Thank you very much for your support!

Um... Uh... Nn...

Stop struggling,
will you, teacher?

I suddenly realize
that I can't go out
without a body.

I could choose
someone else place
or yours for a night.

Here I in before
we got spotted!!!

Yes... I feel so thick inside...

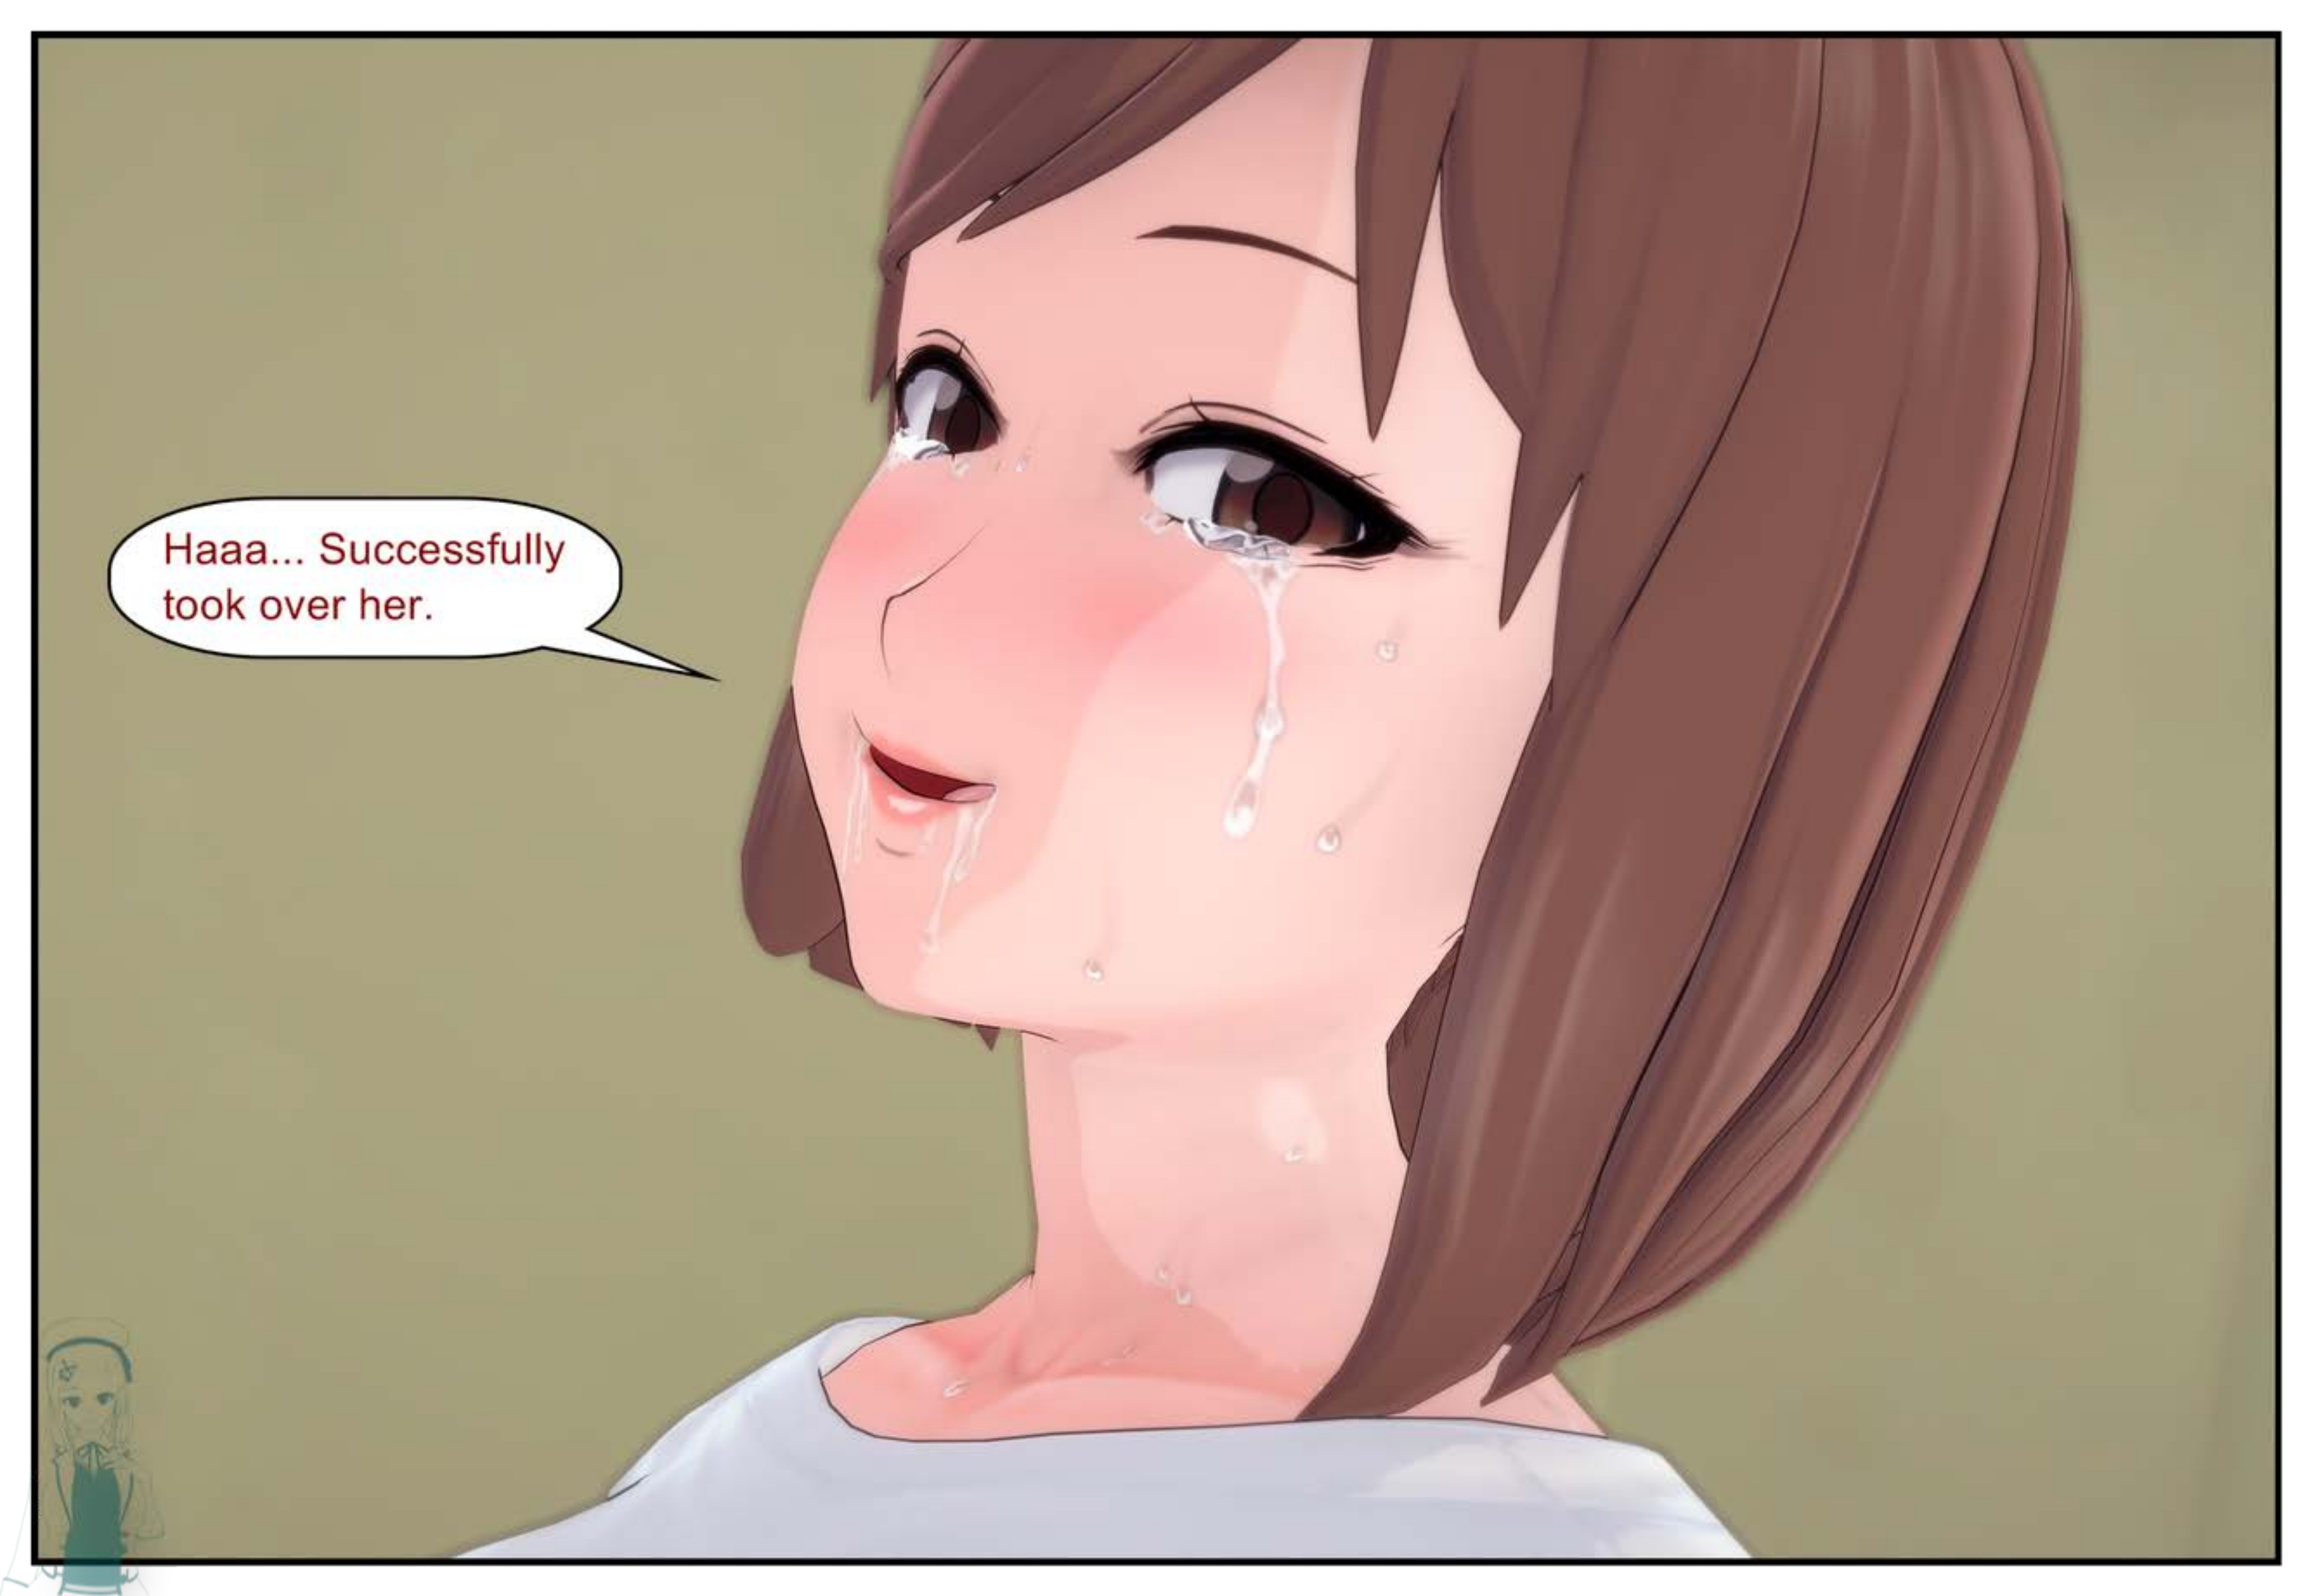

Gulp... Uck... Gulp...

Haaa... Successfully
took over her.

"I accidentally released her, but the struggle worth it."

"Let's see whether
if anyone woman allow me
to 'stay' for a night."

Homeroom teacher?
Are you alright?

I saw you standing
and shivering just
a moment before...

"Did she... see
everything!?"

"Tsk... I thought
all students should
have left school by now."

A-Also... I don't know
if I could tell you this...

I saw our school nurse laying on the ground and naked...

"Ugh... I got too careless!!!"

Ms. Kisari... Should we go and check up on her?

I will later on, you should leave school.

B-But...

I told you not to worry! It's getting late, you know?

Yumiko must be very tired lately, and today was hot...

I'm sure that she
will be just fine.
Please go home.

"Understand it and leave... I really don't want this girl at all."

"But if she forced me to..."

I-Is that so? I will let you take care of her then.

"Hah... I almost
have to..."

Alright... Please
go home.

Yuki, what are
you doing there?

Nothing. I'm coming over!

"She caused me a bit of headache..."

Ah... Ms. Kisari!

Thank you
very much...

mm

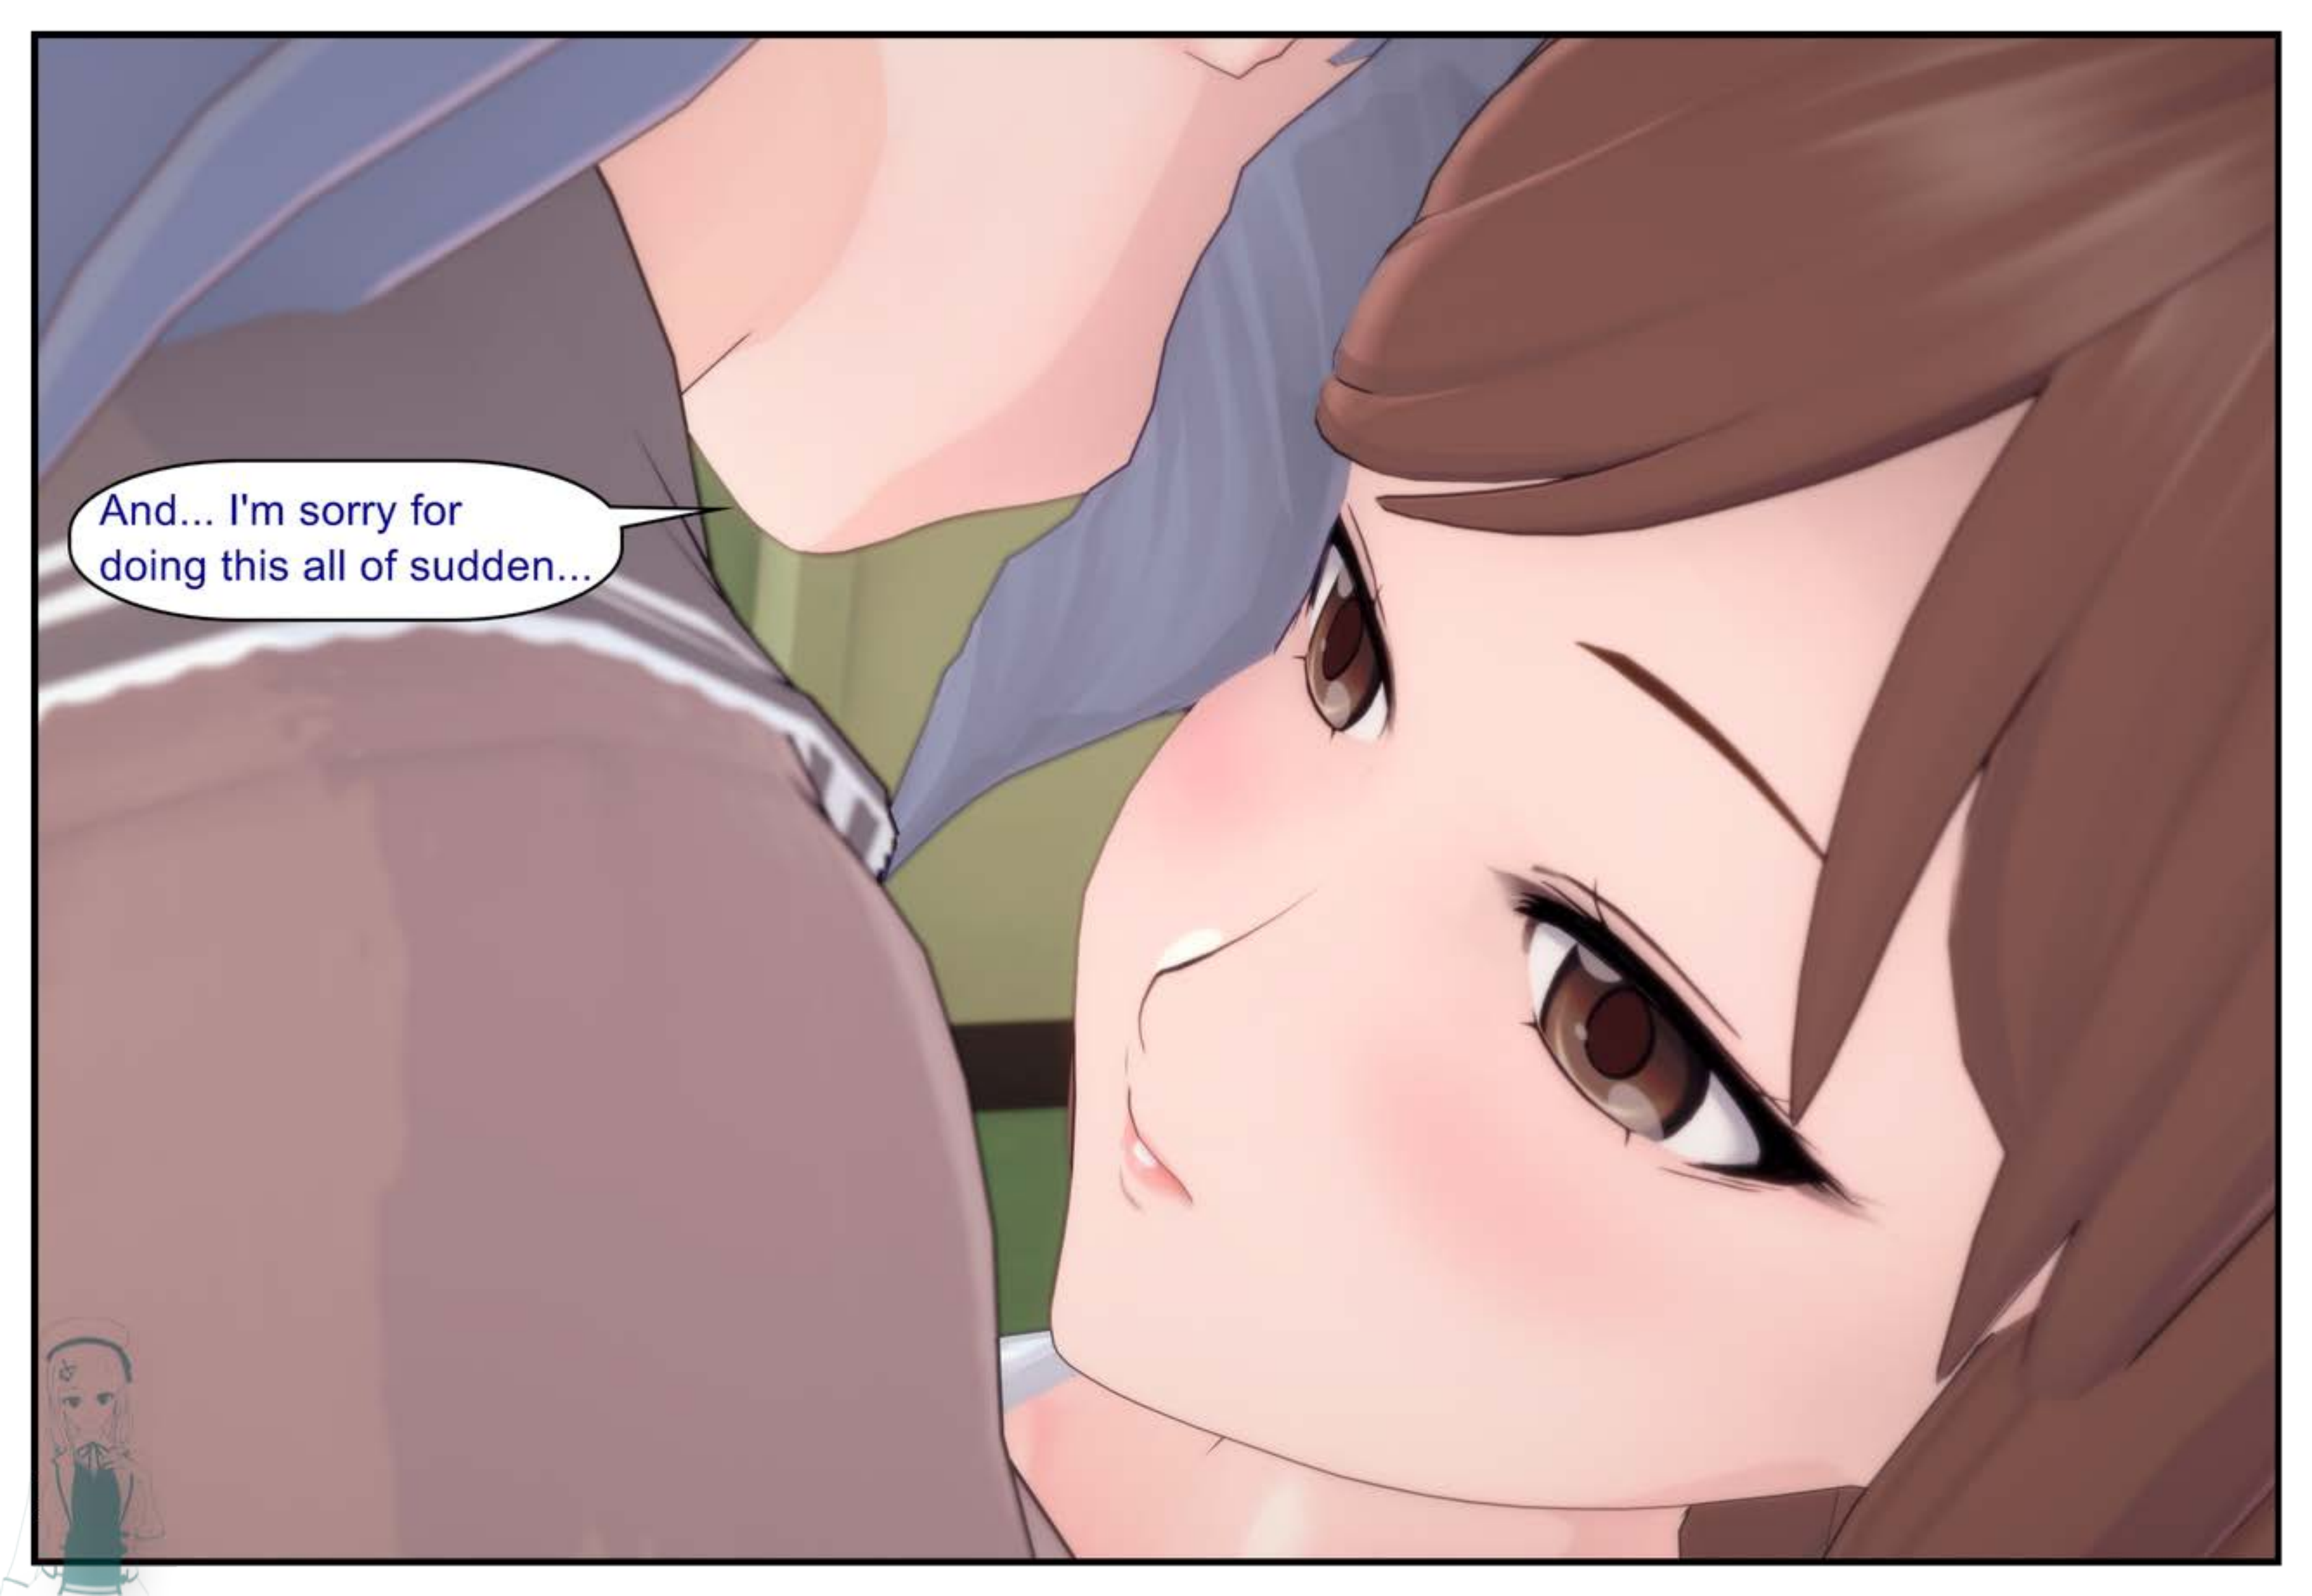

...for looking after
me, and teaching
us with inspiration...

...Although we don't have much private time... I always wanted to tell you these, Ms. Kisari.

And... I'm sorry for
doing this all of sudden...

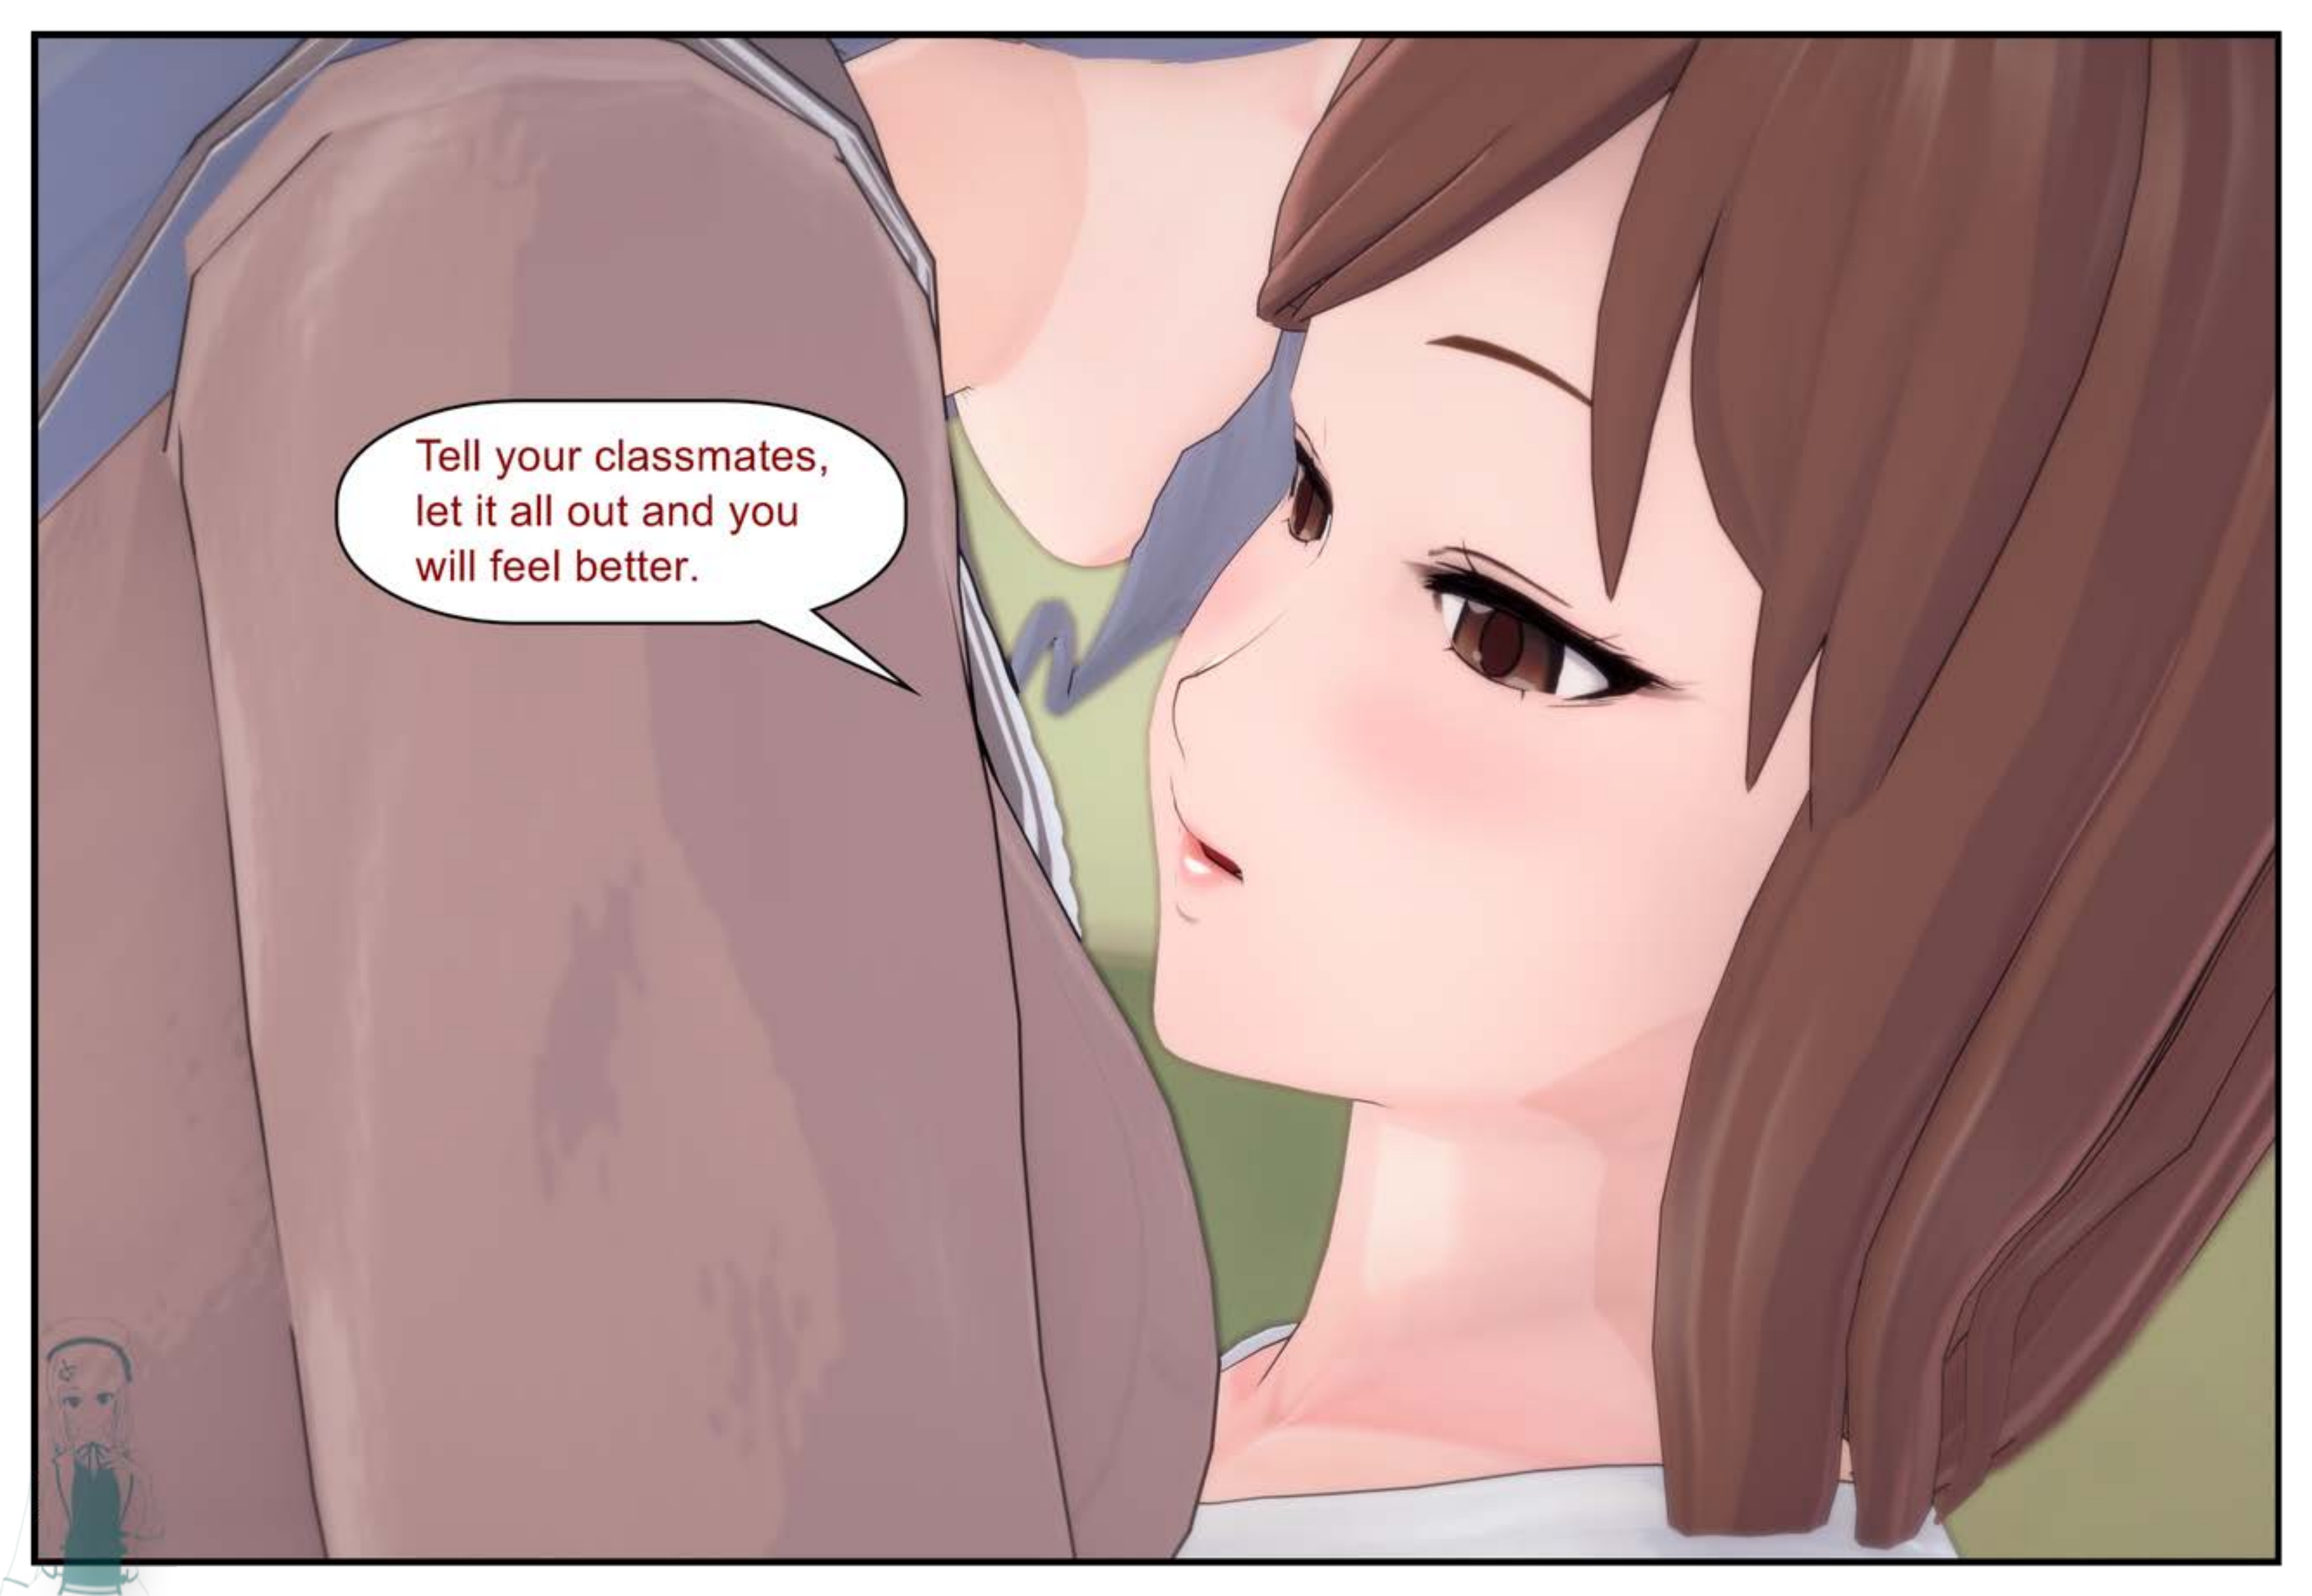

It just... I can't wait
until we graduate...
It could be too late...

Don't keep it to yourself anymore, Yuki.

Tell your classmates,
let it all out and you
will feel better.

The longer you hold,
the more pain you leave
for everyone else.

I haven't done much
as a teacher to you...
But I hope you will
use my words right.

There... there...
You are too big
to cry now.

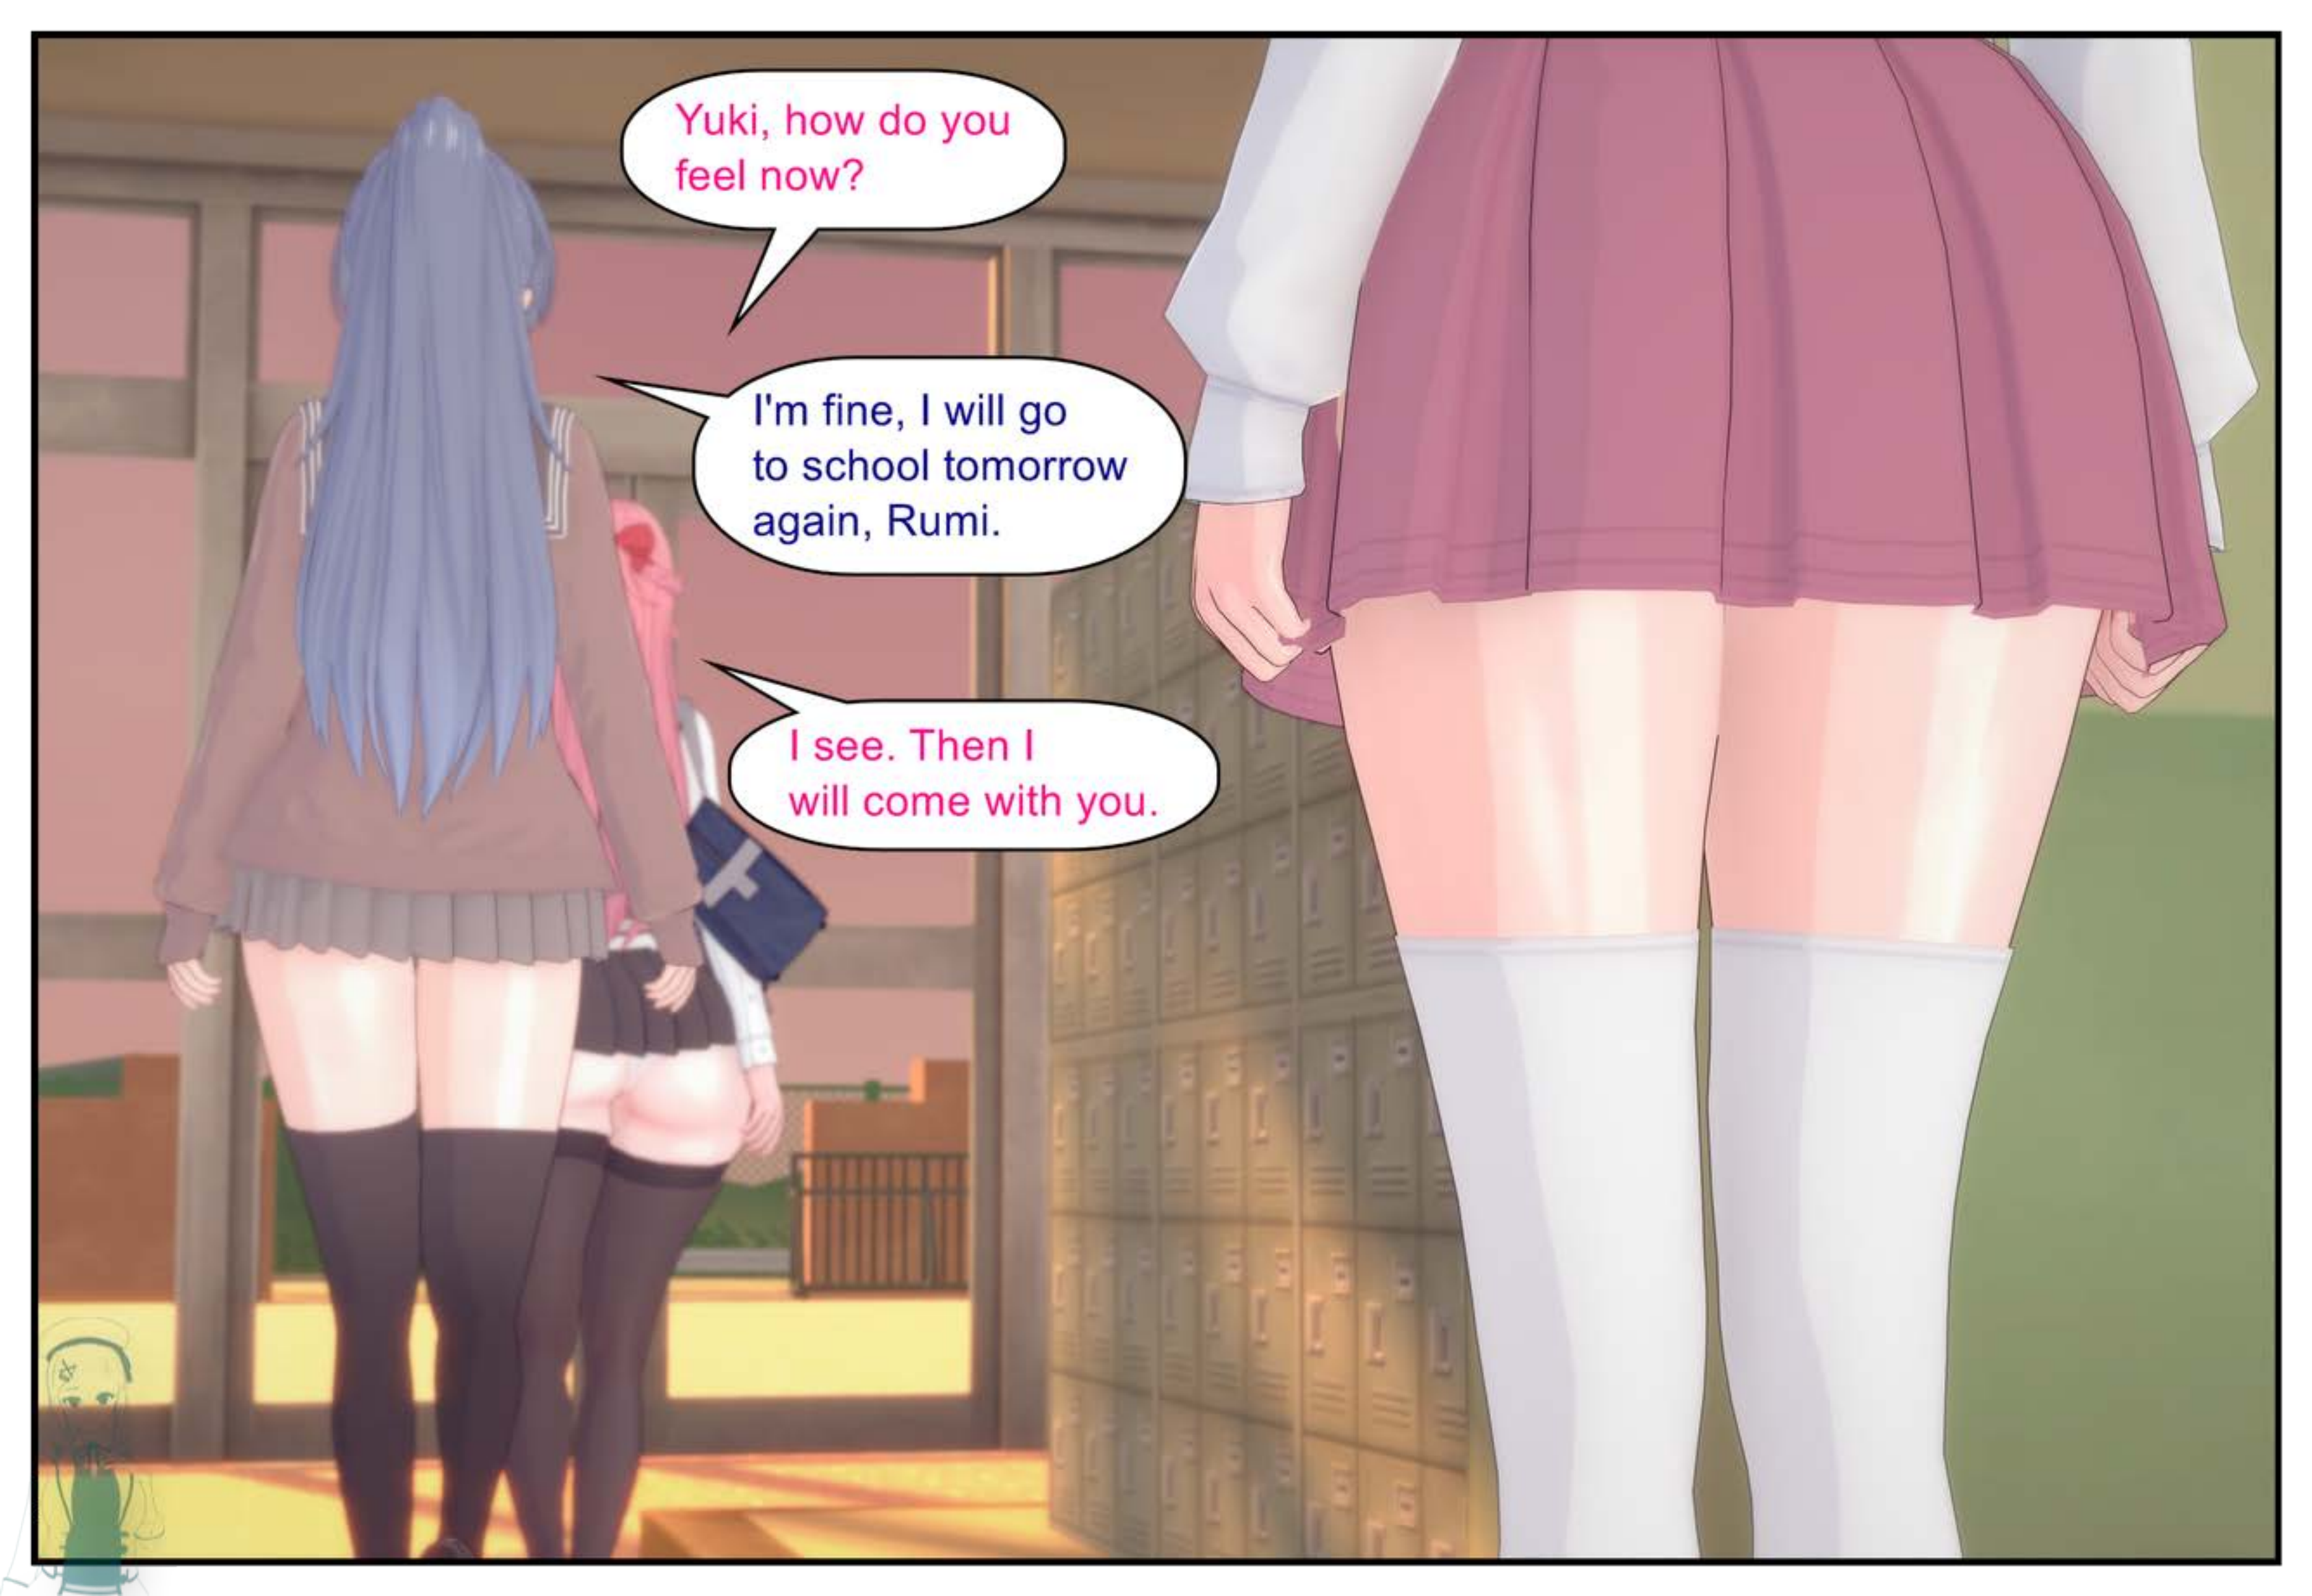

I will... see you
tomorrow, Ms. Kisari!

You two be safe
on the way home, okay?

Yuki, how do you feel now?

I'm fine, I will go to school tomorrow again, Rumi.

I see. Then I will come with you.

"Hm... This was not
as bad as I thought."

"Even though, I still
want to be a beautiful
woman for tonight!"

"Uh... I still can't
find anyone suitable
to my liking."

"I hope that I
will catch a rich
and horny woman!"

You were pretty bad back there.

Don't act. I saw it all.

Do I... know you?

///

The way that you handle the problem... I will mark it 1/10.

Stop being nonsense!
I don't have time...

The ability of taking
over by crawling
inside a host...

What in the world
are you talking about?

First, do you think...

...is there any girl
who would do this
in public?

I found it normal.
What is your point?

Too slow to get
to know the surrounding...

The reason why you never get to explore your full potential...

We are the same,
and I could show
you the way.

Moreover, I know there is a place for you tonight.

Make it quick. It's getting late, and people may see you.

Never show your
empathy for the host
or someone you are
going to possess.

Like this one. She told me that I was a fat ugly guy.

See? She is struggling in despair, and I'm enjoying it.

Haaa... What you told me, I knew them already.

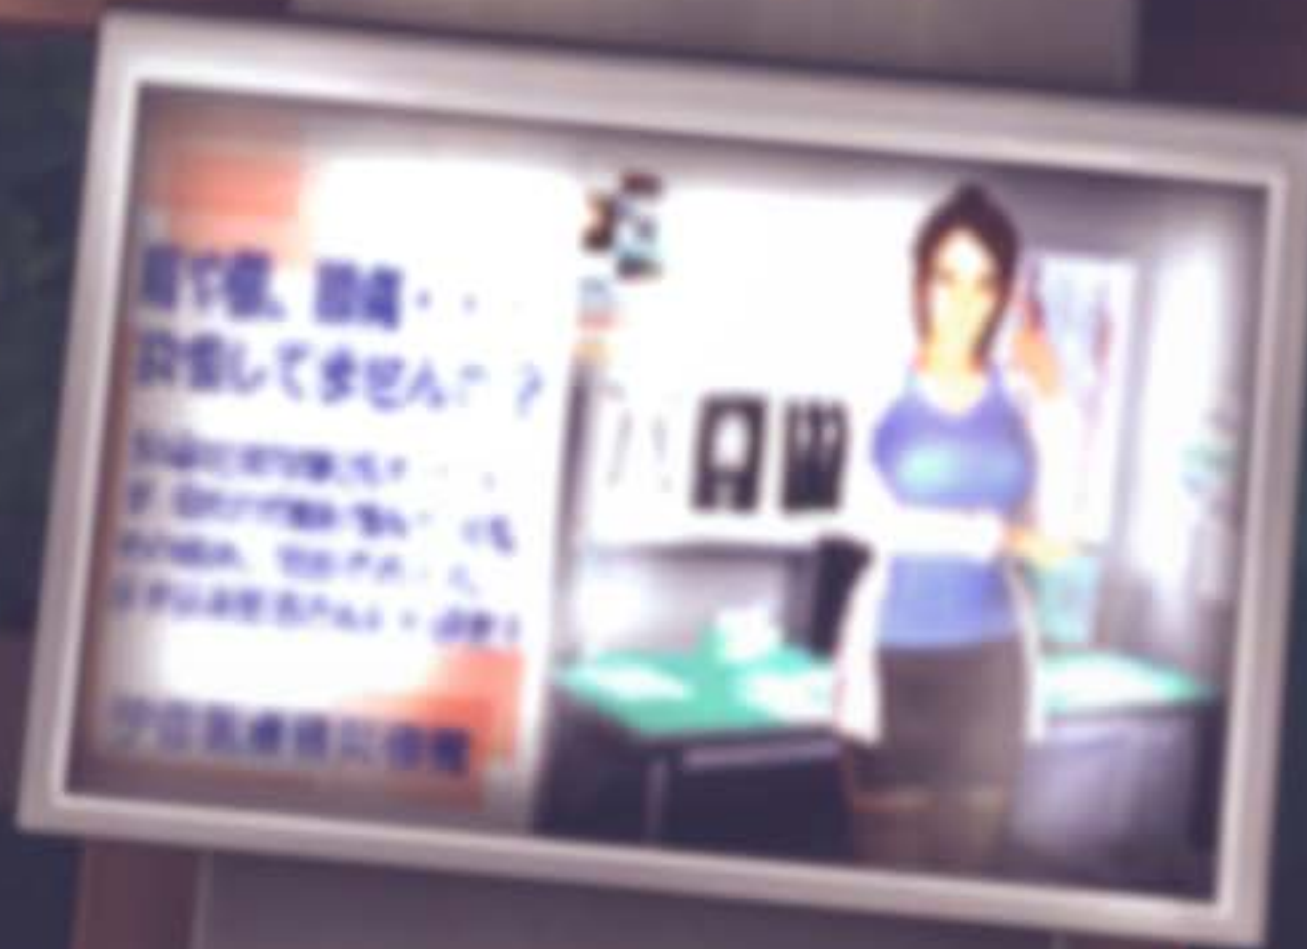

Move on. You
are wasting my time.

Oh well... You
have to learn a lot.

Because I'm going
to show you the
new way of possession.

Later that night...

Just a little
bit more...

Why haven't I see
anyone yet?

There she is...

Phew... I have too much drink today.

"Ah... I'm getting dizzy... Which way to my home?"

She seem to fit for you.

Pay attention to
your surrounding.

Then what are we
waiting for?

Ah... My co-workers
invited... I can't refuse...

Mia... You were
drinking again?

Jeez... I only take
you home this time, okay?

Ehehe... thank you.

So? Do you have
a better idea?

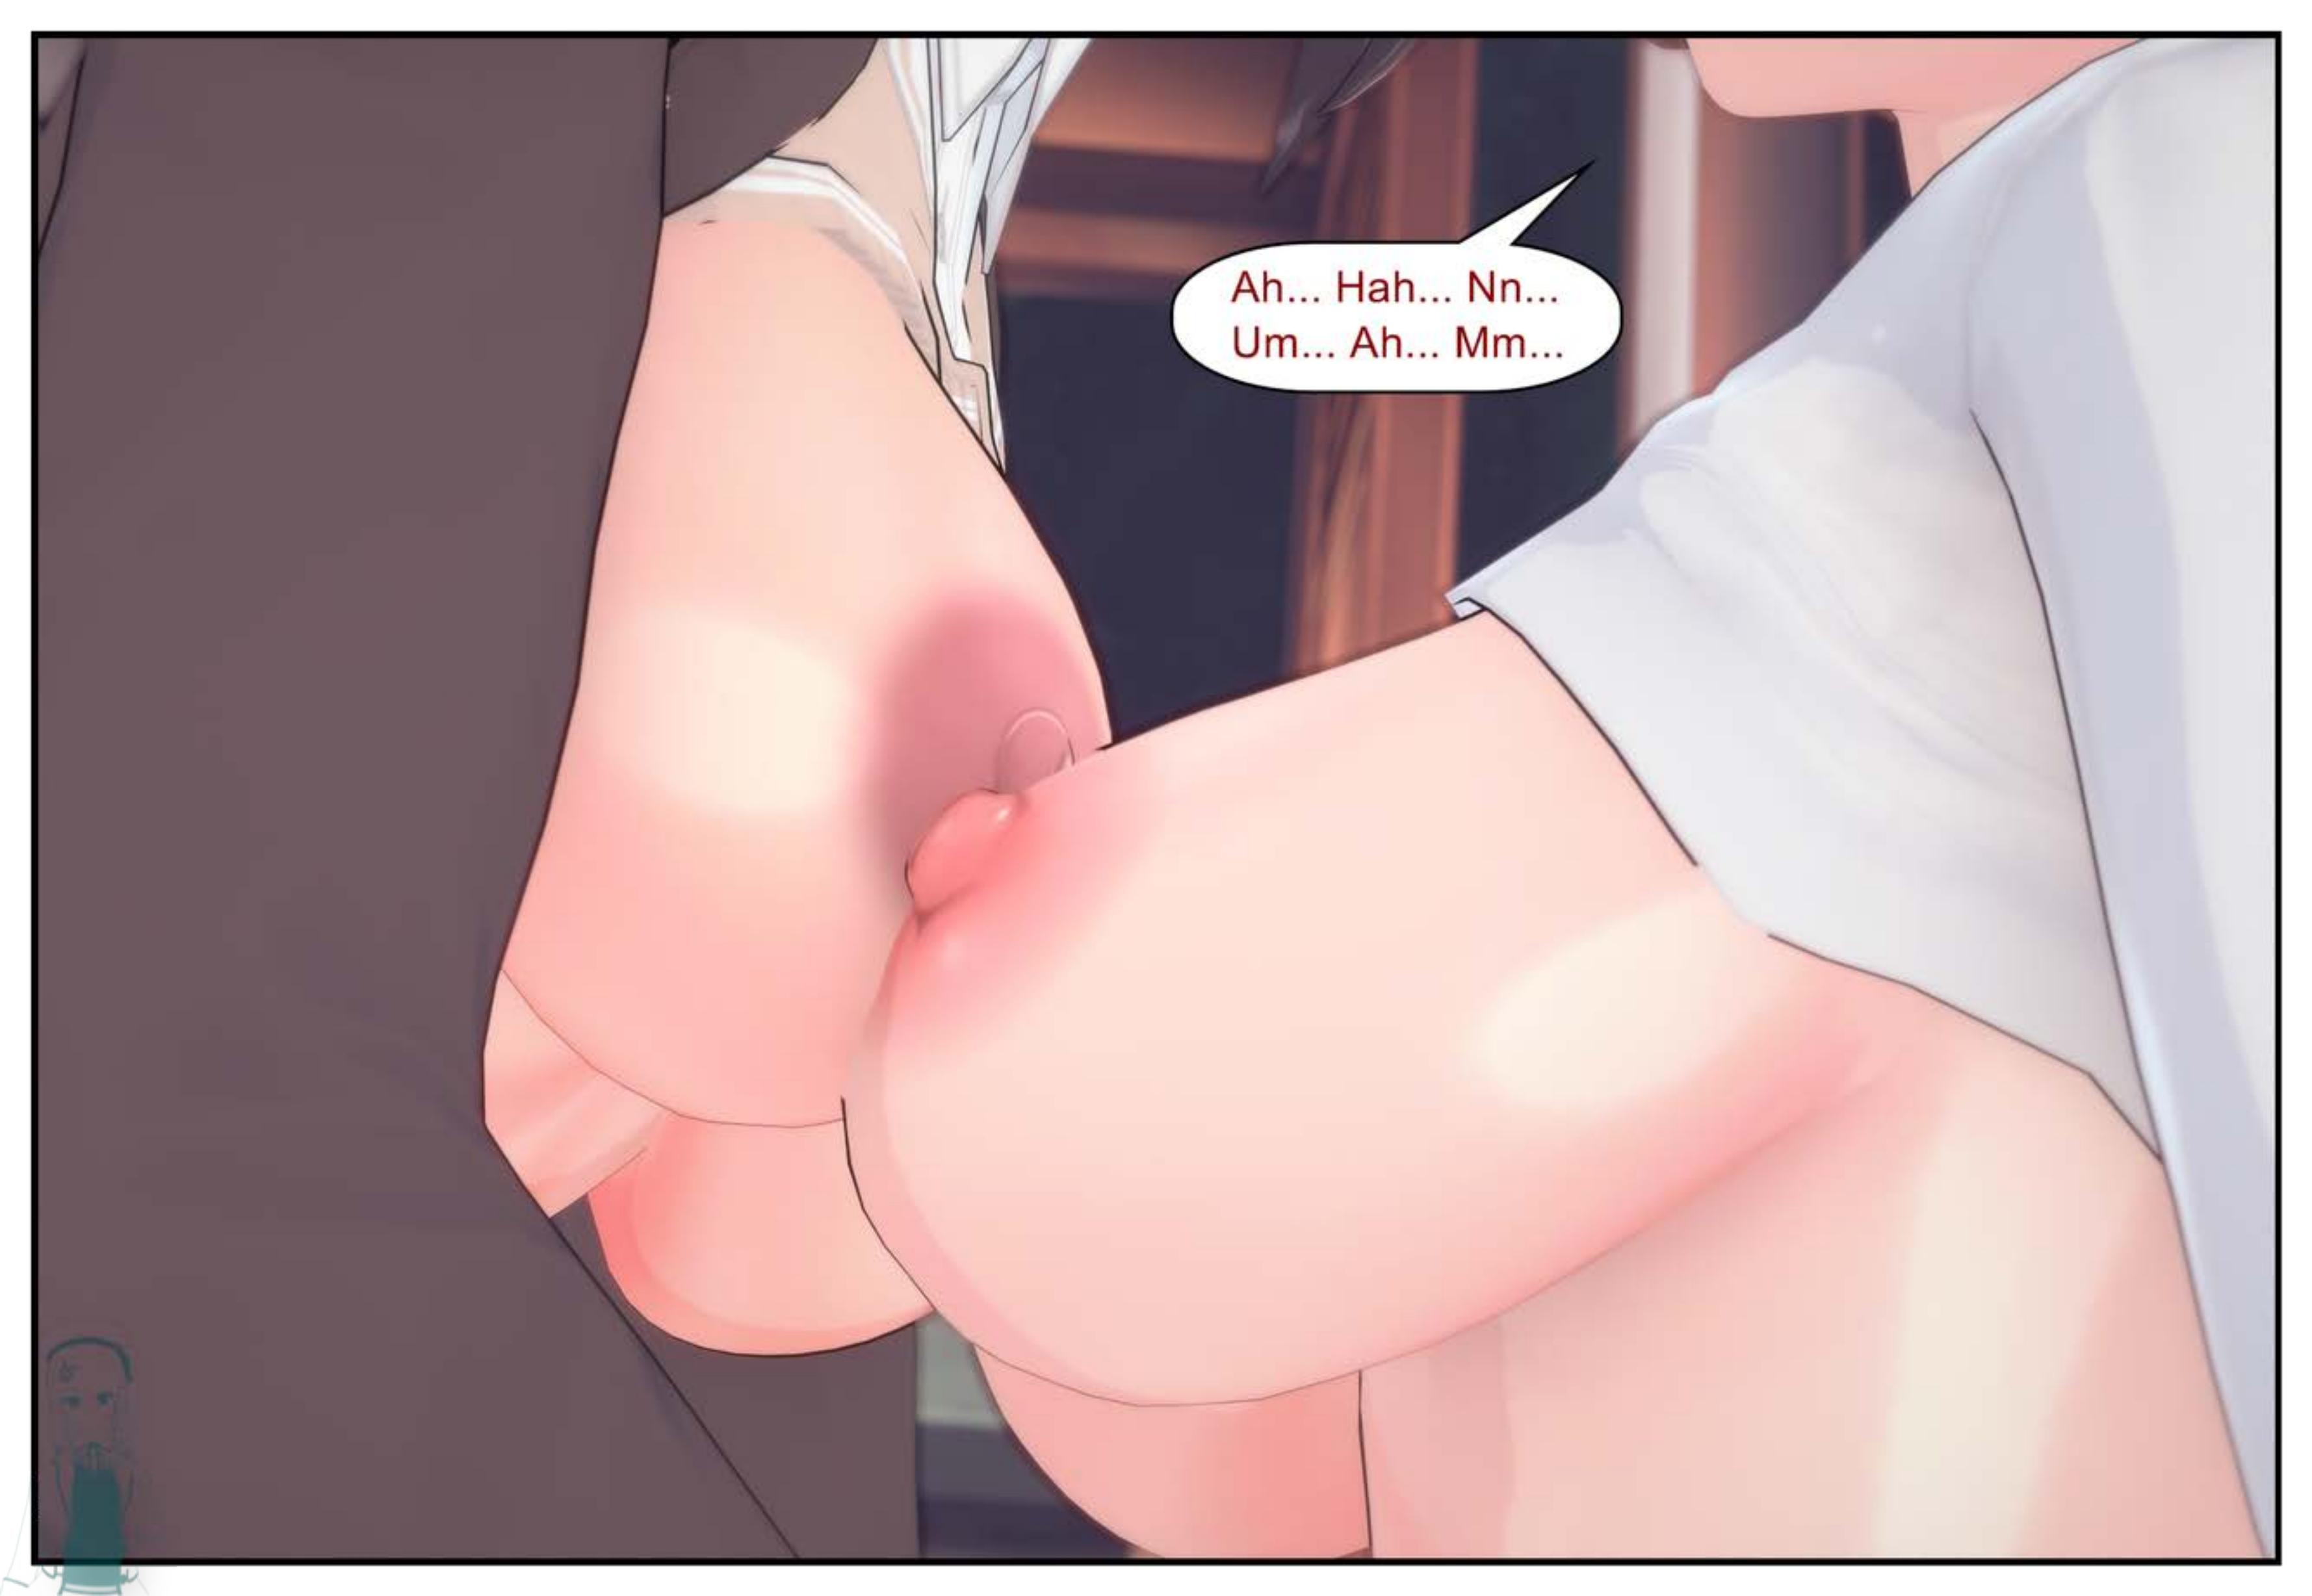

Ah... Un... Mm...
Hyyaaa...

Ah... Hah... Nn...
Um... Ah... Mm...

Hah... Mm... Nn...
Ah... Ah... Hah...

H-Hey! You two!
What are you doing!?

You must stop
your action right now!

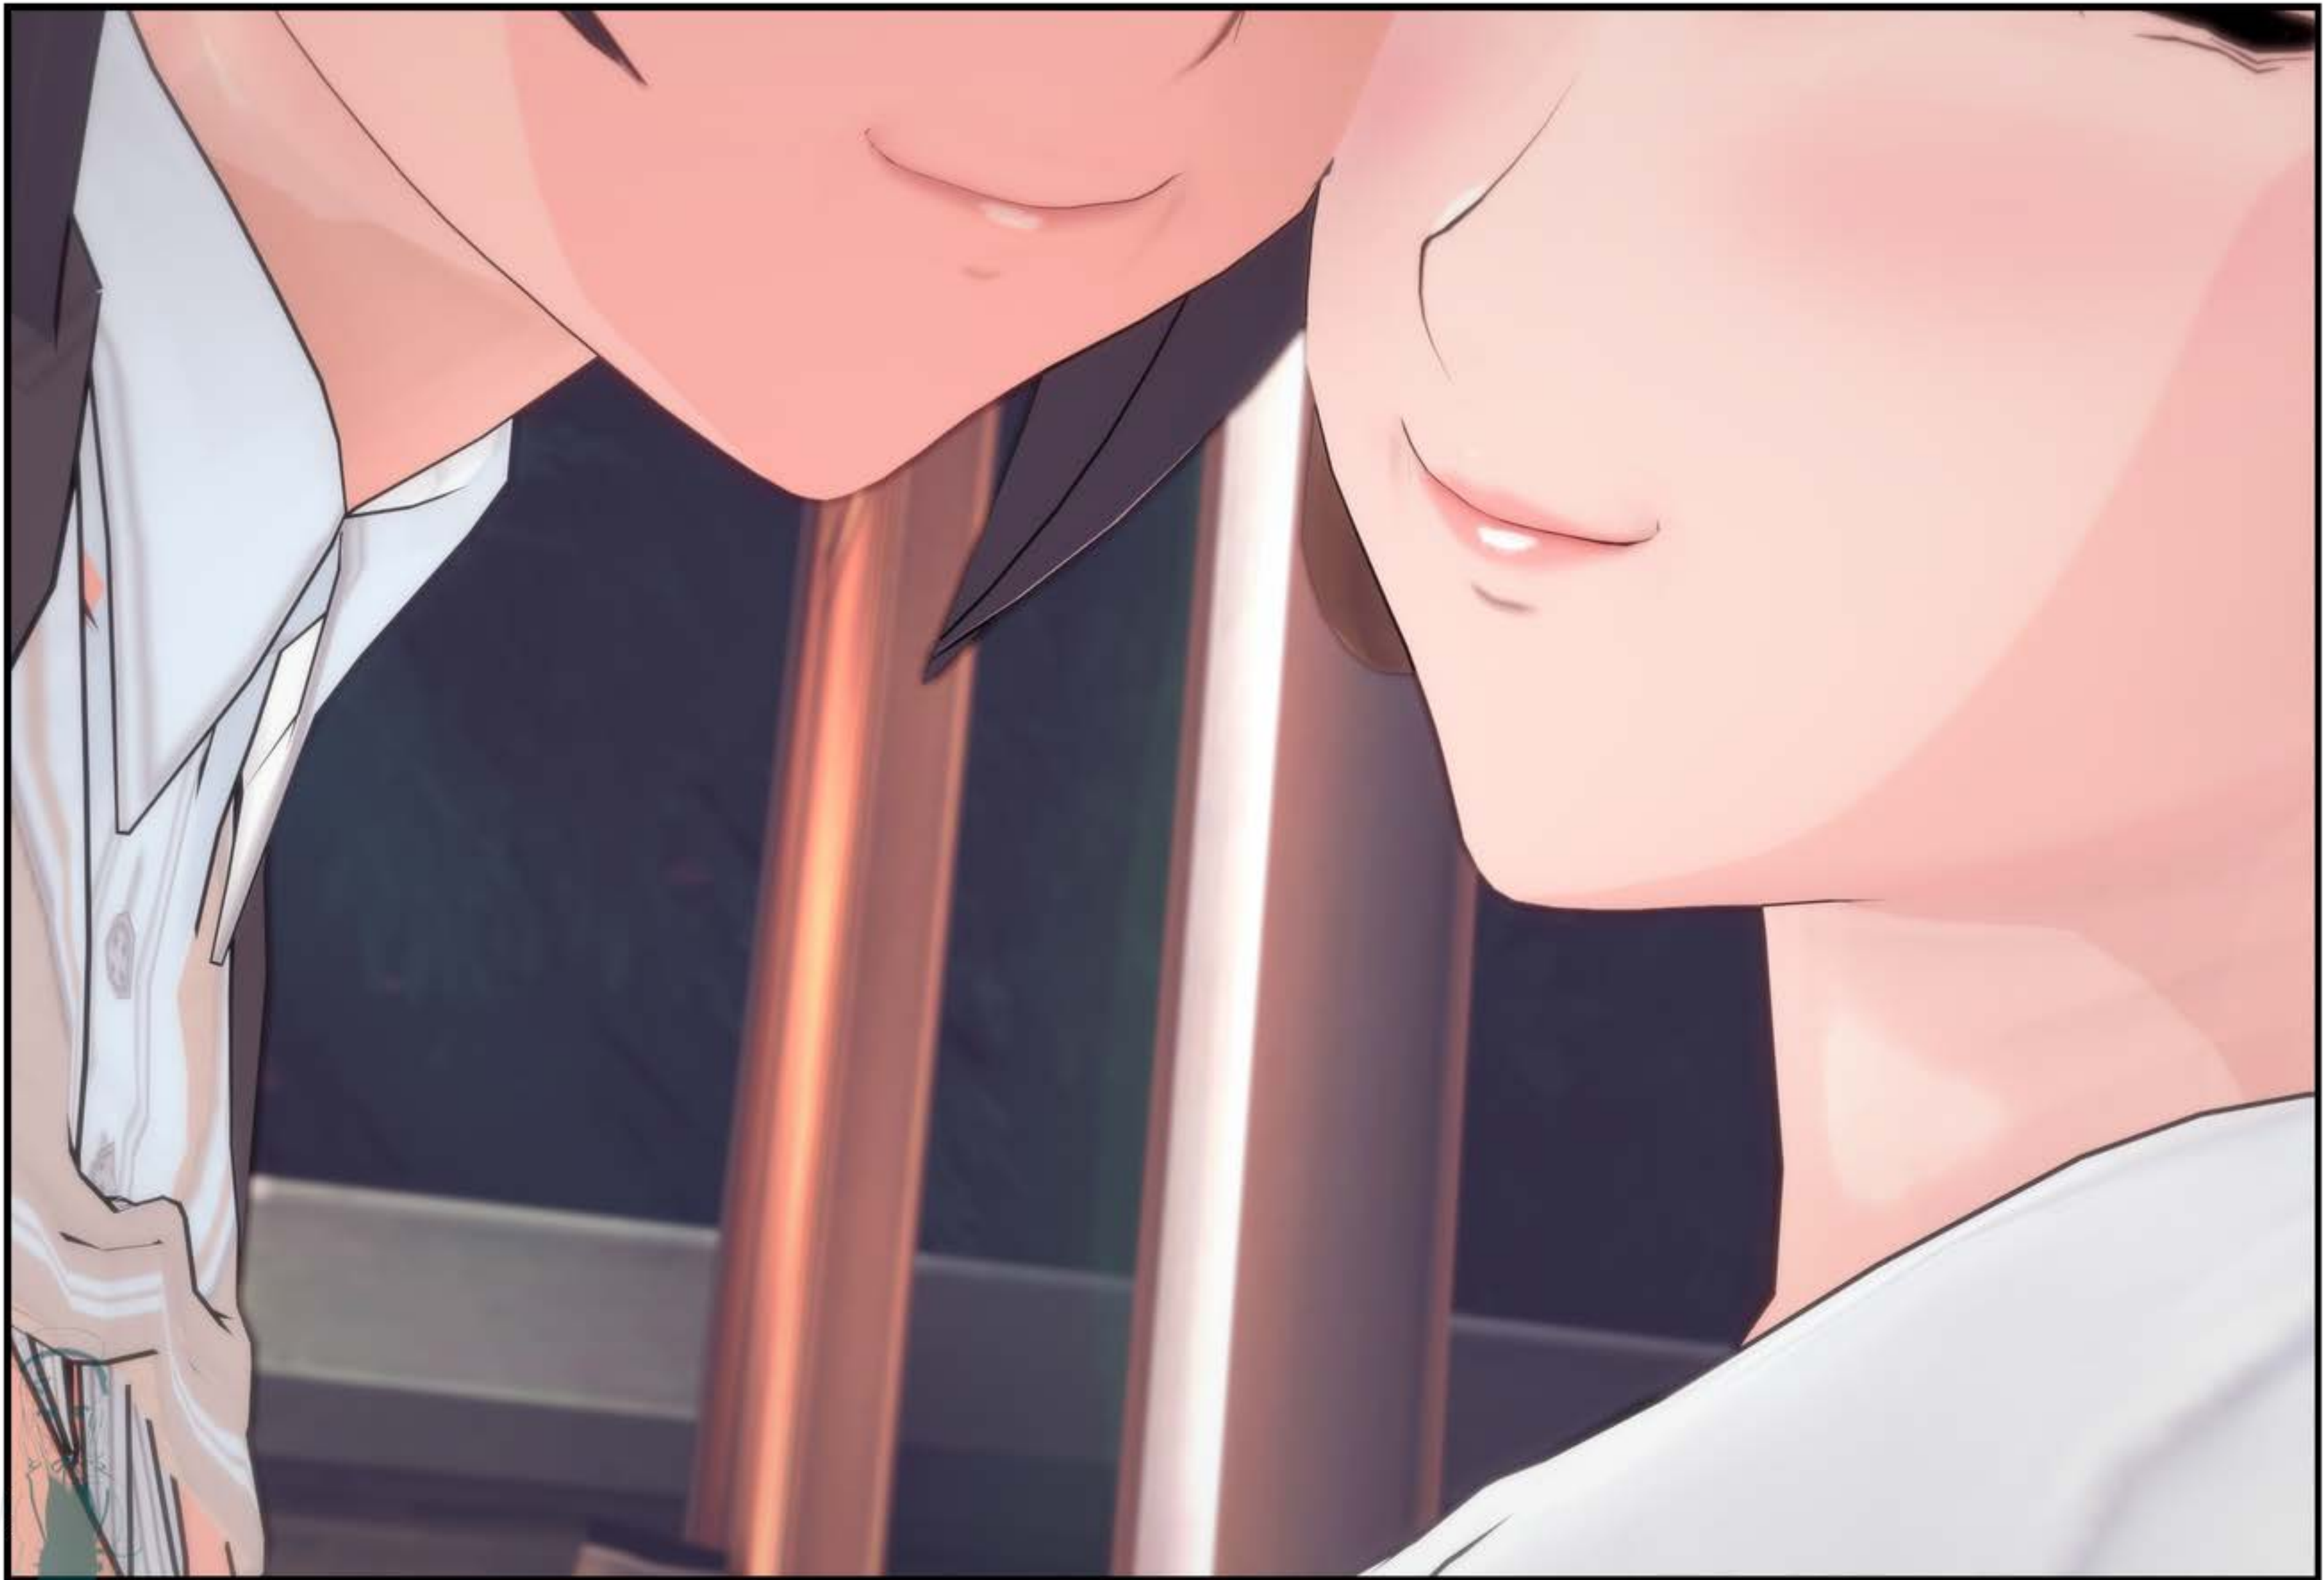

Ah... Ah... Un... Nn...
Hah... Ah... Mm...

Hey! This is
in public!!!

Both of you are
going with me to
the station!

Is that so...?

Both here you mean... me or those girls?

W-What are you...?

You don't need to know.

Because I'm going
inside you now!!!

Woaaaahhhh!!!!

Well, it seem that our trick went well.

Heh... I told you,
there's more to learn.

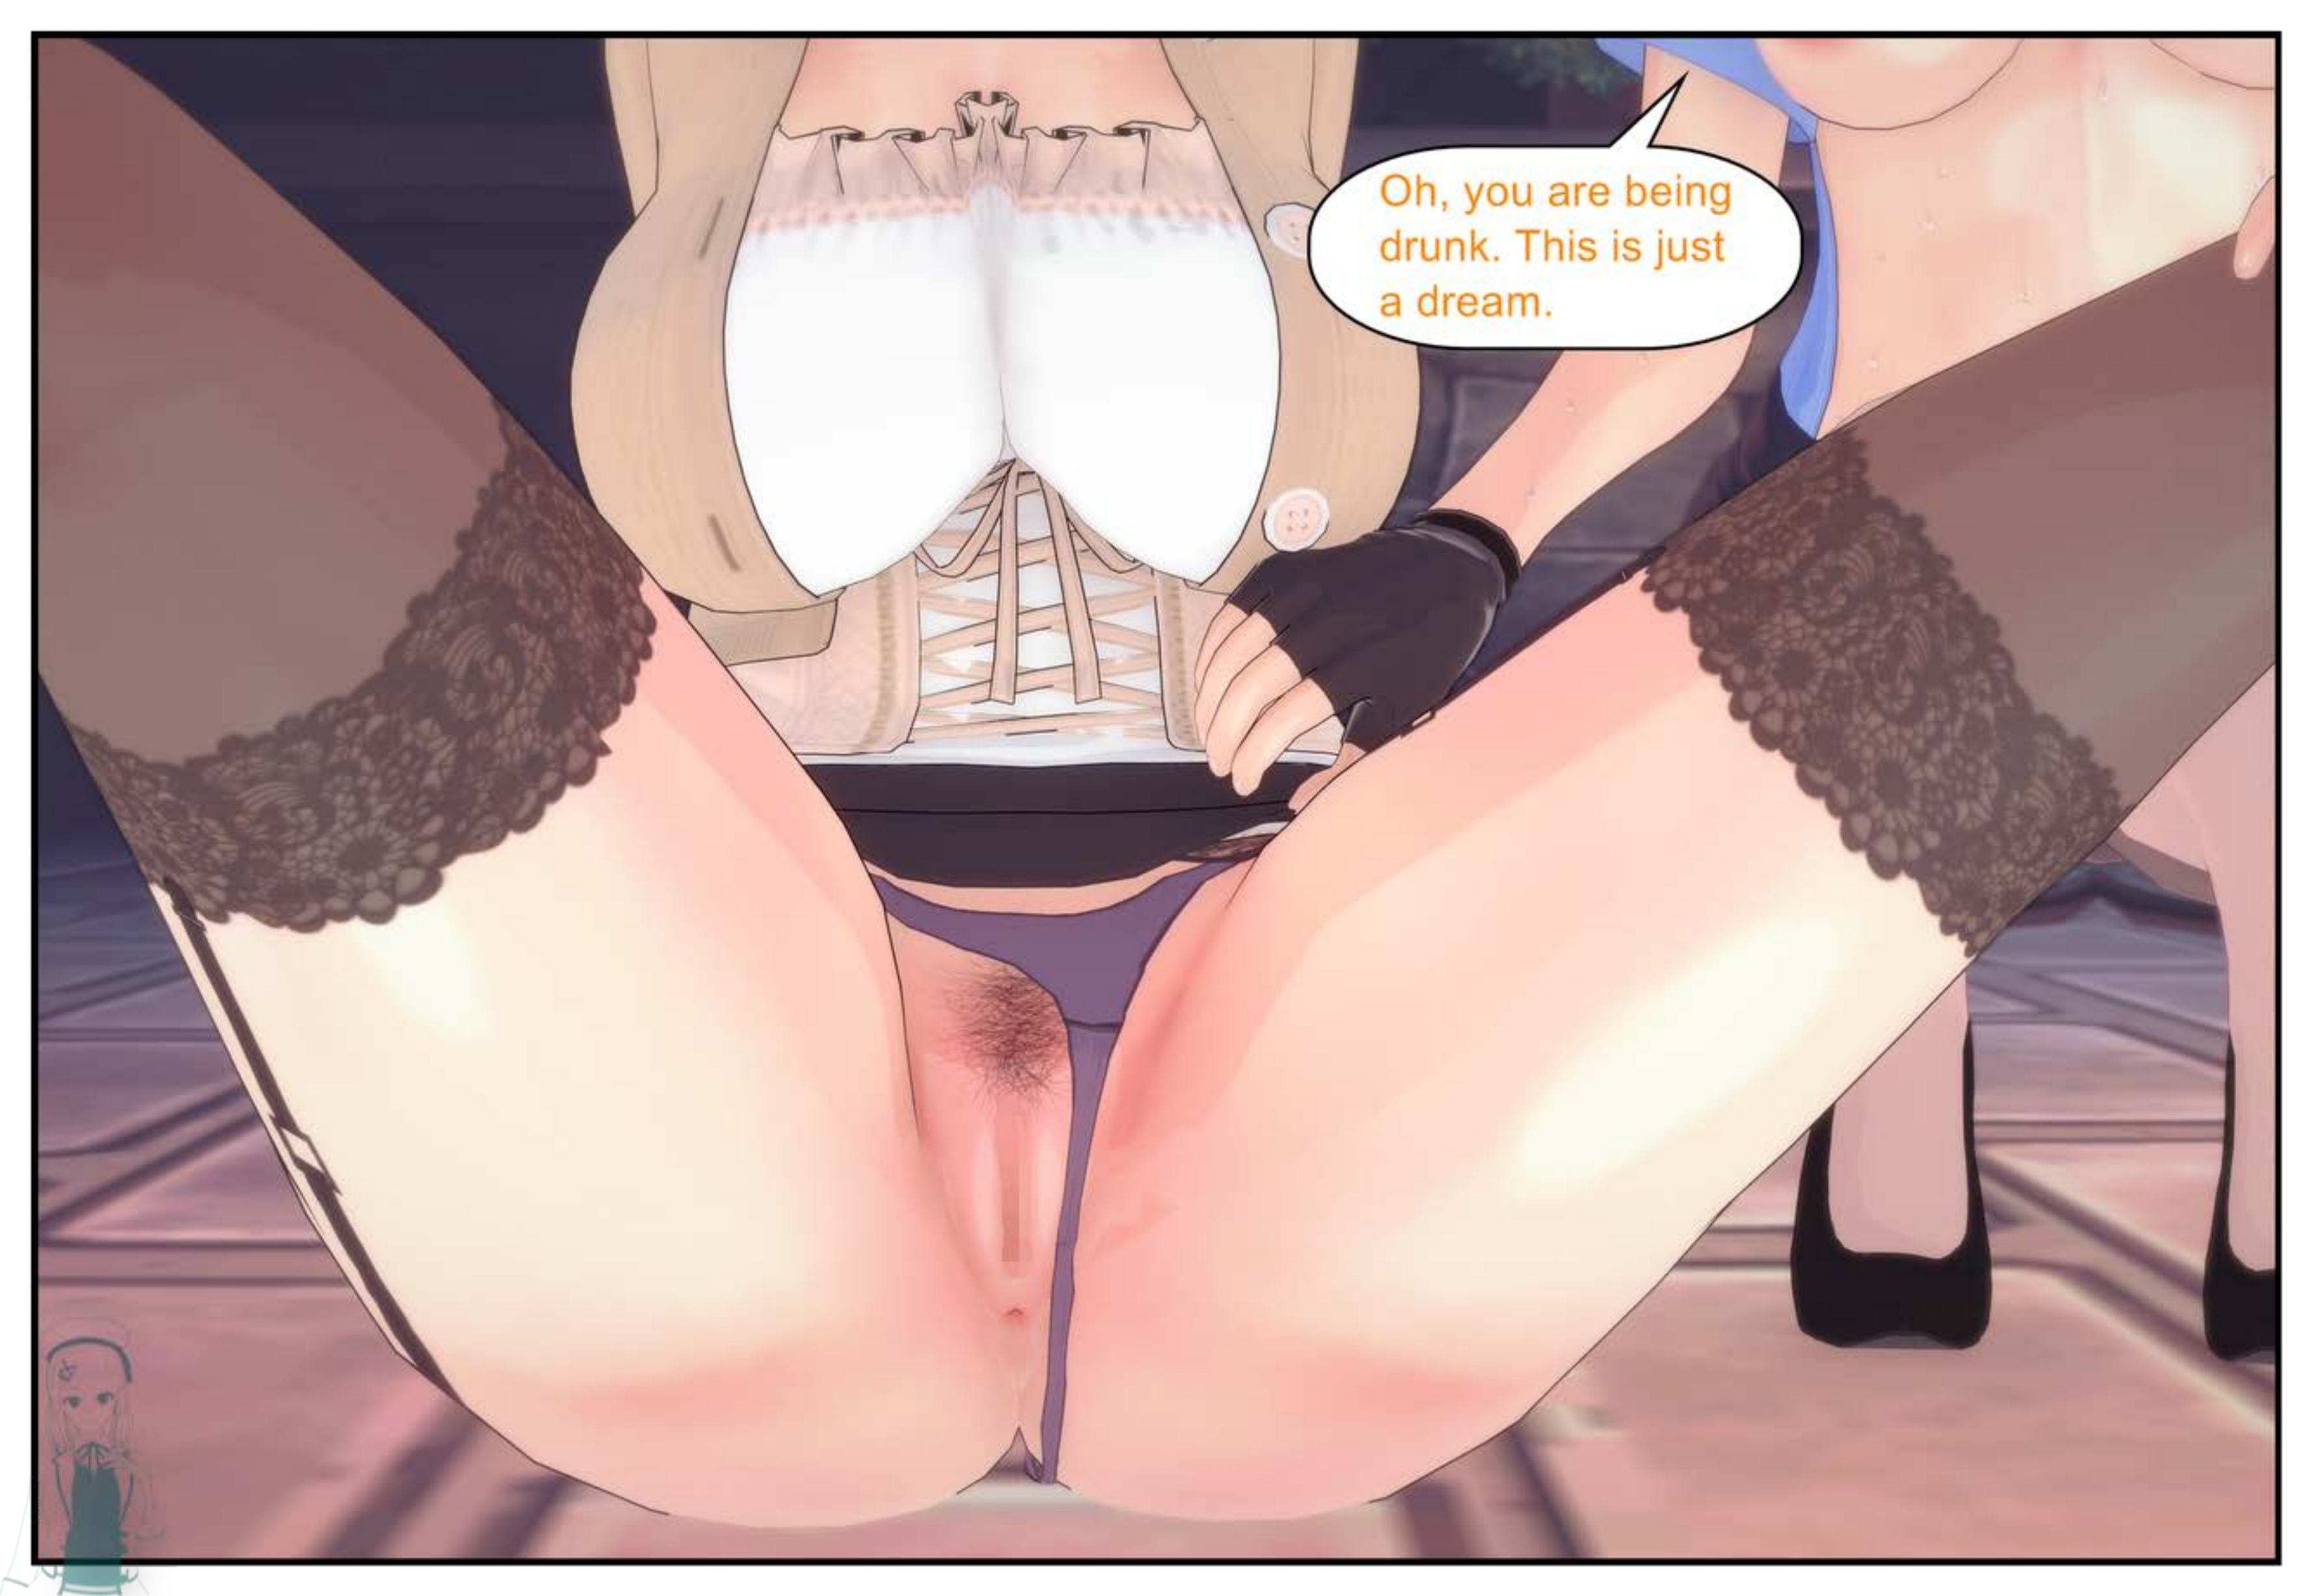

Ah... P-Please...

Come and join
me, Mia...

H-Hikari... What
are you talking...?

Oh, you are being drunk. This is just a dream.

Go on in. Show me what you have learned.

You don't have to tell me.

Here I come!!!

Kyyyaaaaa!!!!

Hya... Ah... Ah...
Hah... Nn... Ah...

M-My belly...

"Perfectly taking over..."

The new way
of possessing,
isn't it great?

Hm... She fit well.
And I feel comfortable.

Let's just leave
them in the phone booth.

Should we take
those along?

"Strange...
Everything is..."

Let's be quick before
someone see us.

"Am I being...?"

Having a good
time there, partner?

Look what I found
in this woman's closet.

A night dress
along with this
sexy body.

Oh, if you want
to have insertion...

...I will be very pleased to. Hehe...

I'm sure we are going to stir up the fun a lot!

No need. I prefer reverse blowjob when going in more. Also, let's do my way...

Haaa... So refresh...
What should we
do next?

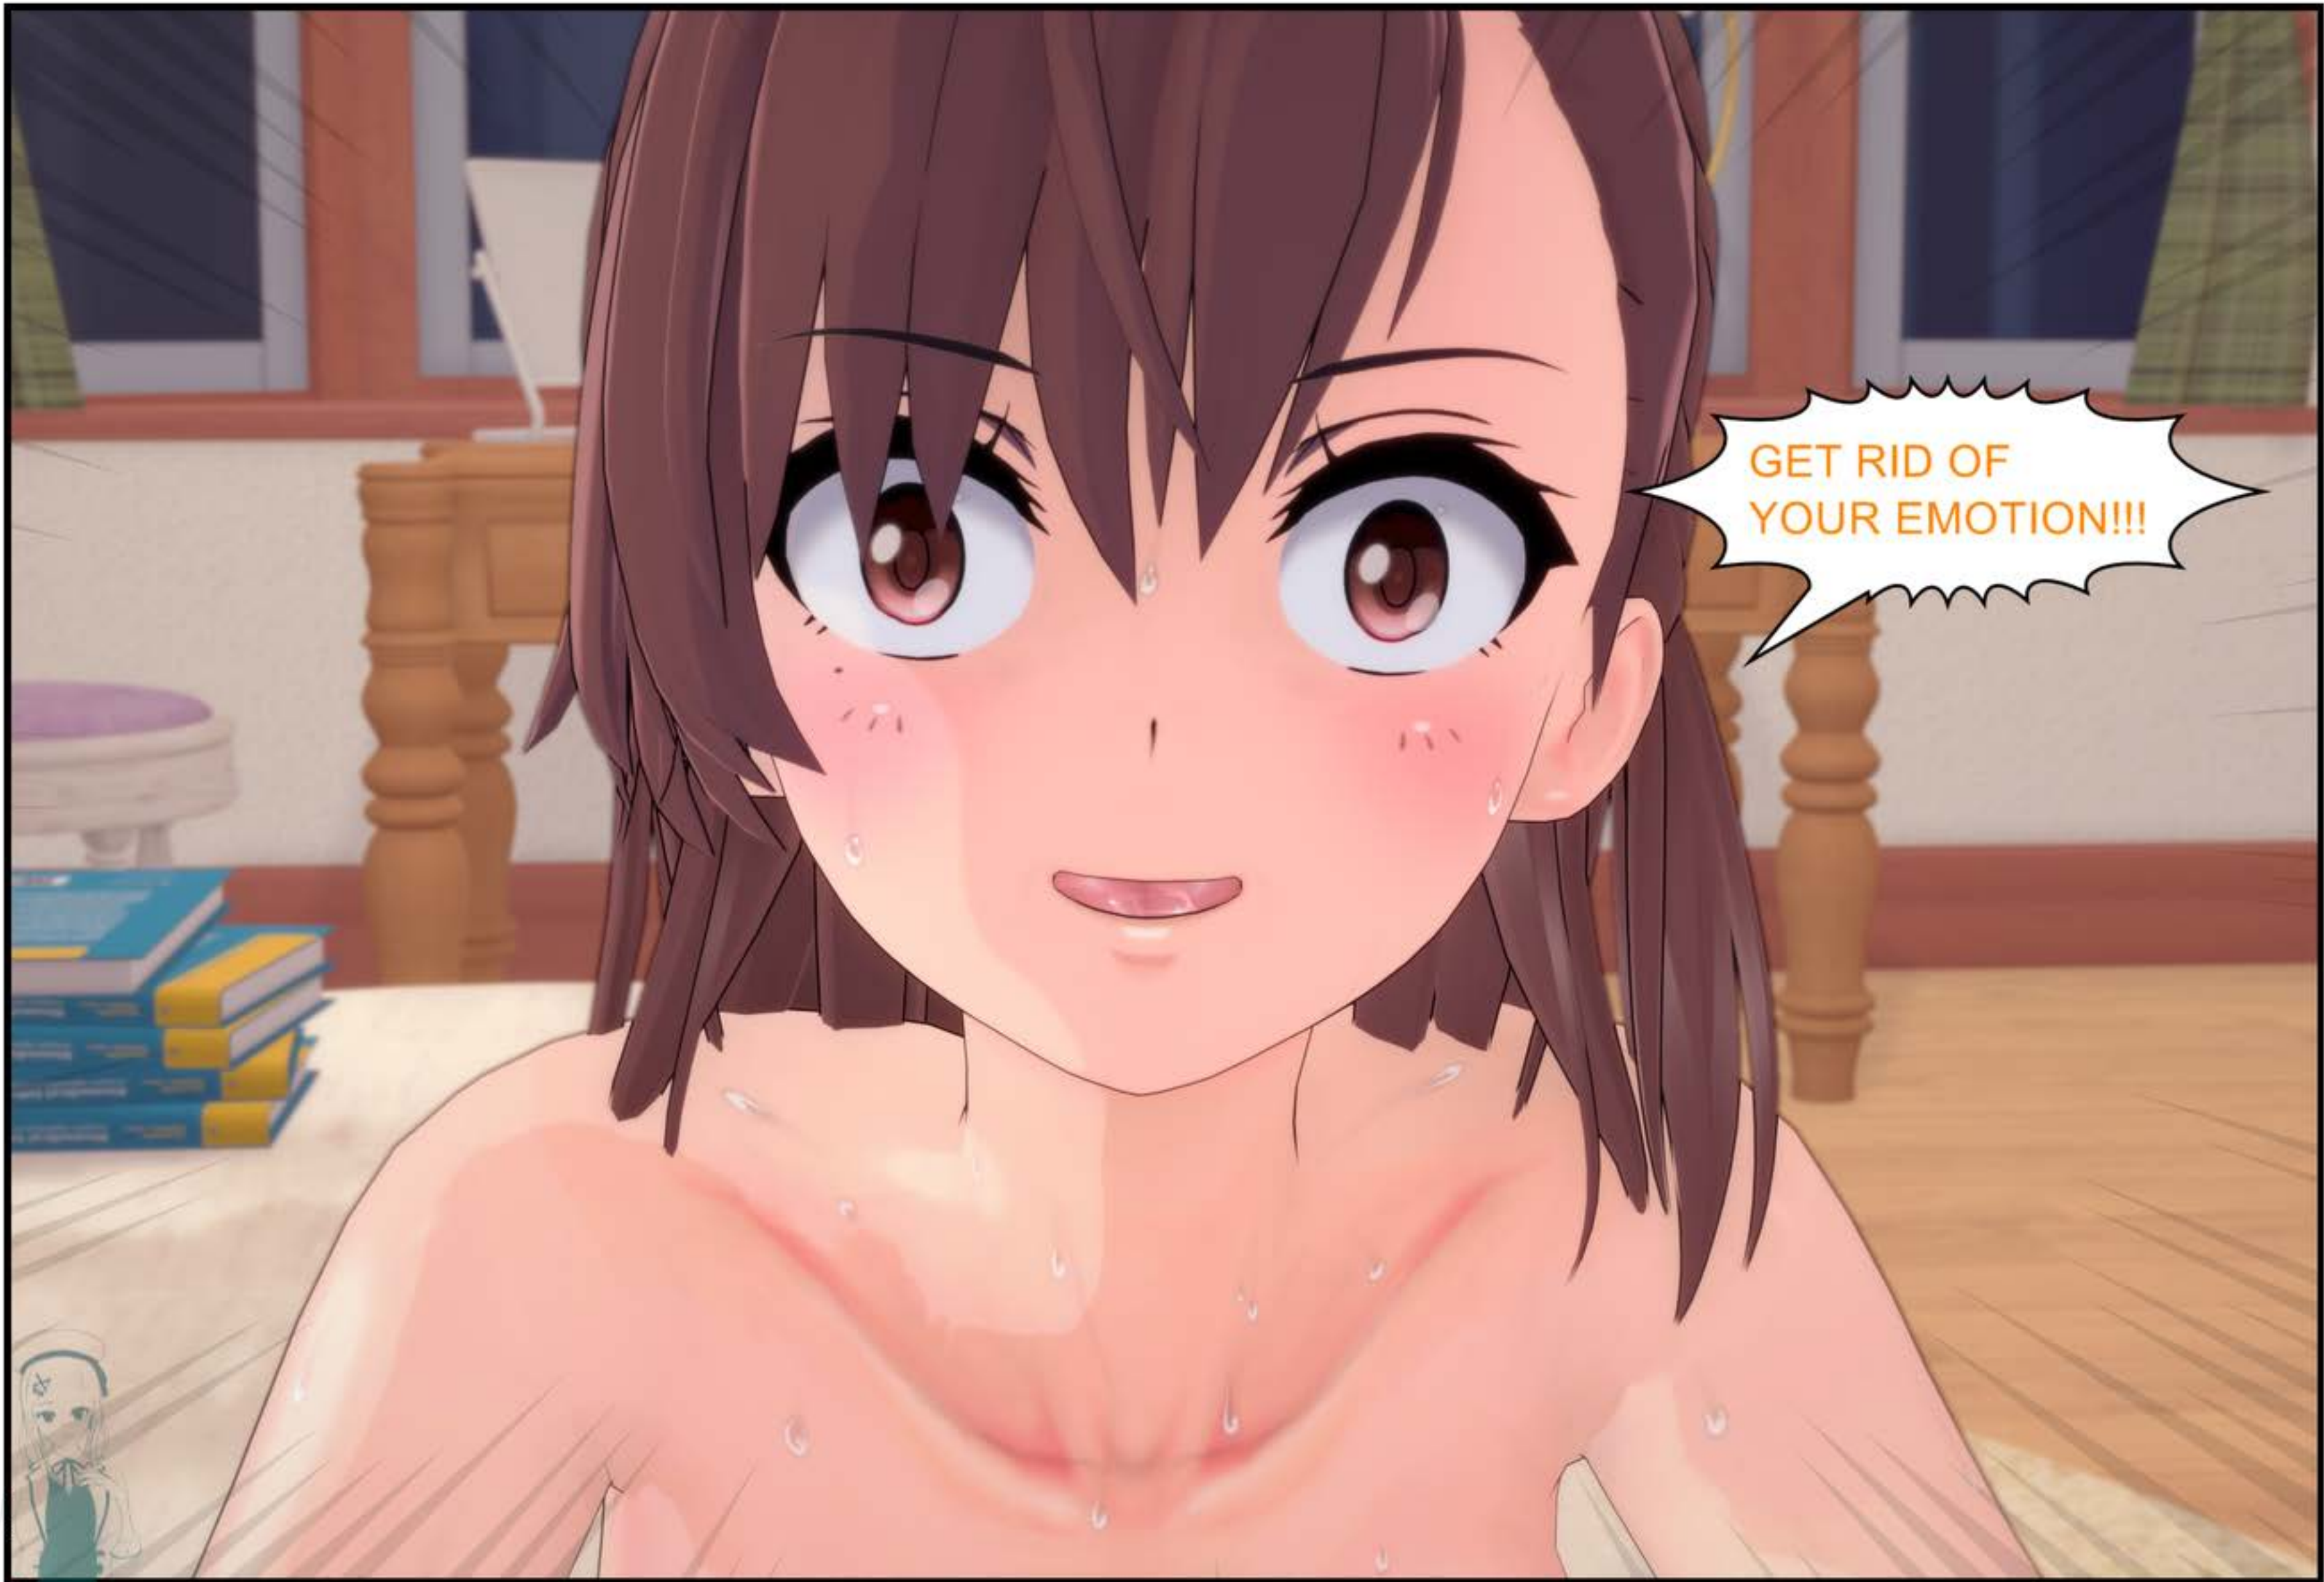

There's no 'we'
here... Only you.

W-What...!?

THERE'S NOTHING
FOR YOU LEFT IN
THIS LIFE!!!

GET RID OF
YOUR EMOTION!!!

"It was... a nightmare...?"

"N-No... It's actually happened. Did I... being hallucinated?"

"My head hurt... Feel like I missing some memories fragments..."

Continued in Part 5...

"But overall, I still have this possession ability... Time to go back to school."
