CW: Crossdressing, Oral sex, costumed sex, edging, ribbon as cockring, overstim, couch sex)

(audio starts with door closing, quiet halloween party music in the background)

Kaminari: Whew! That's the last of the trash taken out to the curb!

Kirishima: Ah thanks bro, you didn't really need to help clean up. We coulda got it...

Kaminari: Whaaa? And let you clean up after your own birthday party? Pft, as if man. You're the birthday boy! You're supposed to be takin' it easy and getting spoiled on your birthday! **(playfully)** Which is whyyyyy I'm getting on outta here...your big bad wolf's been looking at you all night like they wanna eat you up, and far be it from me to get in the way~

Kirishima: (flustered) Denki!

Kaminari: (laughs) What? It's a cute costume! Looks way nice on ya so I can't blame em!

Kirishima: (flustered) H-hey! I just wanted to match with my baby. Matching costumes are manly!

Kaminari: That they are! I gotta admire your dedication to it. Takes a real man to not halfass a costume with a dress! The socks are a nice touch too~ The bows on them are way too cute.

(pause)

Kaminari: (playfully) Seeee? They think so too. We've got pretty good taste I'd say.

Kirishima: (embarrassed) Hun...you're not helping. **(soft laugh)** But thanks, I didn't think I could pull this costume off again since uh...I'm not as small as I used to be when I was a kid haha!

Kaminari: (snicker) eh, it helps when you size up properly~

(horn honking twice in the distance)

Kaminari: Oop! That's Toshi. Happy Birthday again and Hey! You did a great job planning his party cutie! It's been a while since we've all gotten a chance to have fun in costumes that aren't our hero ones y'know?

Kirishima: (huffs in amusement) Yeah it was really fun! And thanks again for the present Denki, I appreciate it.

Kaminari: Ahh what can I say, I saw that vintage Crimson Riot jacket and it just called to me **(playful spooky voice)** “Buy me for Eijiroooou or I’ll haunt you forevrrrrr”

Kirishima and Kaminari: (laughter)

(Honk honk again, Kiri turns off the halloween music)

Kaminari: Okay I gotta go! See you two later!! **(Footsteps padding away, calls as he walks off)** I’m *coming*, keep your pants on Toshi!

(door closes)

Kirishima: (tired exhale) Whew...time t- Mmf?! **(taken off guard as the listener kisses him passionately, but he returns it, soft moan)**

(breathless) I...I was gonna say time to get this costume off but...mn..I’m gonna guess you have a different idea in mind huh? **(more eager kisses, soft moan)** Mn..fuck hun, you know my neck’s sensitive...**(soft pant, lovingly)** Oh man...what’s gotten into you huh? **(groan)** N-not that I’m complaining.

(breathless chuckle) I guess you really do wanna eat me up huh? Hungry little wolf~

(kisses as they move across the living room, shuffle)

W-whoa! **(soft aroused laugh)** Can’t even wait to get to the bedroom huh? Guess I owe Denki for clearing off the couch..**(soft hungry kisses, little moans)**

(fabric shifting)

(flustered, small shy laugh) Hey don’t make fun of me baby...you laid em out with the costume so I...thought you wanted me to wear them. I’ve uh...never worn panties before, I’m kinda nervous to ask where you got some to fit me.

(soft whimper) Mn..They’re uh..kinda snug though...but it’s not...bad?? Is that weird to say?

(fabric shift as the listener moves the fabric, begins sucking him off at an eager pace)

(sharp inhale, moan) Oh god you didn’t waste any time huh? Fuck...mn..**(soft eager noises)** Mn..I’ll d-do my best to keep my hips still baby, I promise, but mmn..It’s always so hard when you’re...ah! Sucking me off like that...**(breathless laugh)** god it’s like you really do just wanna

devour me...not that...mn..I'm complaining...god I love you so much..I love what you *do* to me...mn!

(whine) Ah! fuck..I..s-still don't know...mn..how you learned to do that...taking me all the way down like that..**(whimper, begging softly)** Look up at me baby, please.. let me see that beautiful face...**(breathless)** Oh fuck...You look so cute like that..**(sharp inhale through teeth)** Careful...don't hurt yourself hun...I know I'm not the smallest..mn!

(small smack on his thigh)

(sharp inhale of surprise) Ah! S-sorry no..no I'm not doubting you baby..I'd never do that..just..ah...want..you to be safe is all..**(whimpering and moaning as the listener continues for a bit, slick noises and sucking getting more urgent)** You look so sexy hun...don't think I can't...ah hear you fingering yourself open for me..

Mn! Oh god baby...I'm..ah! Please don't stop! S-so close mn! G-gonna!

(listener pulls off)

(low frustrated whine) A-ah...mn..W-what are you doing baby?? Messing with my costume??

(silky sound as a ribbon is removed and tied in place)

(small groan) N-no it's not too tight...not..uncomfortable just new. **(soft moan)** God that's such a weird sensation, tying that ribbon around the base of my cock like that...but..mn..feels..good..

(clothing shuffle)

(aroused, awed) Look at you...guess like you're just as excited for this as I am **(breathless laugh)** Can't even wait to get your costume off all the way. **(soft inhale)** You're so pretty baby, in my lap like this..I promise if..if the ribbon's too much I'll tell you but right now it's..honestly really hot..

(soft impact as he's pushed over)

Oof! **(breathless)** Haha...you won't get any..mmn..complaints out of me if you want to ride me...only makes a great birthday better.

(soft slick noises as the listener starts to ease him in)

(shaky moan) fuck that's...mn..way...way more intense than usual. E-easy baby...that's it..**(whimper)** God I love the feeling of you just easing onto my cock like that..

(soft moan) T-take your time...no rush on this end, heh..**(groan, whimper)** I promise I'll try to let you..mn..give me a good birthday ride but god it's *so hard* to stay still..

(fabric shuffle)

(moans) Mn! Rubbing my chest like that...your hands are just so..ah...**(small whimper leading up into moans as the listener begins to move)**

C-can I touch you too? Please baby, I need to feel ah...you under my hands...fuck please?

My beautiful baby...god you're so perfect...**(moans)** How did...mn I ever get so lucky to have you huh? **(eager kisses)**

(shaking moans, growls and groans for a while, slowly becoming more overstimulated)
Oh god hun, that's it, fuck..that pretty face you're making...**(whine)** how your thighs are shaking...god it's like you're trying to milk me for everything I've got...

(pace increases as the listener chases their orgasm, Kirishima's whimpers and moans get louder and more desperate) I love when you arch your back like that...oh *god*...when you..ah! Move your hips like that, fuck I feel like I'm gonna *faint*..

(begging, overstimulated, teary) B-baby pleasepleaseplease I'm begging you..please let me cum..I can't..you're so tight around me. **(whimper)** Y..your face is so pretty when you cum baby...*pleaseplease*..i..it's too much PLEASE.

(ribbon untying, sharp loud gasp and a moan as the pace picks up even more)

(sob, whimper) Ohhh my god fuckfuckfuckFUCK!

(whimpers, pleasure drunk) Baby..oh fuck..**(sharp inhale)** D-don't move...too sensitive.. **(low moan)** C'mere..kiss me please..please...**(hungry kisses that slowly calm down, breathless, dazed)** Love you so much...so so much..

(swallows softly, dazed) Hm? Oh no hun, I'm fine..just a little tired is all. That was...really intense. Didn't know I was into edging but..heh...looks like I found out something new about myself huh? **(tired laugh)** How about you? You okay? I uh..kinda went pretty hard towards the end there.

Good...I'm glad. Mnn..**(contented sigh)** Heh, yeah you said it...that was..oh man..**(peck)**

You're amazing, know that? Tonight was honestly just what I needed. And not just you jumping me on the couch either haha...**(soft sigh)** I've been feeling kinda...I dunno...disconnected from everyone lately, and this party was JUST the thing to pick me up. Not to mention, it's been a while since I got to have Blasty's cooking! It was just as amazing as I remember!

(wistful) All the games we played, and the presents and that cake you and Sato made for me? Getting to see our old classmates, even Mr. Aizawa and Eri too? It was perfect. **(soft content sigh, voice warm and loving)** So, thank you for an amazing birthday baby, I mean it. **(soft kiss, low hum)** I love you so much...**(soft)**There's not a guy out in the whole world who's as lucky as I am right now..know that?

(kiss, interrupted by a soft uncomfortable noise) Oof...oh man, Tetsu was right, couch sex is *not* the best for the back. **(gentle laugh, teasingly)** But...I'd say it was worth it. C'mon hun..let's go get cleaned up huh? **(soft moan as he pulls out)** Whew....okay..hang onto me baby...up we go~

(he picks the listener up and hums softly, footsteps, light clicking off, more footsteps)

Haha, well we'll worry about the rest of it tomorrow morning. I'll get us a new couch cushion and clean all that up but..first thing's first, we *gotta* get out of these costumes...**(laugh)** I think they might be done for sadly, we did kiiiinda make a mess of them but...oh well. Sometimes fun gets a little messy~

(pause)

(laughingly) Hey now, it wasn't all *me*, meanie. **(huff)** Huh? Ppft, oh man, when Denki said he went ham with the confetti, he wasn't kidding. How did it even get in here? No one even went into our room during the party. **(laughs)** Ah well, we'll vacuum it up later...there we go..You good to stand hun? Aw...here just lean against me. I'll catch you if your legs give out. **(gentle reassuring)** Mhm, I gotcha...you're not gonna fall, I promise~ Here, arms up baby. **(shuffle as he undresses them)**

There we go...uhm...mind giving me a little help too? Thanks hun...this thing was kind of a pain to get into..just get the zipper for me? My arms are long but they're not THAT long haha!

(zipper undoes as the listener helps him out)

Whew...oh man I can breathe again. Gotta admit it was kinda comfy though...but I think you'd look better in it~ **(kiss)** C'mon..let's get showered up before we go to bed...and baby? Thanks again for an amazing birthday. I love you so..so much...and I'll be sure to make yours JUST as special, I promise~
