

Sunset and the girls charge against the doppelganger, however, their blows are totally useless against him. It's like he knew all their movements, which makes sense. If he has all my memories, then he knows how the girls will attack, since I have seen them in battle before.

You (Doppelganger): hahaha!!

None of us can believe it! The speed with which that bastard moves is even superior to Rainbow Dash. The Doppelganger raises his hand, and in the blink of an eye, hits the ground.

PUNCH!!!

All girls: waaaaaahhh!!!

The strength of his fist was so powerful that he caused the girls to fall on the ground due to the strong impact.

You (Doppelganger): I already told you, you are not my target.. ** He fixes his gaze on you **... Seriously you will let them fight for you? You are pathetic.

Although it hurts to admit it, he's right ... It's clear that the girls are not rival for him, but what about me? Im a simple human, how am I supposed to defeat him!

You: Tell me one thing, how you may be here? You mentioned Cozy... why her.

Maybe I can know his weakness if he tell me how he was created in first place.

You (Doppelganger): Okay, I'll tell you ... At the end buy time is typical of the "heroes" haha! I'm a product of the memories of Cozy towards you.

Sunset: ... a product... of the memories of Cozy? :O

You (Doppelganger): Yes. Cozy Glow met him being a bastard, a monster which destroyed houses and hit people only to impose his strength before the weak. It was only necessary to materialize those memories of her in a body... then that man appeared, dressed elegantly with a black suit. He materialized the memories of Cozy in me, your true self!

You: You say that a man dressed in a black suit did all this? With what purpose?

You (Doppelganger): That man is looking for an amphora and he says that you have it. The idea was simple: making a clone of you and have your memories, in that way I could know where you have that thing. However, something does not make sense ... I can't remember it! I mean, I know everything about you, I have all your memories... but I can't remember where you have the amphora!

You: That has an easy answer, and is that I have no idea that you are talking about! Dx

You (Doppelganger): you know what? I dont even care!! ... I'm here to make your life miserable. I have made you a stalker, and not only the city look for you, but all your school knows how pervert you are! hahahaha !!

Pinkie: hey!, why do you hate him so much?! He has not done anything wrong! ☹

You (Doppelganger): anything wrong?! He has forgotten me! He turned into ... that! Where is that satisfaction of having to the weak in the ground! Where is that evil warrior that destroyed and stole without mercy!! He had everything thanks to me ... and that's how he pays me.

Doppelganger look at you

You (Doppelganger): Don't you see what I'm doing?! Your mind is stagnant ... dying! I would give you more strength, our mind would join and we would be the same criminal as before ... we would take everything we want! Think about it! No more conflict, no more fights between us! Don't you see?! Im giving you a second chance!!

You: No! Enough of all that trash! The Storm King already tried it once and did not work! Your stinky "blah-blah-blah" will not work either. Im here for them, my friends! From I stopped doing all those things, I'm happier, I have more freedom and I have met wonderful people. I'm never alone and they are the proof of it!...

This is a problem that only involves to me, but even so Sunset, Twilight, Rarity, Applejack, Dash, Fluttershy and Pinkie are here helping me. Thanks girls, but this will be my fight!

You: Finish with you will mean leaving my past completely. Bring it on, you punk!!

You (Doppelganger): hahahaha!!!! Are you ready for your final journey?!

The Doppelganger charges at me with unimaginable speed! He begins to launch countless blows while I adopt a defensive posture. Each of his hits are incredibly strong!!

You (Doppelganger): how long do you think you can hold on like that?!

Noticing that he can't land direct blows, the doppelganger changes his strategy.

You (Doppelganger): I'm not stupid, we both know that you have an excellent defense, so physical blows are not a problem for you. But you should know that I'm also an improved version of you, I don't have your limitations to fight!!!

The doppelganger lets out a loud scream as the ground begins to shake. Then a dark aura surrounds him, increasing his strength even more.

Rarity: what is he doing? :S

Sci-Twi: it's an aura full of evil and hatred... :S

Pinkie: dummy, stop!! You can't fight! Dx

I can hear the girls and even though I know they are right, I have to fight him. I have to end all of this once and for all! If I focus and take control of my hatred, I can fight for sure!

You (Doppelganger): let's see what are you made of!

Once again, the doppelganger charges at me, this time with even greater force than before. I tried to take my defensive stand for the second time, however ...

SMASH!!

You: ooooooff!!!

It took only one blow to break my defense and hit me directly!!

You (Doppelganger): hahaha!! Your defensive stand's useless against magic hits, you should know it!

You: magic hits? What are you talking about?! It's impossible you have magic damage If you claim to be me, I'm a simple human who can't do magic!

You (Doppelganger): I just told you, I'm an improved version of you.

In the middle of his words, Sunset stands up and lunge at the doppelganger.

Sunset: I won't let you hurt him!

You (Doppelganger): TODOME!!

The doppelganger creates a dark storm that rushes at Sunset, hitting her on the spot!

SMASH!!

Sunset: aaaaahhh!!!

Sci-Twi: Sunset!!

Sunset fall to the ground while her body seems to be paralyzed by the effect of that attack!

You (Doppelganger): "Todome" is a gift of that man ... it doesn't do great damage but it has a paralyzing effect on its victim... hey, Nightmare!!

A black cloud appears out of nowhere, forming a sort of figure that soon becomes fully visible.

Nightmare: I thought you didn't need help.

You (Doppelganger): do the "Great Guard" and don't let the girls get in the way of this.

You: Great Guard?

Nightmare: it's a protection effect. None of you will be able to get help from the outside, either positive or negative effects, everyone will be nullified thanks to this unbreakable barrier. You'll be completely isolated. Hope you have fun.

FLUSSHH!!* *Nightmare create the barrier

You: Another gift from that strange man, right?

You (Doppelganger): you should be grateful; your friends won't get hurt from this.

You: yeah, you right. Thanks.

You (Doppelganger): Let me fix my hair, I don't know how you can see with this by covering your eyes!... now take this!!

The doppelganger repeats his paralyzing attack but I dodge it just in time. In that moment, he appears in front of me to hit me directly!

PUNCH!!

You: waaaaaaaaaah!!!

You (Doppelganger): I've doubled my speed and damage, I have a lot of physical resistance thanks to this dark aura. And with the Great Guard there is no indirect or magic damage that can knock me down ... you don't have any chance!! –TODOME!!

He attacks me again, this time hitting the target ... in other words, hitting me!

SMASH!!

You: aaaaaaaaaaargghh!!!

I feel how my body goes numb because of the paralysis, I can't move a single muscle of my body!!

You (Doppelganger): you're pitiful. But that's how it feels ... I'm the strongest one and you're the weakest one like it should be hahaha!! Do you like the ground huh? There is where you belong.

You: ...

I can't do anything, I'm completely paralyzed! Damn it!

Nightmare: hey, you know I can possess this dumbass and easily find out something about the amphora now he's weakened, don't you?

You (Doppelganger): even if you wanted to try it, you can't.

Nightmare: oh sure, the Great Guard.

KICK!!

You: UUUUUGGGH!!

The doppelganger kicks me strongly, throwing me into the air and hitting the ground afterwards ... paralysis' effect persists, so I'm not able to protect me from his blows!

Applejack: enough!

Barely conscious I can hear Applejack hitting the barrier followed by the others... but it's useless...

Nightmare: don't waste your energies, the Great Guard cannot be broken under any condition. It would disappear on its own when the time comes.

Rainbow Dash: in that case, we'll finish you off then we can break the barrier!!

Dash throws a blow towards Nightmare but it has no effect.

Rainbow Dash: what?! How is possible!

Nightmare: in this world I'm an ethereal being, kid, I don't take damage.

You (Doppelganger): that's all? Obviously trash will always remain trash.

** Doppelganger puts his foot on your head**

You: ...

Little by little my vision goes blurry ... It's hard to distinguish things ... I feel tired ... my body doesn't respond due to paralysis I ... I have to ... do something **sigh** -

...

...

Rainbow Dash: heeey!!! Get up idiot!! Dont close your eyes!!

Twilight: get up!! Please!!

...

You: ...

...

...

Fluttershy: wake up!!!

...

You: WOAH!! what happened! :O!

I wake up in a living room ... Hmm, this seems ... my home? Im at home? But this is impossible, I was ... Arggh!!.. My head hurts a little, but I remember it. I was facing my doppelganger, but I was defeated.

** Inhales and exhale* ...*

Everything is very quiet here. Well, I guess I've died and that's the heaven, right? Hmm, I imagined it with more angels, maybe some sexy angel waiting for me huehuehue xD. But ... what will happen with the girls.

You: Dammit!! Maybe if I had been stronger I would still be alive, with them!!!

While I walk, I can hear a sound in the kitchen, then, I see something that leaves me frozen ... O_o...

You: OOOOOOOOOOOOH WHAAAAAAT!!!!

Pinkie: hi dummy! ^-^

You: WHA-WHAT ARE YOU DOING HERE!!

This is not the heaven, it's the hell!

Pinkie: I decided to make the lunch for you ☺

This cant be happening!! ... but I have to admit that she looks ... very sexy ... Woow ... look at her butt! I never thought her butt was so wonderful!
0

You: Pinkie, why are you wearing one of my t-shirts and why you make the lunch IN MY HOUSE?!

Pinkie: It's my punishment, do not you remember?

You: punishment?

Pinkie: yeah, I lost in your UNO card game, at our date :) ... and you said that I should do the chores of your house. I wet my clothes by accident so I'm wearing one of your t-shirts for now ... sorry about that :P

Again? This does not make sense ... Im going to revive past events because I'm dead or something?! Dx

Pinkie: dummy...

Pinkie approaches to me and starts to touch my chest ... **gulp** :S . My heart obviously begins to beat faster!

Pinkie: you are someone very special for us, and that you know, right? ^^

You: ahm... yes, thanks... o///o

Pinkie's words seem to be more serious than usual ...

Pinkie: If you continue here, maybe you never wake up again... and we do not want that. We want to see you again, laughing, doing nonsense hehe ^^ ...

This is... a dream? I'm still alive?

Pinkie: The girls and I still have to confess you something... but we cant do it from here ... you have to be with us ☺

You: okay... what I have to do.

Pinkie: You have to wake up now ... There's still time.

You: But how can I wake up?

Pinkie: oh! I can help you with that hehe! I read that a strong impression can awaken a person immediately.

Pinkie begins to take off her t-shirt, now she is wearing only her underwear !!

You: WOOOAH!! What are you doing?!

Pinkie: hmm? It's not enough? Okay... what about this... ^-^

OOOOHHH! Now Pinkie begins to take off her bra!! Well, I won't be the one to stop her huehuehue! Come on Pinkie, show me the money! :D Just please... don't wake up now! DON'T WAKE UP NOW!!

PLASH!!!

You: AAAAAAAAAAAAAAH!!

You (Doppelganger): hmm?!

Pinkie: dummy!!!! :D

Fluttershy: he woke up! :D

You: NOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO!!! **sob** !! DX! Only 4 more seconds! PINKIE! Why didn't you do it faster?! Dx

Pinkie: hmm? What are you talking about!! O.o

You: YOU!!! Bastard!! How you dare! and In the best moment!!

I manage to stand up. I still feel the effect of the previous blows but this time ... I'll face him with all my strength!

You: no matter how strong you are or if you have the advantage, I still have something that you don't ... and that's the great friendship of the girls here!

And a dream that I need to know the end!!

Rarity: He's right! You're nothing but a cheap copy!!

Fluttershy: you will never be like him!

Each of the girls gives me their support ... with them here, I can not lose before anyone!

You (Doppelganger): it seems the effect of my "Todome" is temporary. Okay, you were lucky ... but this time I'll finish you off permanently!

Now I adopt my offensive posture called: "Close combat", it lowers my defense in favor of boosting my physical damage.

You (Doppelganger): you are finished!!

You: Show me what you've got!

-END-
