

KIM JISOO!

Yah  
What's with you  
all of a sudden?

You followed me  
this whole time?!

....

Hey,  
Answer me

....

Are you listening?! Jisoo!  
The conversation just now...  
What did you hear?

....

I knew it!  
You heard everything

You're making a big  
deal out of nothing

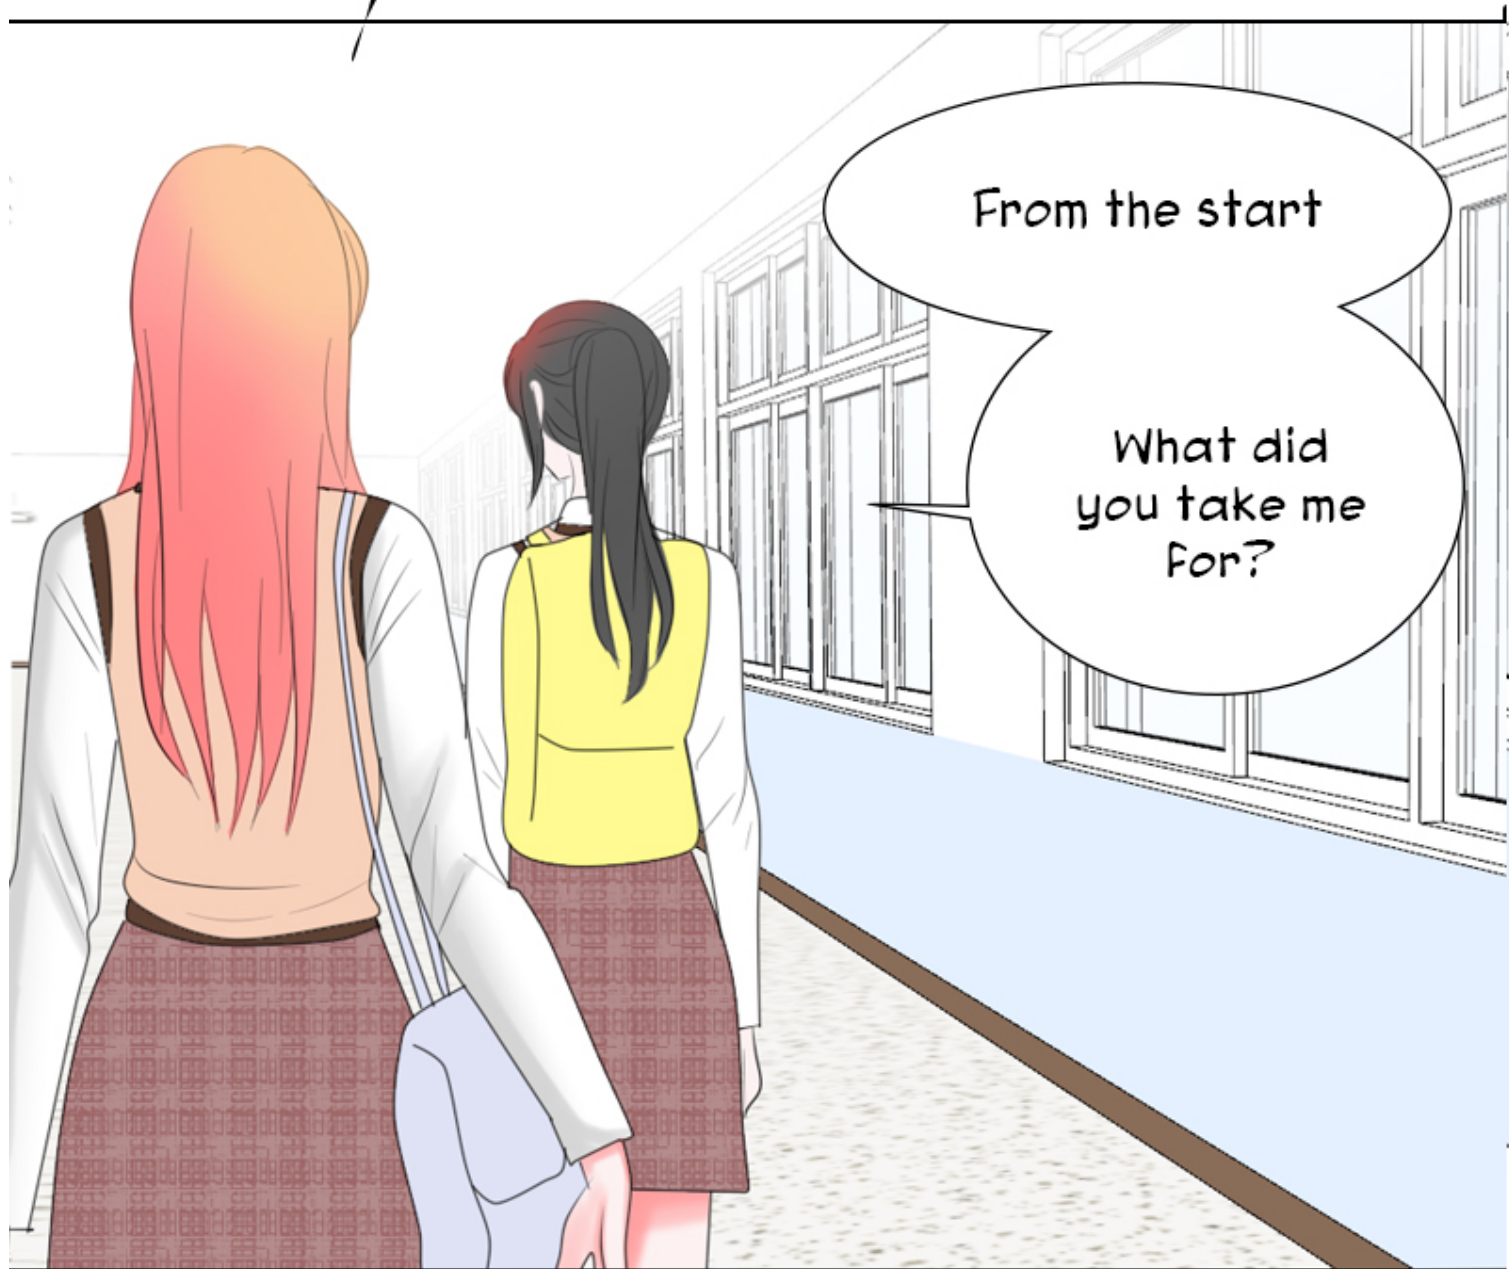

I was just trying to  
provoke Ms. Lee.  
You know I don't lik-

Wait a sec...  
I haven't told her  
about teacher and  
Jihyun unnie yet..

What do you  
take me for?

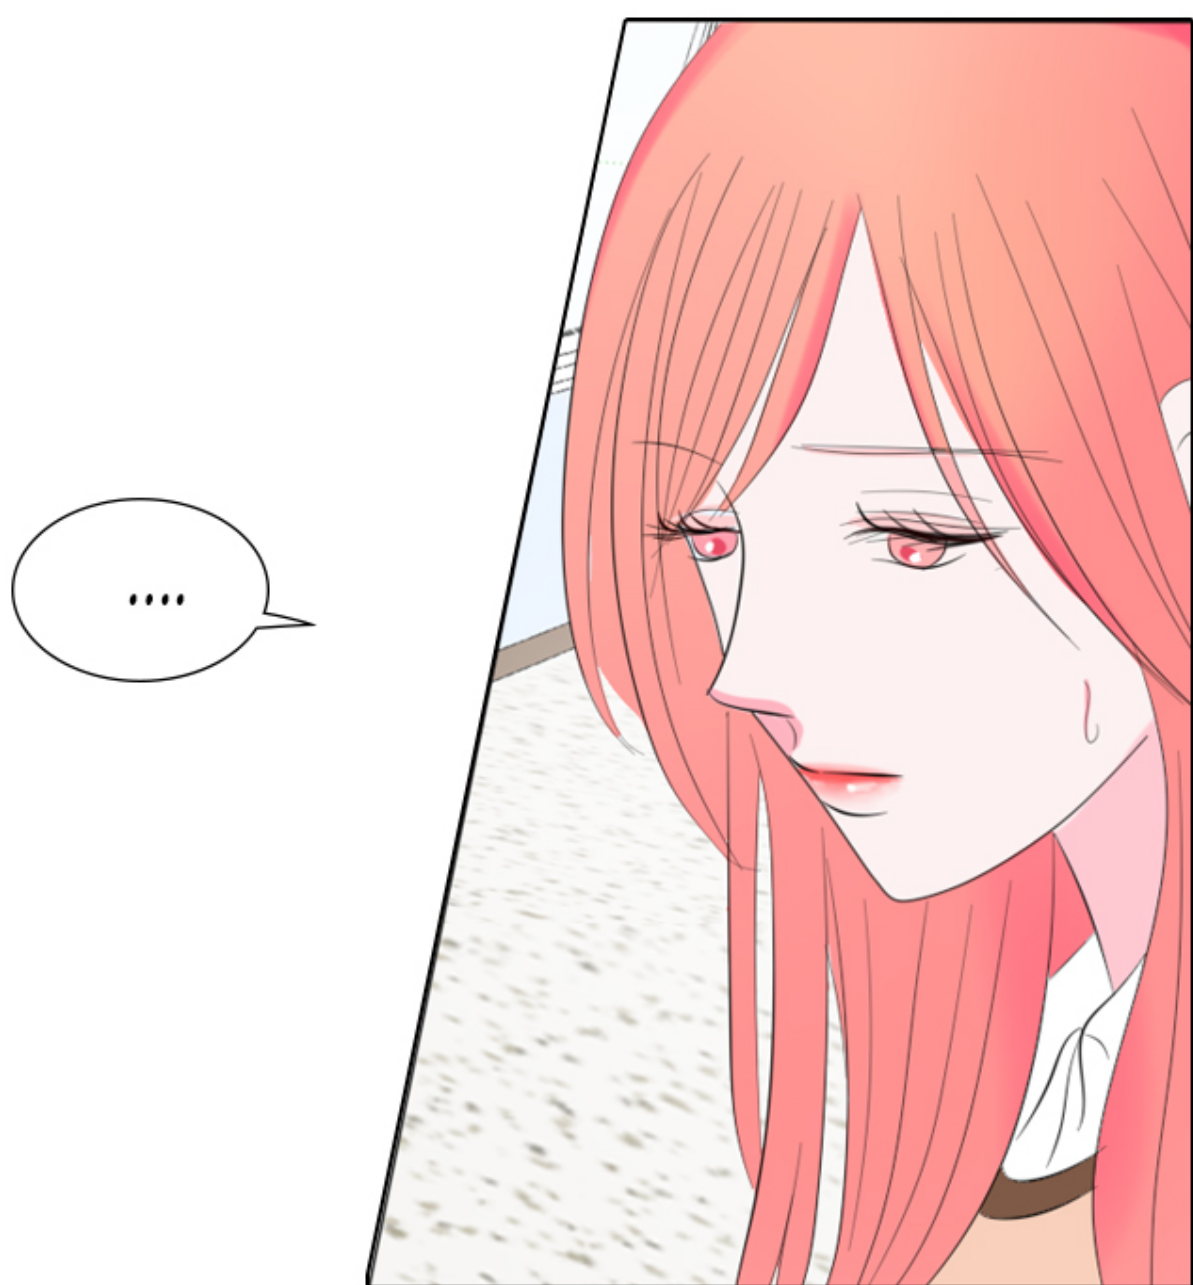

...What?

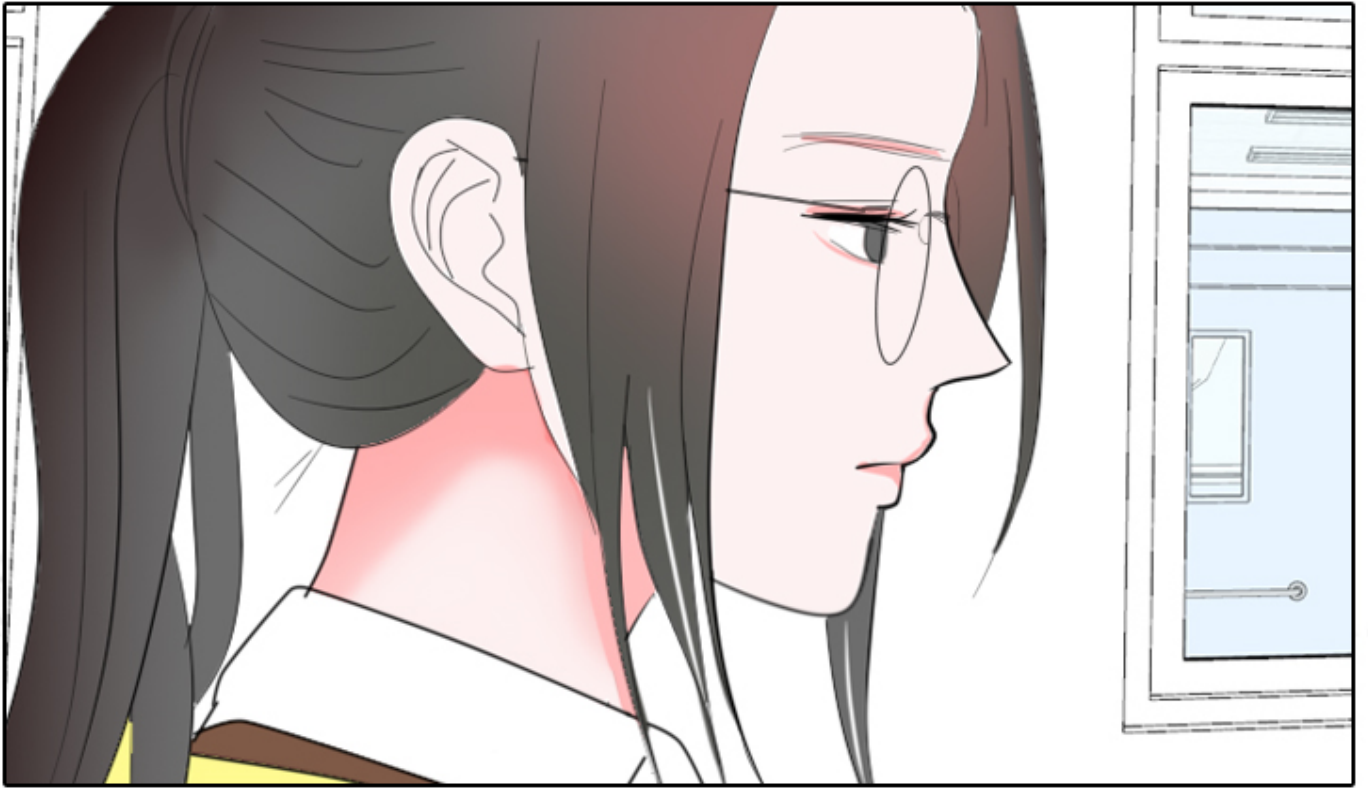

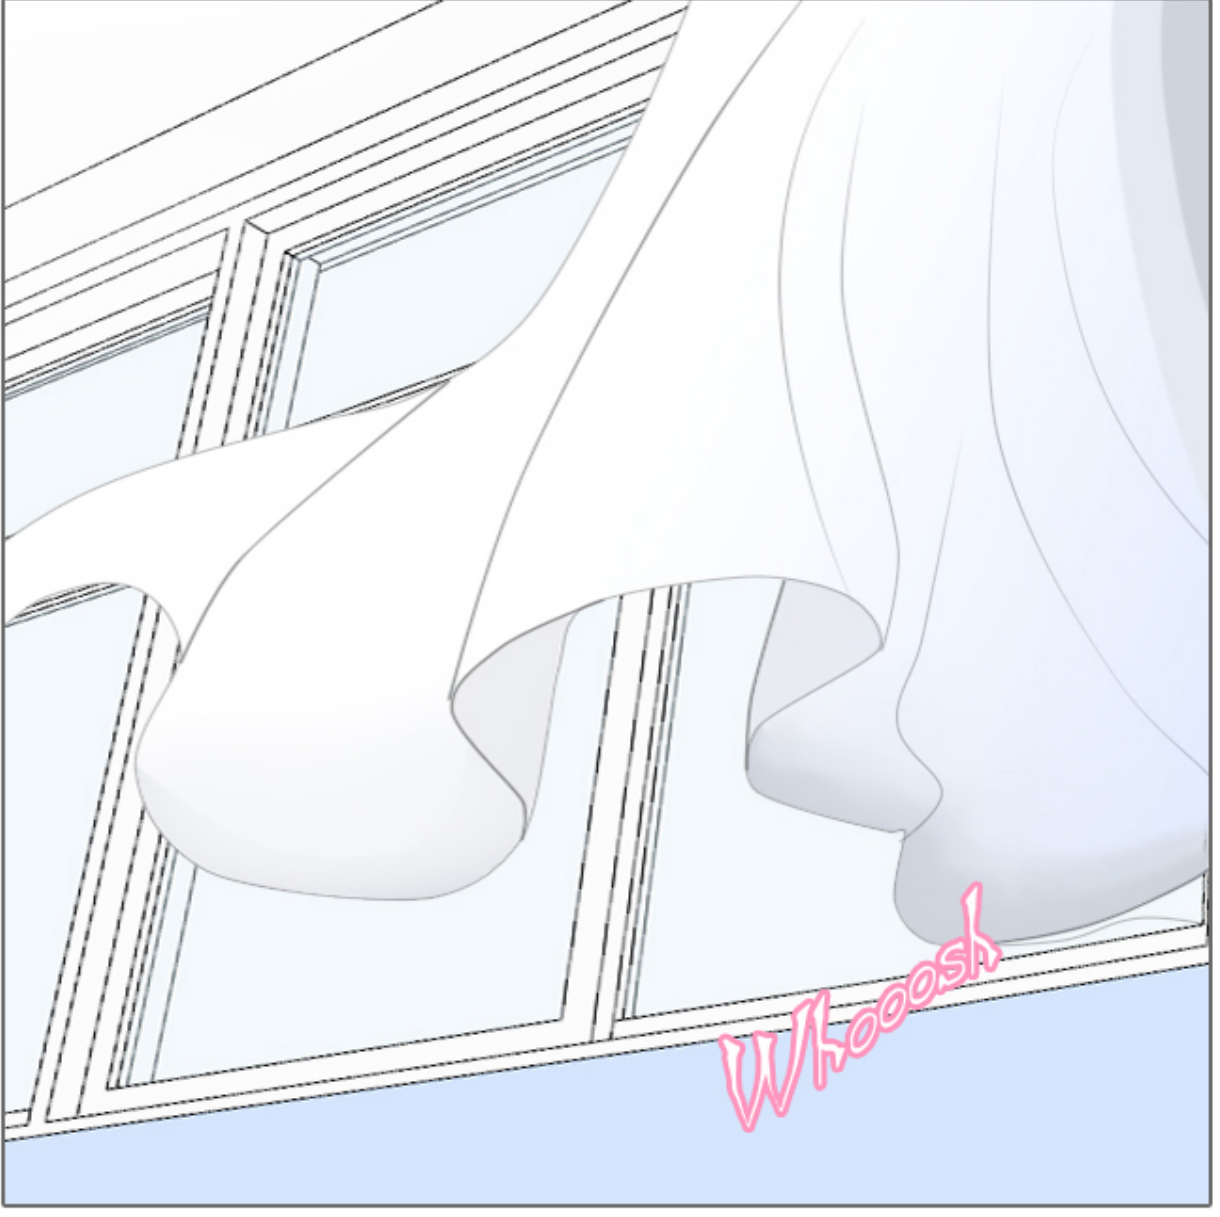

From the start

What did  
you take me  
for?

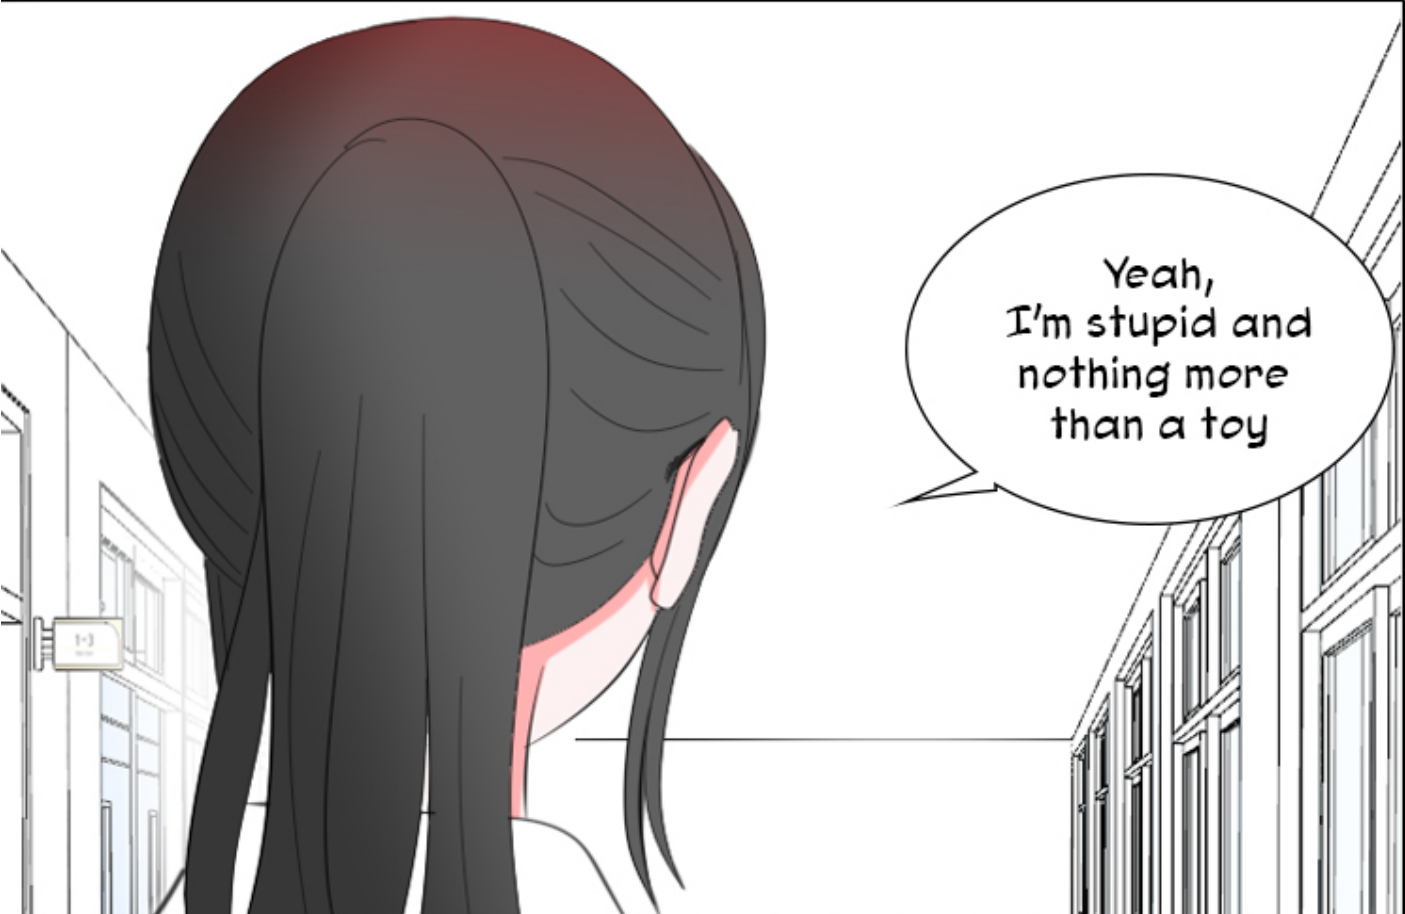

You're so  
cruel

No wonder  
all your words  
were always  
unclearly said

You kept  
pulling me closer but then  
pushing me away

Yeah,  
I'm stupid and  
nothing more  
than a toy

But that doesn't mean  
I don't have feelings

I tried not to be hurt

Every time you kicked me out of your life

Every time you got mad at me for no reason

...I just-

You just don't like me.  
Not one bit

....

Because you don't like me

You never treat me kindly the way you treat Jihyun sunbae

...I thought you didn't mind it

How could I not mind?

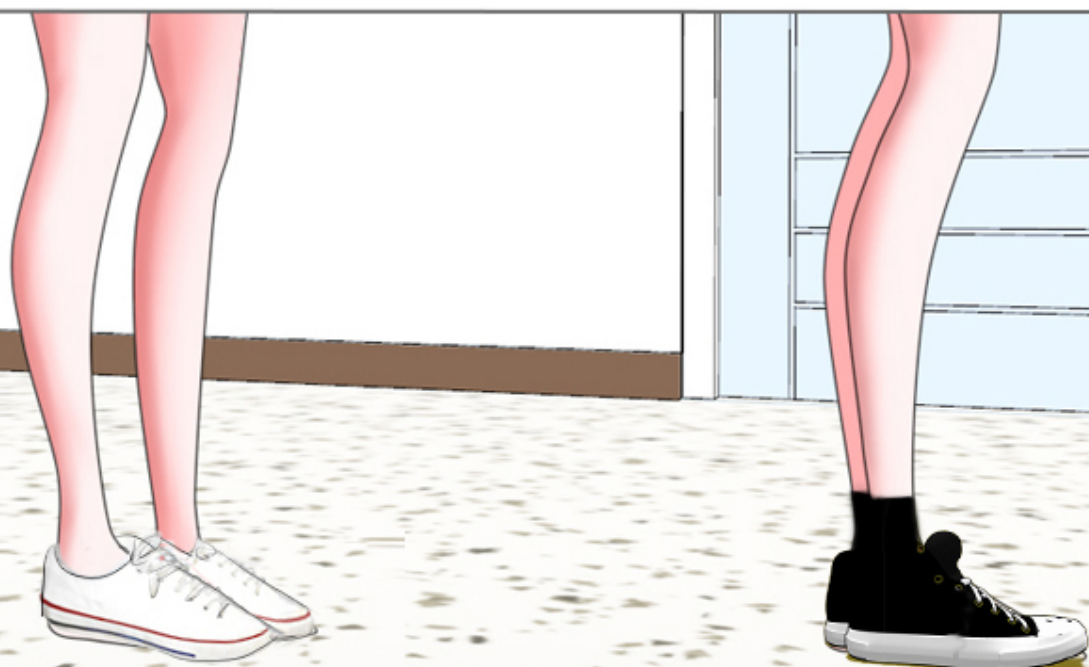

The thought of  
you leading me on,

Giving me false hopes,

Making me believe  
that I was your  
potential love  
interest

That's---

....

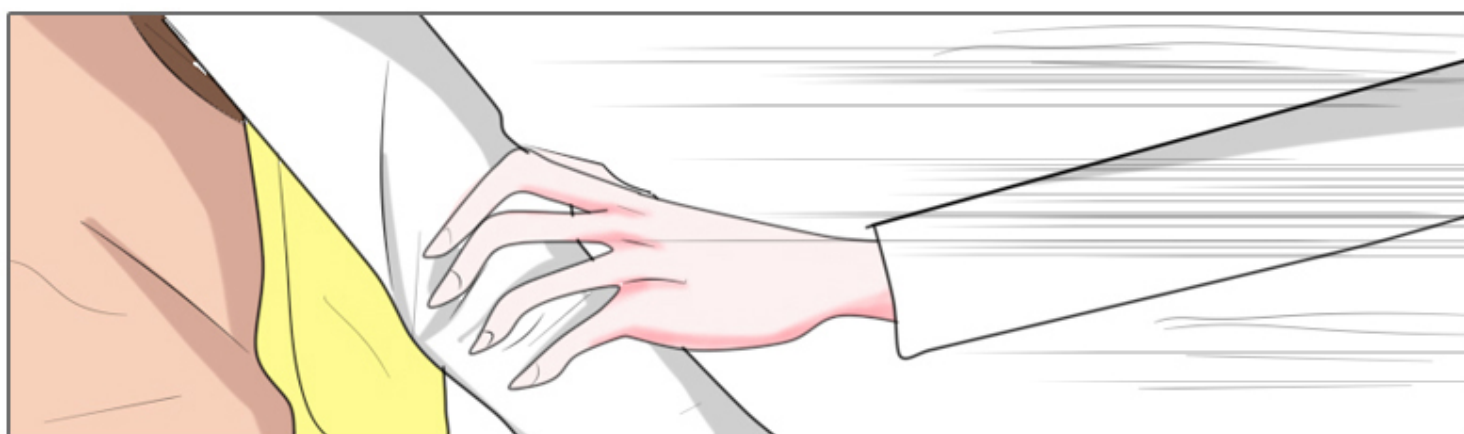

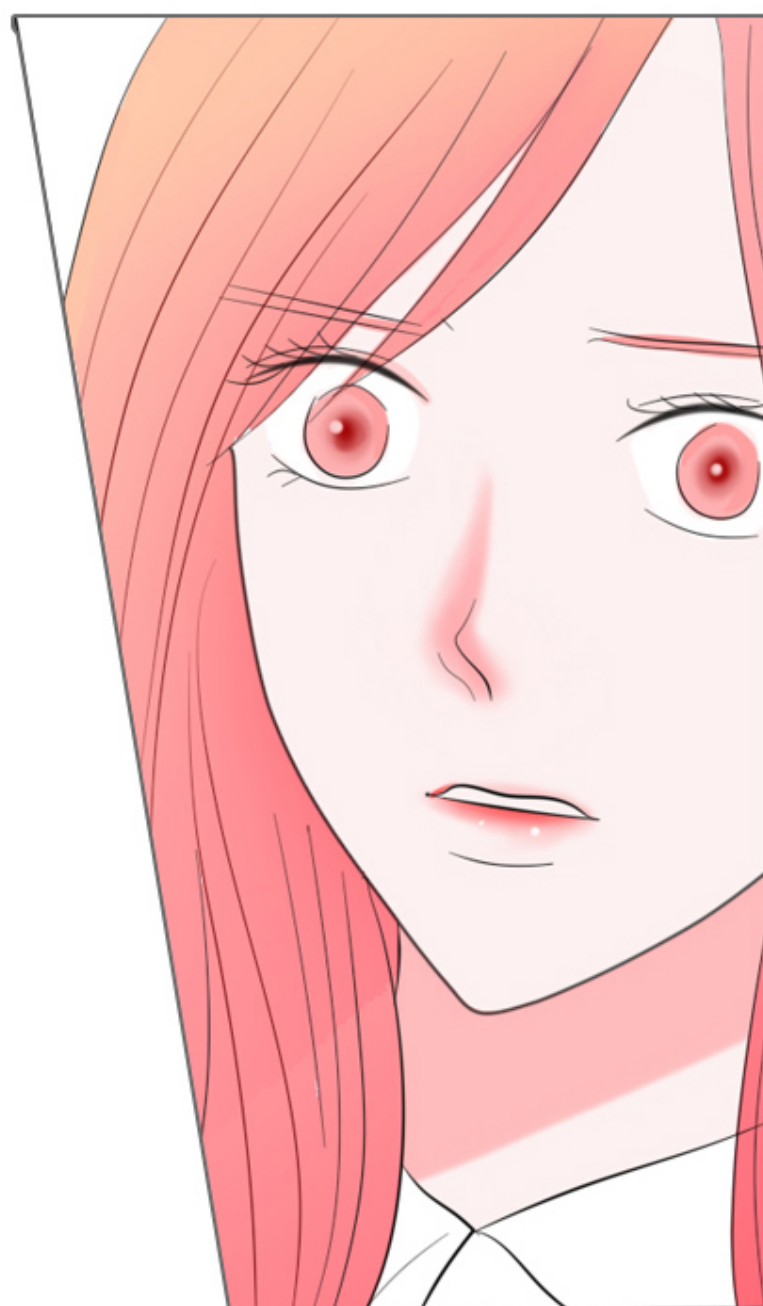

Let's break up

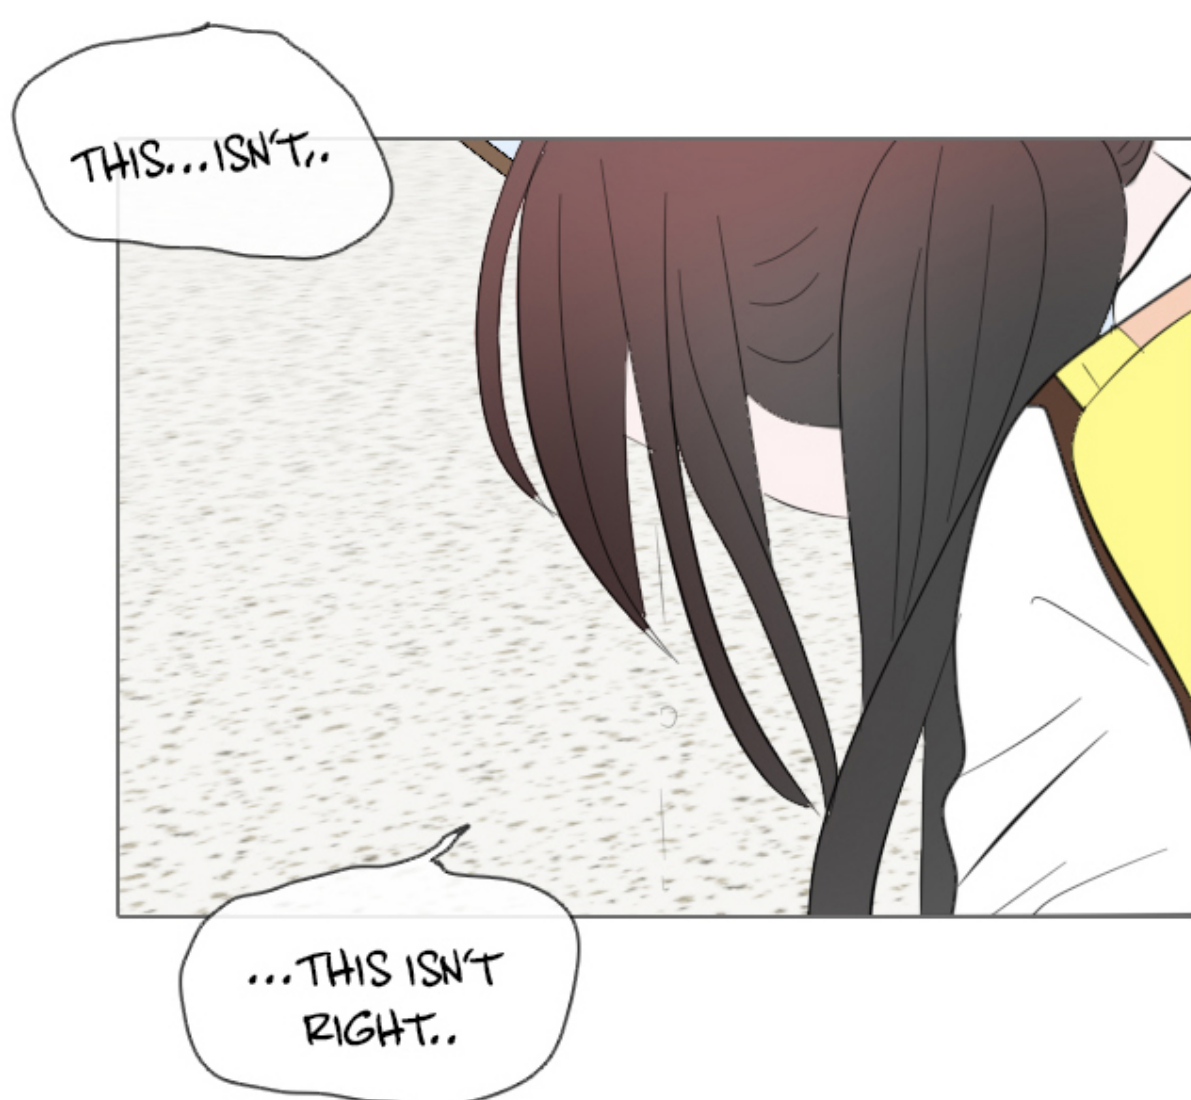

What did you just say?!!!

I SAID  
LET'S BREAK UP

I CAN'T  
CONTINUE THIS  
RELATIONSHIP WITH  
YOU ANYMORE..
