**Elizabeth takes one for the team, or maybe two, but what team are we even talking about?**

We pick up this chapter exactly where we left off. Elizabeth's mouth is wrapped around Mel's dick as they perform some kind of strange new stretch.

Mel, not surprisingly, is still enjoying the special attention that he is receiving from the instructor.

Oh, yeah!  
Take it, you  
bitch!

Sadly, Elizabeth is not having such a good time even though this was originally her idea.

MmmFfff!

The magical red notes seem to have turned on her, and the music still plays in the background.

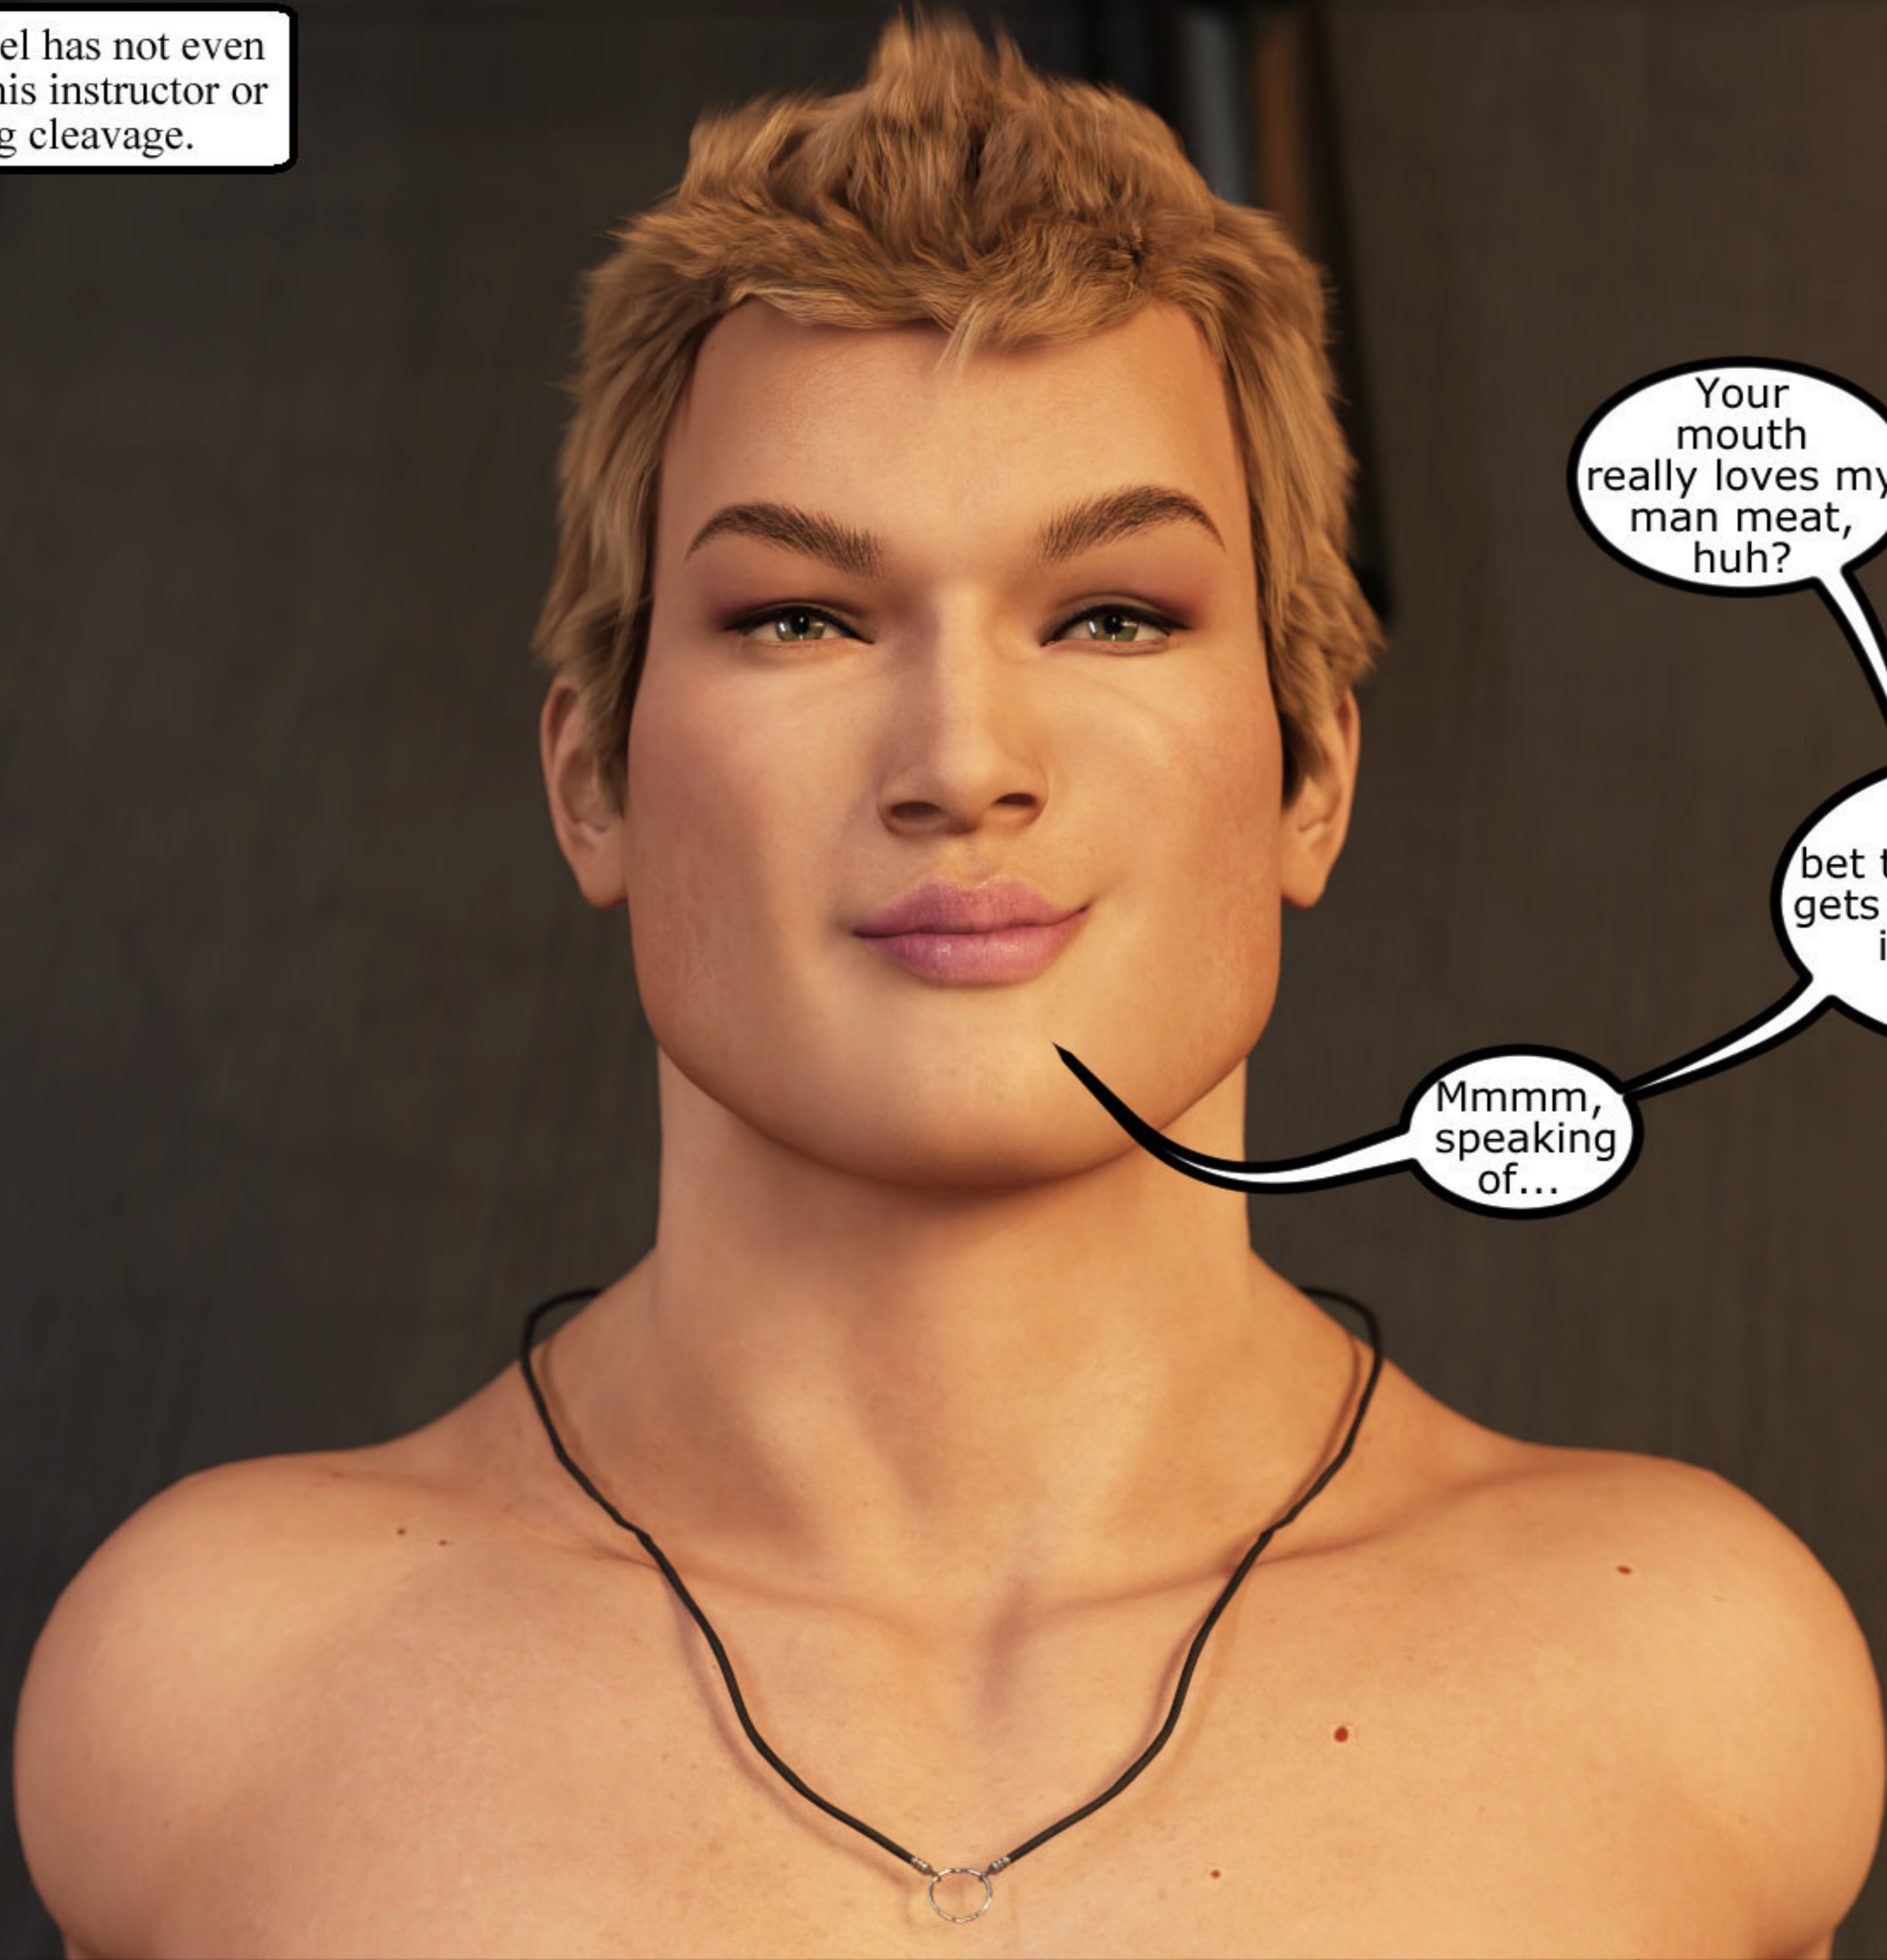

Which also means that her breasts are still slowly growing larger and larger.

Until they stretch and fill to the point that they touch the floor beneath Elizabeth.

**Grow!**

Ever the brute, Mel has not even glanced down at his instructor or at her swelling cleavage.

Your mouth really loves my man meat, huh?

Suck it, Phoenyxx! I bet that fucking prick gets off on paperwork instead of hot pieces of ass!

Mmmm, speaking of...

Ignoring her tearful display, Mel prepares to gift her with a proper "release" of a "muscle" from her excellent new stretching method.

Ready for a load? You better not spill my cum or I'll have to go again.

**You got that!?**

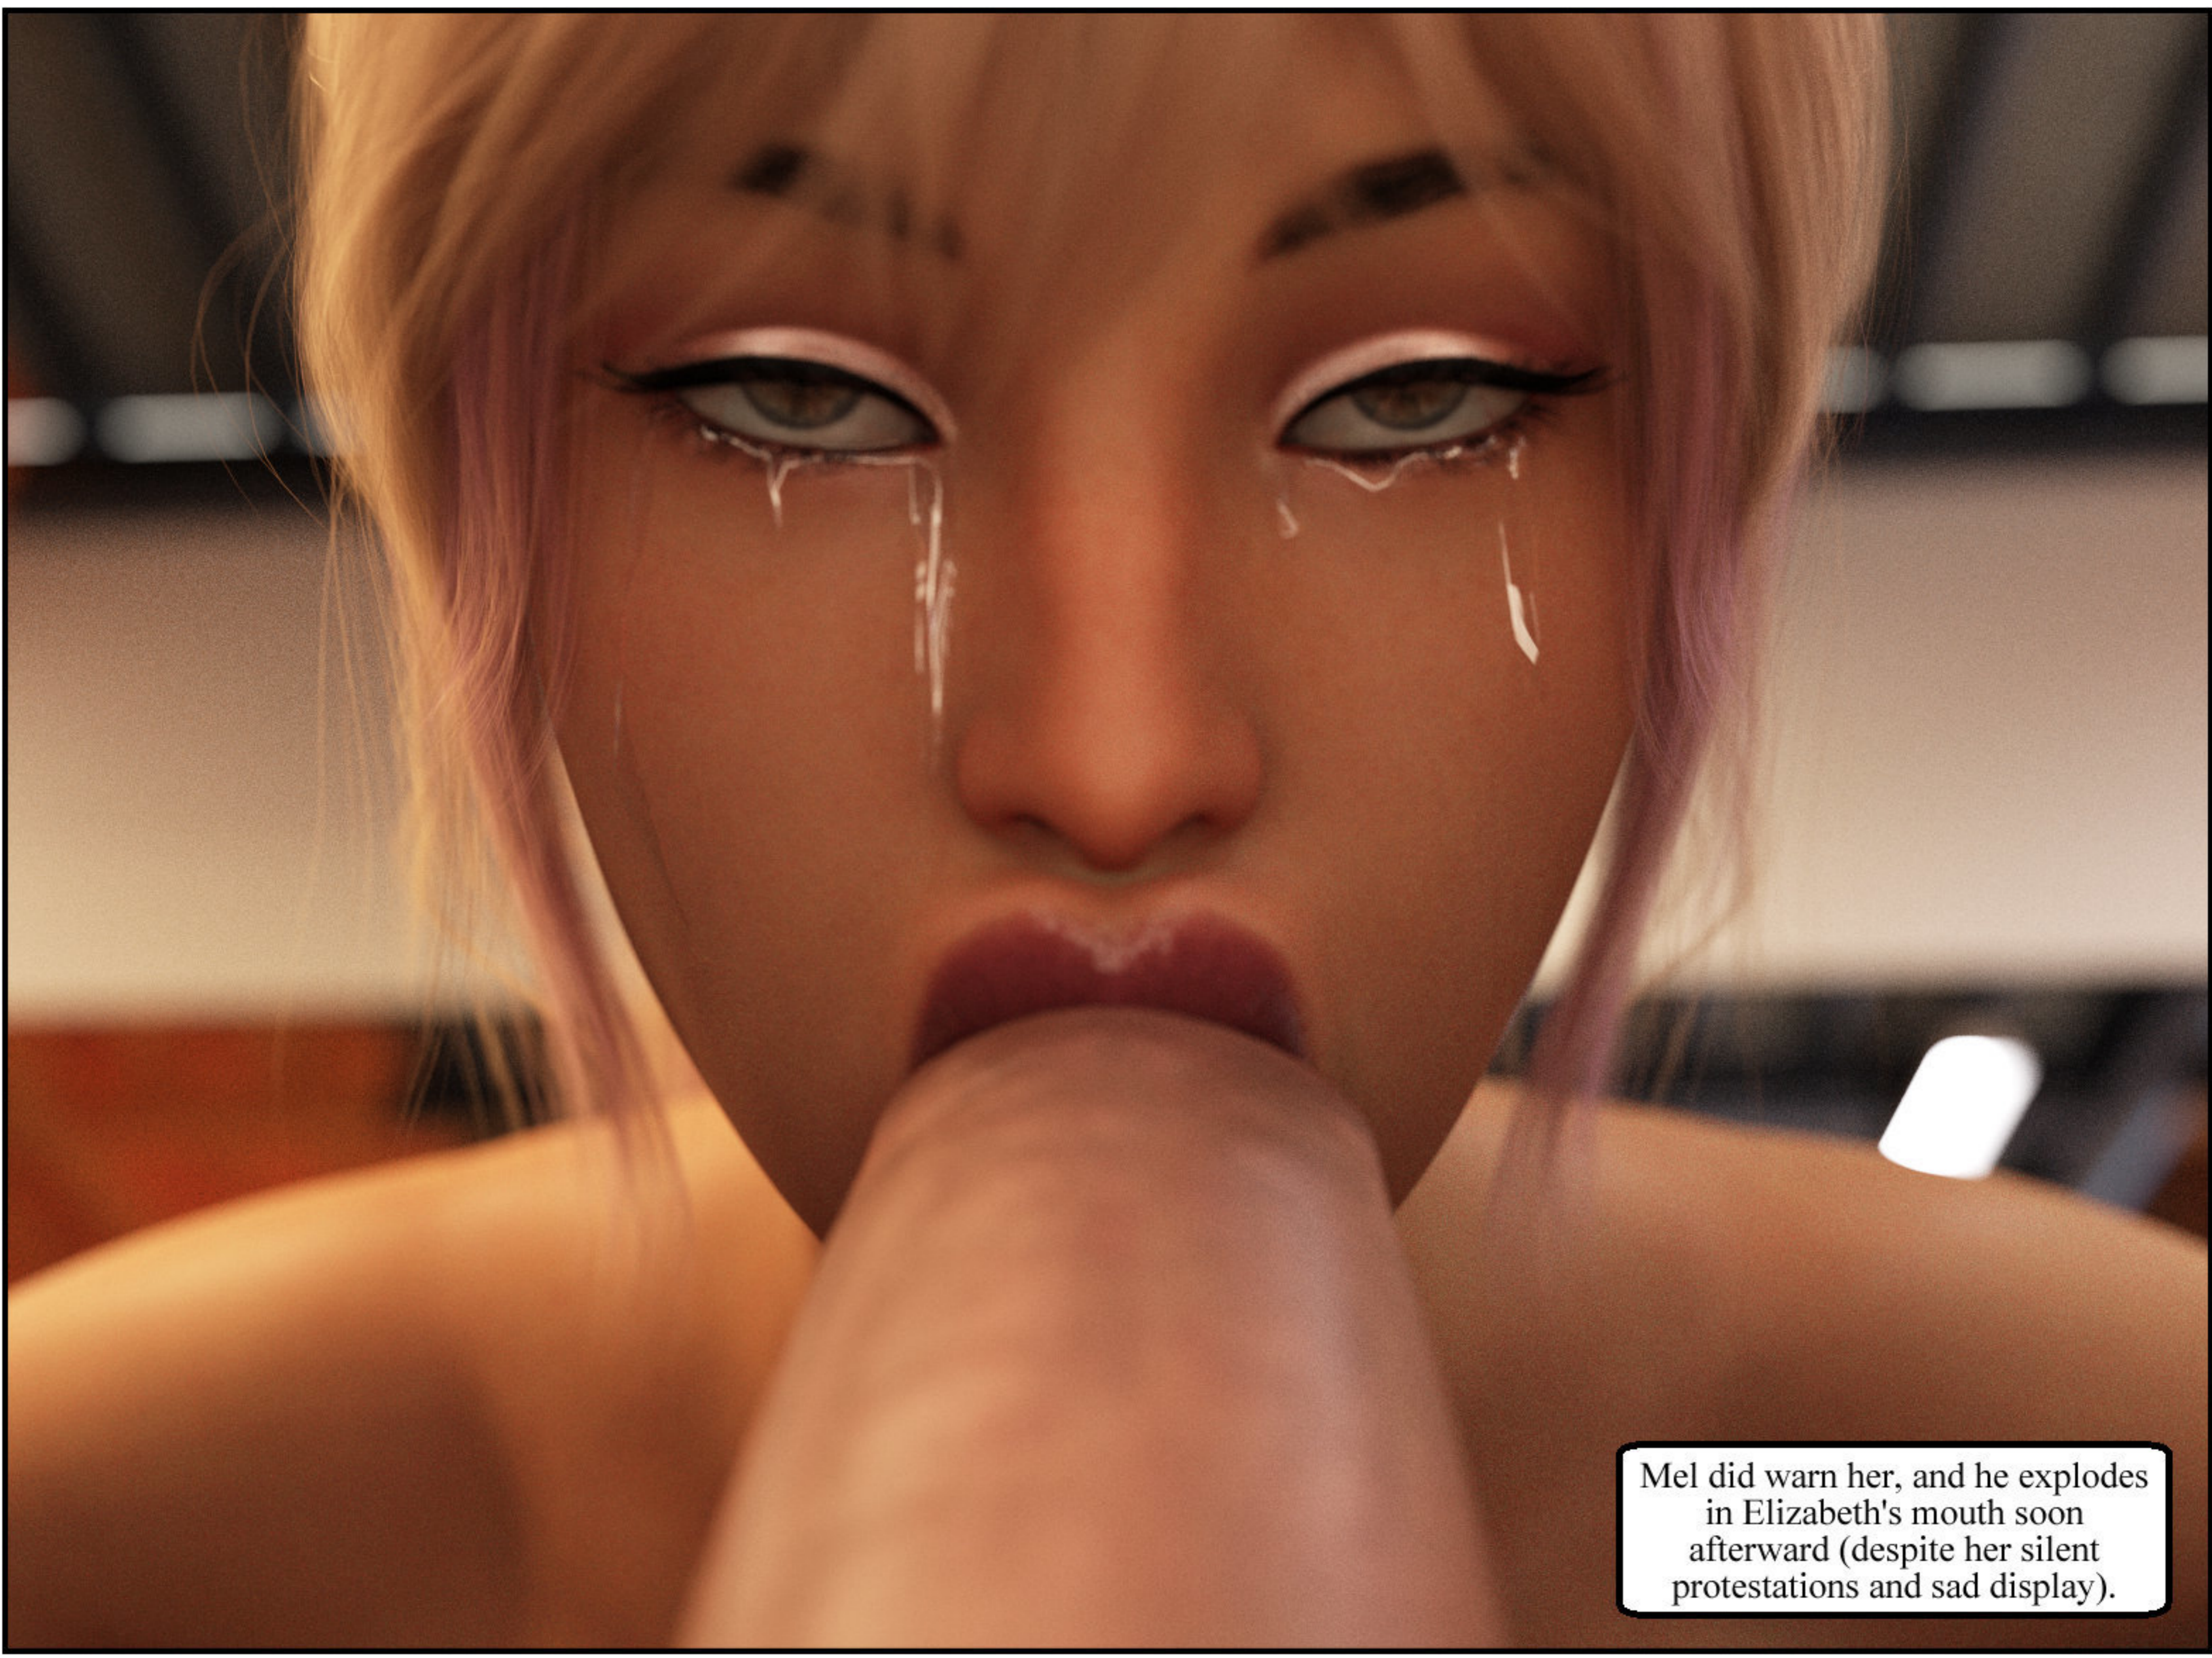

P-please no!

**Fuck  
yeah!**

Mel did warn her, and he explodes in Elizabeth's mouth soon afterward (despite her silent protestations and sad display).

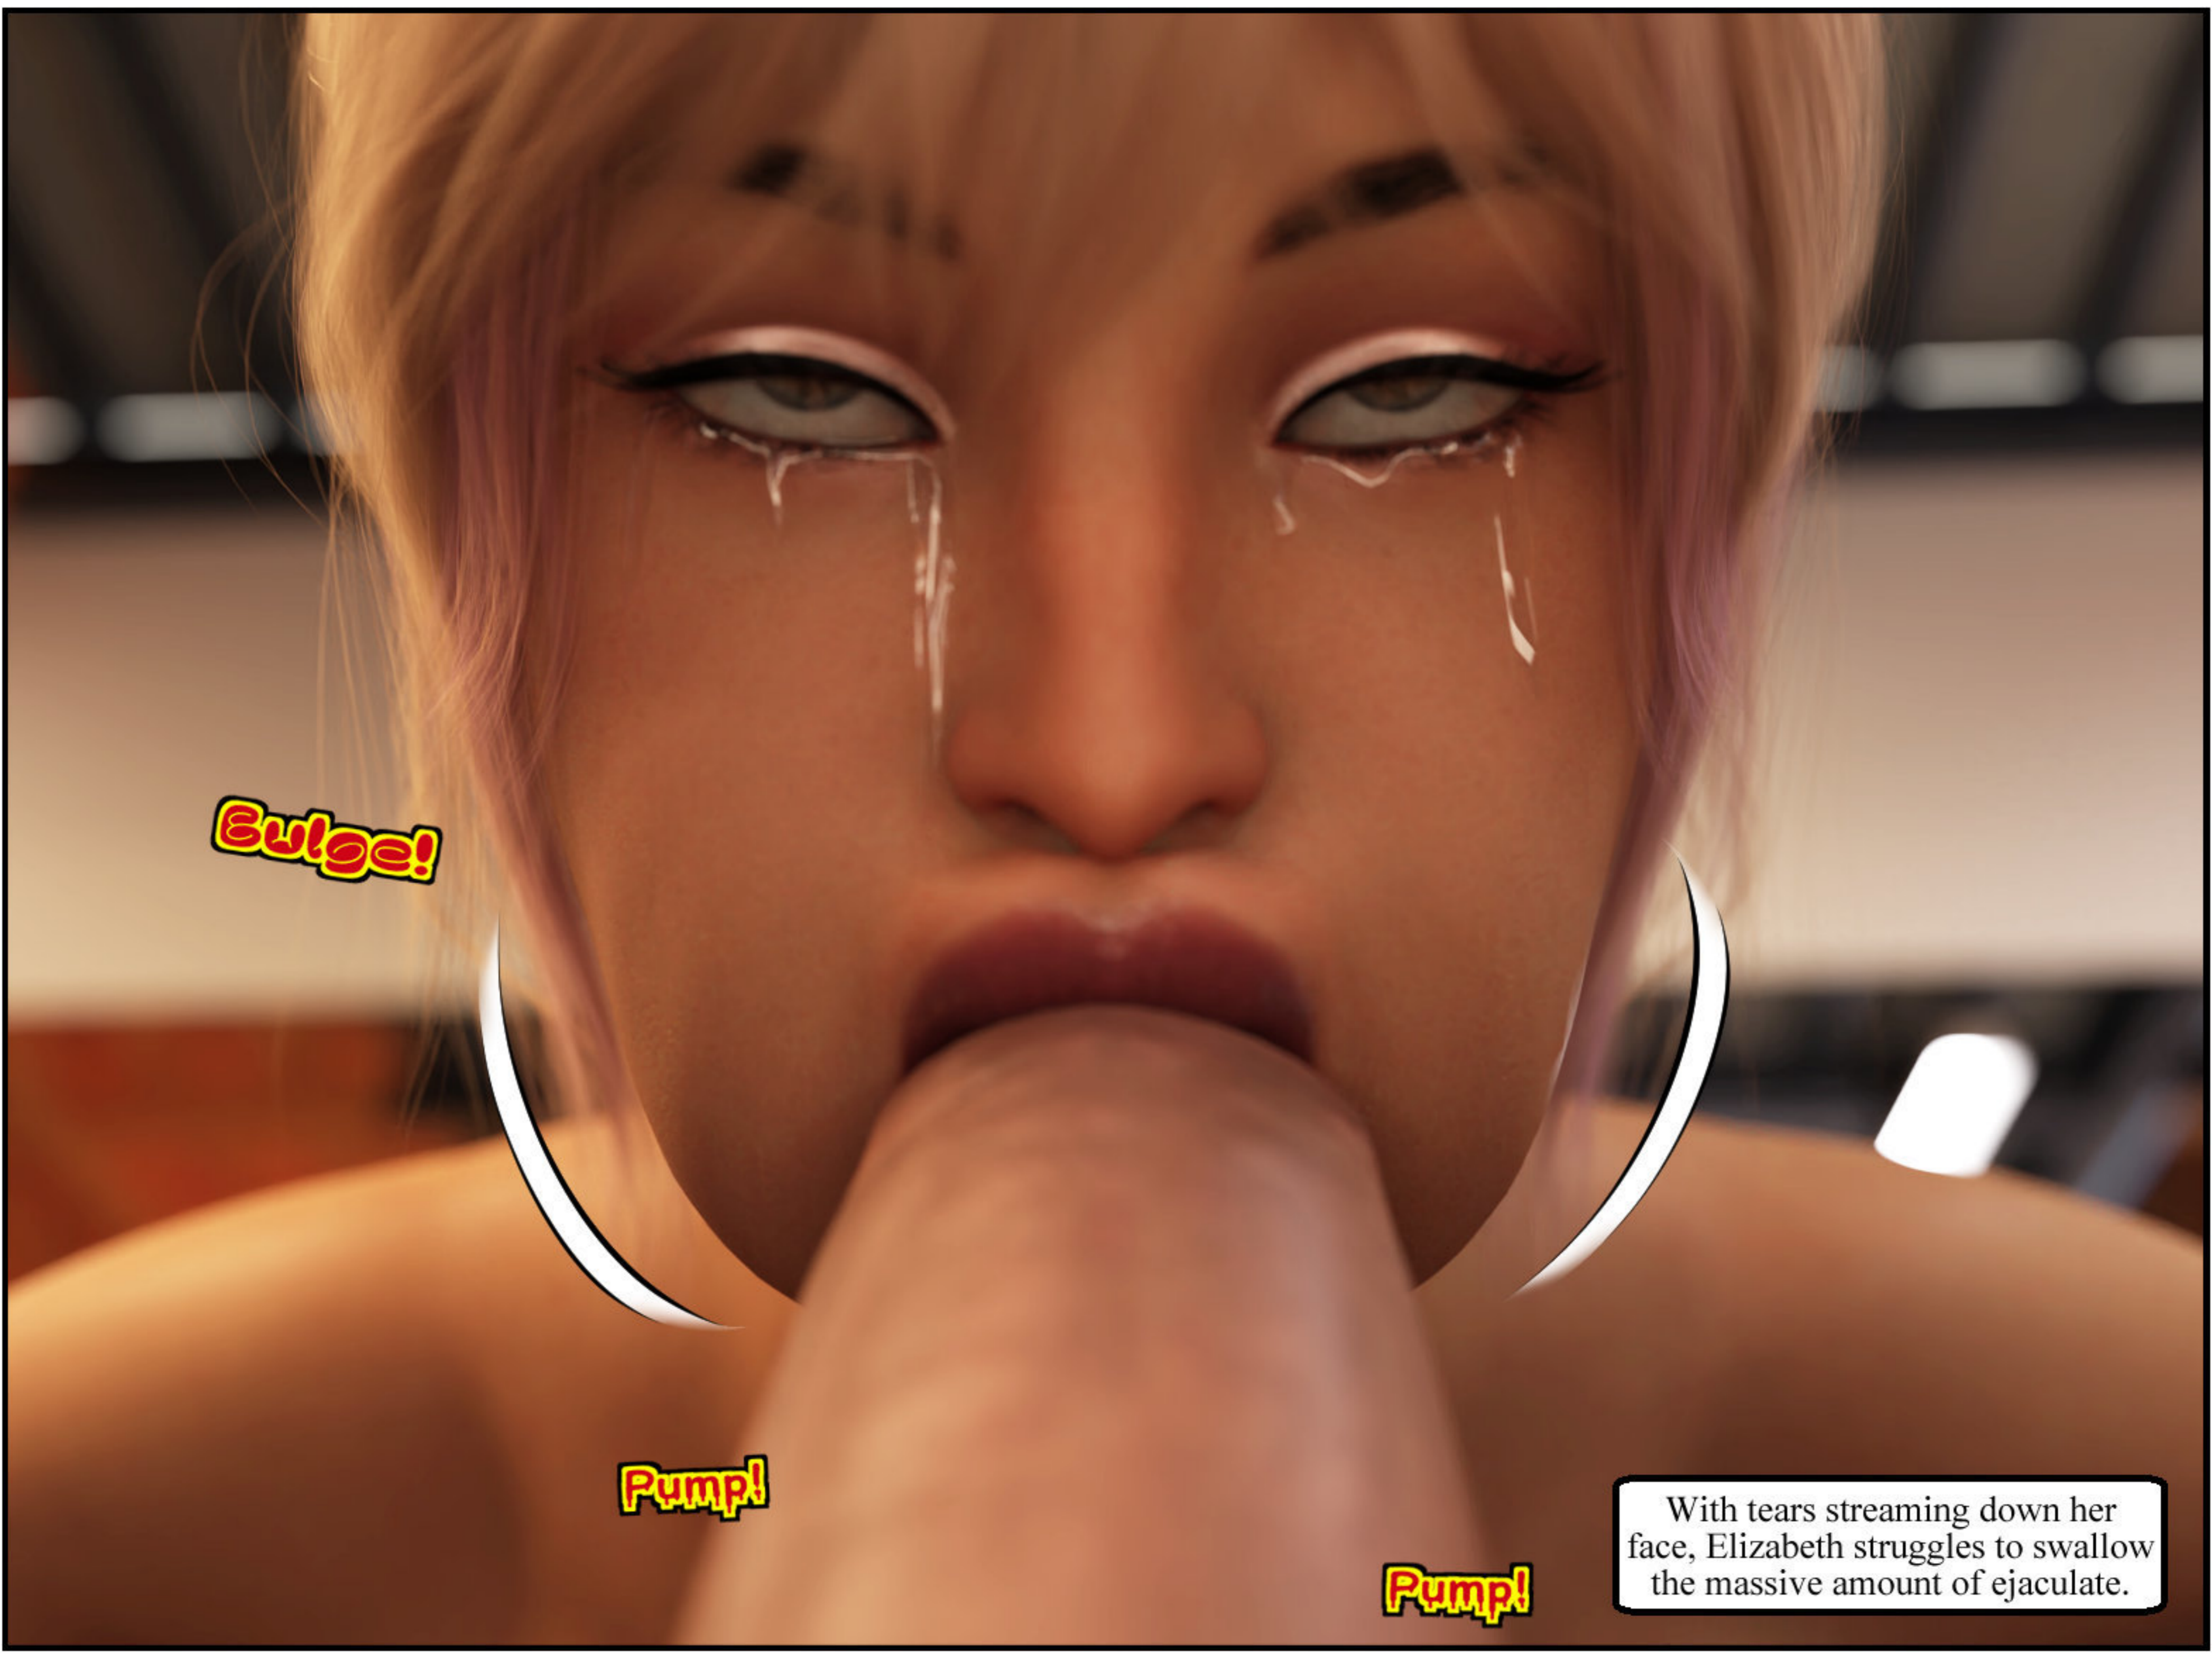

**Fill!**

**Pump!**

**Pump!**

She still can't seem to remove her lips, as his cock starts pumping load after load of thick semen into her waiting mouth.

**Bulge!**

**Pump!**

**Pump!**

With tears streaming down her face, Elizabeth struggles to swallow the massive amount of ejaculate.

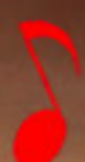

**BOOBS! BEAUTIFUL BOOBS!**

Between the throbbing of Mel's cock and the beat of the music, Elizabeth finds her bloated bust vibrating against the floor.

**PERFECT FOR FIT BIMBOS!**

Boobs that almost seem to start swelling bigger even faster with the addition of Mel's man-juice.

**Bustier!**

**WHO LIKE TO SHOW THEIR MOVES!**

Each pump of his fat cock seems to make them bloat by another cup size or more.

**Even  
Bustier!**

**SO SWALLOW YOUR CUM!**

And filling her mouth with more of his thick, sticky cum.

Mel's cock appears to be acting more like a hose.

 **BECAUSE THE SHOW HAS BEGUN!** 

And his balls like some massive reservoir of fluids.

**Bigger!**

**DENIED OUR GIFTS!**

A reservoir that seems to be connected directly to her tits!

**Even  
Bustier!**

**SO LET IT BE KNOWN!**

T-the music!

However, Elizabeth finally notices something, as she glances up, and experiences quite the horrifying realization.

**THE SCARLET SANCTUARY  
WILL TAKE WHAT WE OWN!**

**WE SPREAD OUR POWER LIKE  
YOU SPREAD YOURSELF!**

The music player has somehow appeared on her side of the gym, and it is the music that is clearly doing this to her!

**NOW SLICK HIS COCK AND  
NO MORE THOUGHTS!**

But how did it get there? Did Miku bring it over while Elizabeth was busy choking down load after load of semen?

**GOODBYE ELIZABETH  
MORALES!**

More importantly, what can she do about it? For now, it seems like Elizabeth can do little as the red notes work their fiendish magic.

**YOUR USEFULNESS  
HAS ENDED BUT  
DON'T BE SAD**

**Gulp!**

**Gulp!**

Especially since she is so busy  
just trying to keep up with the  
seemingly endless supply of jizz!

All of which is still going straight to her already enormous rack with every single swallow!

Damn, girl! You're a vaccuum!

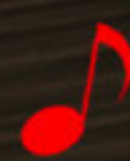

**YOUR NEW ROLE  
WON'T BE ALL  
THAT BAD!**

Elizabeth's giant jugs grow so big that they begin to lift her up off of the floor!

**ROCKING TITS!**

**Expand!!**

Yet her lips still manage to stay locked onto Mel's huge member.

WITH SUCH GREAT LIFT!

Enlarge!!

And the breast-filling cum continues to flow from Mel.

SADLY, THE  
REST OF YOU  
IS A PEST!

Balloon!!

Until Elizabeth's monumental mounds are nearly the size of fucking beach balls.

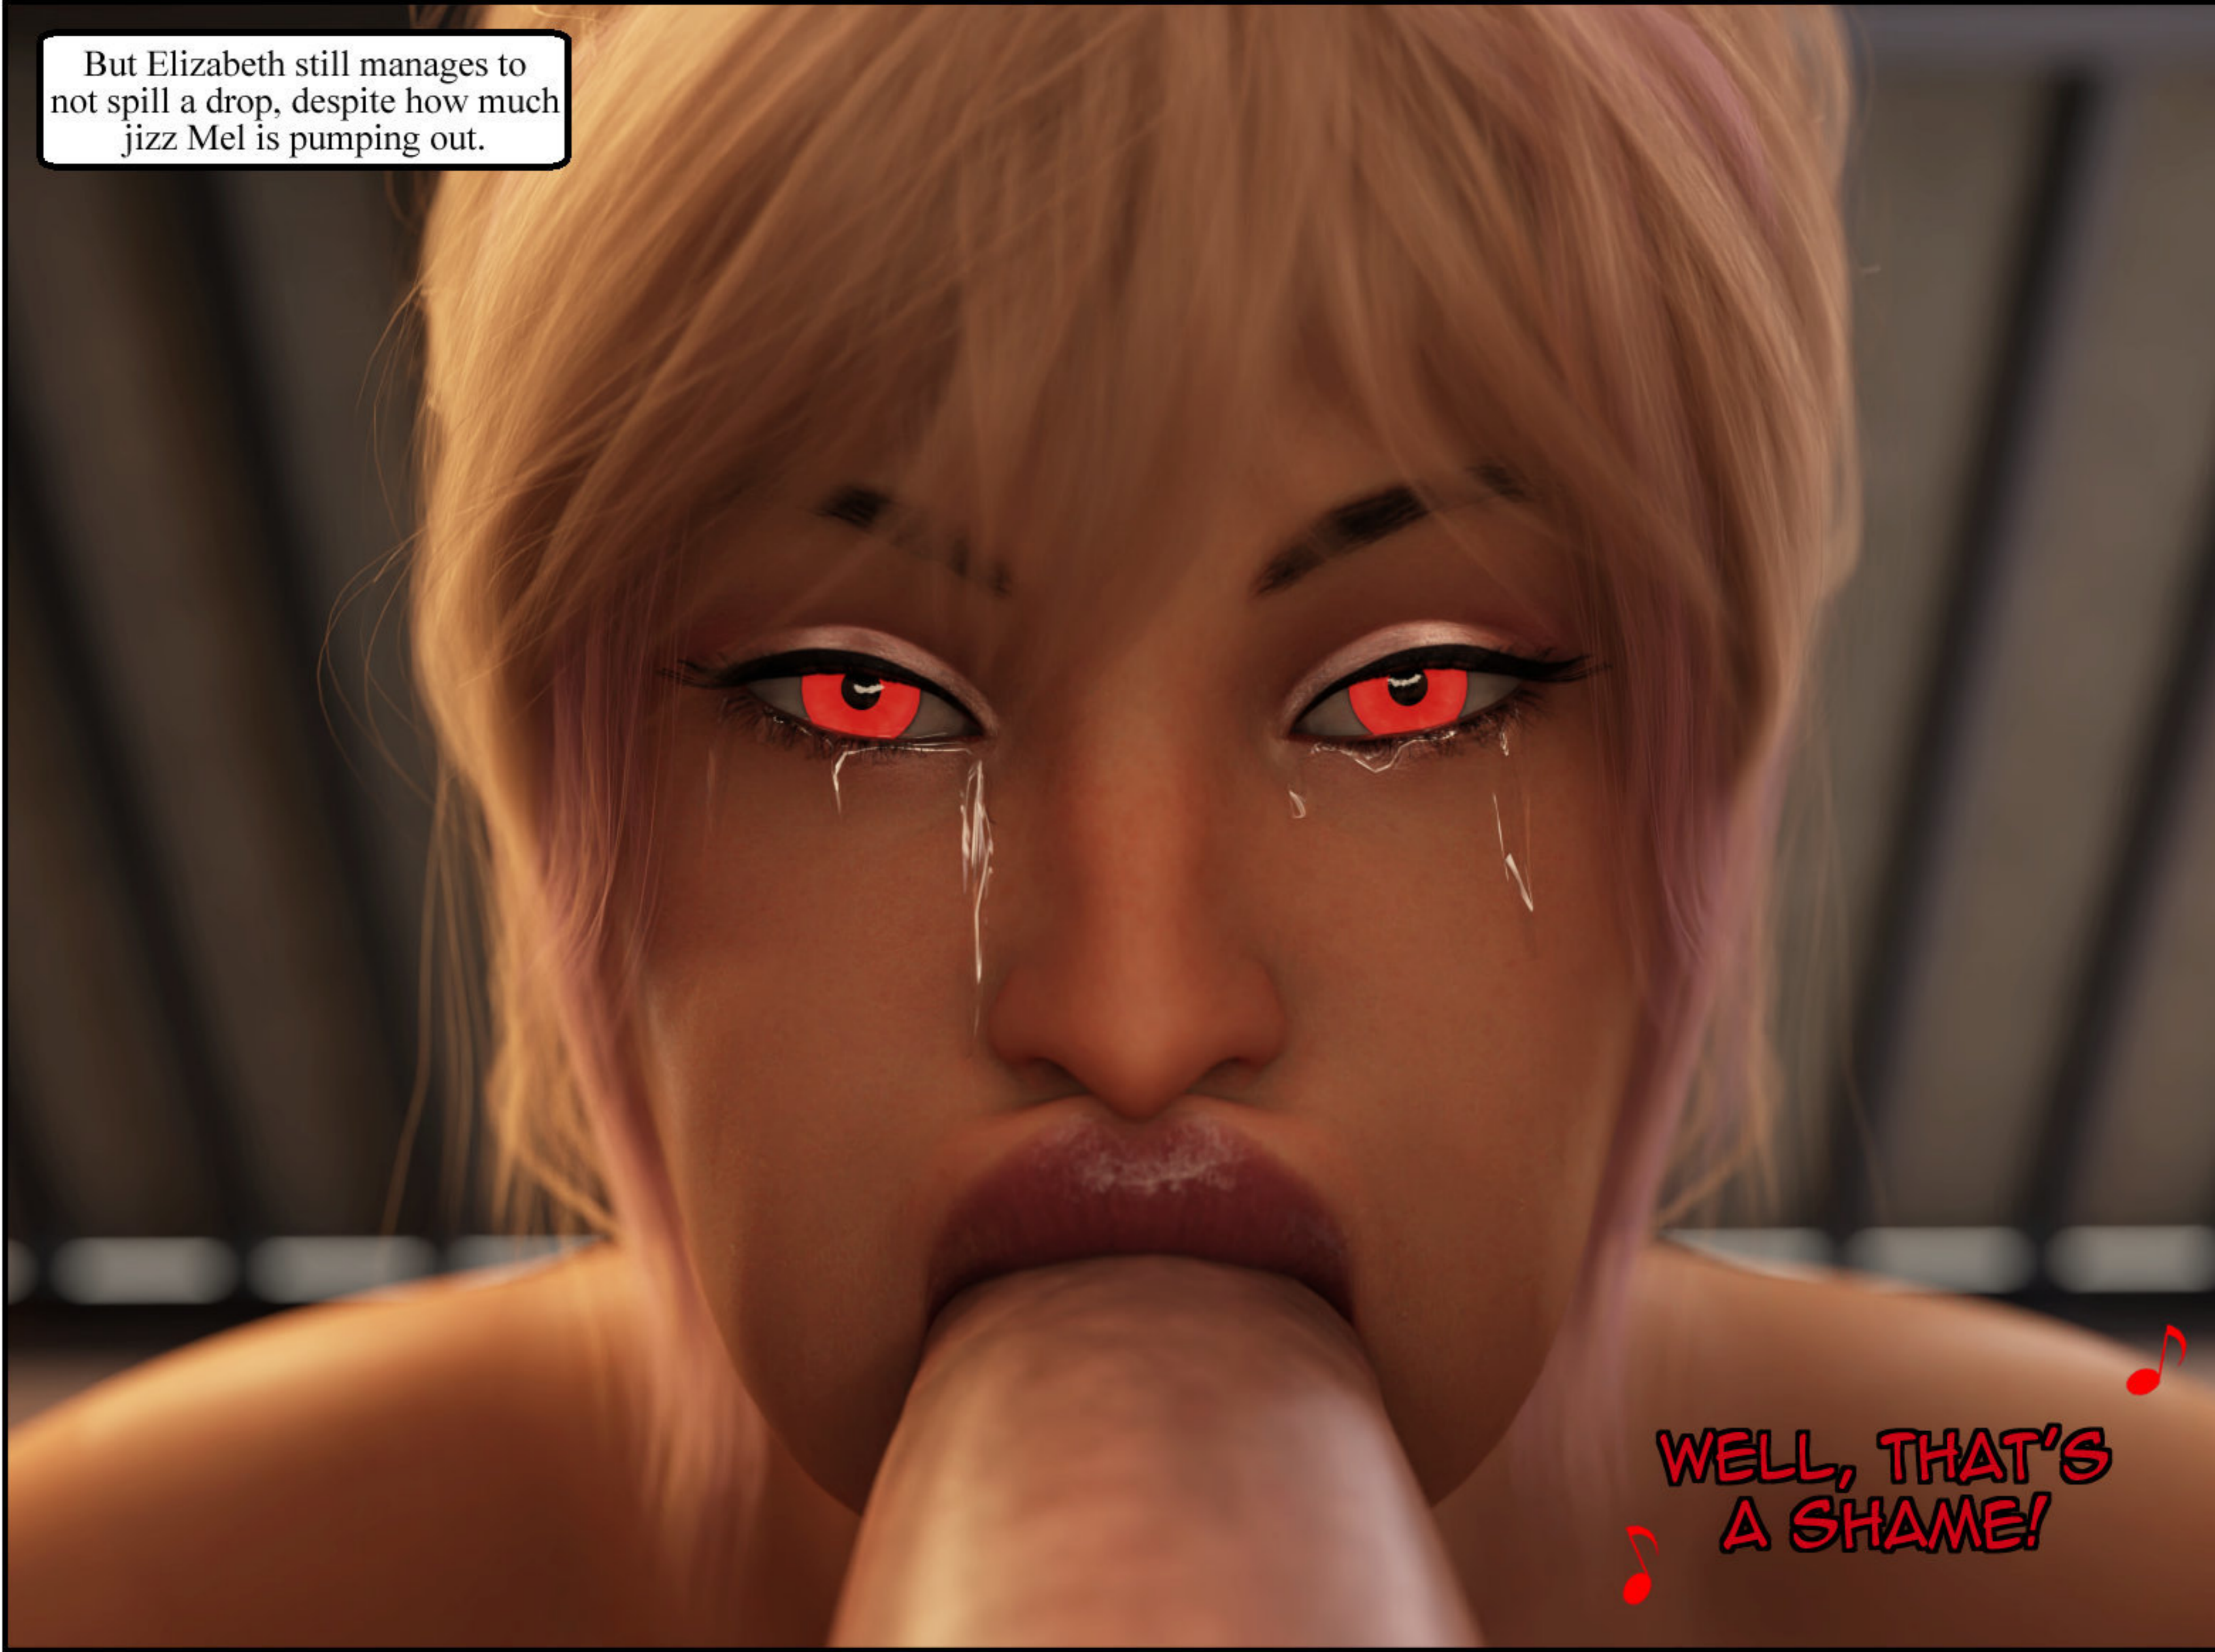

**OVERFLOWING!?**

**Explode!!**

But Elizabeth still manages to not spill a drop, despite how much jizz Mel is pumping out.

**WELL, THAT'S  
A SHAME!**

Suddenly the red glow from her eyes seems to spread to encompass her entire body.

SO HOW ABOUT  
ONE LAST CLAIM  
TO FAME?

And it all just seems to be too much for Elizabeth.

Splurt!

Splurt!

**CAN YOU RESIST ONE LAST SWALLOW?  
OR WILL I LABEL YOU AS SHALLOW!**

Pop!

REALLY!? NOT EVEN A SECOND AFTER WE FINISHED THAT YOU DECIDE THIS IS YOUR LIMIT!

Her lips finally release from Mel's cock, and she sits backward.

I GUESS IT'S TRUE ABOUT  
WHAT THEY SAY ABOUT THE  
WOMEN IN THIS TOWN...

Ah fuck!  
Come on I  
wasn't fucking done...  
nutting on  
that--

Mel is also pushed backward and  
is slightly offended by the rude  
interruption to a great blow job.

He looks confused as he stares into the bright red light, and the red notes dance around his head.

Bitch?  
That's not a...  
what was I  
doing?

A muscular man with short brown hair and a necklace is standing in a gym. He is shirtless and has a very large, thick erection that is dripping with white semen. He has his right arm raised behind his head. In the background, there are gym machines and another person working out. The lighting is warm and focused on the man.

Did I  
cum on that?  
Weird, I must be  
super horny from  
working  
out.

Mel stands up as the light fades,  
his massive schlong still dripping  
thick streamers of semen.

I wonder where this teach is, lazy bitch!?

He notices something odd, but shrugs it off and wanders away in search of the teacher that was supposed to be instructing him.

Behind him, two strange looking spheres seem to rest on the floor.

Elizabeth's clothes lie on the floor behind two orbs the size of medicine balls.

**BIMBOS TO THE BITTER SWEET END...**

The story will  
continue in the  
next part.
