

Chapter 57 - Condoms +18

Nahida began to move her hips slowly at first and increased the speed of her movements over time. Nazuna's pussy kept contracting and squeezing his cock. She was cumming several times.

Nazuna dug her nails into Nahida's back, and he hugged her tightly while moving his hips.

"Hmm~~ You're doing it too hard, do it more slowly," Nazuna said in Nahida's ear, and he did. He slowed down his movements so that Nazuna could feel good.

A few minutes of pleasure later, Nahida finally came inside Nazuna's pussy once again. His sperm invaded her uterus, potentially making her pregnant. Nahida didn't know if Nazuna could get pregnant by a human, but it might be possible.

And he wouldn't mind if it happened. Nahida had always wanted a child. Nahida dreamed of having a child before his girlfriend broke up with him. That dream could come true now that he had Nazuna and maybe Bulma.

"What's wrong? You're very pensive." Still feeling Nahida's cock throbbing inside her pussy, Nazuna said in his ear.

"I was thinking about the two of us. Isn't there a risk of you getting pregnant?"

"!" Listening to Nahida, Nazuna's eyes widened. "Get pregnant? That's right, I didn't even think about it..." Although she seemed nervous at first, Nazuna soon calmed down. She didn't mind having a child with Nahida.

Even though the two of them had known each other for a short time, it wasn't a problem. Nazuna had fallen madly in love with him in such a short time.

"Do you want us to stop here? I can get you protection so you can't get pregnant."

"Protection? What do you mean?"

"Don't you know what a condom is?"

"No... I've never heard of it before."

"..." Nahida slowly withdrew his cock from Nazuna's pussy, and she gave a low moan. When he had his cock out of Nazuna's wet, cum-filled pussy, Nahida sighed. "It's a protection I can put on my cock to prevent me from cumming inside you."

"Hm? I didn't know something like that existed. That's good, isn't it? We can get it for people in my world."

"It would probably be something that would be successful. I could make a fortune just selling condoms in Rimuru's world. Come to think of it, couldn't I make a fortune selling things that don't exist there?"

"That would certainly be possible. But you know, I'm not here to think about business. I want to get on with it." Nazuna hugged Nahida, who was sitting on the edge of the bed. He turned around, and she kissed his lips.

"Are you sure you don't want me to get protection?"

"Don't worry. Your cock is very hard, you know. How are you going to go out with your dick like that?"

"Hahaha, I guess you're right." Nahida didn't have a condom in his room. He'd have to go to the convenience store in front of his hotel. It wasn't far, but Nahida didn't want to leave bed to go there.

Since Nazuna didn't care about pregnancy, Nahida decided not to care either. If that happened, Nahida would think it was incredible. He was just worried about Nazuna.

When morning came, Nahida woke up feeling slightly tired from the night before. Nazuna was lying next to him, naked. She was sleeping peacefully on Nahida's arm.

Nahida carefully removed his arm so as not to wake her.

"Hm, the smell in this room is a bit unpleasant." The smell of what they had done the night before lingered. The scent remained inside the room as the windows were closed and couldn't be opened.

"The smell will probably go away." Nahida went into the bathroom and took a cold shower. When he got to the bedroom, Nazuna was awake and was putting on her clothes. "Hey, why don't you take a shower before you go out?"

"Can I?"

"Of course. Don't worry, even if you're late for work I won't mind, just take your time."

"Thanks."

Nazuna went to the bathroom, and Nahida left the room. When he came out, the customers greeted him, and he greeted them. Nahida then went to the reception since Nazuna would be in the bathroom for a while.

"So, Joulan, did you manage to take your friend to the festival?"

"Hm? Oh, about that..." Joulan's expression was complicated. He had invited his friend to the festival, but she had turned him down because she was already going with someone else. Nahida realized this.

"I'm sorry... But I'm sure you'll be able to win her over one day."

"I highly doubt it, she's already with another man."

"Ah... That's complicated."

"But I don't mind that much. I already knew I wasn't good enough for her, it's better this way."

"Don't say that, Joulan. You're certainly good enough, it's her who doesn't deserve you. You'll find a better girl." Nahida patted Joulan on the shoulder to cheer him up.

The Orc smiled and thanked Nahida for her words of consolation. He loved hearing them.

"And about you and Nazuna. You went to the festival together."

"It was very nice. We spent the night together."

"Really?"

"Yeah. She's taking a shower in my room now, she'll be out in a bit."

"That was quick... I didn't think you'd do that on a first date."

"Hm? That's not the first time we've done that."

"What?"

"It's best not to say anything about it. Hey, can you keep an eye on reception for a moment? I'm going to get something to eat."

"Sure."

Nahida ran into the kitchen and was surprised by the cooks' sense of harmony. Lucky, who had hated it before, was smiling along with the other cooks. They were getting on well.

Nahida didn't disturb and grabbed a loaf of bread and a glass of tea before leaving the kitchen.

As soon as he returned to the reception area, the door was opened by someone. Nahida remembered that girl.

"Rias?"

"I'm back. Do you have a room for me?"

"Of course. But where's that boy? Isn't he with you?"

"Issei? He's traveling."

"I see..." Nahida found that suspicious. He sipped his tea while looking Rias up and down.
