

1.

Huh? What do you mean, you have to do nothing? Exposing such deque boobs! Are you inviting me?

Kyaaaaa! Who ah! Help me!

2.

Wow, it feels great! Even though these monster boobs alone are amazing, the mako is also a monster level!

Passenger: Hey, are you serious?

Gusun... it's my first time... on a train like this...!

3.

Ha! It's not the first time, is it? Hey, come on, you're starting to produce breast milk again? What is it?

What is mother's milk... Eh! ? This is breast milk! ? Wha, what is it, my head hurts again...!

4.

Hey, your boobs will swell every time you put in and take out your dick! You are so funny!

Hey, you, just keep being mine!

Eh, my boobs are big... are these really my boobs? Uh, something... I think I remember... If I remember correctly, I drank the potion I made... Ah, ah ah ah!

5.

Kuh, my breasts are swollen... painful...! Stop it now!

Well, for the time being, I'll stop it once it's fired! I'll get it out soon!

No, stop... aaaaaa!

(Yukari faints again)

6.

Hey Jama! Hurry up!

As soon as they arrived at the station, a mysterious man dressed in black suddenly entered the train, forcibly removed the passengers, wrapped Yukari in his coat, and took Yukari away from the spot.
