BRIDE OF THE
MUMMY
Chapter 2a

JOURNEY TO THE
ASSTRAL PLANE

**EGYPT...
AGAIN.**

**ROUX HAD COME TO THIS NEWLY DISCOVERED
PYRAMID WITH HER PROFESSOR, SEEKING A
LITTLE EXTRA CREDIT AND A LITTLE ADVENTURE.***

**BUT WHAT SHE FOUND WAS A LUSTFUL
MUMMY, AND A PREMATURE BURIAL
IN A DUSTY SARCOPHAGUS.**

**PERHAPS IT WAS
EXHAUSTION, OR THE
THIN AIR OF THE TOMB,
BUT ROUX FELT LIKE
SHE WAS ABOUT TO
PASS OUT...**

...AND THEN-!

AAAHH!!!...
Huh?

IT FELT
ALMOST LIKE
FALLING...

...DOWN...
AND DOWN...

...THROUGH
THE
STONES,
THROUGH
THE
SANDS...

...INTO THE
DARKNESS...

H-hey!
Come back!!

No way,
I'm getting outta
here!!!

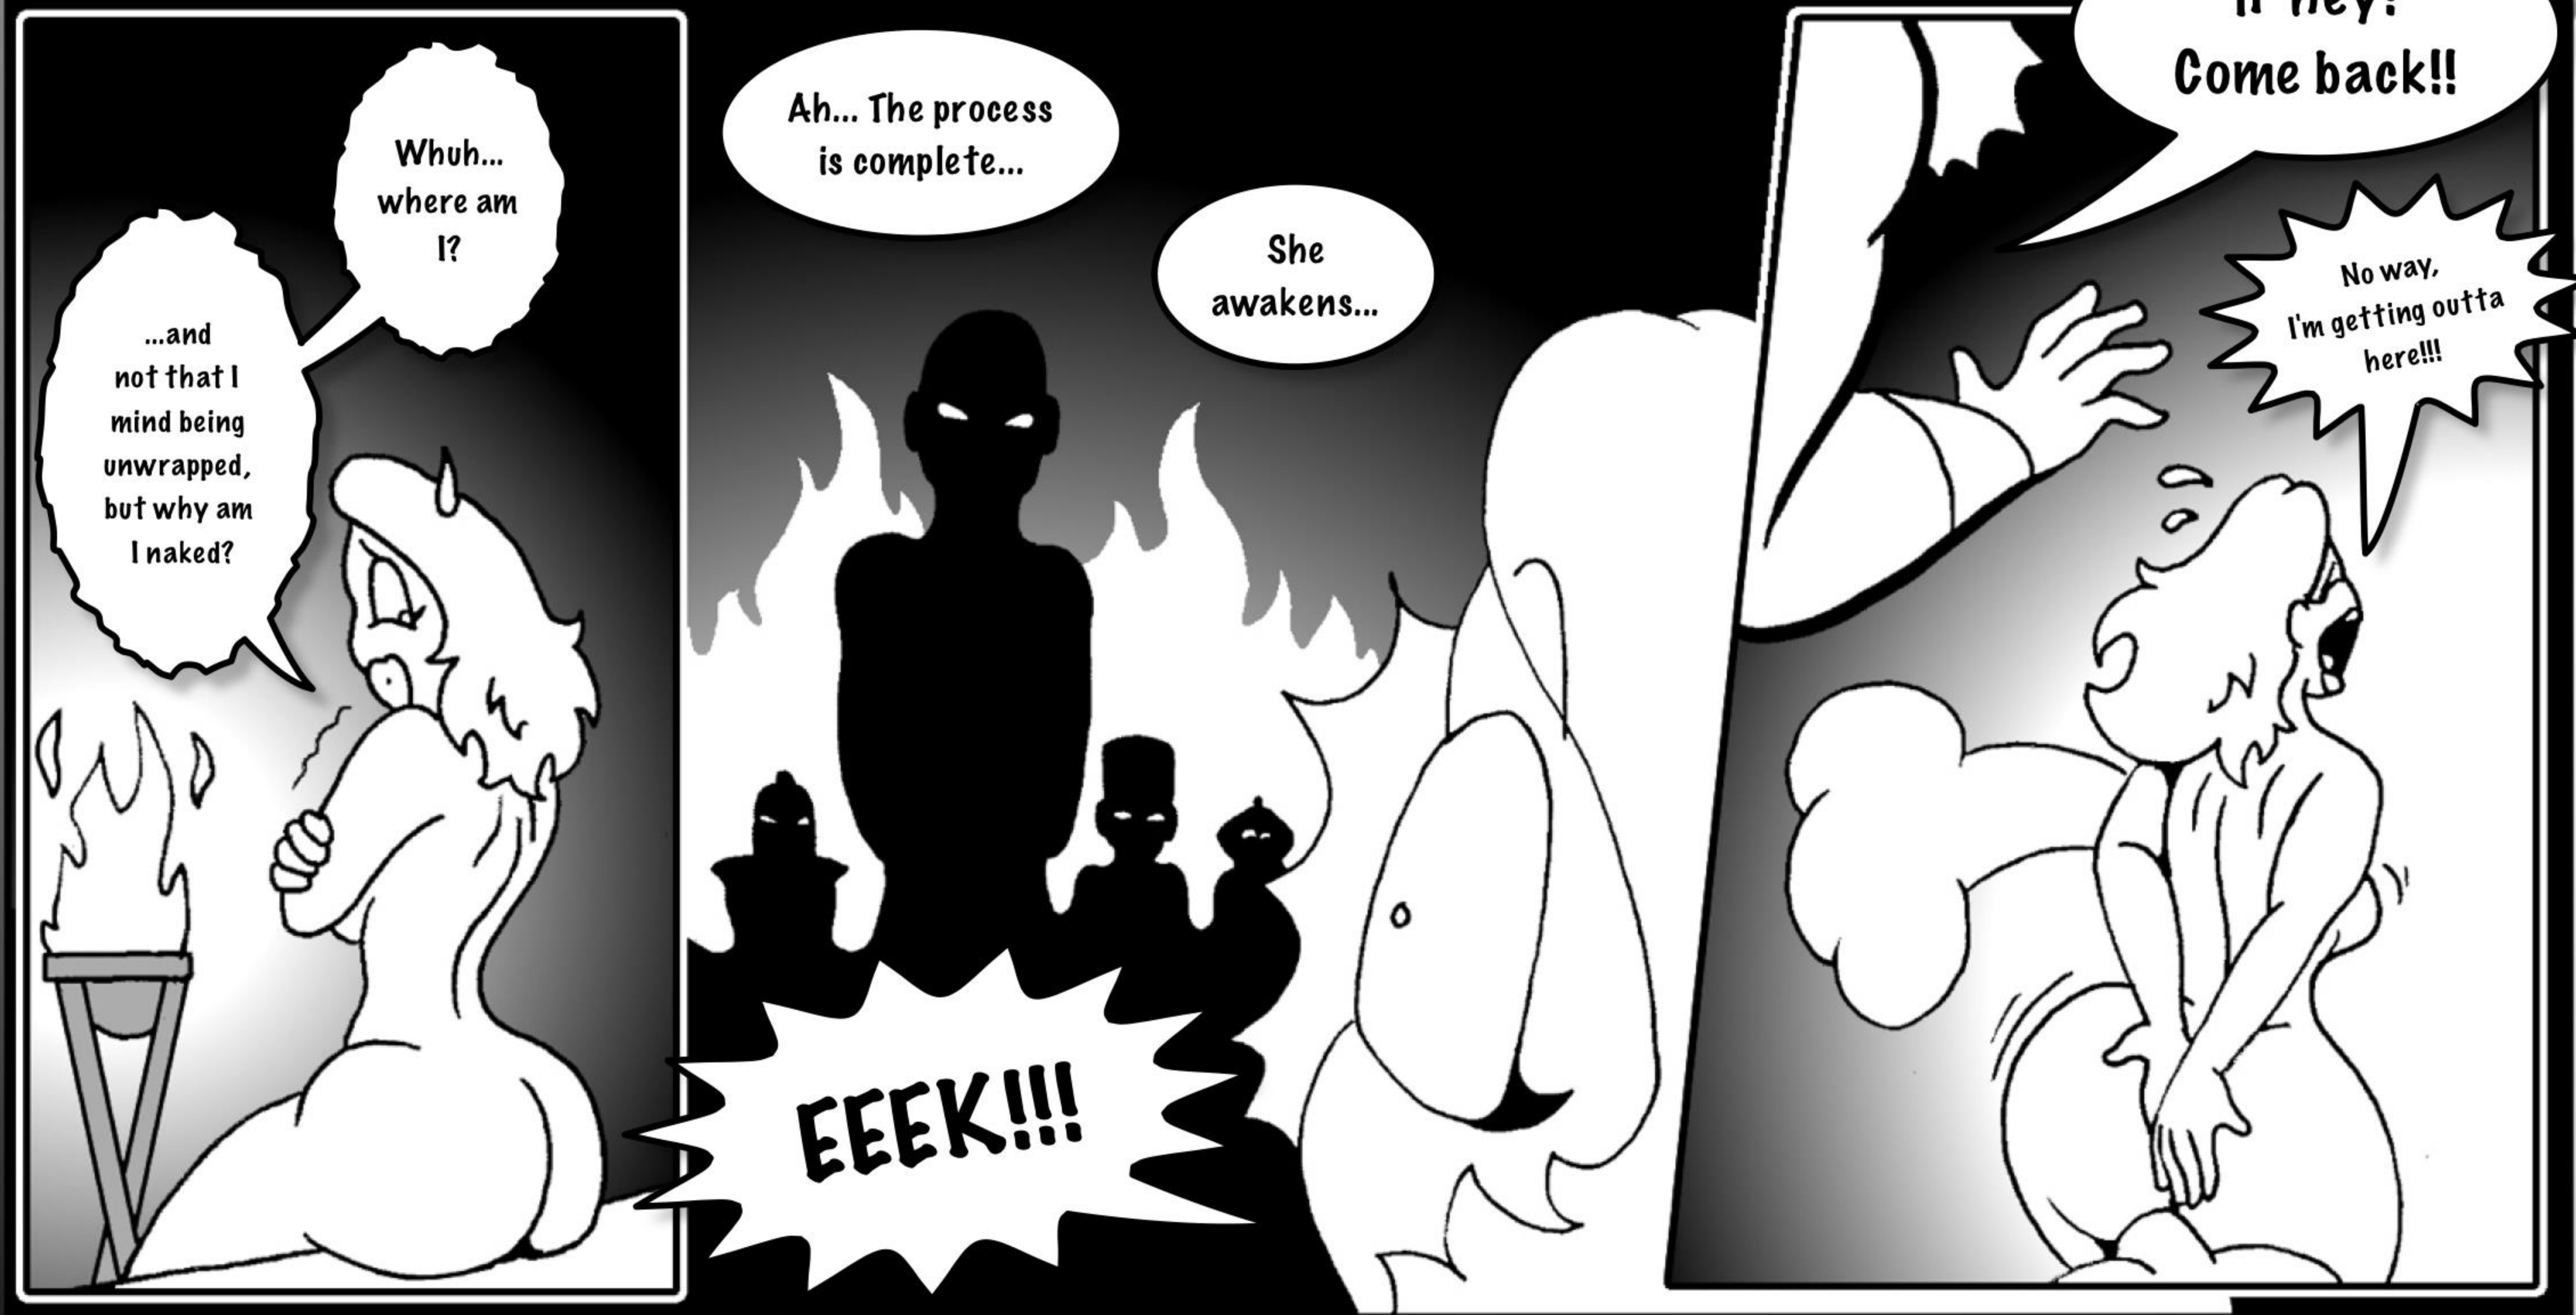

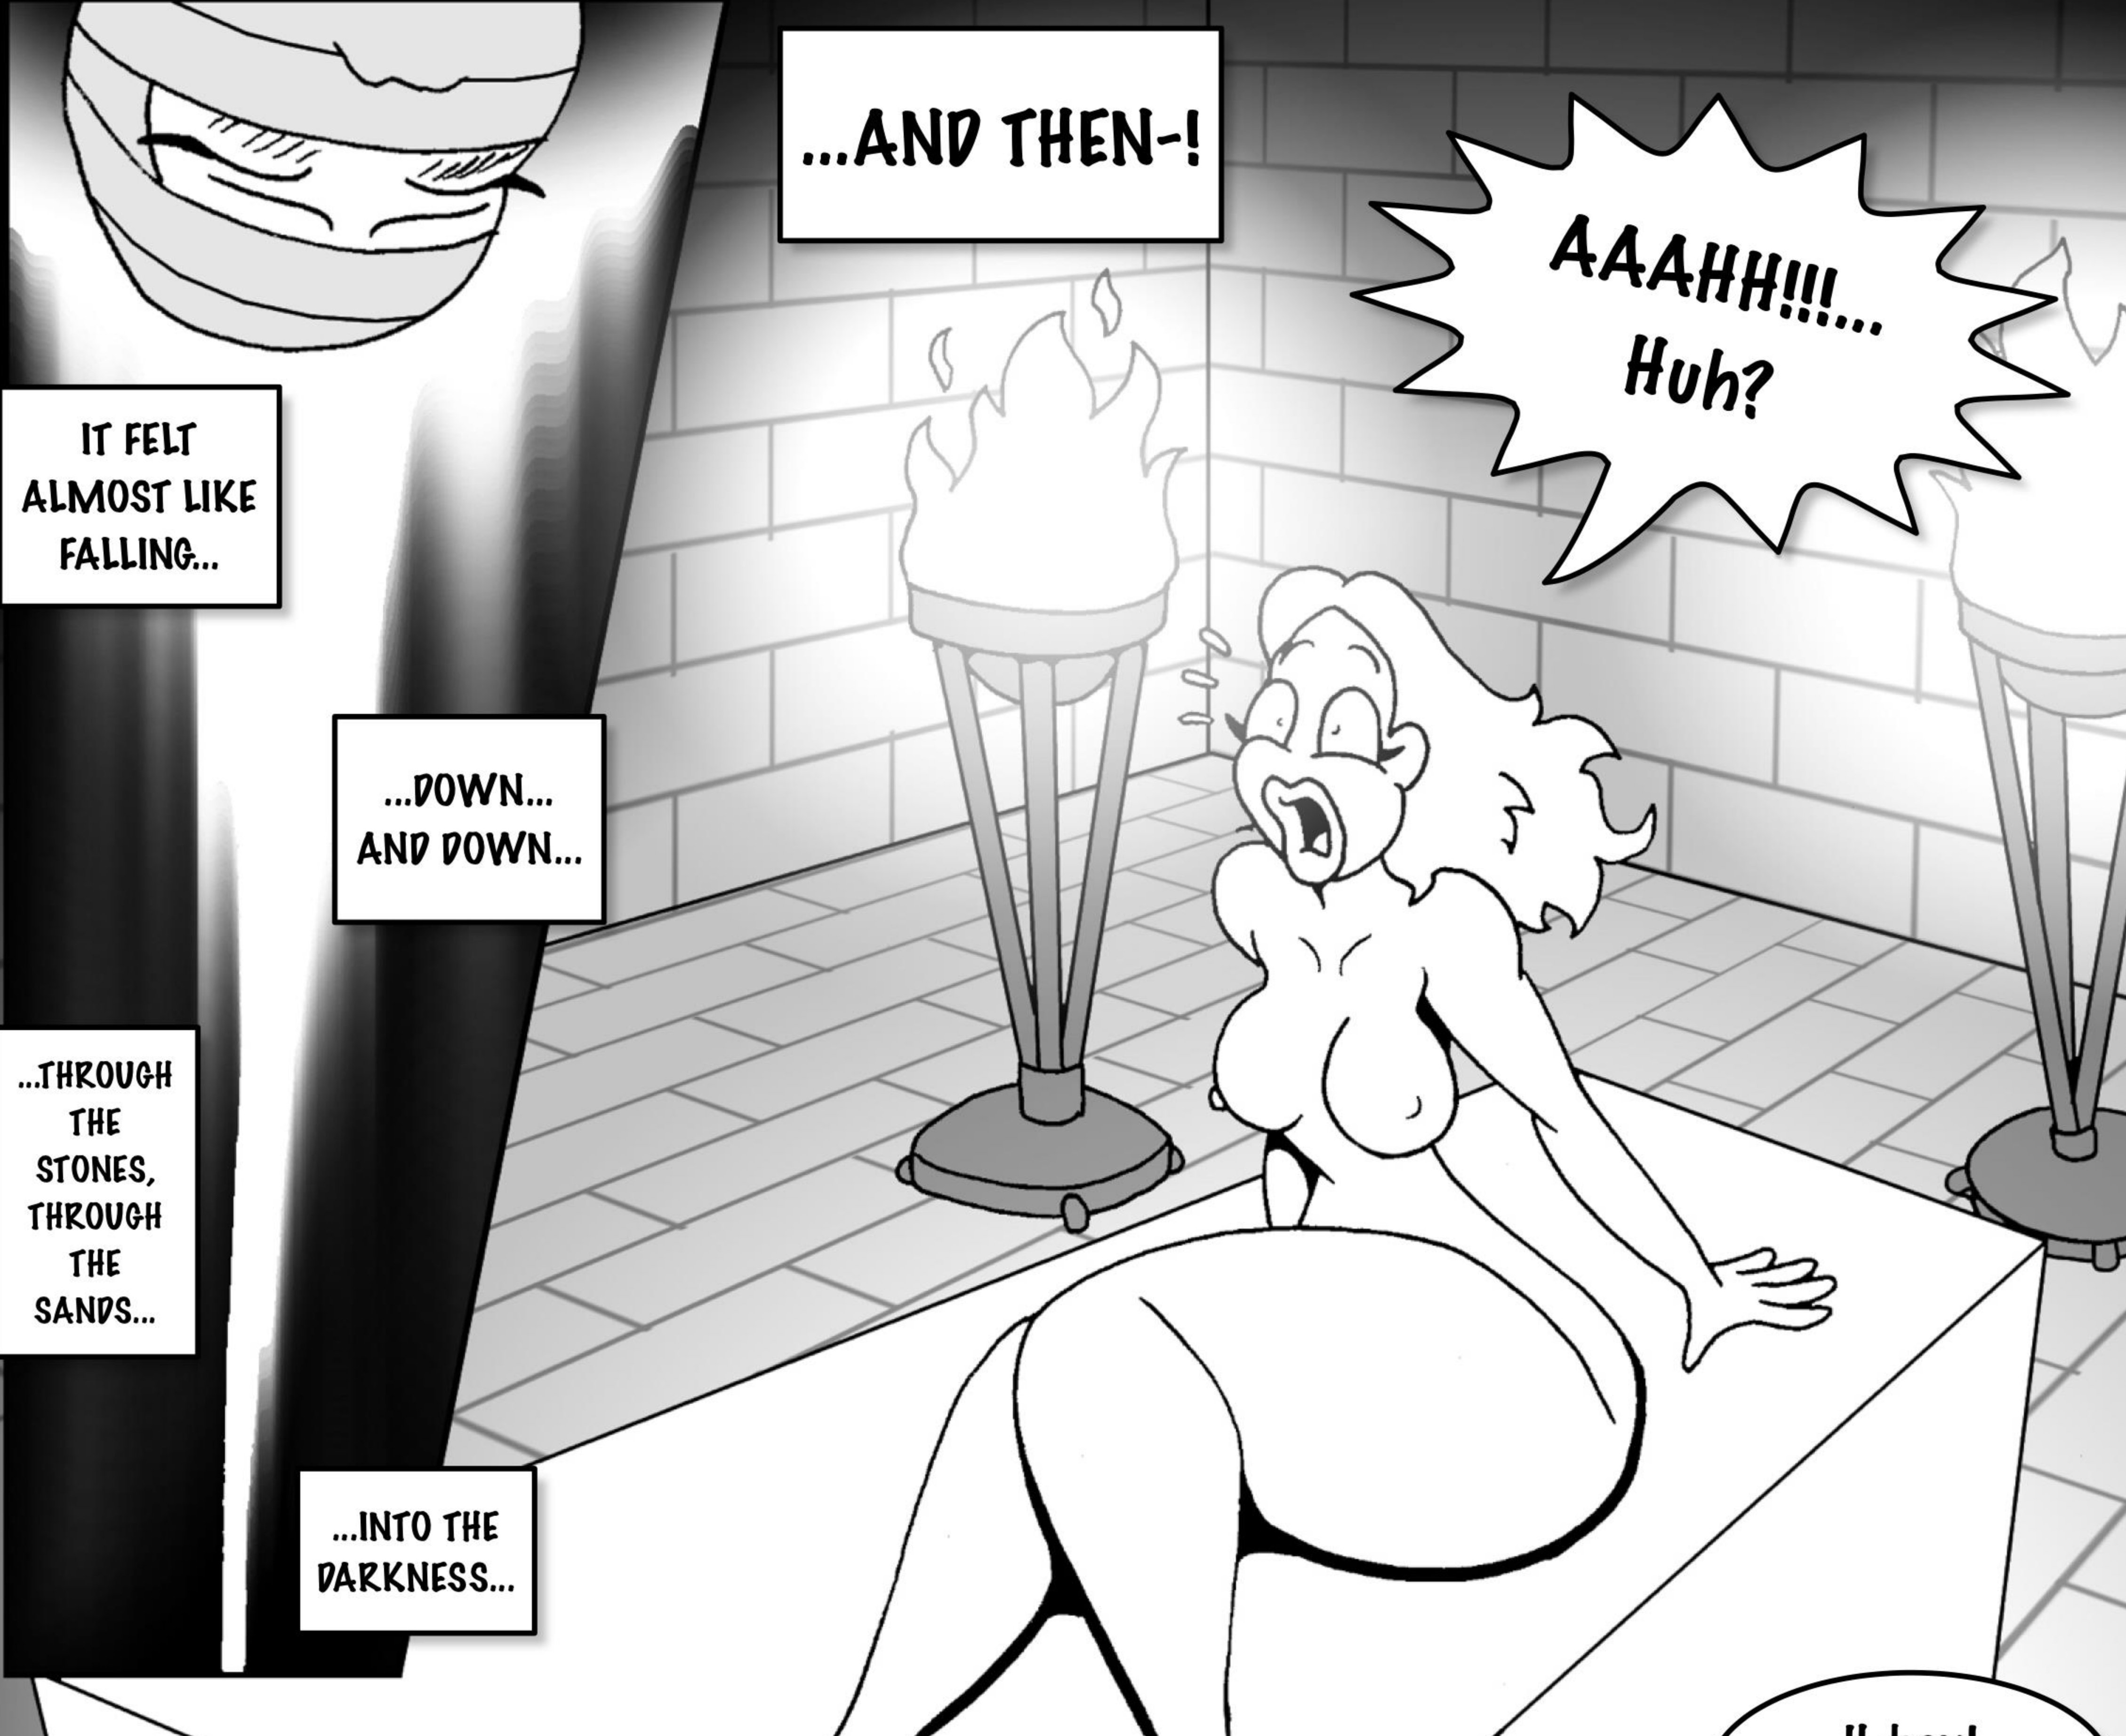

Ah... The process
is complete...

She
awakens...

Whuh...
where am
I?

...and
not that I
mind being
unwrapped,
but why am
I naked?

EEEEK!!!

There's no escaping!!

We'll just see about that...

W-what the heck IS this place?!?!

W-what the...?!?

I, the great Kham Ahn-Tahp, have brought you here to join me in eternity!

This, my straw-haired beauty, is the ASSTRAL PLANE!

Some where beyond the mortal realm... neither heaven nor hell...

This is insane!! You can't be that mummy, he was all, um...

Bones and rags, yes? Hmm-mm, I suppose my earthly body isn't much to look at these days...

Yes, the flesh that was mine in life... Only our unencumbered spirits may exist in this place.

Earthly body?

Your body remains where we left it, entombed beside mine.

It will continue as if in a deep sleep for a while longer... until its resources are depleted.

In a thousand years it will be but bones and rags as well... But your spirit! That will last forever!!

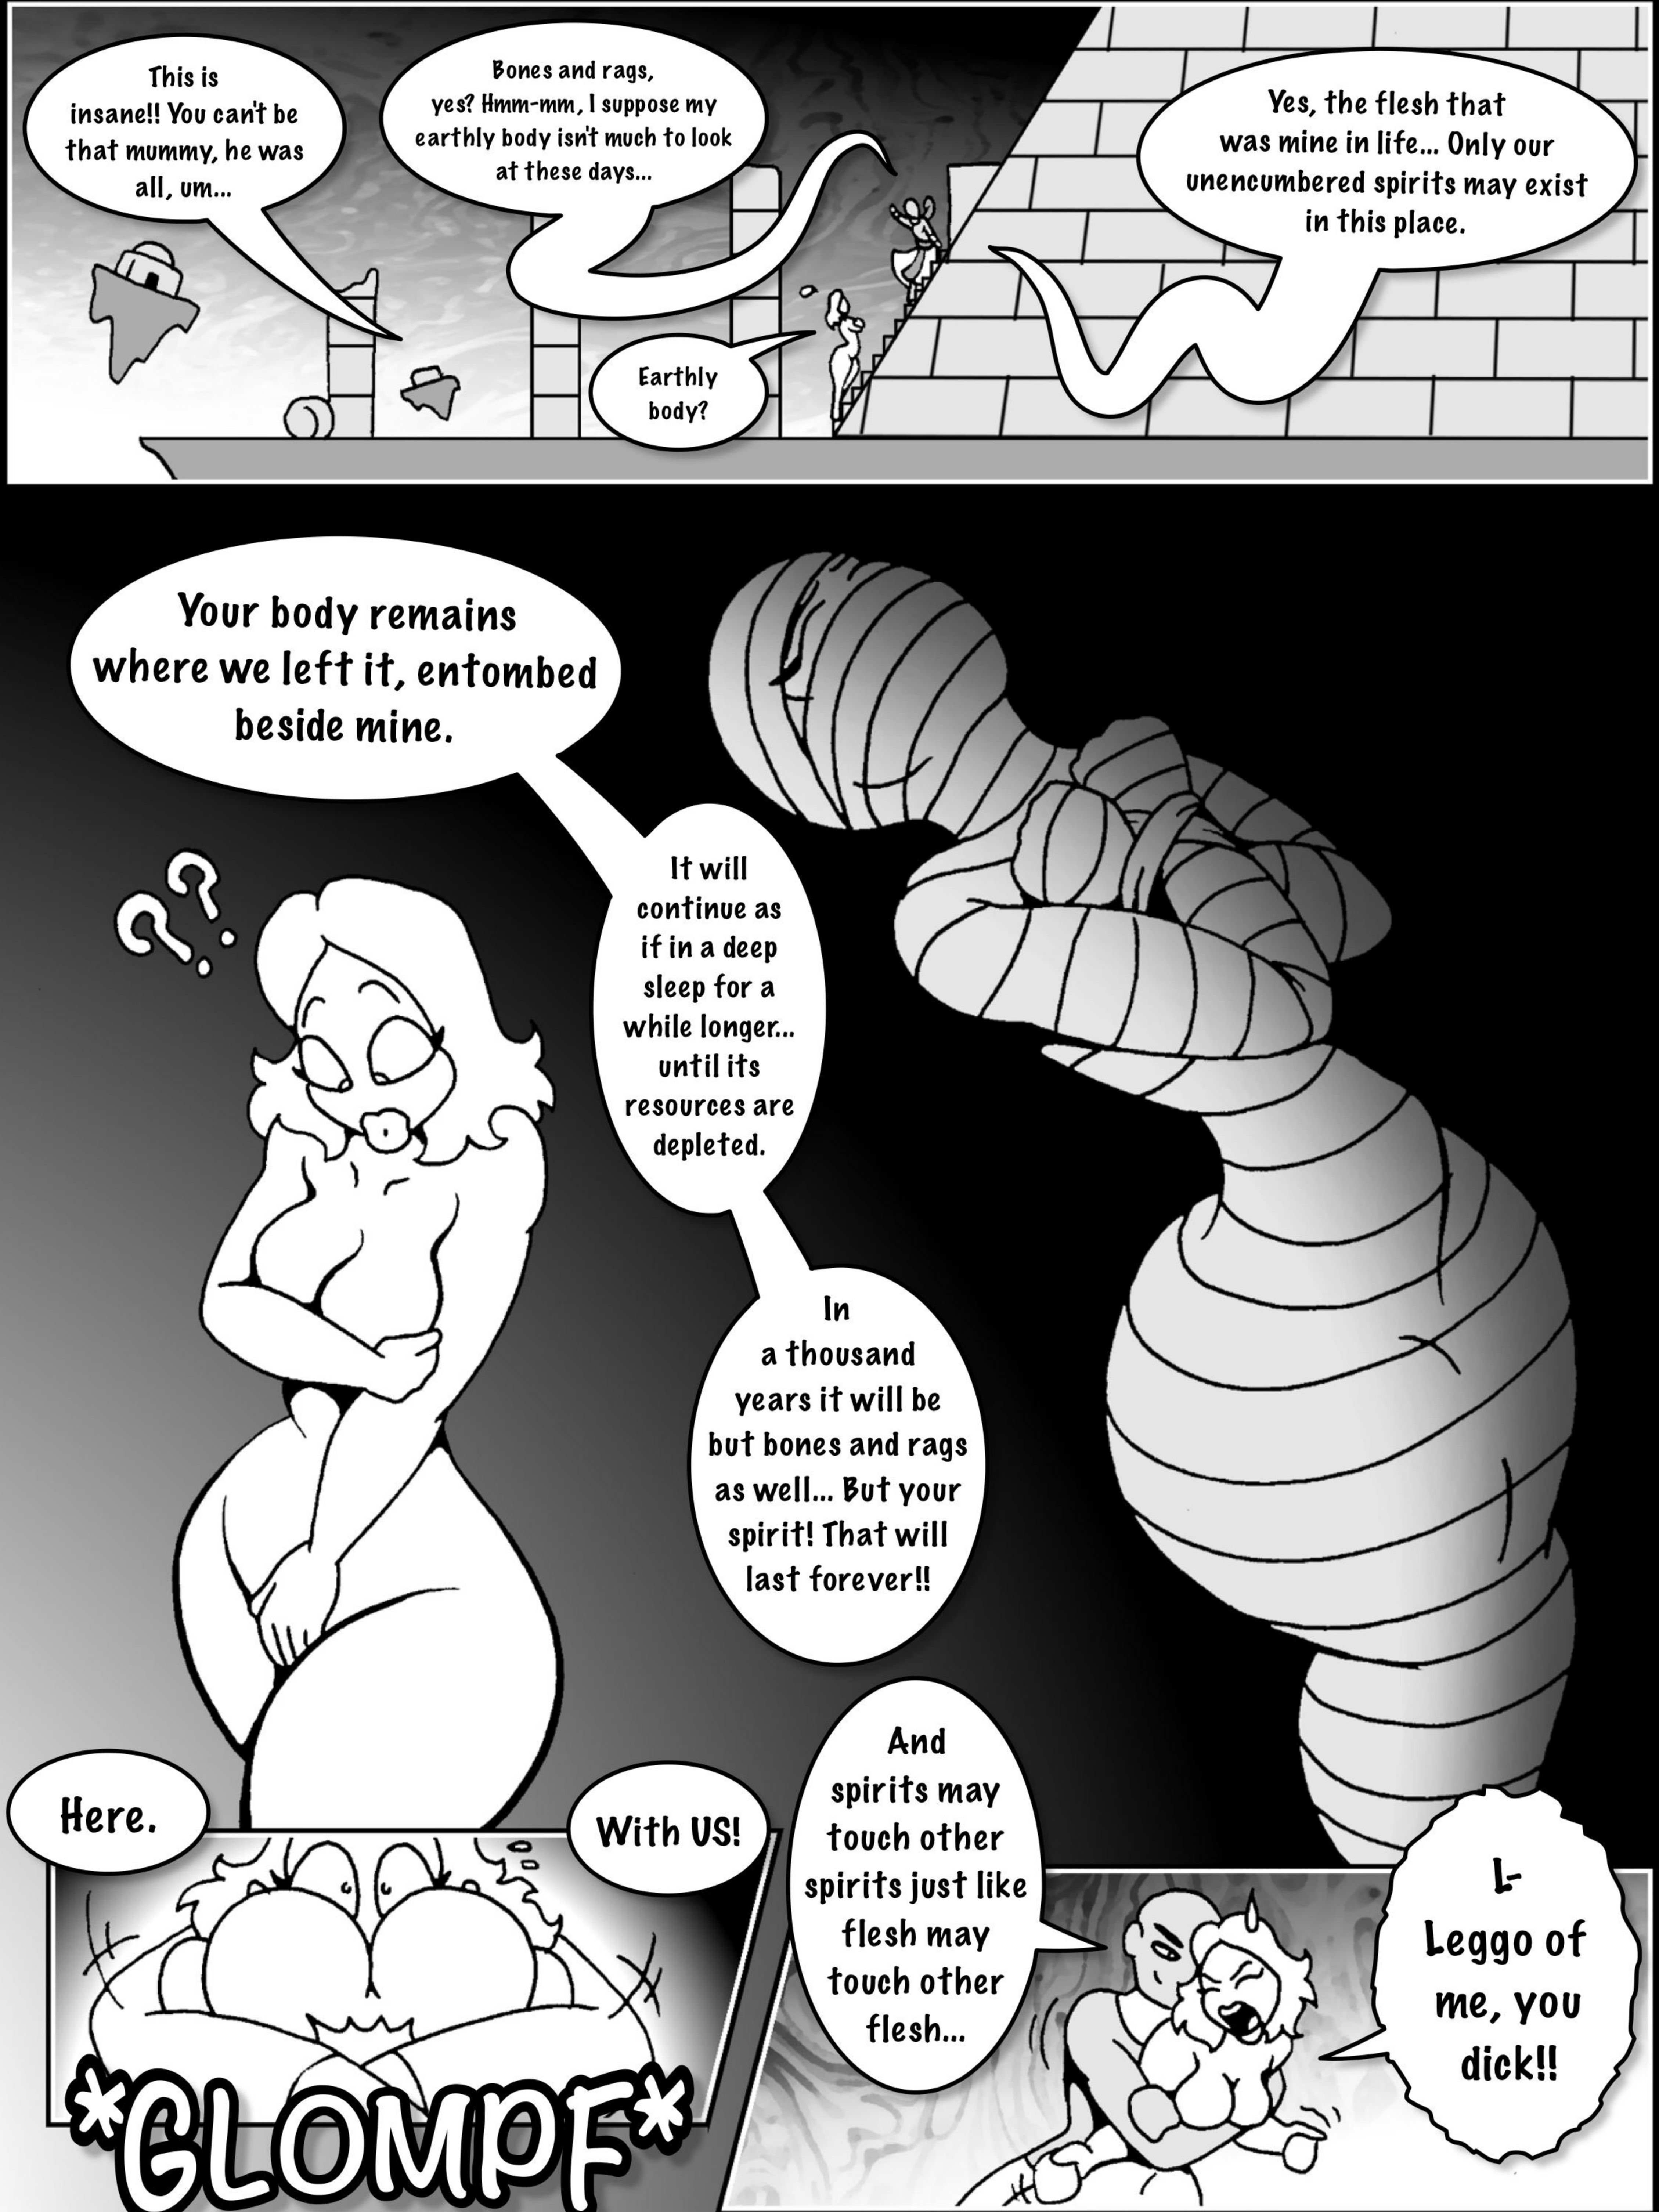

Here.

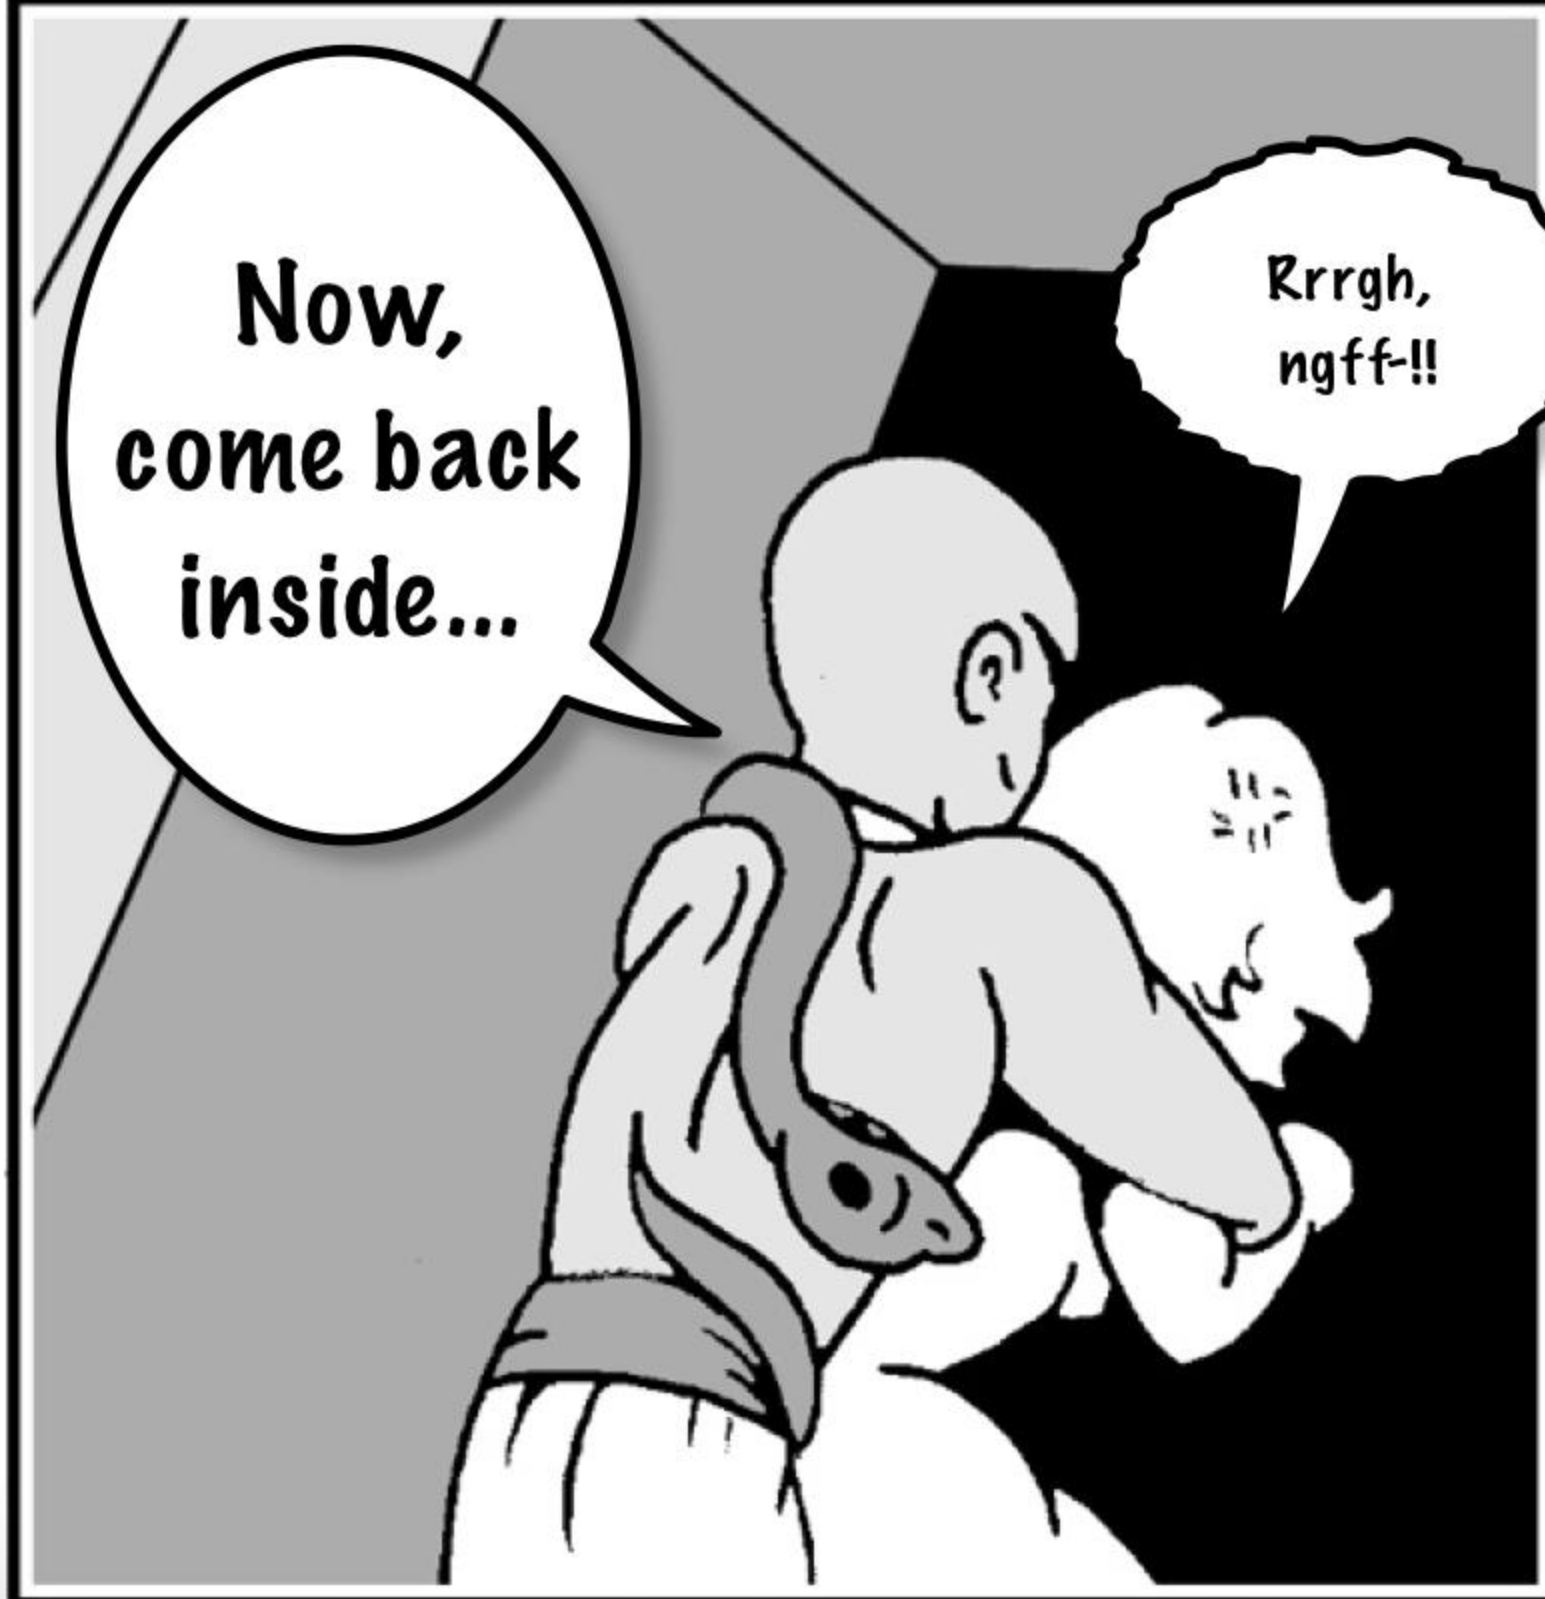

With US!

And spirits may touch other spirits just like flesh may touch other flesh...

L- Leggo of me, you dick!!

GLOMPF

Now, come back inside...

Rrrgh, ngff-!!

We'll have all of time to get to know each other...

Huh???

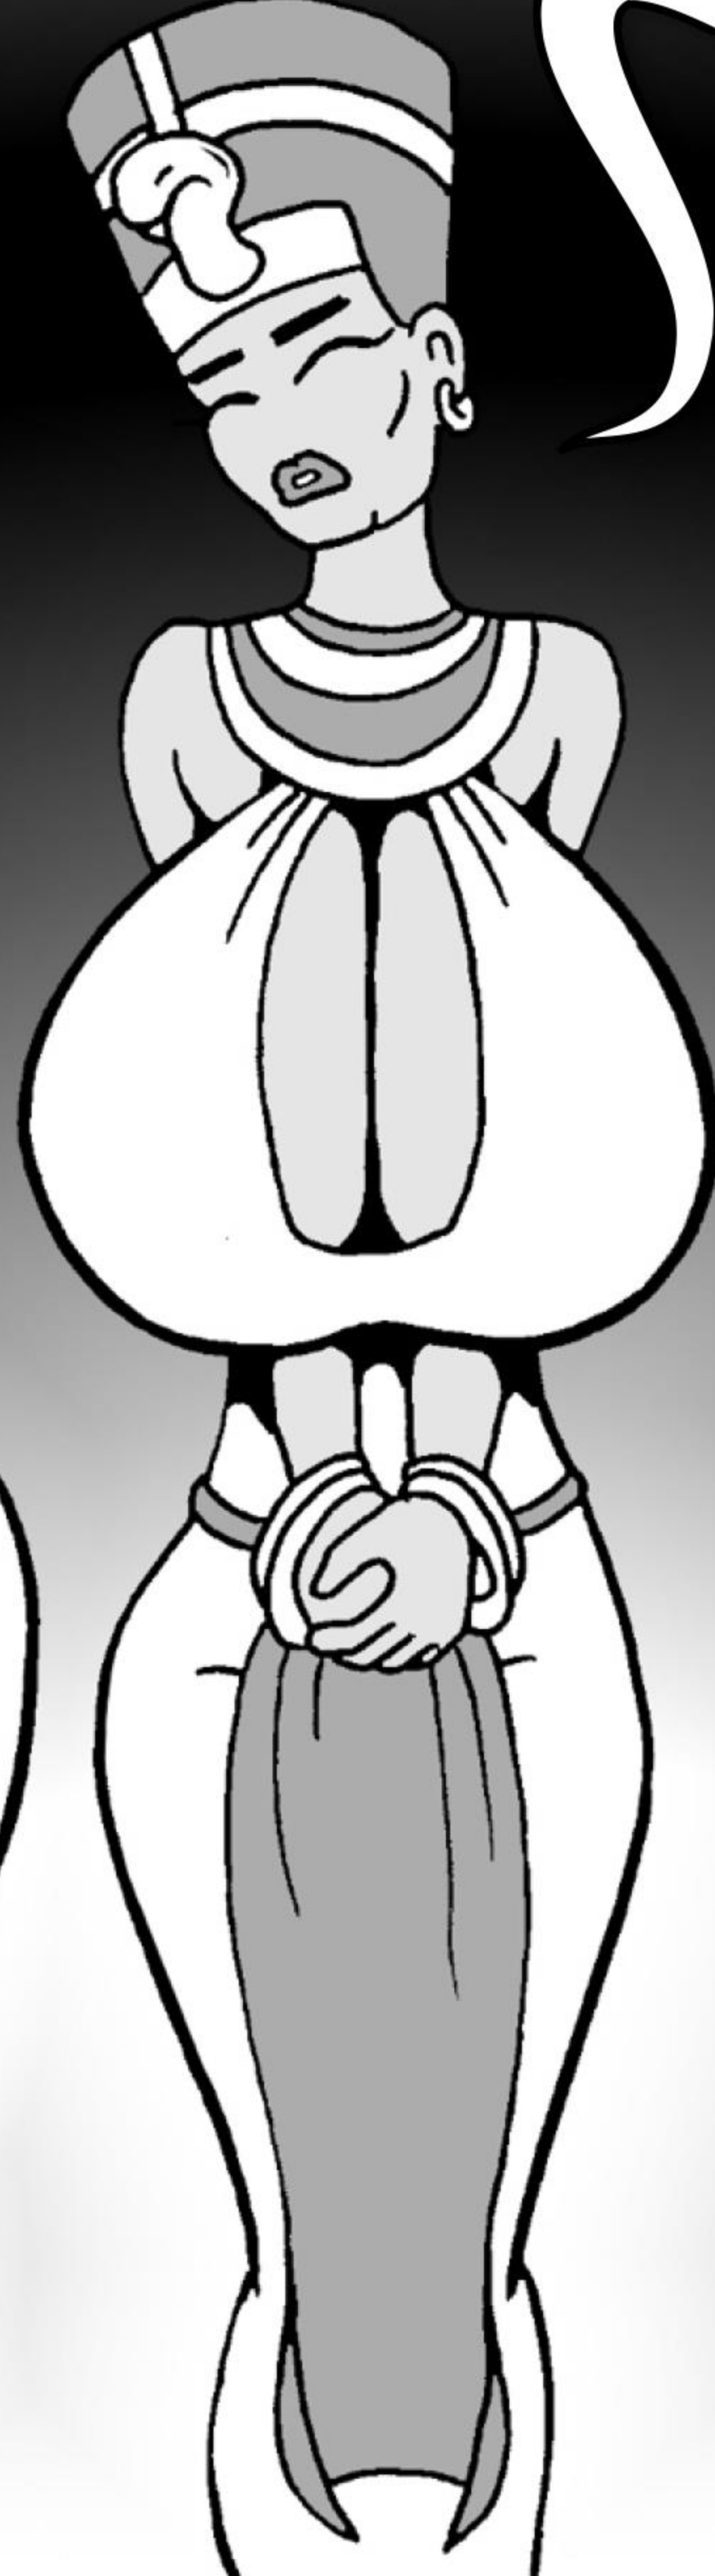

But allow me to introduce you...

'...to your sister-wives!'

Tsk Cleobütra, compose yourself, please. This is a social occasion, and we must observe the proper etiquette.

Yeah! Hey there, girly. I'm Hepshepslut, pleased to meetcha! Gods, we needed a little new blood around here...

Pfft, a camel-haired peasant!? Nefertata, I refuse to accept 'that' as a sister-wife!!

Is 'that' the best you could do, husband?? Did you even shop around?!

Oh, that's a bit harsh... I'm sure we can train her up in the, ah, 'social graces'...

You've all been hounding me for a new playmate for millennia, how about some gratitude?

I think she's cute!

SIGH I'm going to go make preparations for the bonding of souls. You hyenas can get to know our new bride in the meantime.

Oh god, please tell me this is a dream... Tell me I'm not really getting tongued by three ghost women!!

Goody goody!! I love this hair...

W-WHAT?!!

Hmm, I guess she has a certain low charm...

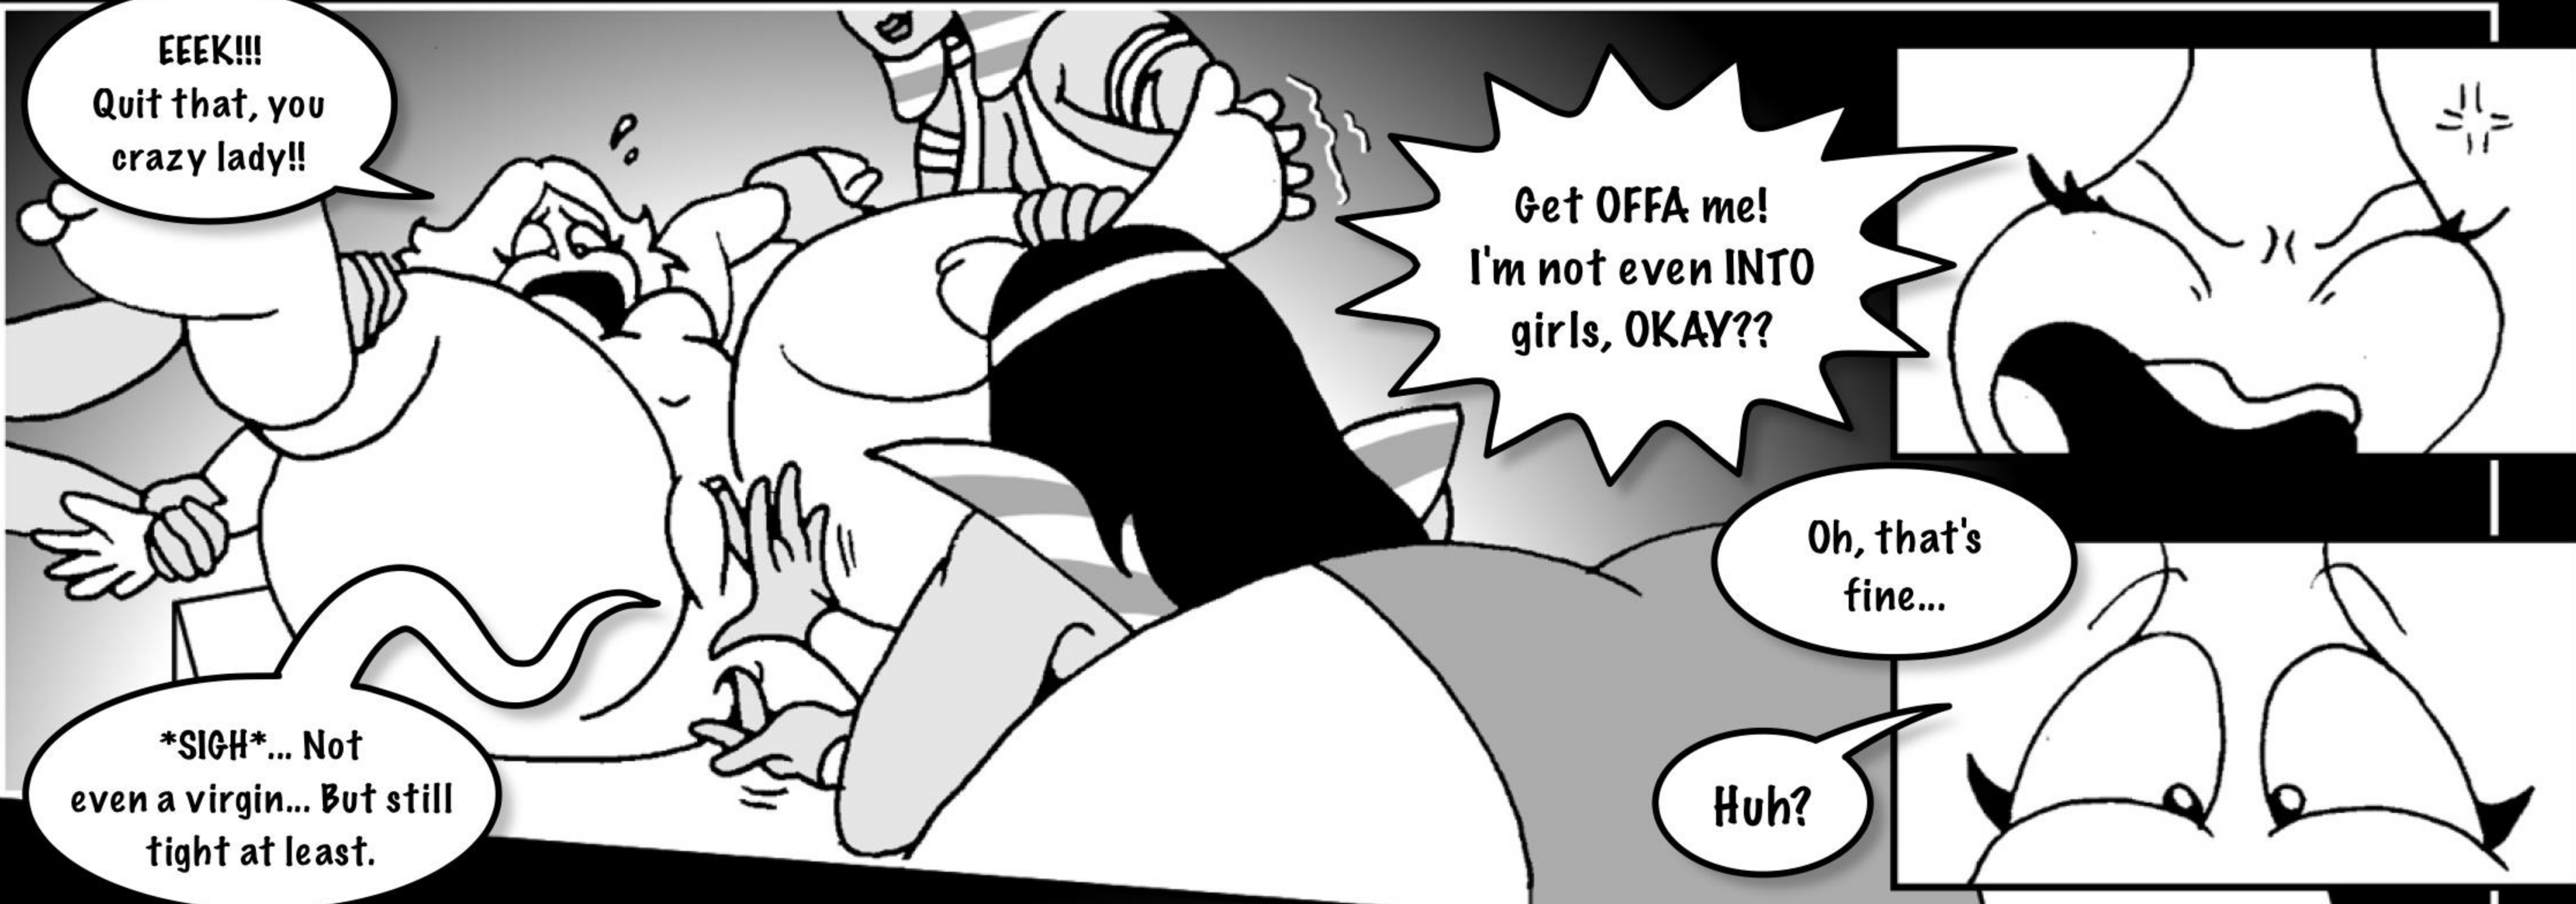

Hmm... Very strong legs...

Get her on the altar. I want her spread wide.

Just relax little dessert bloom, we know what to do.

Ut-tut-tut! We can play rough too, but only if you don't settle down!

O-ow! What are you DOING?! Hey!!!

EEEK!!!
Quit that, you
crazy lady!!

Get OFFA me!
I'm not even INTO
girls, OKAY??

Oh, that's
fine...

SIGH... Not
even a virgin... But still
tight at least.

Huh?

W...whuh...

Kham
Ahn-Tahp may be our
husband, but you're **OUR**
'wife' as well.

Now, I
think you'll
agree that these
helpful little
carvings feel
REMARKABLY
close to the
real thing.

SHLRRP!

FOOMP!

GLURP!

C'mon, keep that bottom up! No being lazy!

Yeah, that's it... Mmm...

GIGGLE
Yaaaa, take my snake!

Mmmn!!
Nnngg!!!

I think she's going to do **QUITE** nicely...
SLURP

You're doing great little honeybee, keep it up!!

...but I'm claiming this ass, for at least the next thousand years!!

MMMF!!!

I guess she'll do... we have eternity to train the little cow to please us proper, anyway.

Oh god... This can't be happening...

Oh, stop whining. We're not monsters, we'd like you to enjoy yourself too.

She's done such a good job, I think she's earned a little reward, yes?

...INSIST, actually... heh heh...

Aw, give her a BIG one!

N-no... Stop touching me... Like... EEEK!!!!

Alright, a BIG one...!

Nnnnn...

GWISH

She's awesome! Can I pick out a fun outfit for her?

You can do whatever you want to her for as long as you want... I intend to!

Mmm... I think she knows her place in the hierarchy now.

I think she'll enjoy being on bottom well enough though, haha!

Huff... Huff...

W-
what is
THIS?!?

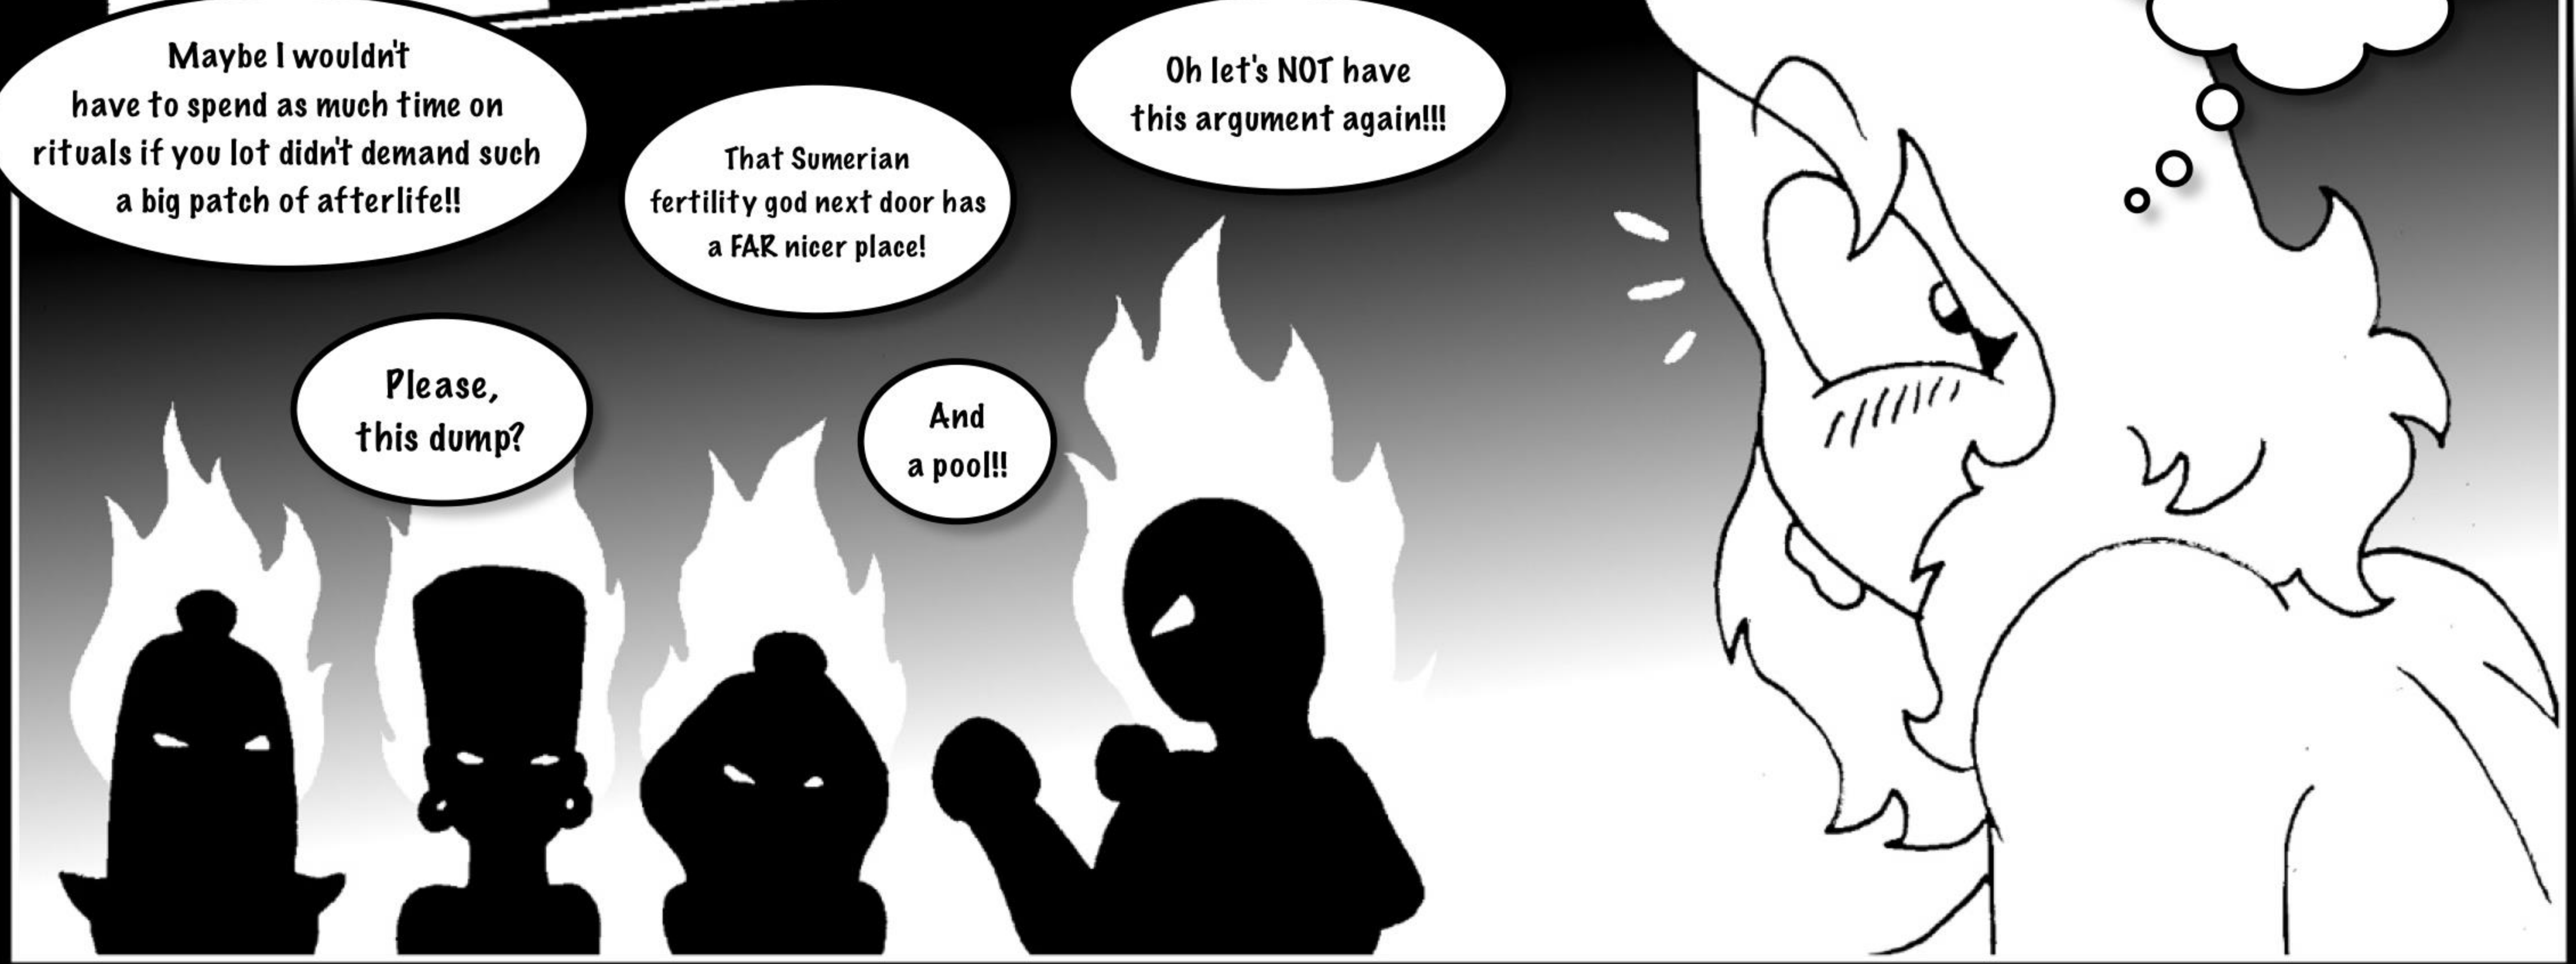

I leave to do one
thing and you jackals all
finished without me!?!?

Well
MAYBE
you shouldn't
have taken so
long. We're
supposed to
wait for you
forever?

Frankly,
'dear', you could
stand to spend a
little more time
with the wives
you already
have.

Yeah... Why do you
think we've been bugging you
for another wife? So YOU could
get your rocks off?

Maybe I wouldn't
have to spend as much time on
rituals if you lot didn't demand such
a big patch of afterlife!!

That Sumerian
fertility god next door has
a FAR nicer place!

Oh let's NOT have
this argument again!!!

Please,
this dump?

And
a pool!!!

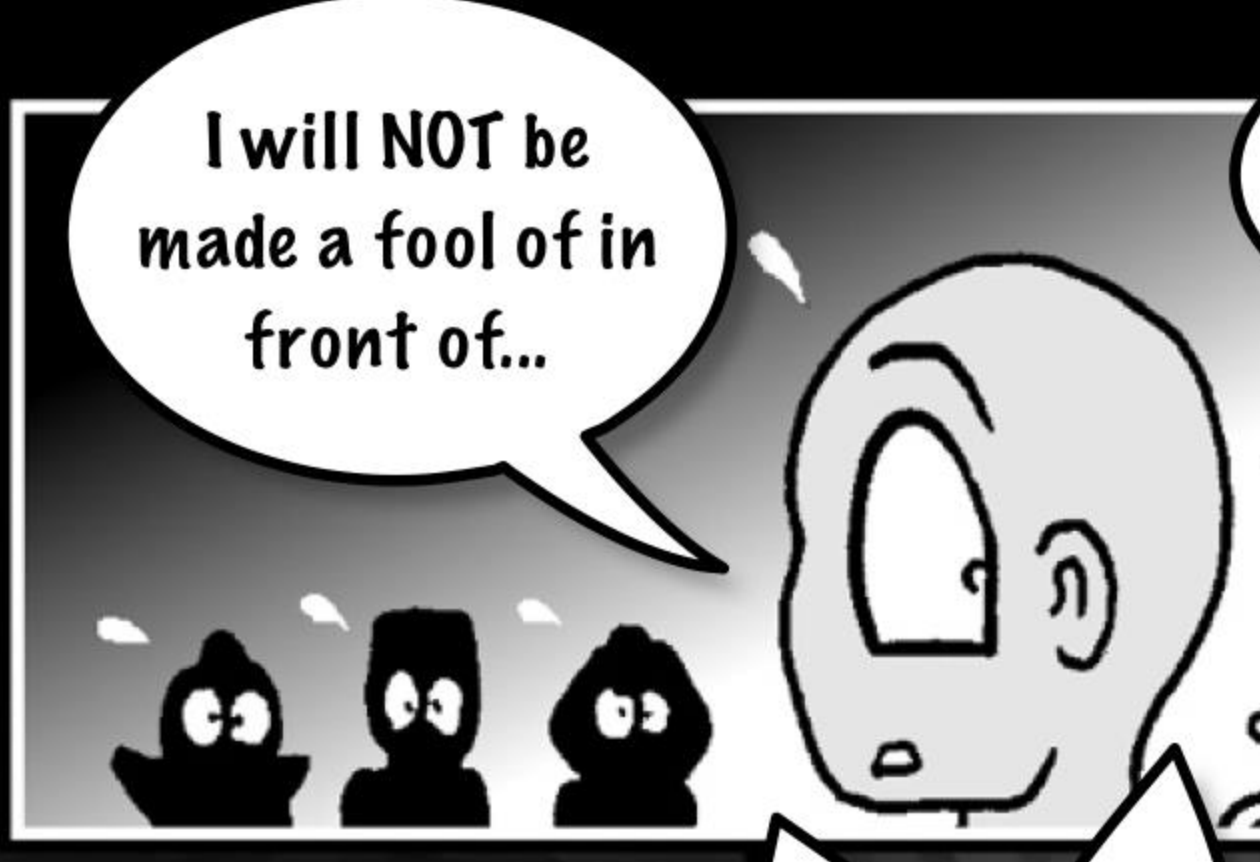

!!!

SILENCE!!! I'm your husband, I say how we do things!

I managed to slip away, but now what??

...and nowhere to hide!!

I will NOT be made a fool of in front of...

...our... desert... blossom...

Huh?

Shitshitshit!!!!

There's no way back to the real world...

COME BACK HEEEEERE!!!!!!!!!!

I see another island, but it's a loooooong way down ...

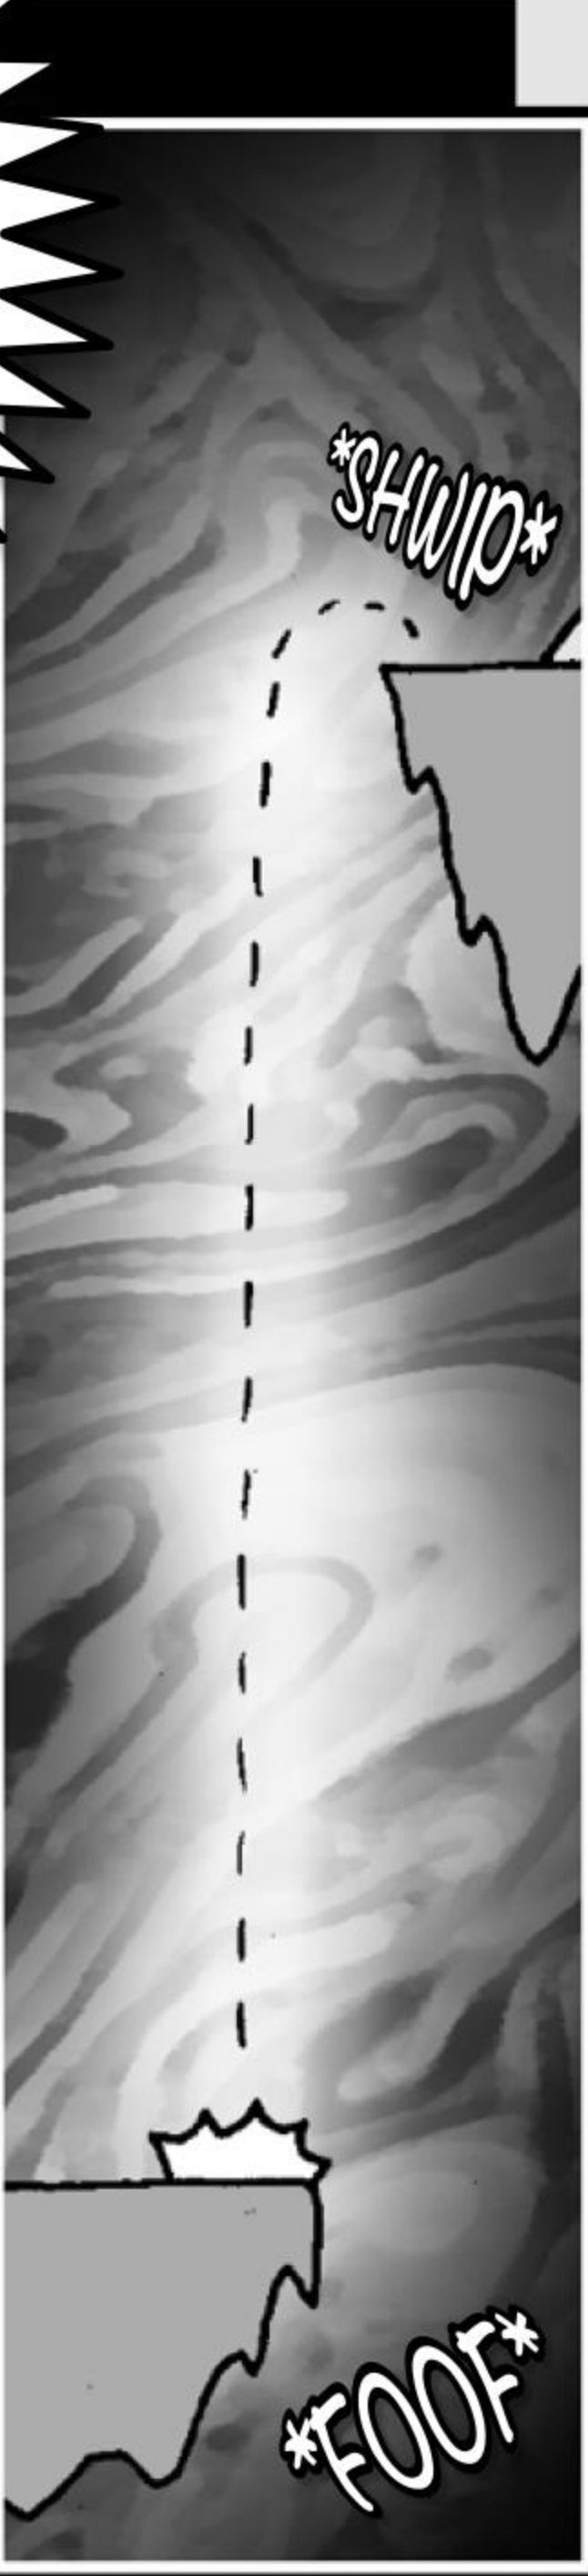

Although... I wonder-

G-GERONIMOOOOO!!!!!!

WHERE ARE YOU?!?

Eep! No time to wonder-

SHUIP

FOOF

Ow... My tush...

But I guess my gamble paid off- if we're all spirits here, no bones to break, huh?

Hmm... Is that a building? M-maybe someone inside can help me out...

I-is anyone h-home?

H-hello?

Nyaaa...

Prrr rrr...

And what do we have here?

A mortal?

It's been quite a while since I saw a mortal...

...murr... Y'know, most people would be groveling in the presence of a GODDESS by now...

Goddess...?
Cat...?

NyaaaA
aawn...

...and
sometimes
I even
answer to
it.

I've been called
that name before...

H-hang
on... I learned
about you in
class! You're
BASTET?!

I'll scratch
YOUR back if you
scratch MINE.

U-um...!!

H-hey,
you're a goddess
of protection
right? Against
evil spirits and
stuff?

Can you help me?? I got
soul-napped by some crazy
mummy and his wives...

I managed to get away,
but I don't know how to get home,
and now they're after me!!!

SIGH
And you want me
to do something,
don't you?

Well... I WAS
planning on napping for
another century or two, but
you seem like a nice girl. I'll
make you a deal.

...oh. She
meant, 'literally'.

...I'd do
it, but it's
like trying to
tickle yourself-
it just doesn't
work!

...still better than
anything that ho-rem
would do to me!

Well...

AND SO...

Mmmreow...
Th-that's good,
keep going...

Harder,
right by my
tail!!

Ffft
Does her
tail HAVE to
be rubbing
my nose??
It tickles!!

Mur-
hrrrr-!!!!

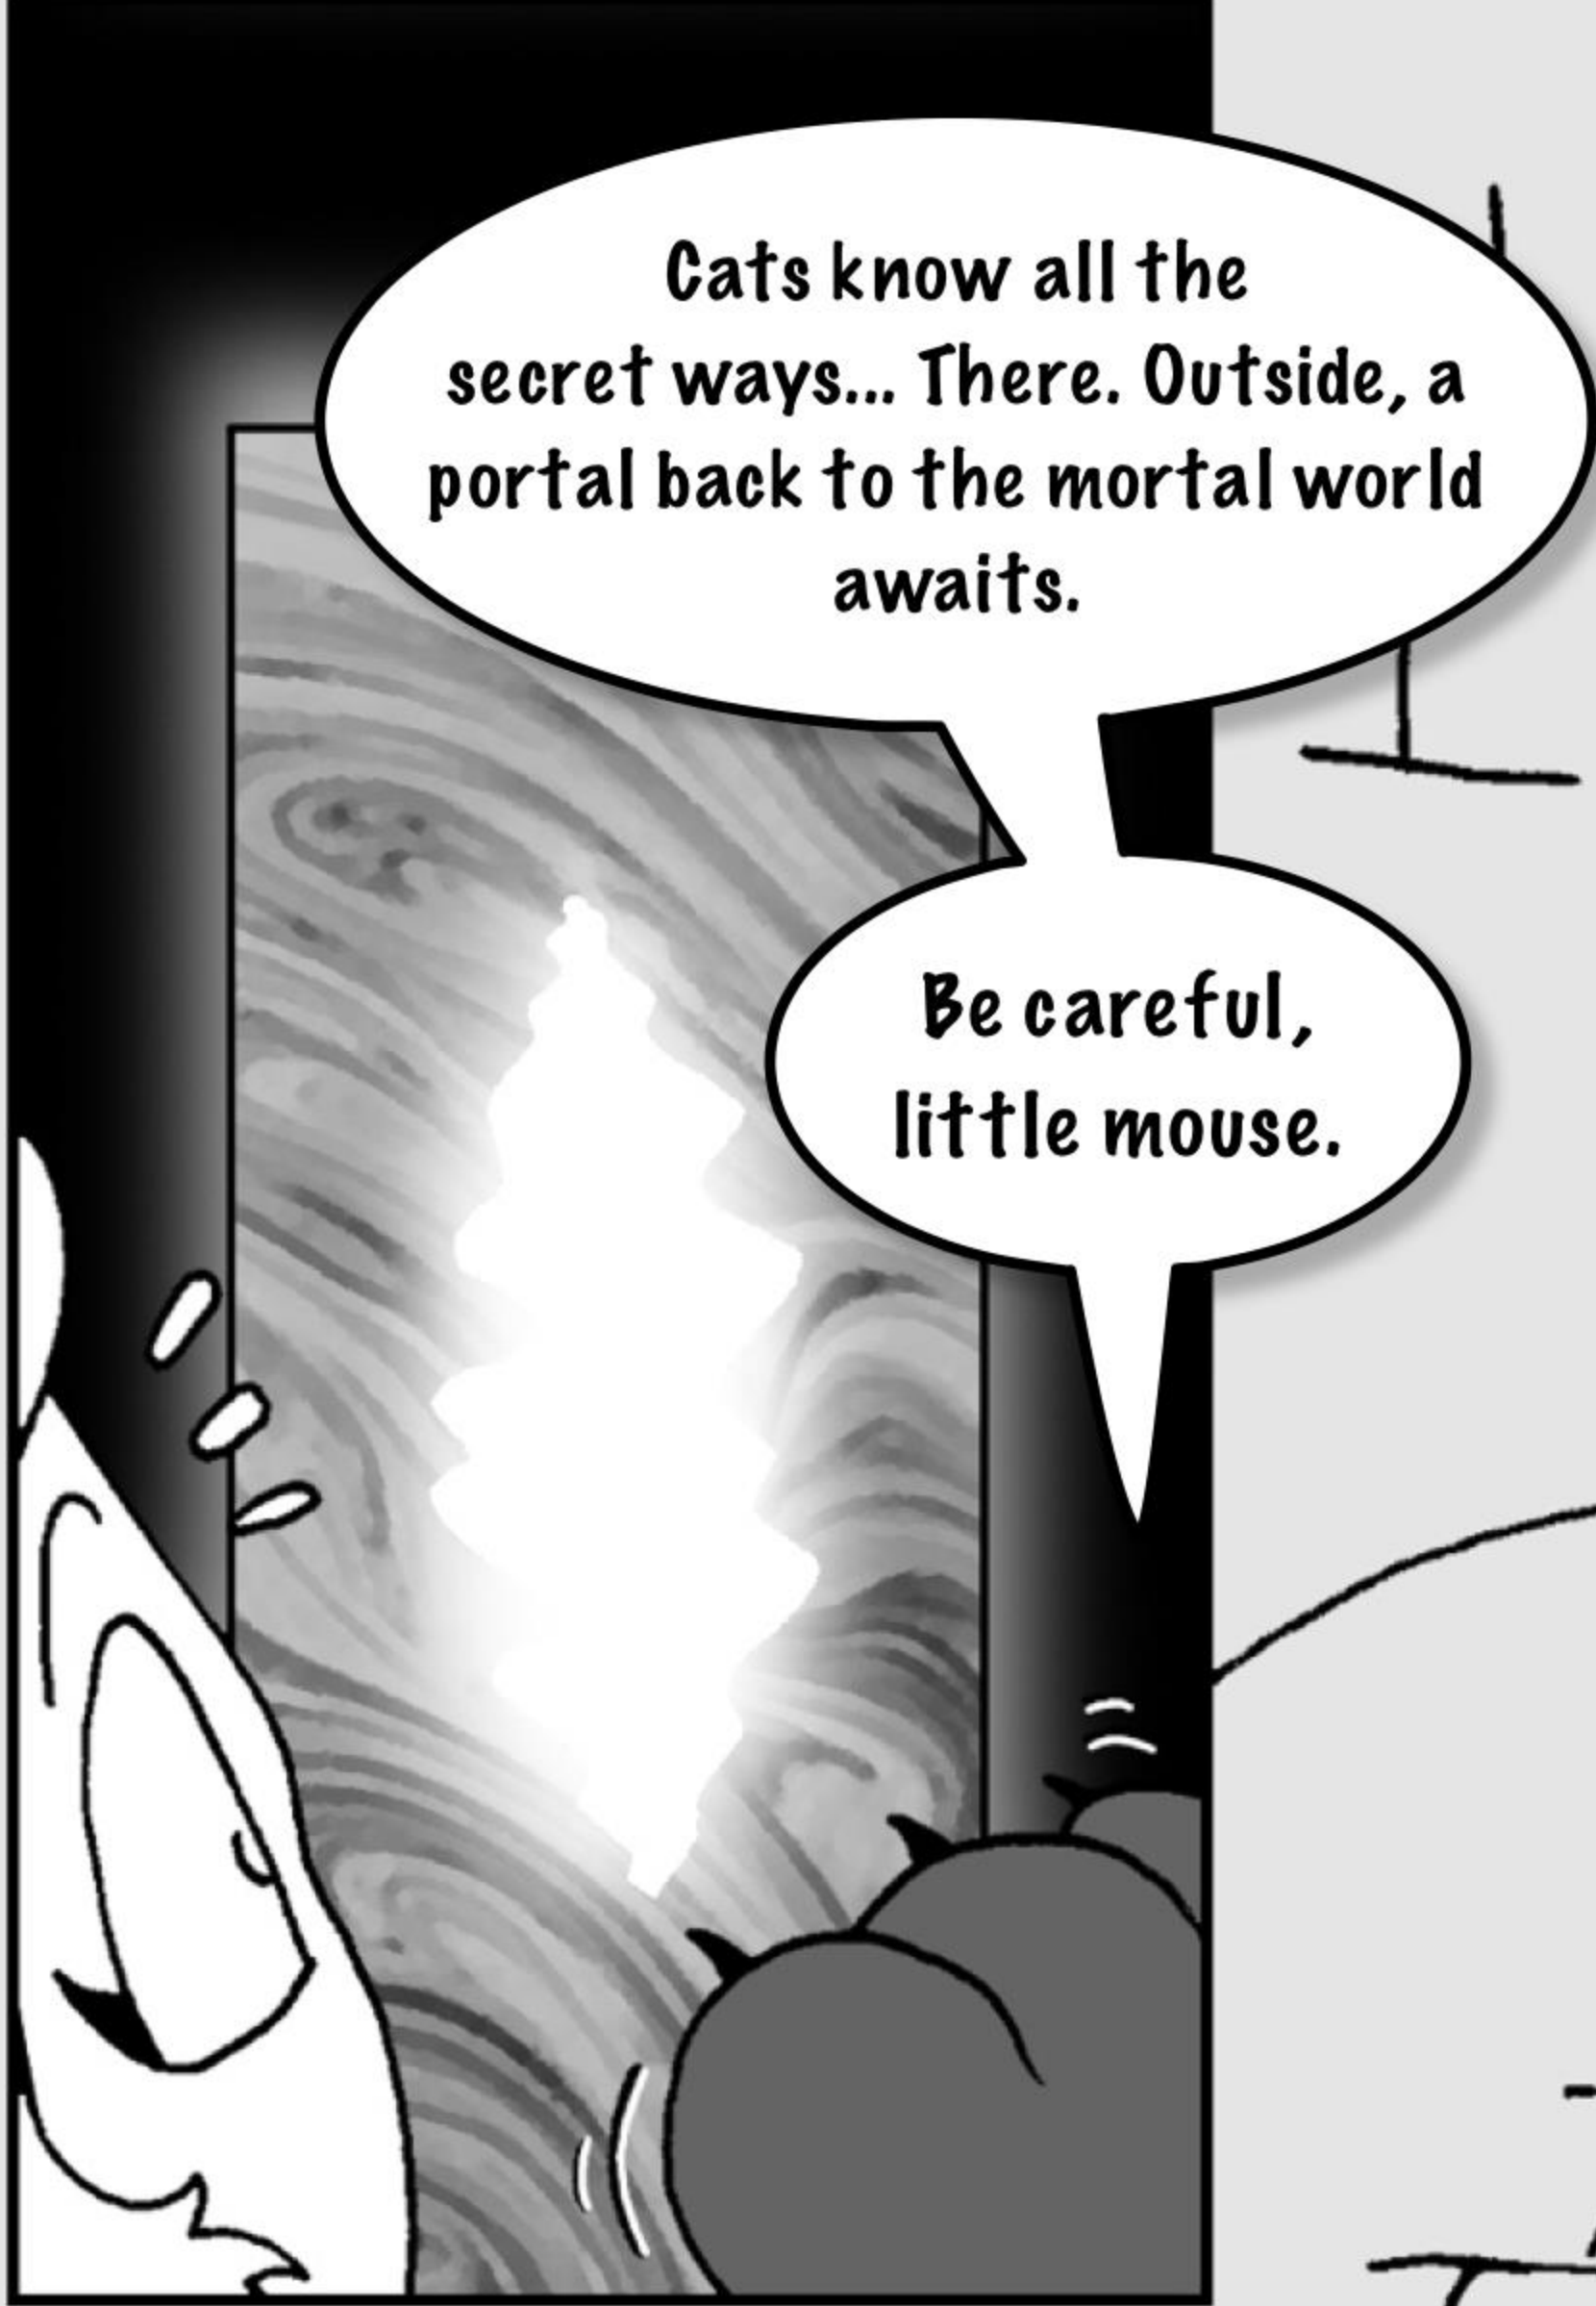

Okay
that's good-

Eeek!?!
FWUMP

Purrrr.. I don't
supposed you'd like to stick
around? I could use another full
time worshipper, especially one
with such a comfy lap.

Fnuh
Th-thanks,
b-but I really
better be
getting
back...

Mmm.
Pity.

Cats know all the secret ways... There. Outside, a portal back to the mortal world awaits.

Be careful, little mouse.

O-okay... Looks like the coast is clear... Almost there...

FOUND YOU!!!

EEEEEEK!!!

You're coming with ME!

Feet, don't fail me now!!

Grrr... Alright, the hard way it is!

BACK THROUGH THE DARKNESS ROUX
FLEW, FASTER THAN LIGHT, ONLY
FINALLY COMING TO A STOP-

-BACK IN HER
PHYSICAL BODY!

SHOONK

GASP
I-I'm back!!
Thank god!!

Now, if I
can just get
loose of these
wrappings...

M-
MMMFF?!?

MEANWHILE,
OUTSIDE-

Rrrg, no good...
They're too tight, and I
gotta get moving!

Feet,
don't fail me
now!!!

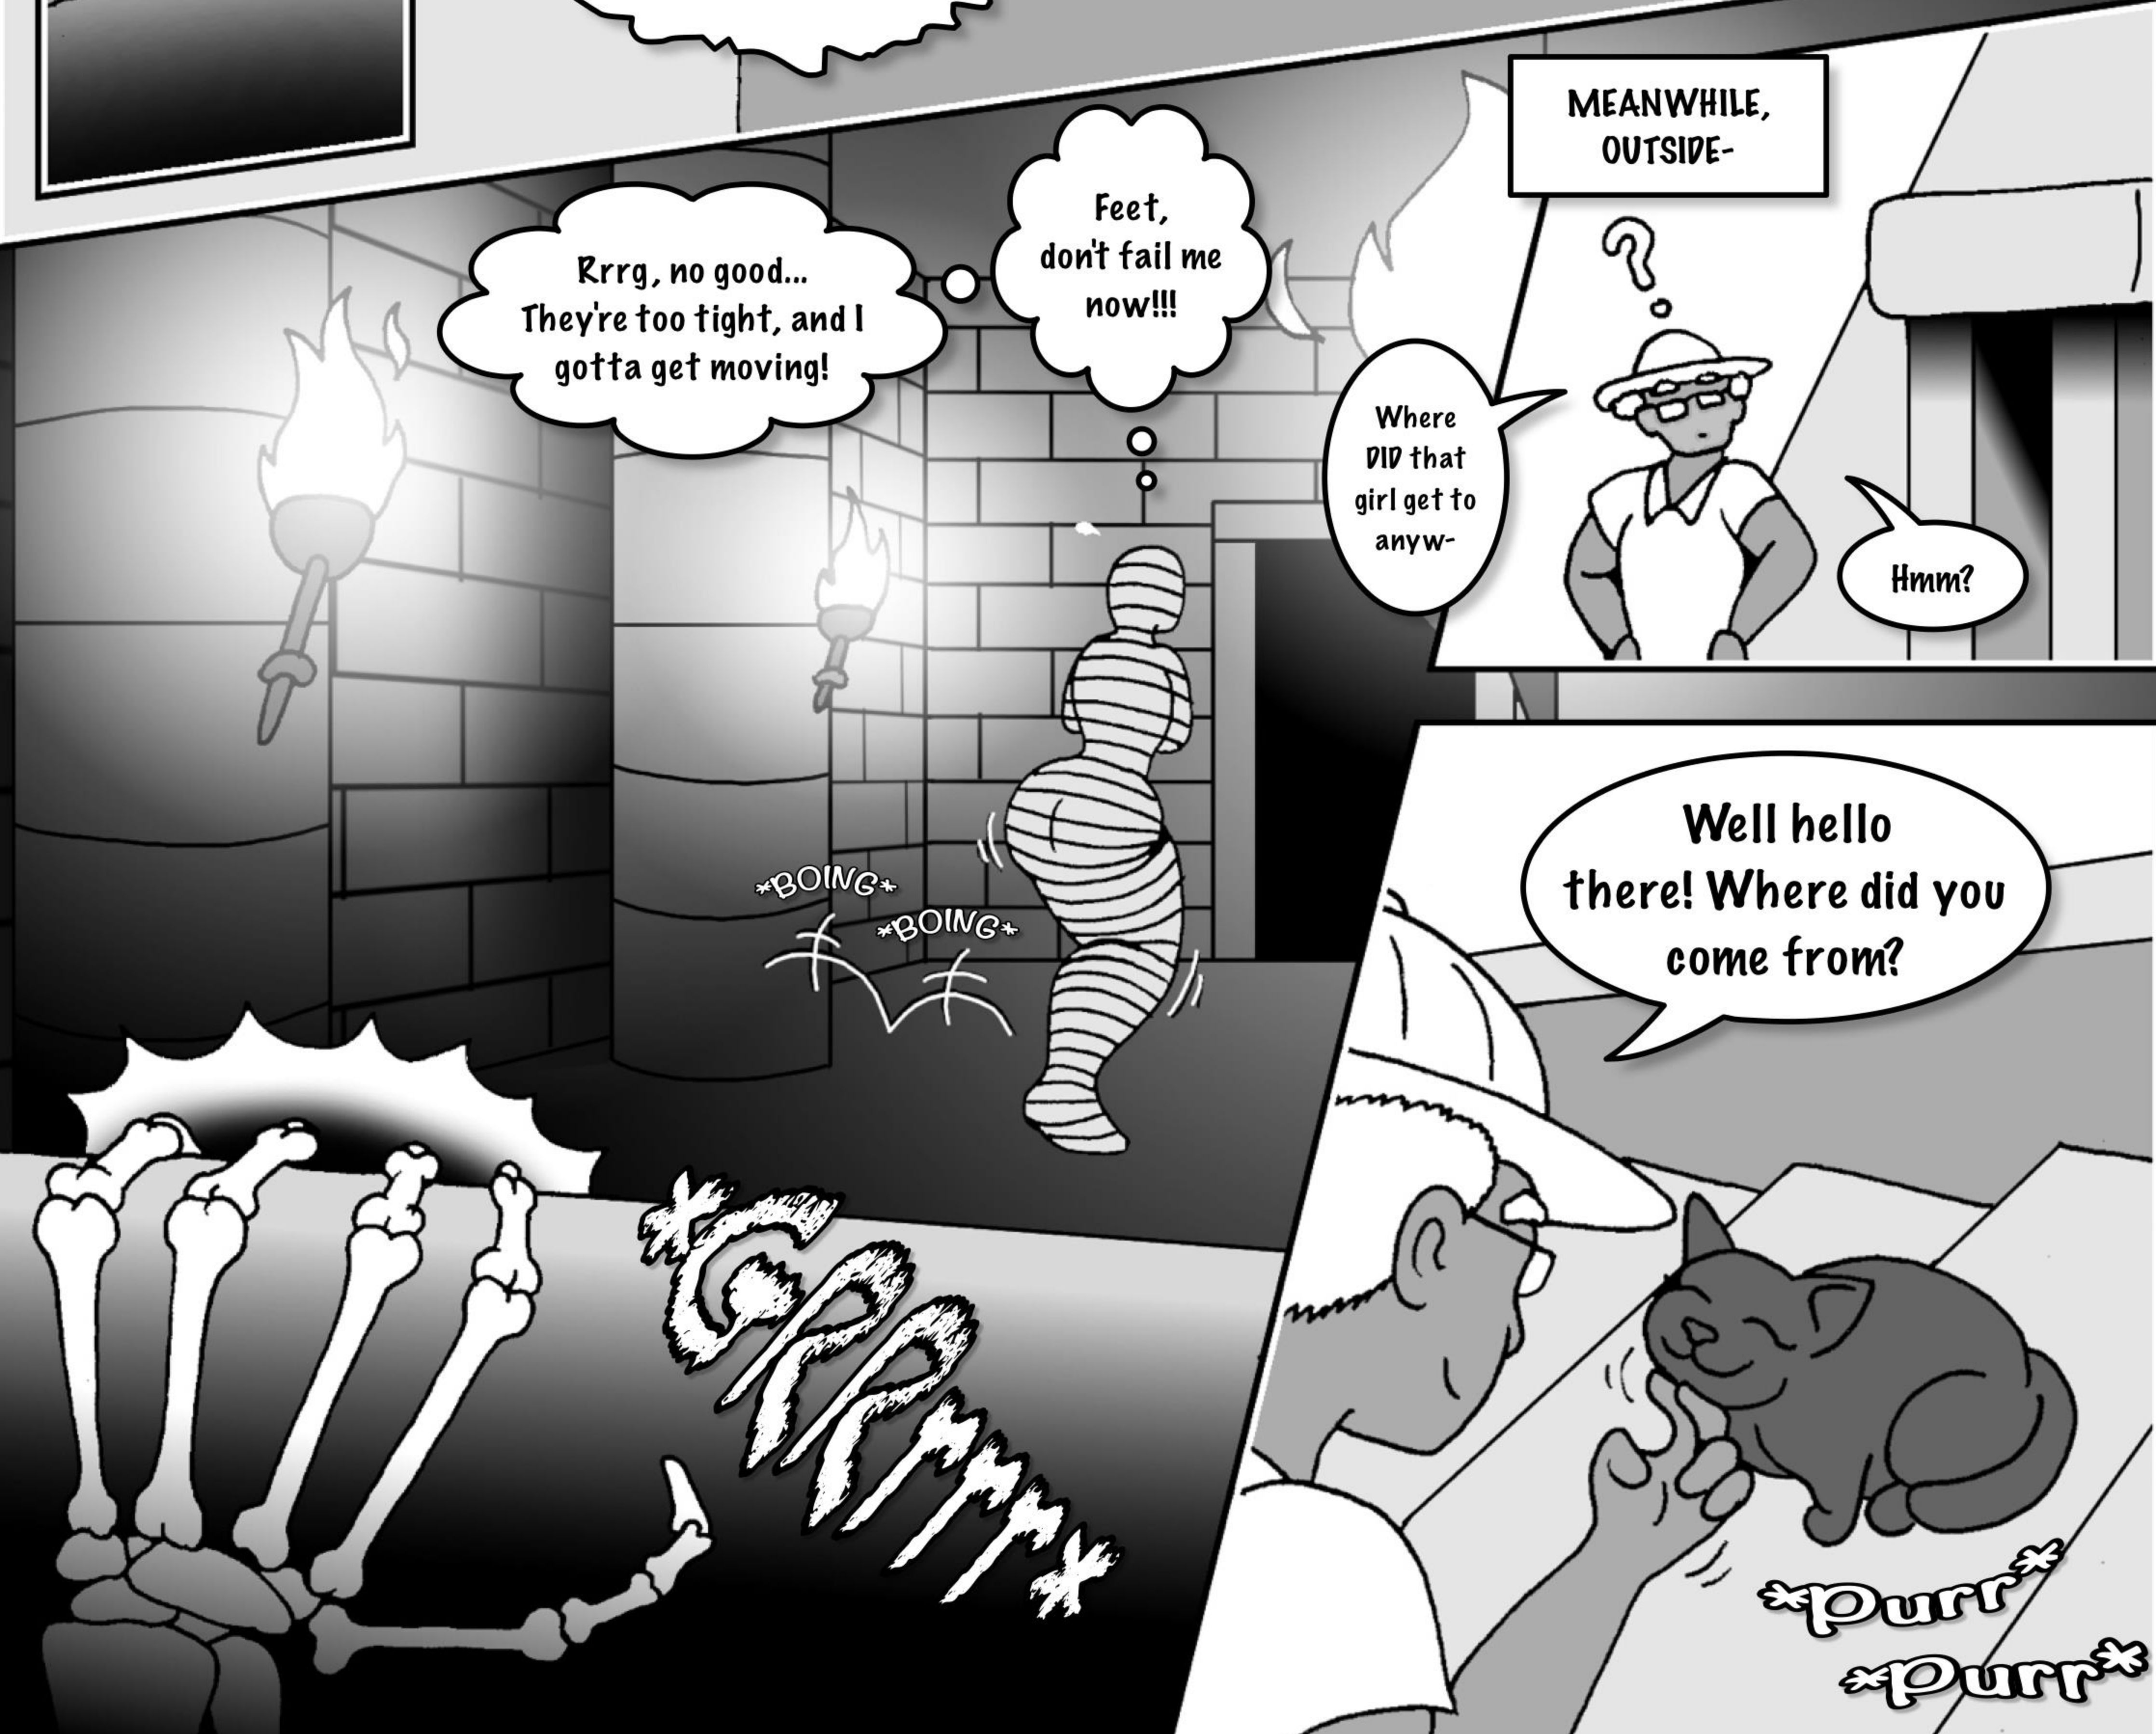

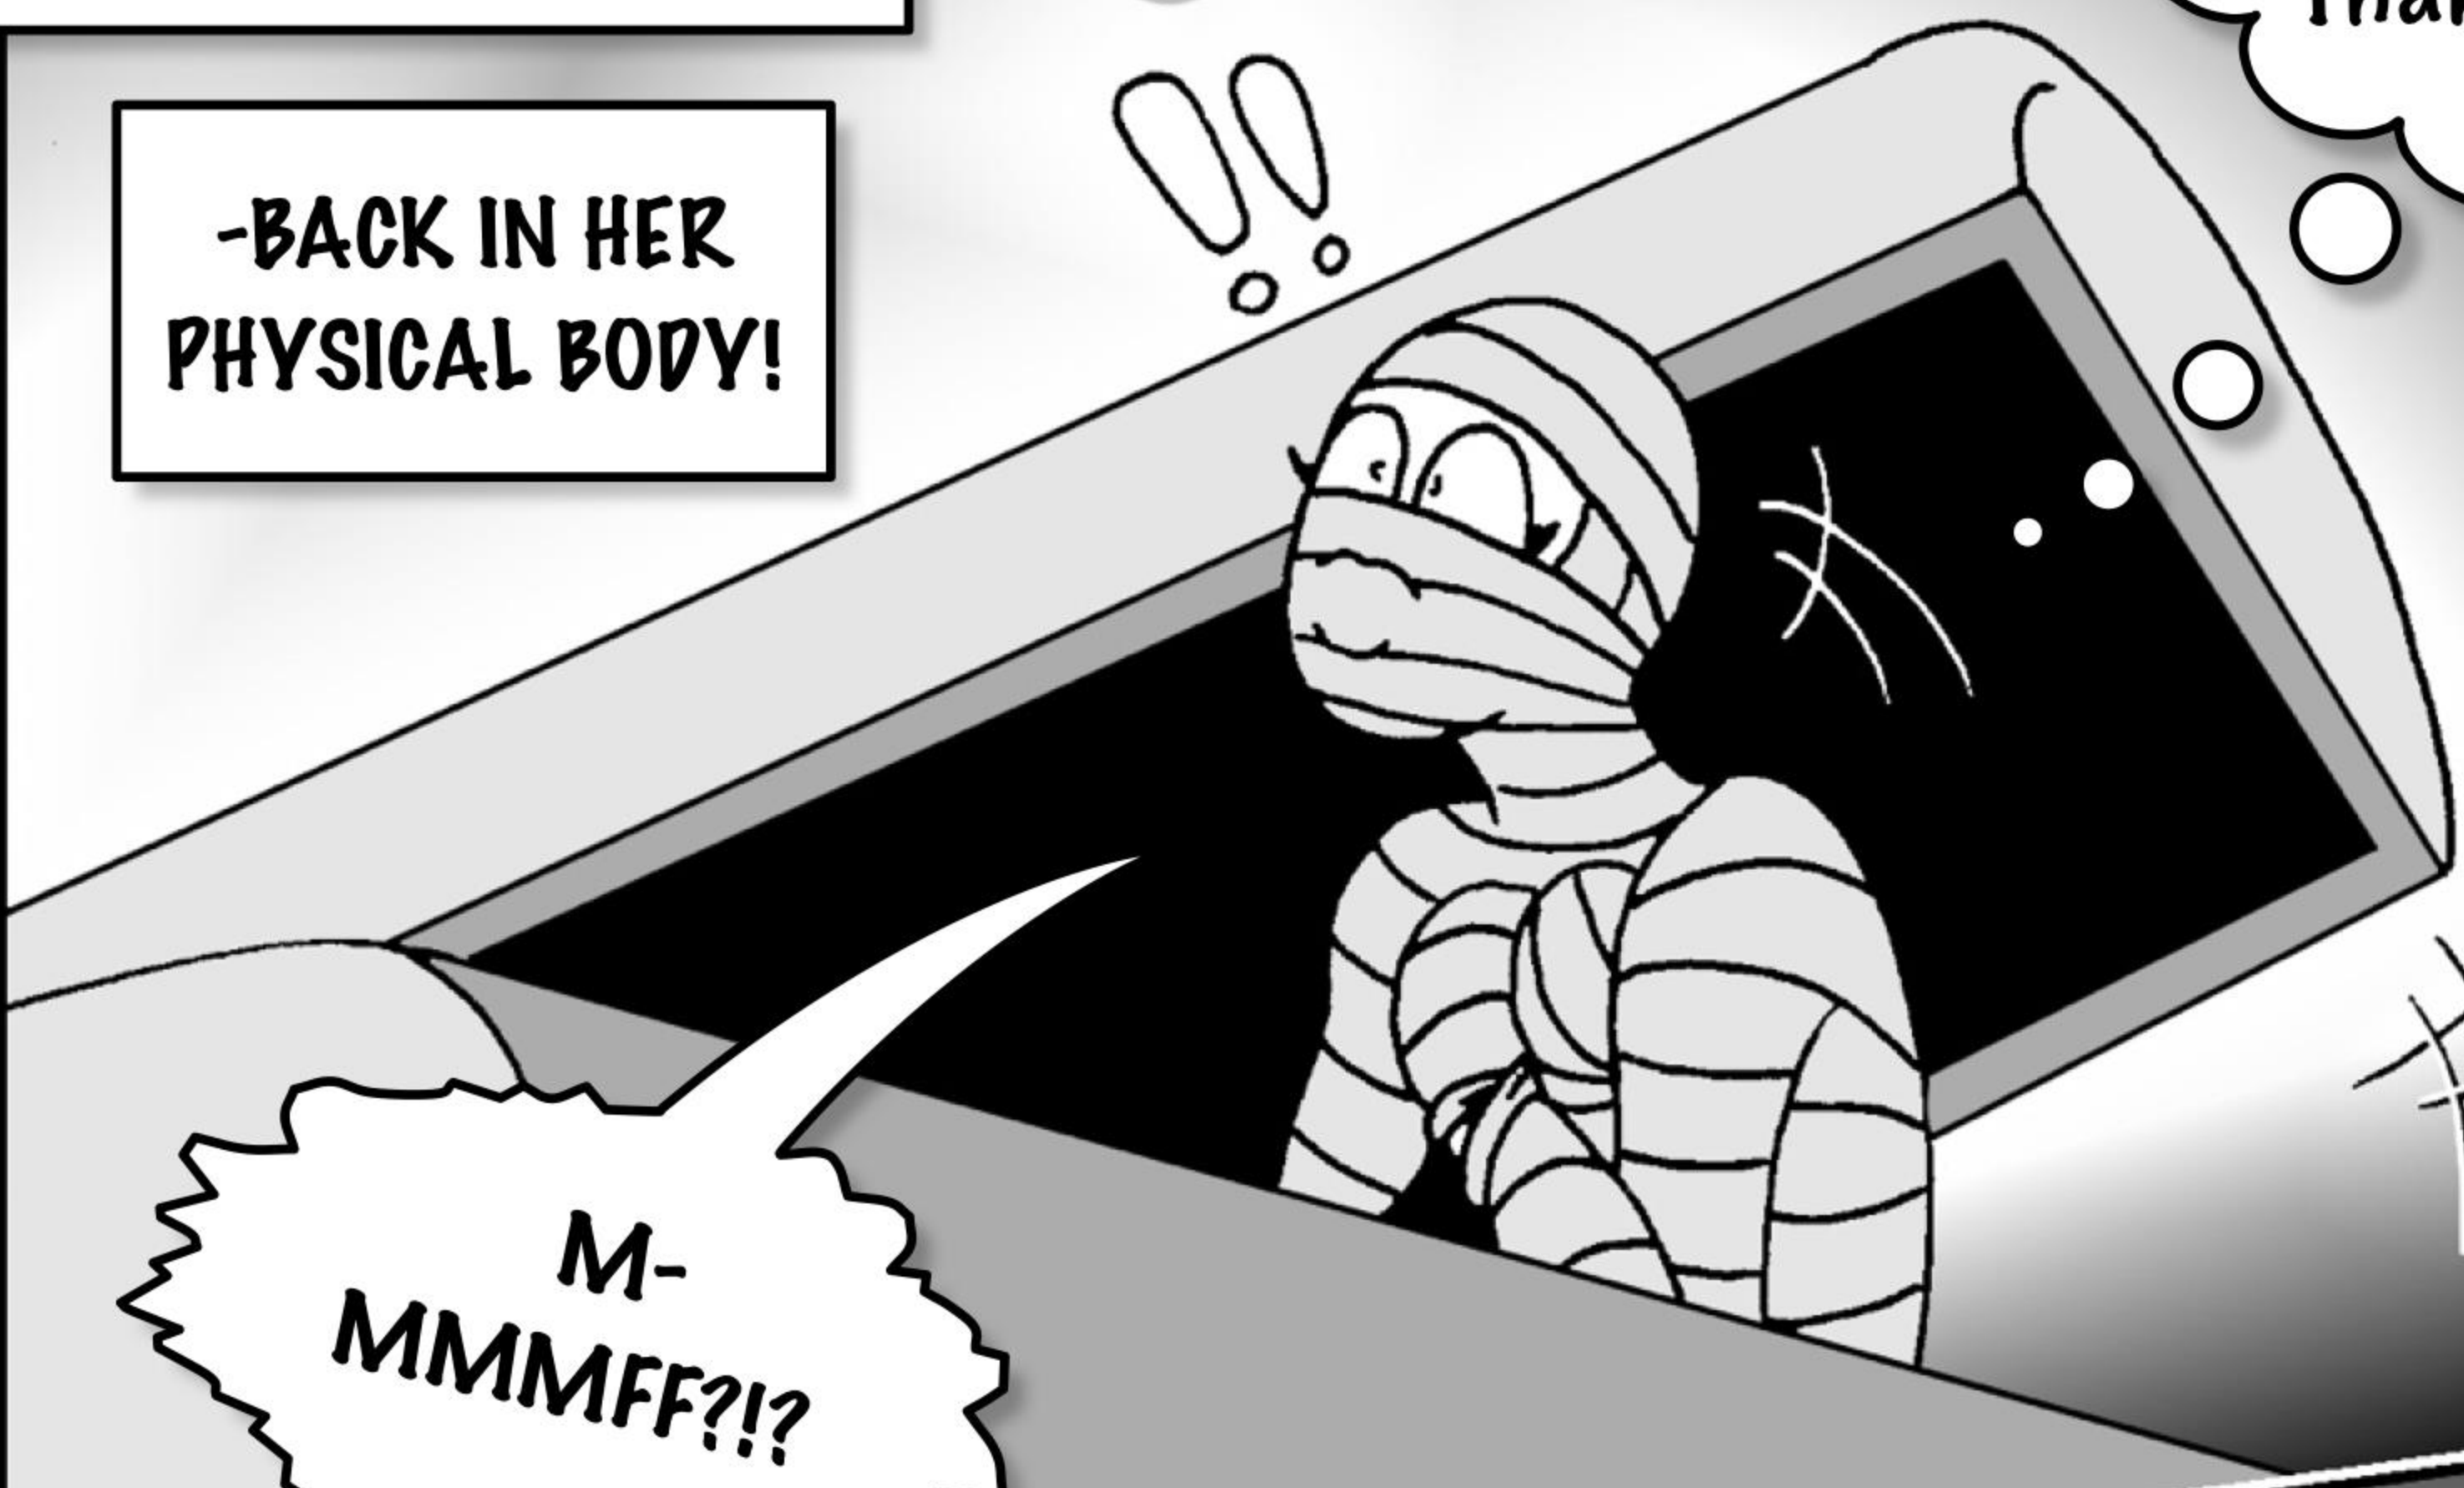

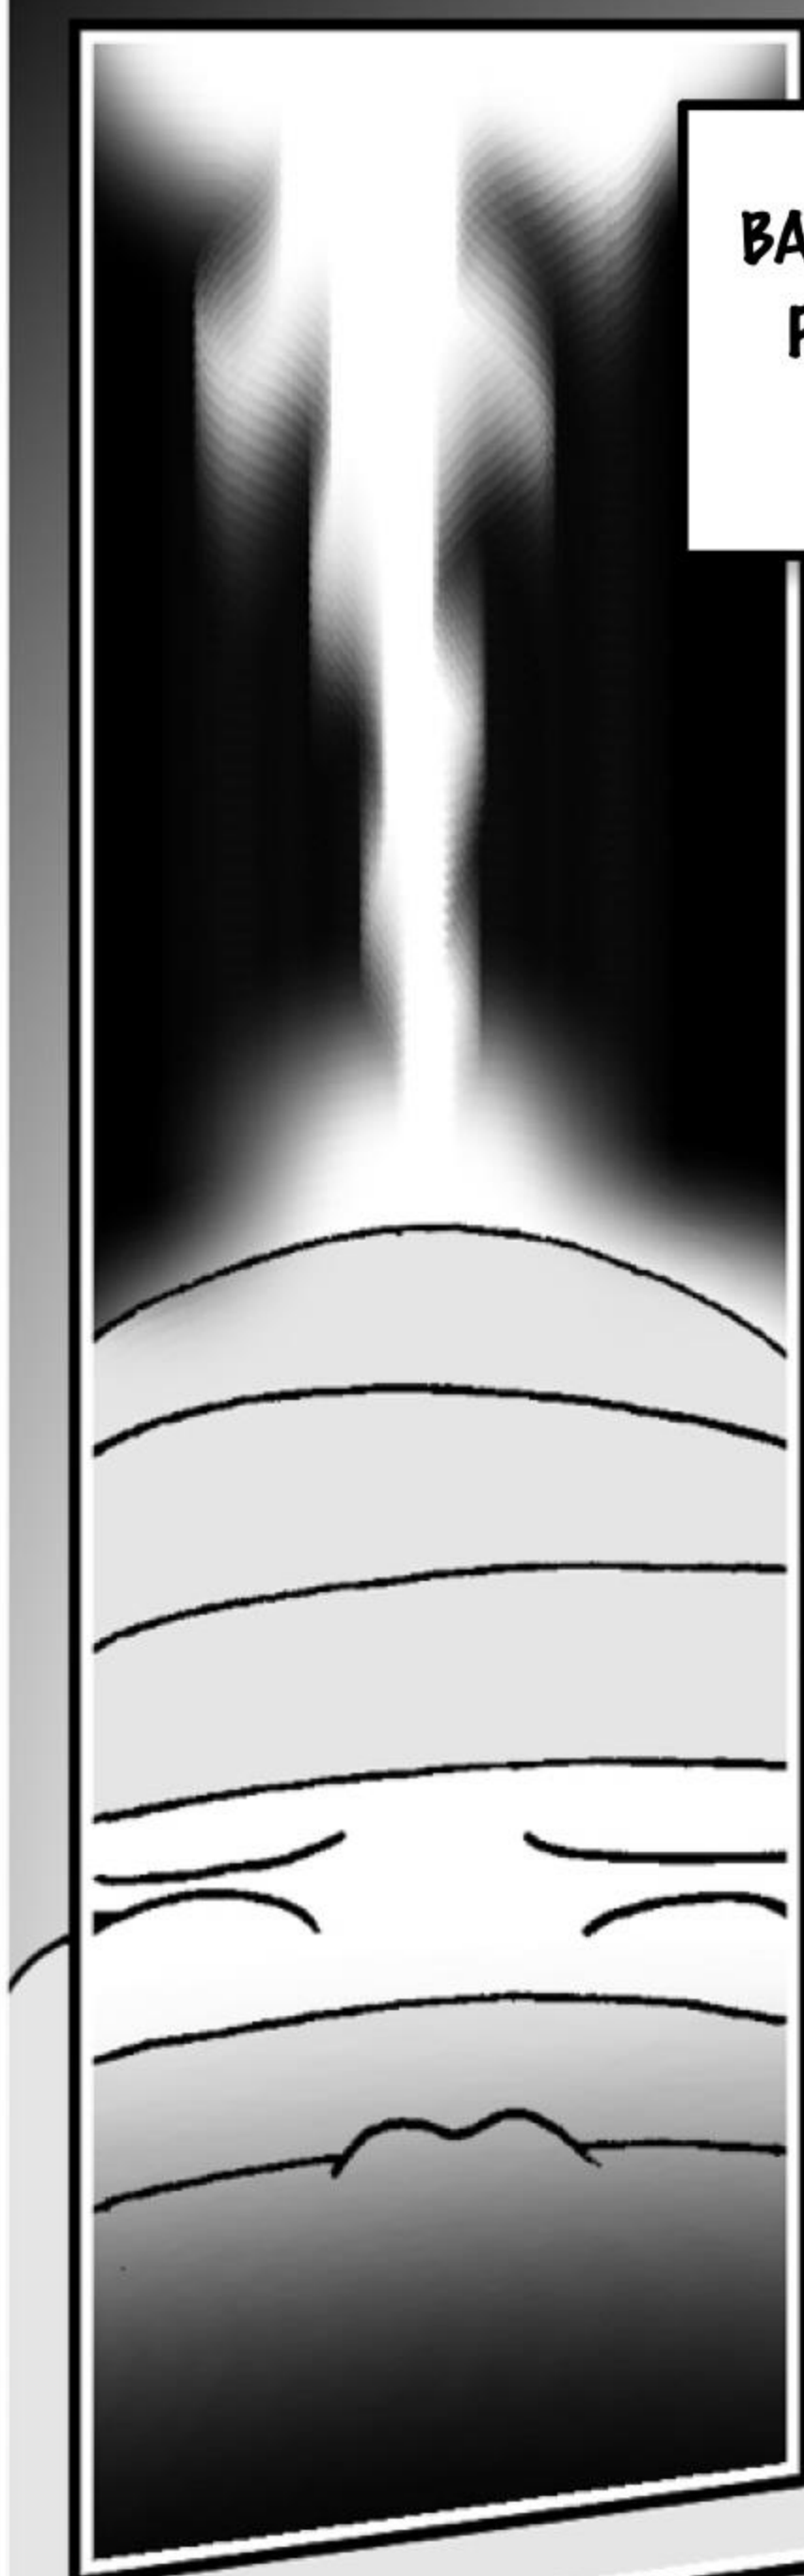

Where
DID that
girl get to
anyw-

Hmm?

BOING
BOING

Well hello
there! Where did you
come from?

purr
purr

SHWUNK!!!

Nng...

P-phew! I don't think he's getting up again from that fall...

I guess that's the last we'll be seeing of HIM...

W-well now... Miss Roux... it looks like you've had quite an experience. You'll have to tell me all about it!

You don't know the half of it, professor. I better get a frickin' A+ out of this little field trip!

Mm mmf.

...from now on, the closest I want to get to a mummy is in a museum!

Ah, I'm sorry, where's my head at? Let's get you unwrapped!

The End

Purr...
Give a Goddess a
belly rub?

I PROMISE it's
not a trap...

Bastet
