

Sorry for interrupting you guys.

No, no!!

It's fine.

Really?
Now that I think about it...

Guess you and me are even now.

What do you mean?

We were just talking.

Either way, it looks like even after all this time

you still have feelings for him?

.....

Of course I do.

Good+

That's good!

then it'll be alright.

Well, time for me to call it a day. My fiancé is waiting to pick me up.

See ya!

Oh and, good luck!

I'll make sure to kick his ass on the way out

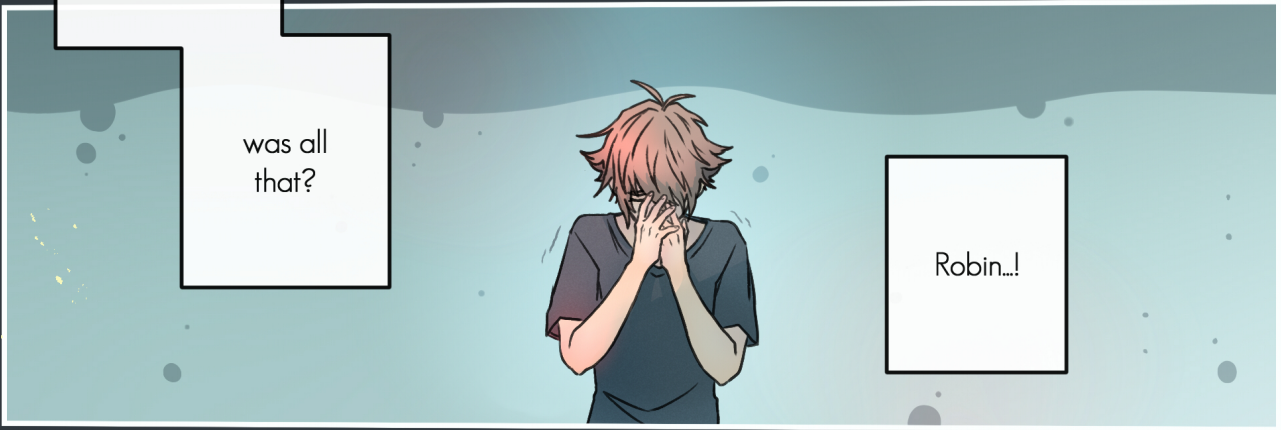

What on earth

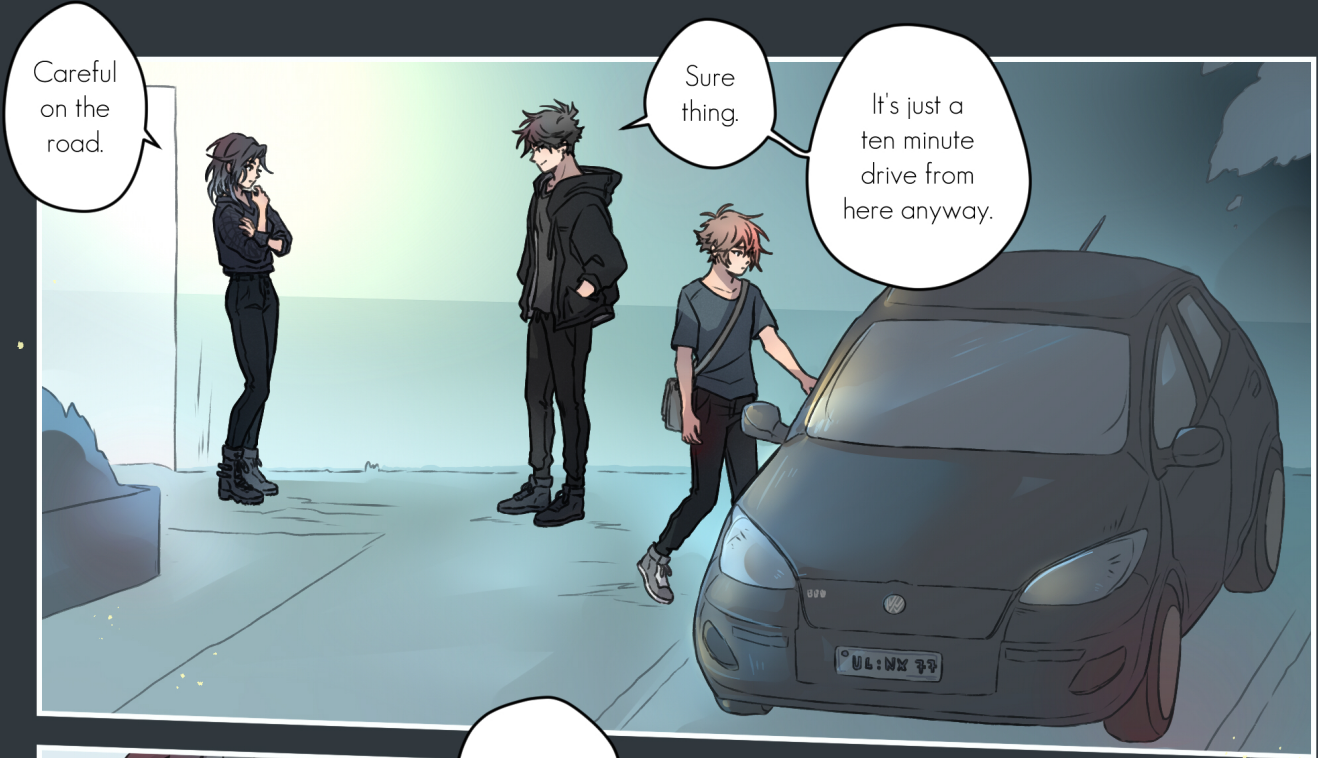

was all that?

Robin...!

I'm terrified

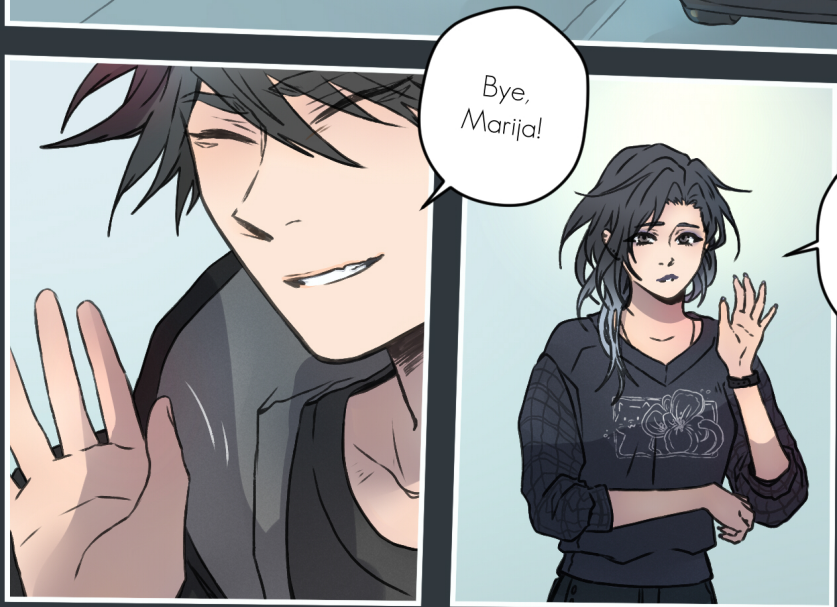

for so many reasons.

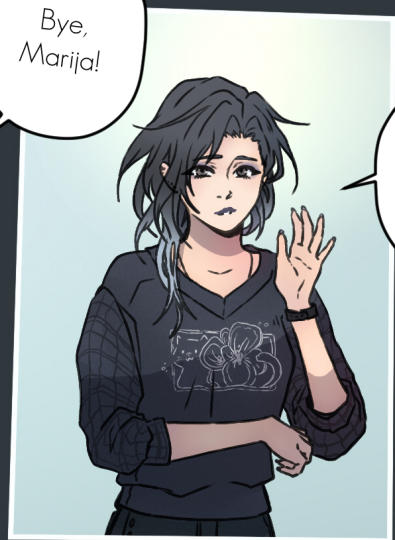

Careful on the road.

Sure thing.

It's just a ten minute drive from here anyway.

Bye, Marija!

Thanks for today.
Now off you go!

groan

I'm hungry
and tired as hell.

Can it wait a few more minutes?

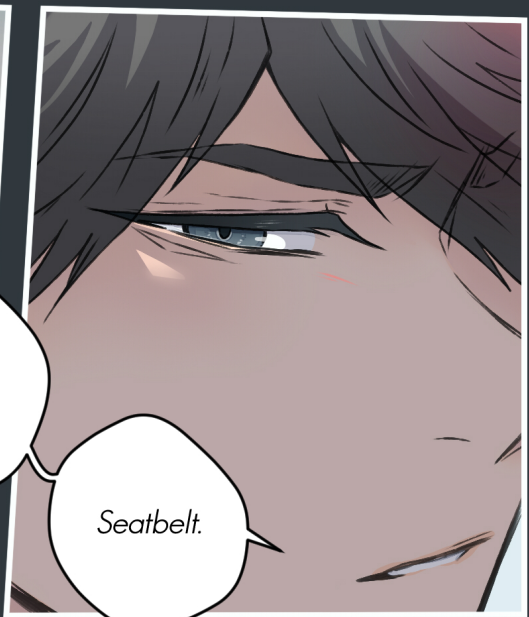

I'm begging you, please.

..... Okay.

Noah.

Seatbelt.

shing

sigh
