*What a
terrible night...
I wonder where
she is...*

**WAKEY
WAKEY**

*Goddamit!
I need to get out
of here!*

*You can
try to run,
it actually makes
it more fun!!*

A couple of days ago...

I don't get it. Why is everyone on top of the new hire like that?

She's hideous, and there is this strange vibe about her that I can't really put my finger on it...

Well, It's none of my business anyway. I just do my job and stay away from her.

Hello, Daniel is it?

Oh hello, welcome to the firm.

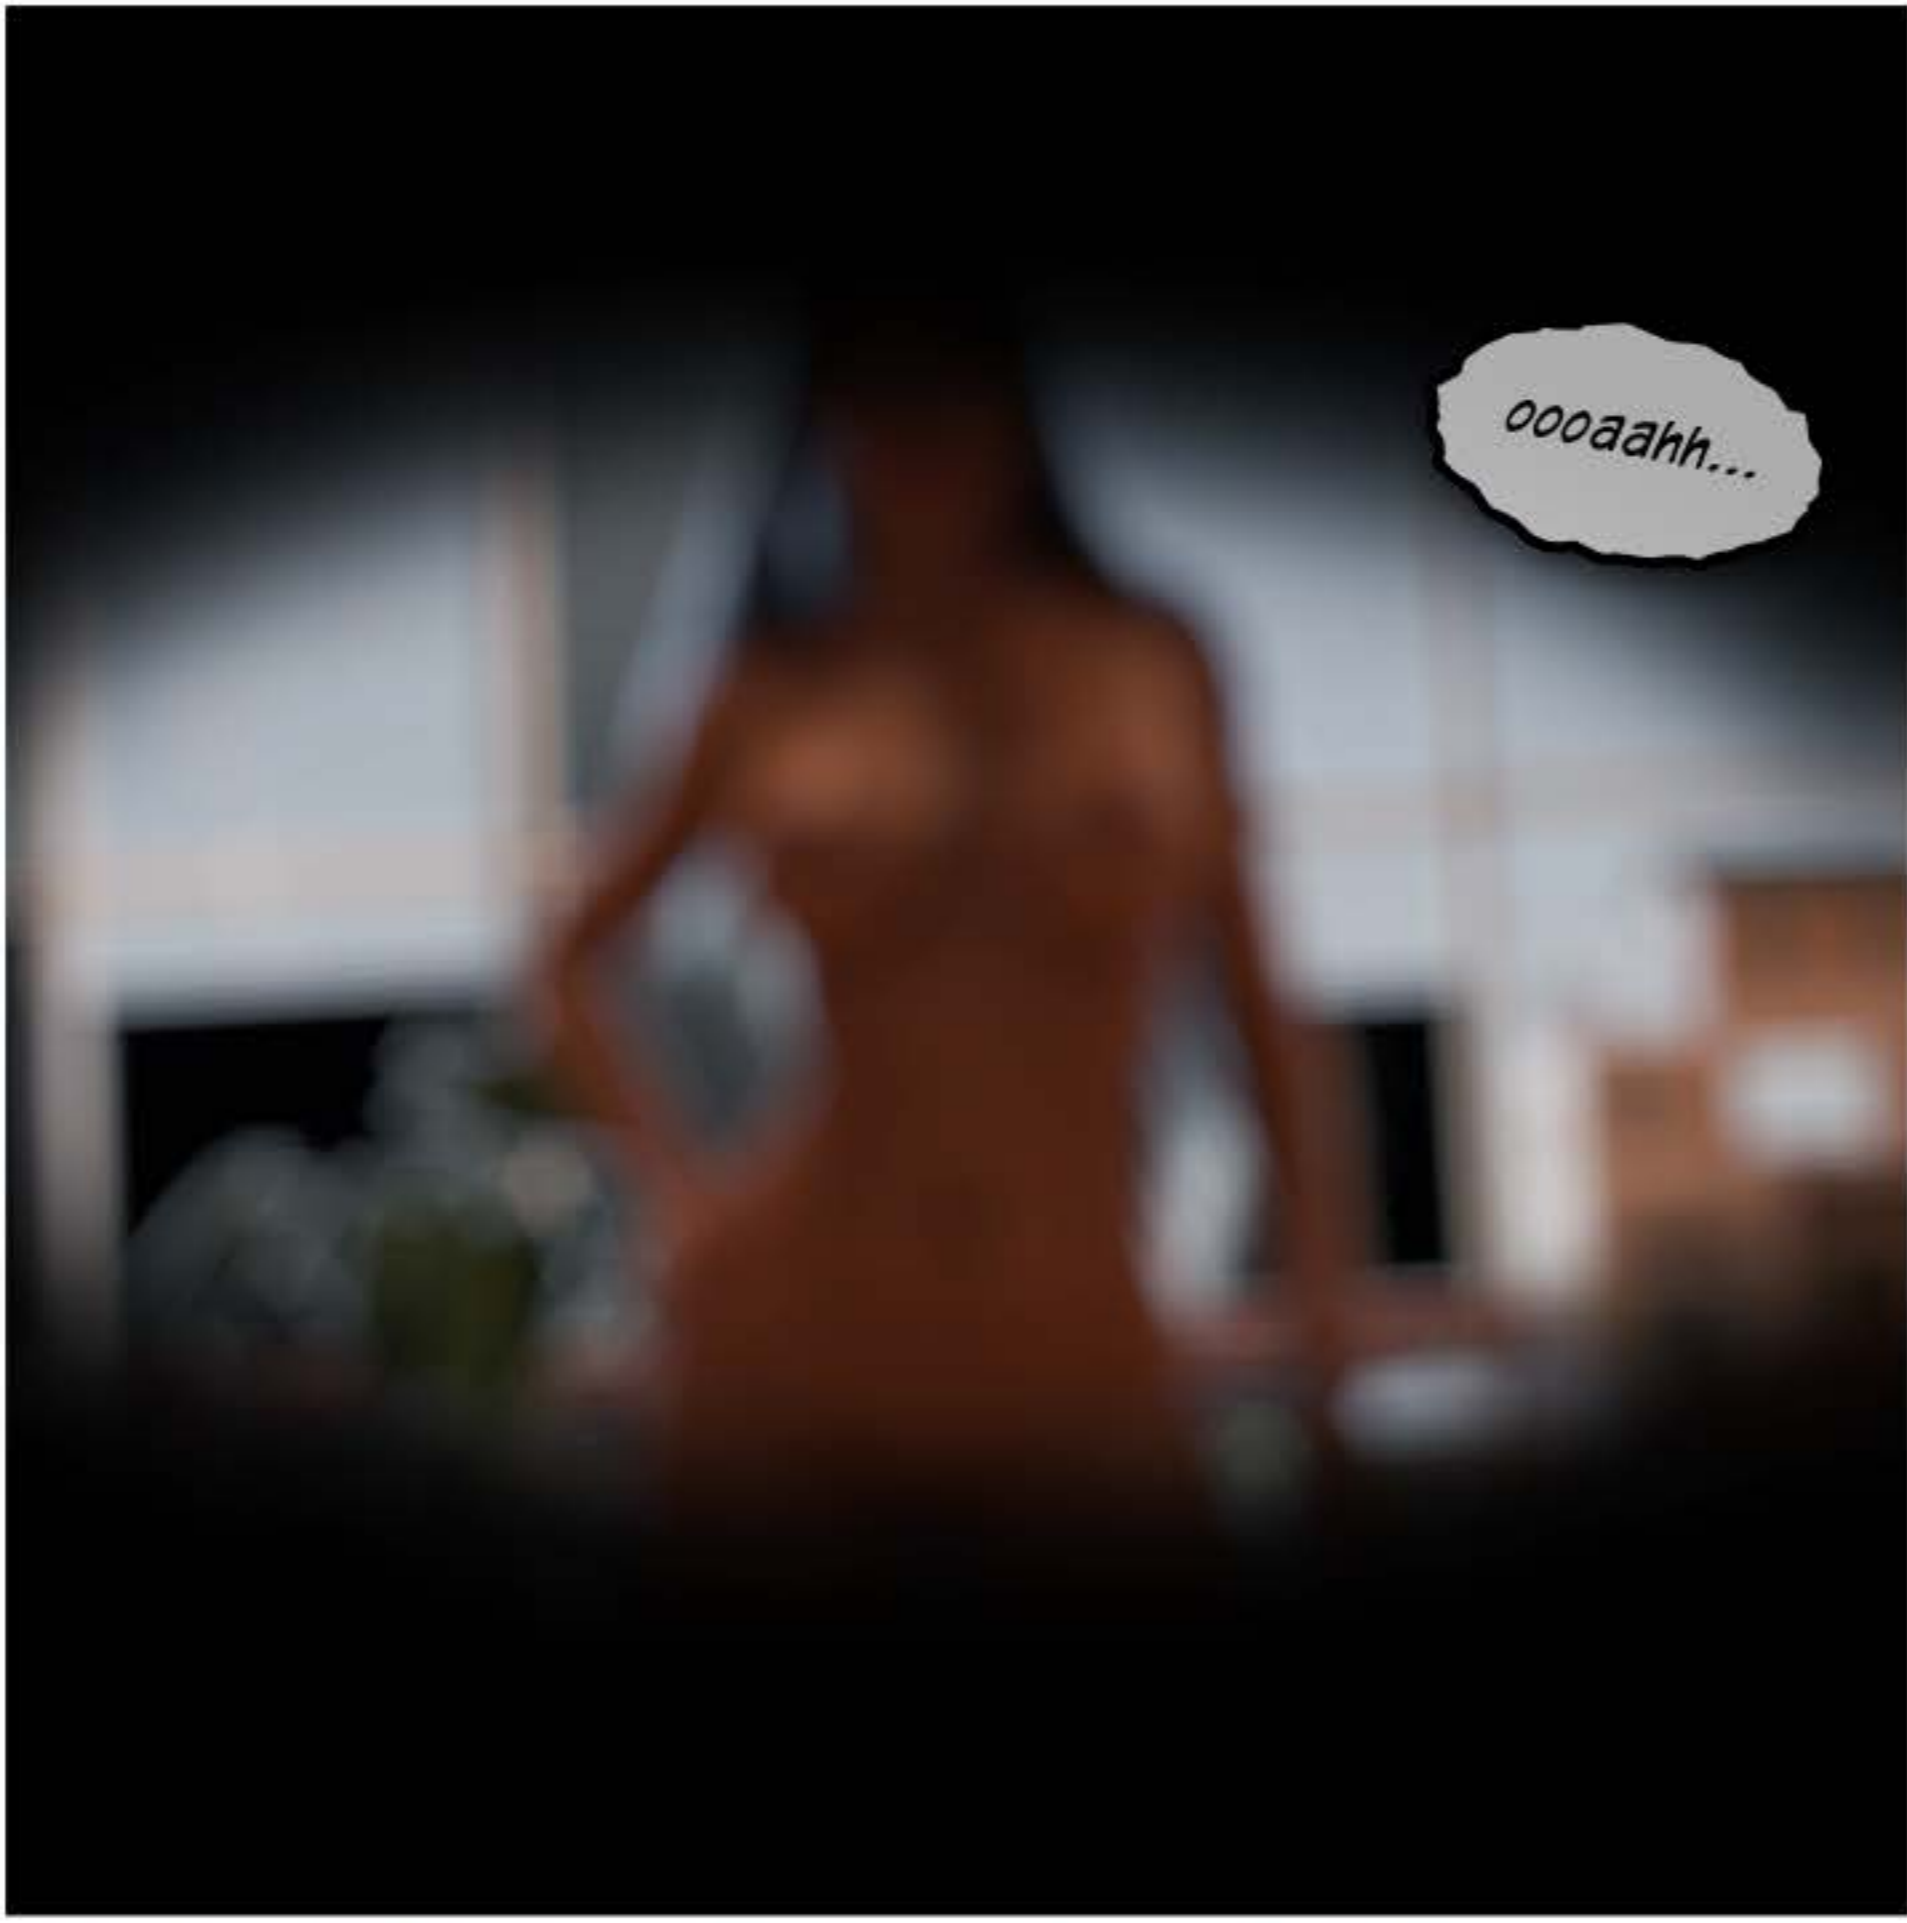

I just came here to introduce myself, get to know everyone!

Ok. But you didn't have to.

Why? Is something wrong?

No... I just... Don't think we have much in common, we are coworkers, we don't need to be friends.

But I think we do... We all need to get along just fine...

oooahh...

What's going on...?

What's going on...?
Where am I?
Why can't I move my body?!!

Well, you are finally awake!
You have too many questions, I have to answer all of them!
I could not have you not getting along with me, so I brought you to my home!
Let's see if in a more, intimate setting, I can make you like me!
And you can't move because you are paralyzed!

But how did you do that?
Are you a witch?
Who are you?

Dammit!
Will you stop with the questions?!

I used a spell to stop you from moving, and yes, because I AM a witch...

My name is Linea, I moved here to have a quiet peaceful life, and got a job in your firm. Don't you remember, I introduced myself to you!

The new hire?!
No! She was an old hag
with bad skin, short,
smelled bad...
You're...
You are not her!

Wow, you sure
don't measure your
words, it's a little
offensive, but I was
right about you...
But don't mind that,
how about we get
along now?
You like how I look right
now don't you?!

No!
I know who you
really are!
You are not going
to trick me!

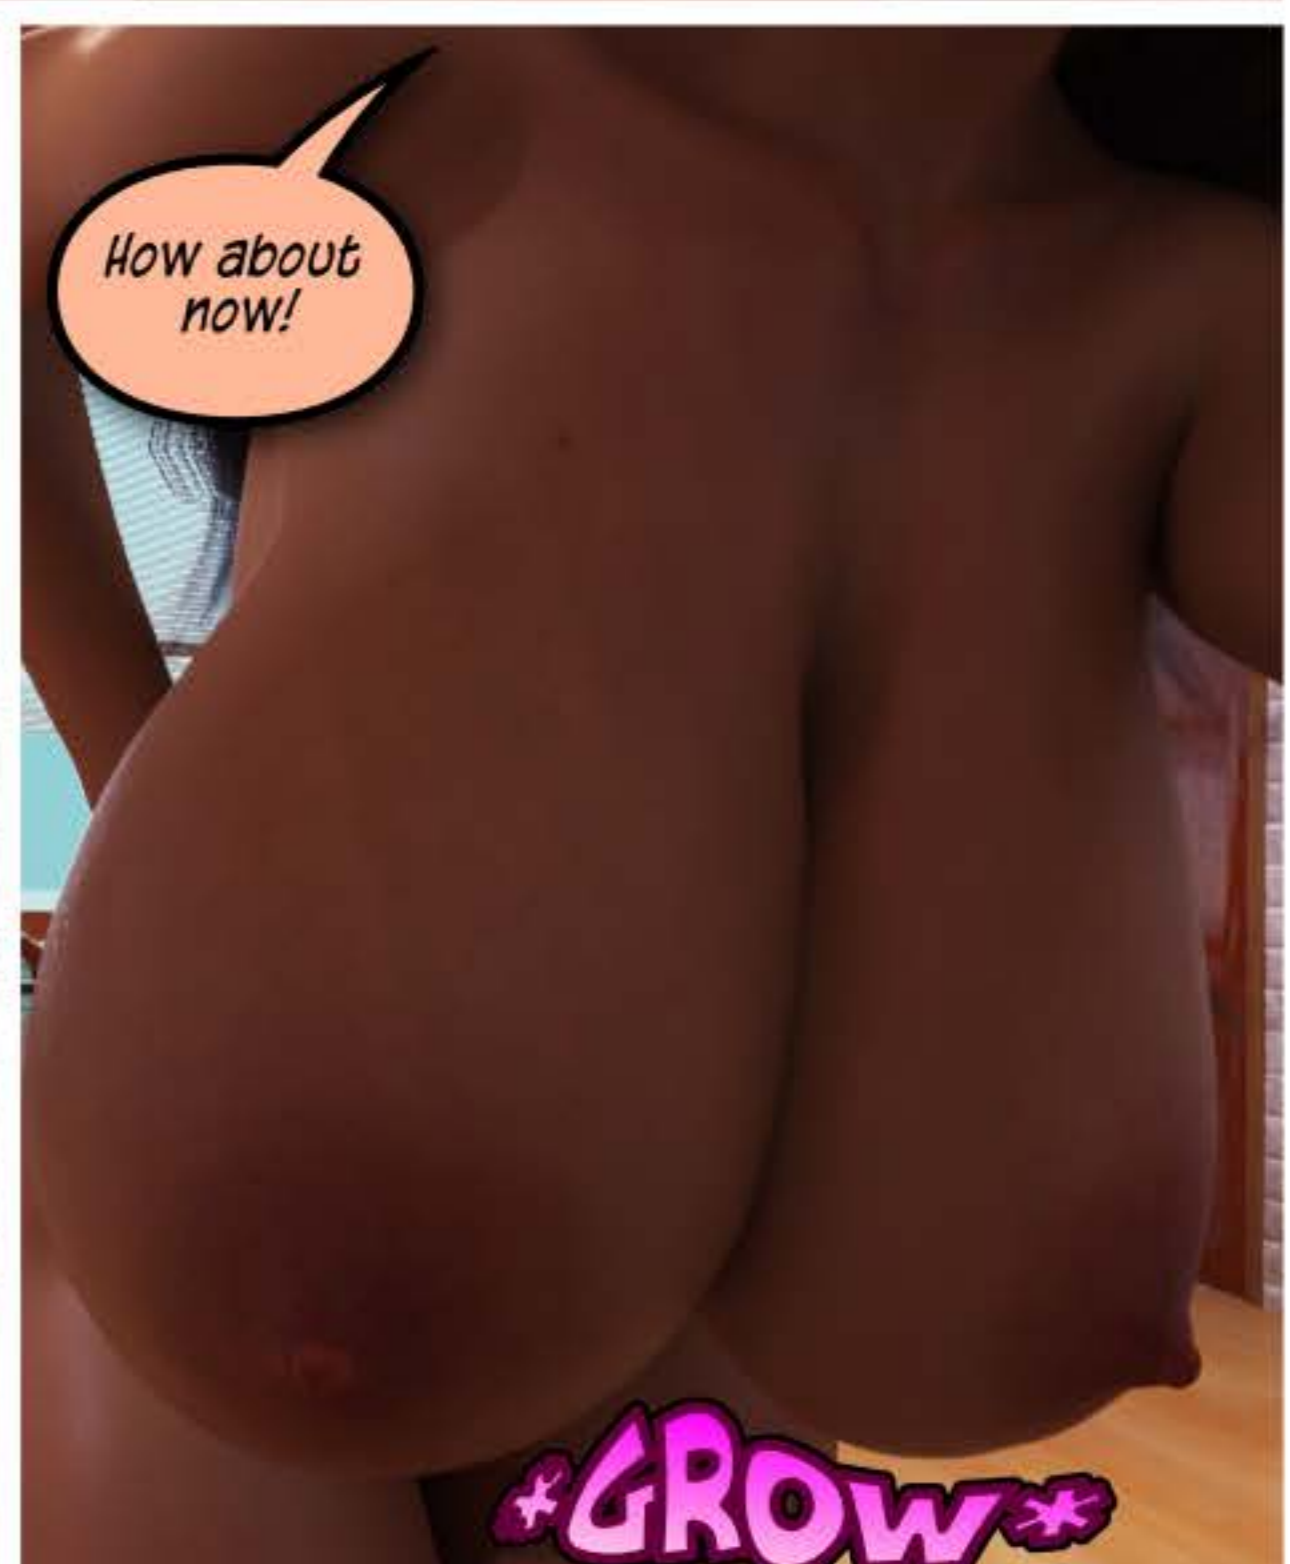

No?!
What if I
do this...

Still no?

GROW

How about
now!

GROW

I...I-I...

No?
Oh I see, you are
a big guy right?
You like tall women
as well?

GROW

Tall like this,
you still are the big
man in the picture!
No?!

GROW

Oh I see...
Now we hit the
spot...

THIRD

AAHH
What are you
doing?!
How?

I understand
you better now, you
like big, dominant
women don't you?!

I'm using my
knowledge and skills to
make you like me!
But you mean how can I
lift you so easily?
Well, I used a spell to make you lighter,
but I can also use one to make
myself stronger, it's the same
result, but whatever works
for you, I can do it!

This is crazy, this
can't be happening!
What are you going to
do to me?
Are you going to
hurt me?!

You ask
too many questions!
Please stop!
I already told you, I will
make you like me!
And of course I won't
hurt you, I can't
do that.

Everything I do today
is for you to feel good
around me, so we can
coexist peacefully together.
So remember that.

My benefit?
Why do you look like this right
now and not before?
And why no one can see
you like I could before?

Well, this is going
to surprise you, but you
are actually special!
So while with a simple charm
spell I could trick others, you
could still see my true self.
So now I used the same
charm, but stronger, for
your benefit!

NO!!
None of this is
for my benefit, you
crazy hag, I'm
getting away from
you!

That's a little
pejorative, but
alright.

Even though
I'm taller than
you, your current
size will cause me
trouble, so let
me fix that!

**WHAT'S
HAPPENING?!**
WHY EVERYTHING IS
GETTING SO BIG?!

Ha ha ha
ha ha
HA HA HA HA!

What did you do to me?

Well, I just made you cuter, let's say... twice as cute! Hahaha

W-wait... put me down!

Quit squirming, I'm just taking you to a more comfortable place.

Now, want to tell big MOMMA here what do you want to do next?

Don't say that, it's weird.

Okay... I'm doing everything to make your stay more pleasurable. And I'm sure you are enjoying the view because your cock is still as hard as it can be. Don't you think you should just relax and enjoy this once in a lifetime opportunity?

I mean, how often can you have a woman willing to satisfy your every whim, not only that but to be able to actually change her body to fulfill your wildest fantasies?

Take this for an example, have you ever had your head smushed by a pair of massive tits like this?

This is...
This is actually really good! It can only be a dream, there's no other explanation... This giant woman is smothering me with her enormous breasts.

Now I'm sucking her amazing breasts!
This is heaven...
She's jerking me off, so gentle, so firm...

I never dreamed of a woman more perfect than her...
But why?
Why is she doing all of this for me?

This might be good, but don't come yet, I have something even better for you!

You might be asking why. But shouldn't you be asking "why not?", don't you think you deserve this?

Is she reading my mind?
Is she leading me on?!!
I can't have this!!
But...
What an amazing view...

Here, I know you'll love this place, it's nice and warm and shaped just for you, it's Meant just for you!

aaaaggggh....

What a pathetic moan... How is she doing this... And she's right, this is just perfect! Her slit is just perfect for my cock, I can feel everything... It's like it's massaging my cock...

She could crush me very easily by being twice my size... But she's using just the right amount of pressure to turn me on...

I know you like this, you love how big I am, how easily you could lose control of this situation, and yet you know that if you ask gently I'll do anything you want...

I can feel your cock responding to everything I'm saying.

A woman with long dark hair is lying on a light-colored couch. She is nude. A man's face is superimposed on her chest, appearing to be inside her. She has her right arm raised behind her head. The background is a wall with a stone-like pattern.

That was truly amazing, I never had sex like this before, it was like her body was made just for me. But I still feel that this whole situation is strange....

I need to get out of here, I don't think I'm safe with her, she can literally change reality for her needs. She's sleeping soundly, so I should take this opportunity to run!

Dammit, with this size it's much harder to cross the house. It seems much bigger!

But I'm faster and I don't make much noise, hahaha... Wait... If I run away, how I will turn back to my normal size?!

Shit why didn't I think about this be-waaaahhg!!

AAAAHHHHH
WHAT'S HAPPENING?
WHY AM I FLOATING?!

ZOOON

OooPPP

Dammit Daniel, I thought I could trust you. I needed some rest for using so much magic.

VLOOON

Even half the size you used to be you cause me trouble.

But maybe a doll sized you, will solve all my problems!!

*I can't...
I can't even scream...
She's so loud!
I feel so weak, so sleepy,
everything is getting bigger again...*

You are getting sleepy?

*Nice!
These spells are not easy for me you know...*

I'll find a cozy place for you, and get some much needed rest myself!

giggle
No need to sound so scared, haha.

I'm not!
Now what do you want?

We can talk while we walk, here, I have a place for you to stay!

Wow!!

I never imagined I would have half my body buried in an woman's cleavage one day!

Did you like it? Haha, that was a rhetorical question. Anyway...

I tried to please you and you laughed at my face, now if you want freedom, you'll have to work for it!

What do you want me to do? What do you mean work for it?

It's very simple, I got annoyed that nothing I did for you was enough, so it's time for me to have some fun.

So get in there!

gouugh
HOW?!
Did you made your ass stronger or something? I can't go through it!

Gosh, did you really got so weak at this size you can't even spread my butt cheeks? Fine!

And I only chose this position because I imagined you would enjoy it.

And what if I say no to this?

Then I'll make you so tiny you'll disappear! But I think you want to do this very much, now get in there! I'll help you open it a little.

She's right... this is so hot!

You are so moist, and trembling, I think you are really looking forward to this.

AAAWWW
YEAAAAHH

fap

fap
fap

I'm being
used as a dildo!
A gigantic woman is using
my entire body to
masturbate!

Wow
look at you.
I made a mess...
But it was so good,
thank you for that!

I was trying
really hard not to
break your bones
by accident.
You are ok right?

Yeeaah...

I thought
I was going to
suffocate, it was
so hot and moist
in there...

Let me help you
clean up!

Aaaahh...
What is this?

SLURP

A giant
and long tongue?!
This woman can
do anything!
She's so...
perfect.

Did you
enjoy this?
I know you did, My tongue is
super sensitive and I could feel
your erection while I was
cleaning you!

I can
surprise you in
so many ways!
What should we
do next?
What about you play with
my feet now, no?
How about
my thighs?
Yes?!
You naughty
boy!

Is this
how I die?

You are
very lucky you know?
I played like this with
some of my past boyfriends,
not many survived!
But you, I cannot hurt you
at all, so it's all
pleasure!

You are having a taste of every part of my body, how do you like it? Wanna have a feel of my tits as well? Don't be crushed ok? Hahaha.

Ok, but go down slowly! They must be as heavy as a house now.

Maybe from your perspective, yes. But don't worry, they are still very soft, just enjoy it.

Wow... This is nice. Thank you, you are actually treating me very well, considering the whole size manipulation and all.

Yeah, don't pretend you don't like that too.

I'll let you play for a while then we need to get something to eat. I'm running out of energy, you too.

Here, your little digestive system can't work with some more heavy food, so I have fruits, some bacon, that for you is a very generous portion, and a cookie.

What kind of food is that?! Yours is so much better, why can't I have the same as you and you just shrink it?

Shut up! The whole reason why I'm eating is to replenish my energy, why should I waste it all again? Besides, this will do just fine for you. Have a little of everything and your body will have all the energy it needs.

Doesn't seem fair. Can I have some wine at least?

H-hey, I didn't mean to put me inside the glass! Wait... What is this face? Why are you smiling?!

hmm Human meat, marinated in red wine. So tasty!!

NOOOOO! Don't eat me please! I do anything you want!!

Shoo niche, I shink I will shwallow...
hmm???

Did he passed out?
Shit, he must be terrified...
I can't push him too much...

I will put him to sleep.
It's good that I get some rest as well.

Present

I spend the night thinking on new ways to play! So what do you think?!

W-what do you intend to do with this thing? You are not going to eat me today are you?

That was a joke actually, sorry about that. I told you before, I can't hurt you.

Before you ask another question, let's go to our place, here, I'll give you a ride!

This is weird, don't let me fall!!

HARD

Relax! I can hear you, just hang in there.

AAAAHHH YOU SAID I WOULDN'T FALL!!

Like I said, just hang in there, hahaha. We are almost there.

We are here, what do you want me to do exactly?

This thing is huge!!

HHMMMM

Uaaarrghh

Uaaarrghh

I'm sorry
Daniel.
Really.

No!
No more crap,
I want to know
the whole truth,
now!

Ok, ok...
Like I said, I am
a witch.

Everything I
told you is the
truth, because
I can not lie to you...
Long ago, my coven was very
powerful, we had power in many
provinces and were expanding.
We could do anything we wanted,
use people as we liked, until the
Von Bachanns appeared.
It was a family raised to fight
witches, they started a war,
getting more allies
and training them...
Anyway, bottom line is that
we could not win...
So we
made a pact, to never
fight each other again, there
were a few rules, like, a witch could
never trick a Von Bachann,
hence never lie!
Also, never use magic to hurt one that
carries the family blood, such rules are
branded within us, so we literally cannot
break them, part of the agreement was to
not use magic to control or hurt
innocent people as well, but those
are more of a verbal
agreement.
If those
conditions are met, we
could live in peace with each
other, the truce lasted for a long
time, until some witches decided to
break them, some wanted power, some
wanted to kill every Von Bachann alive,
but that took the lives of many of us, it
was not worth it, the Von Bachann name
was forgotten as they changed it and
went into hiding, promising to come
back if they were needed again,
and us...
We scattered around,
trying to live a simple life
hiding our powers.
That's what I was doing, until I met
you, I felt the blood of the Von Bachanns
in your veins, and I decided to please
you, to show that we could live in
harmony, but you could see my true
self, so I had to kidnap you, and try to
show you what I could do and how
this would work nice for you!!
But you had to
ruin everything!

Really?!
I ruined
everything?
You kidnap me for I
don't know how long,
turned me into a toy
and I ruin it?!

Turn me back to normal now!

Ok!
But you know what?!
My magic only worked
on you because I was
not breaking
the rules!

I don't care
about the rules!
I'm going home and I
want to never see
you again!

Well, we are
still gonna see each
other on Monday! At
work.

No!
Do your witch thing and
disappear from my life!
Or I'll make you!

Uuuhh, suddenly
you are so brave!
Hahaha
Just remember, you
chose this.
