all.

...but I must  
say...she looks somehow  
hot...

By the way...this little  
one here is my son,  
Jason.

...why do I feel so  
hot? Am I turned on by  
her provocative look?

Oh...my...

\*poke\*

# Bazira - the Succubus

I have NEVER seen so HUGE BOOBIES before Miss.

Jason...

I often wished that my Mum would have such huge BEWBS...maybe way larger!

Jason...

Then she would find a new Daddy ways faster my Friend Robby said...

JASON!

I totally bet it is easy to find nice guys with your luck...am I right?

# Bazira - the Succubus

*Oh Jason...  
you are so cute. Thank you.  
But you can trust me...*

*...a woman's  
chest size is not that  
important as your friend  
told you.*

# Bazira - the Succubus

The meeting did not started yet...but for Andrea and Bazira it is already time to feed other souls...and the unholy magic started already to change the James family reality.

# Bazira - the Succubus

...and so cute  
Janine...why do you make  
such a long face dear?

But I didn't  
understand that. All those  
Sluts in my school are super  
popular, you know?

Don't worry my  
little angel. AS I was your  
age I had the same girls  
on my school.

And Girls  
like me got mostly  
ignored...they don't care  
that I look cute...they  
all want super  
hot Girls.

But you are.  
Belive me - soon you  
will find a really nice  
boy who likes you  
as you are...

They get everyting.  
I want that too Mum!  
I secretly so often wish that I  
would be like them...an mega hawt  
and popular School Slut, with the  
full package and that you would  
be in the same way as I...

Oh Janine...  
there is no need that  
you want that. I understand  
you. But in one or  
two years...

But  
wishes never come  
true...thats so  
unfair!

# Bazira - the Succubus

# Bazira - the Succubus

# Bazira - the Succubus

We are not  
bitchy! We are hawt  
an we know it!

ahhh ha!

Rrrright  
Andrea? Hawt Babes  
like you and me...  
we can have  
everything!

# Bazira - the Succubus

# Bazira - the Succubus

# Bazira - the Succubus

So you think to have a sexy body makes you a real Slut, hu?

Listen you little Bitch! There is no one in this town who fucked more men than Sally...

Right now she is knocked up and I bet she awaits for her luvver in her hair salon.

While Jason has become Janine, the slutty Daughter (and most popular Slut in College) her Mum, Martina, already have started to change too. Her Blouse could not longer hold the preasure of those inflated Tits from Jasons first wish and her Bra is strained to the maximum....but Jason/ Janine alsotold another wish...She and her Mum should be the in the same way...which means that the slutification of Martina just has begun.

# Bazira - the Succubus

And while the Reality get rewritten...

...Martina's look is one of the first...

...which get changed into her new...

...destiny as Martina, the sluttiest Milf of the town & Mother of Janine. Her past as chairman of her city's main religious committee has never existed. But now there is a life as a stripper, escort girl... and much more. A life full of passion, hot sex and even hotter kisses.

# Bazira - the Succubus

And those changes are more than extremely...they are two sides of the same medal...

\*widen\*

# Bazira - the Succubus

Of course is an slutty life style extremely exhausting, like working permanently in an office or a Job you don't feel...those people age quickly and in a slutty lifestyle, where beauty is extremely important, this aging become an huge problem. But...

...that is something an skilled cosmetic surgeon could not fix...or improve. Provide there is a lot of money. No matter if it is your money...or that of some mostly...older...Sugar Daddy's, which make you not only a slutty Milf, it makes you a...

# Bazira - the Succubus

# Bazira - the Succubus

# Bazira - the Succubus

...and so, Martina, the GoldDigger, with different Sugar Daddy's got the biggest and fakest TITTS in the town. Her polytec implants increased her former GG Cups into magnificent...

+46N  
CUPS+

...but her Transformation several Suggar Daddy's money paid for are not done yet...

# Bazira - the Succubus

Of course...the different Money Bags...or Sugar Daddy's as Martina call them wanted not only her boobs bloated to magnificent size...her Face also gets a lot of...changements.

And so Martina's once natural beautifull face becomes over time that of an plastic loving Barbie Bimbo: Large Eye's, huge Beestung Lips, a tiny nose and some impressive Cheeks...giving her an always smiling look.

# Bazira - the Succubus

And in the end of Martina's Transformation should her amazing, trained rear end should not be missed.

First Butt implants

Filler

Brazilian Butt Lift

And with this final expansion of Martina's now gigantic fake ass, everything has completely changed for Martina and her son Jason's life...sometimes it can be fucktastic how innocent words can change mostly everything...

# Bazira - the Succubus

Wike...Hi!

And as the last minutes never exist (they didn't) both, Martina and Janine introduce them another time to Andrea...now far, far more slutty as it without the wishes of Jason and Martina ever would be.
