And his four walls declared him insane

Em
I found my way
Gaug
Right time wrong place
F G
As I pled my case

[Chorus]

F C
You're the judge, Oh no

Set me free

Hell's hot for good reason

So I head out
Down a route I think is heading south Dm Am

But I'm not good with directions
And I hide behind my mouth F C

I'm a pro at imperfections
And I'm best friends with my doubt Dm Am

And now that my mind's out
And now I hear it clear and loud F C

I'm thinking, 'Wow

I probably should've stayed inside my house.'
