You're dead Bitch!

Take your best shot scumbag!

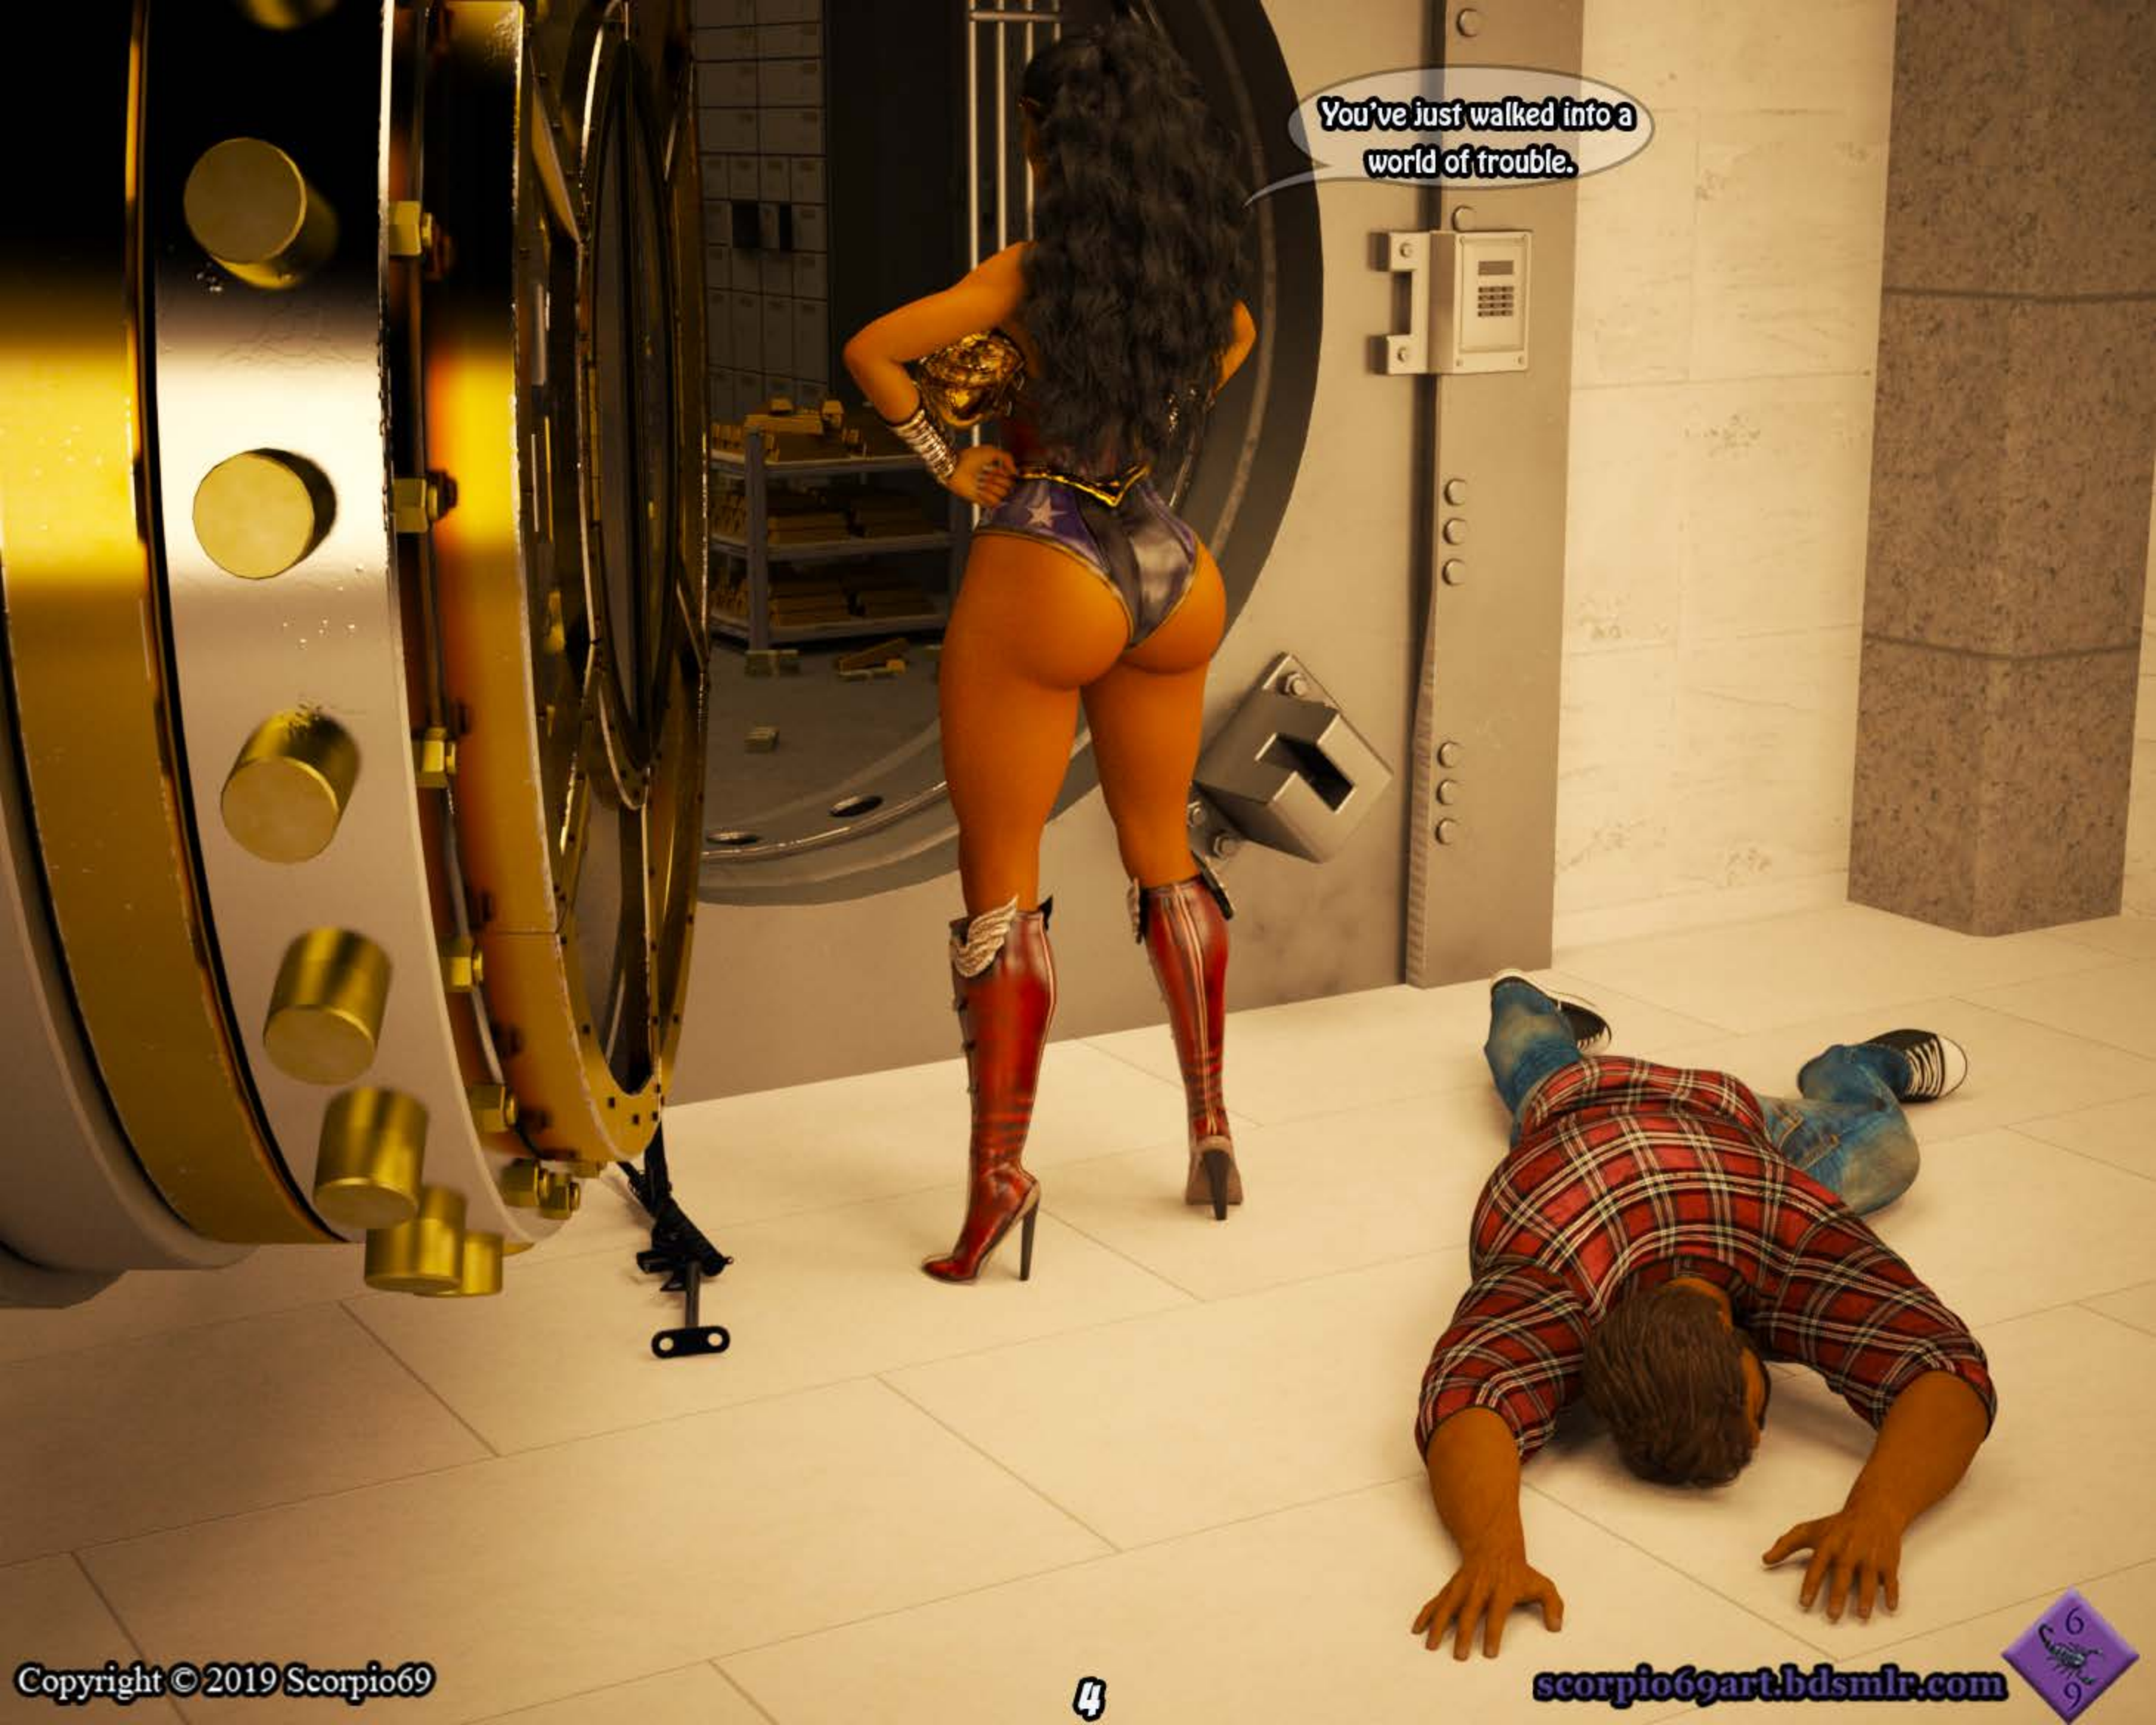

UGGH!

UGGH!

You've just walked into a world of trouble.

Oh my so fierce!
I'm all a quiver. Whatever will
I do. All I have is this gun.

This is the biggest mistake you ever
made. The detective would just beat you up again.
I'm going to feed you your balls.

Its a good thing I have my Super Villain ray gun. I'll just have to shoot you.

I'm not some pansy like the Detective. I'm a true warrior!

Oh deary me. Whatever will I do? You're so much better than the Detective.

That was your best shot?! You're a dead man. I can't believe the Detective has such a problem with you.

You don't look so tough anymore. I designed this gun just for you. I had my minions distract the Detective and the Alien so you would come I'll let you leave unharmed unless you want something else from me

For the first time in her life the Amazon felt fear. She could feel her super strength draining away. She was also having strange feelings. There was a growing warmth between her legs. She felt a strange wetness spreading. The Amazon had never experienced sexual arousal and it terrified her. What had this monster done! She had to escape.

My clothes feel so tight! Hera preserve me! My breasts hurt so much. What have you done to me?

The Amazon couldn't believe what she was saying. What had that fiend done to her? Her thoughts were cloudy and confused. She needed to maintain her dignity, but her breasts hurt so much. It felt like her uniform was crushing them. She was desperate for relief at any costs.

What kind of gentleman would I be if I didn't help a goddess in need. Let's get you out of that tight uniform.

My cloths are too tight! They're crushing my breasts. Please you have to help me. I can't stand it anymore; take my uniform off.

What have you done to me you monster? My breasts are huge! How did you do this and why do I feel so strange?

So you like the effects of my little ray. Your breast growth is very impressive and just beginning.

The Clown was delighted at the Amazon's predicament. She was confused and vulnerable. He knew the new feelings she was experiencing. He had her at his mercy and was going to take full advantage while it lasted.

Please they can't get any bigger. They're already so sensitive. Why do I feel so tingly between my legs?

The Clown was a wretched horrible little man. She should have been revolted by his touch, but she wasn't. When he squeezed her breast a strange feeling of pleasure went through her body. She started "peeing" but it felt like nothing she had ever experience. The Amazon had never had an orgasm much less squirted, so she didn't understand what was happening to her.

How does it feel when I do this?

♥AAAHHH!!!♥

The Amazon wasn't prepared for him to suck on her nipple. She felt milk flowing out. The Clown was nursing on her like a little baby. The feeling was incredible. It made her "peeing" much worse. She was becoming light headed and dizzy. The water kept squirting out from her special place. These new sensations frightened her and she instinctively grasped the Clowns hand for emotional support. He gently squeezed her hand and her fears subsided.

♥ AAAAAH!!! ♥

How can you be so heartless?
You must help me with these new feelings
you've awakened.

I know your people prize
their virginity, so I'm going to leave
now before we do something that
we shouldn't.

Hera preserve me. This feels so good I can't resist him.

The Clown was a brutal sadistic murderer, but he surprised her with his gentle touch. He was tender and went very slowly for her.

Oh yes ♡

The Detective was wrong about the Clown. He wasn't really so bad. He was gentle and kind. His touch was divine. No one had ever made her feel this way. The others just didn't understand him.

That's it. Give in to the feeling.

It feels so good. Somethings happening.

The Amazon couldn't believe she was letting him touch her in this forbidden way. She knew she should stop this before it went too far. It was a moment of weakness; the effect of the ray; she was still virtuous. The Clown began masturbating her and teasing her little asshole. Her resolve broke again. She would let him go a little further before she stopped this and arrested him.

♥The feeling is getting stronger like before when I pee.♥

That wasn't pee it was an orgasm. I can show you more.

♥Yes! Show me more! Teach Me!♥

The Clown took control of her body. He filled her pussy with three fingers and inserted two more in her cute little asshole. The Amazon began bucking uncontrollably. Her hips acted with a mind of their own and began thrusting against his hand, pulling those probing fingers deeper inside her. She loved the full feeling in her pussy, but the fingers probing her asshole felt divine. The Amazon experienced a more powerful orgasm than before. She had to learn more!

It's happening again! My breasts are aching so much! They feel so full! You have to help me, my breasts hurt so bad!

You're transforming again. Don't worry I'll hold you until it stops.

The transformation was difficult. A lesser woman would not have been able to stand the pain. The Clown was true to his word and held her through the whole ordeal. He was surprisingly loving. Laying with her head on his lap was blissful. She had never felt so contented. Her new body was magnificent. As the Clown gazed down at her lovingly, she knew what she needed, even if it was forbidden.

You may ask anything you want of me.

♥Teach me the ways of love.♥

It's a lot bigger than I was expecting. I've only seen the Alien's. It was a tiny soft little thing. Yours may be too big for me.

Don't worry my Goddess I promise to be gentle with you. I know it's your first time.

Don't be afraid. Take it slowly.

♥ It's so big! ♥

Yes that's it. Now take it deeper.

Yes that's it - very good.
Relax while I fuck your throat.

The Amazon clung tightly to the Clown as he forcefully fucked her throat. She dug her nails into his ass as he violated her. She slobbered and drooled with each thrust, loving every minute of it.

When the Clown took her virginity the pain was intense. His cock was enormous. Surely she would be split apart if he kept pushing it in. But the Clown kept true to his word and he was gentle. He slowly worked the head in and out until she had adjusted to its size. The pain was gradually replaced by pleasure.

Be brave my love. It will only hurt for a minute. I'll be gentle.

♡ It's so big! I can't take it! ♡

She could hardly believe the words coming out of her mouth. The was showing her pleasure she could never have imagined. She wanted more. She needed more. She would make the Clown teach her everything.

Yes that's it. Give in to the pleasure.

♥ Deeper! Fuck Me Deeper! ♥

♥Your dick feels so good! You're a God among men. Fuck me good!♥

Your wish is my command my Goddess.

U5547

Don't fight the feeling my love.
Let it happen. Cum for me.

♥ It's happening again! ♥

♥AAAAHHH!!!♥

I have more to teach you,
if you want to learn.

♥ Please teach me everything. ♥

The Clown made her bend over and spread her ass for him. She felt so degraded in this position. She was no longer one of the worlds greatest heros, she was a sex object for a demented villain and she loved it! It had to be her imagination, but she could feel his gaze staring at her asshole. Her imagination went wild with thoughts of what he would do to her ass.

♥ Is this how you want me? ♥

Yes just like that. Spead your ass nice and wide. I want to see everything.

The tension was unbearable. He moved in close to her ass but didn't touch it. She could feel his hot breath on her asshole. It excited her. She wanted him to lick her asshole, to put his tongue inside, but he made her wait; letting the tension build.

♥ I can't stand it anymore,
please lick my ass. PLEASE! ♥

Finally the Clown showed mercy and began licking her ass. His tongue went deep into her ass. It was so dirty, so naughty. It just felt so right to be treated this way.

♥ Oh Yes! That's the spot.
please don't stop. ♥

Because it pleases me my love.

♥ You know what I want, why do you make me beg for it? ♥

♥ You're a bad boy. Please put it in my ass. ♥

♥ Is this what you wanted my love? ♥

His cock felt even bigger going into her ass. This time he wasn't as gentle. He was rougher. He punished her ass by making her take it all. He was making her his whore. She couldn't hide her cries of pleasure and she knew he could see the puddles of milk forming beneath her breasts. She was his whore.

♥ AAAHHH!!! ♥

♥ Yesss! It's so deep! ♥

♥ Make me take it all! ♥

The harder he fucked her ass the more she loved it. He was taking her to a dark place, a taboo place, and she still wanted more. She didn't care what the Elders or her fellow Heros would think. The Clown had claimed her for his own and that's how she wanted it.

♥ Deeper! ♥

♥ Yes my love let it out. Trust me I know what you need. Don't fight this feeling. ♥

♥ AAAHHH!!! ♥

AAAHHH!!!

AAAHHH!!!

She lay on the ground in a pool of her own milk feeling his warm cum running down her ass and onto her back. An hour ago she was a virgin, she had never known the touch of a man. Now a terrible lust had been awakened in her. He had sated it for the moment, but she knew it would return. As she slowly lost consciousness, she knew that the Clown had lit a fire that would burn forever.

As she regained consciousness the Clown was holding her looking lovingly into her eyes. Why didn't he escape when he had the chance? Her body had returned to normal, so the effects must have been temporary. She had to do her duty now.

I know what you're thinking. I didn't want to leave you until you'd recovered your powers.

♥The others just see a violent sociopath. The don't understand how romantic and loving he can be.♥

Is this the part where you beat me up and take me back to the asylum?

It's what I do. Is my tie straight?

How can you joke around at a time like this?

Ugh! You're so frustrating!

♥ Let me fix that you incorrigible miscreant. ♥

So what happens to me know?

Of course, I would never harm your reputation as a super hero.

Dead men tell no tails.

Whatever you desire of me.

I can't wait.

Yes dear.

I'll let you go but you must swear that you will never tell a soul about this.

What about your lackey? Can he be trusted to keep a secret?

Good that will do. What are you doing Saturday night?

I'll meet you at the abandoned warehouse on the warf. Don't be followed.

Don't forget to bring the gun.

♥Yes Dear.♥

Next time I want my breasts to be bigger and produce more milk.

Goodbye for now you little
perverts. I'll see you when our story
continues in **HUCOW FARMS VOL 3 - THE
HEIST**. I think you're going to love it.
