Key: A

Tempo: 75 BPM

Chords needed: A7, D7, E7

Video Tutorial: <https://www.youtube.com/watch?v=02dk24f47z0>

Make sure you download the MP3 as well.

The key to learning this solo is to take it phrase by phrase, lick by lick. I usually try and tackle it four bars at a time. Count out loud, same thing we have done with licks and scales up to this point and then play along with the video. After you feel good playing along with me give it a go on your own!

A musical score for a ukulele solo in 4/4 time, key of A. The score is divided into three systems. The first system contains measures 1-4, labeled "Phrase 1" (A7), "Hot Spot Motif", "Phrase 2", and "Phrase 3". The second system contains measures 5-8, labeled "D7", "Phrase 4", "A7", and "Hot Spot Motif". The third system contains measures 9-12, labeled "Turnaround Phrasing" (E7), "D7", "Turnaround" (A7), and "E7". The score includes a treble clef, a 4/4 time signature, and a tempo marking of quarter note = 75. The ukulele part is written on a single staff with a bass line below it. The bass line includes fret numbers and some special markings like "(3)" and "H".
