

I once even heard that a guy has a penis as big as his hand.

And as thick as his thumb.

In fact, my penis is more or less like my hand.

That's why you better get ready.

Everyone says so but in the end we all know how it ends.

How many times do I have to tell you we are just pretending to be a couple.

And I certainly have no intention of doing it with him.

A guy will not last too long in the company of a beautiful girl.

I have to scare Mutsumi-chan so much that she gives up this stupid idea of pretending to be a couple.

You know it well after all, you were one yourself until recently.

But I'm still a guy.

*\*embarrassed\**

Besides, I'm not beautiful but handsome at all.

It should be about the same size as his equipment.

*\*Shocked\**

You must be joking.

Say what you want.

In any case, you must be ready to fit it in.

Of course I could be wrong, in the end I'm just guessing, I've never seen it.

I knew. It's impossible for him to have one that big.

He might have a smaller one or ...a bigger one.

But admit it, how many times have you barely resisted us, and little did you go a step further.

Not once, I always have full control over myself.

Unfortunately, not every guy is like that.

And a girl is not always able to resist either.

Er... yes. They influence this?

Do you have hormones in mind?

Of course, they are responsible for sexual desire.

At night...

No way, I will never do that.

Never~.

???

Good morning honey.

I see you are already waiting for me. hehe

Zian?

What are you talking about?

Don't play innocent.

You know very well how I like your ass.

Fuutarou room...

*\*Mad\**

Hey,  
what are you  
doing!

Hmm?  
No one is  
there.

*\*confused\**

I guess it  
must have been  
just a dream.

Dream...

*\*Shocked\**

What,  
ready for  
what?

Ready?

I'm about  
to make  
you feel  
really great.

Moment,  
time!

!! I don't  
want it!

Don't pretend, I  
know very well how  
you like it.

After all, you  
yourself always ask  
me to do it.

What?

Hooo~

Hmni

Fuutarou room...

Ahh~

What, was  
it just a dream  
again?

Strange.

Very  
strange.

*\*Disappointed\**

Anyway,  
it's time to  
finally go to  
sleep.

*\*Angry\**

And stop  
thinking about such  
things!

Dream...

And now something for me.

Gosh, you don't even know how I love your ass.

Wait, this is too much.

Honey, you remember how we got along.

Reality...

No, no.

Meanwhile, in Heaven...

I wonder how Mutsumi-chan is doing.

I hope he can somehow manage while I'm gone.

His unlike Rem and Ram I didn't teach any magic.

I hope nothing will happen.

*\*concerned\**

Back to Fuutaro...

I'm sure these dreams are Naomi's doing.

She is the one who is trying to make me a girl at all costs.

She's probably doing it out of revenge for that one.

Alright, I'll play your game.

Now no matter what I don't get out of bed.

*\*Mad\**

After all, it's just a dream anyway.

Some time later...

Aaa...

I shouldn't have drunk that Coke before bed.

Alright, now where is my room.

Wall.

Oh, there they are.

Aaaa~

Fuutaro's room...

Itsuki Pov

Okay, and now it's time for bed.

Why is it that whenever I'm sleepy I can hardly see anything?

Hmmm~  
Yummy.

So soft and  
warm.

Hmm~

In the morning...

*\*embarrassed\**

*\*embarrassed\**

Mutsumi-chan  
wake up!

Has anyone  
seen Itsuki?

As if  
they were  
asking why I  
was in your  
room, I mixed  
up the rooms  
during the  
night.

Nothing else  
happened.

Of  
course, we  
only slept  
together.

Nothing else  
happened.

During the lesson...

Why do I keep acting like a girl?

I even noticed that I'm starting to think like one.

I need to do something just what?

Friday at last.

Yes, I thought this week would never end.

Exactly.

I almost forgot about it.

After the last lesson...

Really, you have recordings at the water park soon.

But that means you'll have to wear a men's swimsuit.

Yes, I'm already looking forward to it.

Er... I didn't think of that.

And you're not changing?

Is it about Zian?

I have still something to do. I'll be back later by cab.

No, it has nothing to do with him.

Say, you remember what you told us then, don't you?

Of course, you probably don't think otherwise.

I'm just making sure.

Phew~  
Fortunately, they are still only pretending to be a couple.

No worries, as for my preferences, they will never change.

If you're curious, I'm going for a math tutoring session.

Are you serious?

*\*Surprised\**

After all, you're the best at math.

Once Yotsuba had better grades than me, I won't allow it a second time.

*\*Determined\**

I have to be the best.

*Disgusted*

Eee... Maybe some other time, I'm expecting an important package today and have a lot of plans in general.

I have an idea, maybe you'd like to come with me, it might be useful for you.

Then maybe some other time.

Some time later...

Fortunately, every time I mention studying, they immediately run away.

Phew~ That was close.

It's a shame, because they could use a bit of studying from time to time.

On the school's roof...

But I'll worry about that another time, right now I have more important things on my mind.

Oh, finally you're here.

I was afraid you wouldn't come.

Wow, I have to admit that the Commander did a good job.

If I could I would have taken over that girl's body.

**\*Surprised\***

Ayako?  
Are you the other angel?

But for that she would have killed me immediately.

And in an open fight I have no chance with her.

Do you mean this body?

No worries, I always make sure that nothing happens to her.

After all, I can't let anything happen to him.

Right? Where would I go back then?

Meanwhile...

Where am I?

*\*scared\**

What is this place?

Why am I tied up, was I kidnapped?

HMM!

HMM!

Yes.

That makes sense.

This will be easier than I thought.

hehe

And where else would she be hiding?

No, that's impossible.

After all, she lives at her aunt's house. How can she be a criminal.

Besides didn't she suddenly have to leave somewhere before my arrival?

Doesn't this seem suspicious to you?

Indeed, strange.

So I have a proposition for you.

If you help me catch her you will get your male body back.

I know you want it, so how?

To be continued...
